

EPPING FOREST DISTRICT COUNCIL

**PROTOCOL FOR WEBCASTING OF
COUNCIL AND OTHER MEETINGS**

APPENDIX to Item 4

Introduction

The Council has agreed that certain meetings should be the subject of live web transmission ('web casting'), or recorded for subsequent transmission. Fixed cameras are located within the Council Chamber for this purpose and there is a mobile unit for use in other locations

This protocol has been produced to assist the conduct of web cast meetings and to ensure that in doing so the Council is compliant with its obligations under the Data Protection Act 1998 and the Human Rights Act 1998. Accordingly the following will apply to all meetings to be web cast by the Council:-

Main provisions:

1. The Chairman of the meeting has the discretion to request the termination or suspension of the webcast if in the opinion of the Chairman continuing to webcast would prejudice the proceedings of the meeting.

This would include:

- (i) Public disturbance or other suspension of the meeting;
- (ii) Exclusion of public and press being moved and supported;
- (iii) Any other reason moved and seconded and supported by the Council/Committee or Subcommittee.

2. No exempt or confidential agenda items shall be webcast.

3. Subject to paragraph 4 below all archived webcasts will be available to view on the Council's website for a period of six months. Council meetings are recorded onto DVD, which will be stored in accordance with records management procedures.

4. Archived webcasts or parts of webcasts shall only be removed from the Council's website if the Monitoring Officer considers that it is necessary because all or part of the content of the webcast is or is likely to be in breach of any statutory provision or common law doctrine, for example Data Protection and Human Rights legislation or provisions relating to confidential or exempt information.

If the Monitoring Officer has decided to take such action she must notify all elected Members in writing as soon as possible of her decision and the reasons for it via the Bulletin

Council expects the Chair of the Council and the Monitoring Officer to ensure that Council meetings are conducted lawfully. Therefore, Council anticipates that the need to exercise the power set out above will occur only on an exceptional basis.

5. Any elected Member who is concerned about any webcast should raise their concerns with the Head of Research and Democratic Services

Agenda Front Sheets and Signage at Meetings

On the front of each agenda and on signs to be displayed inside and outside the meeting room there will be the following notice:-

WEBCASTING NOTICE

Please note: this meeting may be filmed for live or subsequent broadcast via the Council's internet site - at the start of the meeting the Chairman will confirm if all or part of the meeting is being filmed.

You should be aware that the Council is a Data Controller under the Data Protection Act. Data collected during this webcast will be retained in accordance with the Council's published policy.

Therefore by entering the Chamber and using the lower public seating area, you are consenting to being filmed and to the possible use of those images and sound recordings for web casting and/or training purposes. If members of the public do not wish to have their image captured they should sit in the upper council chamber public gallery area

If you have any queries regarding this, please contact the Senior Democratic Services Officer on 01992 564249.

Meetings of the Area Plans Subcommittees, District Development Control Committee, Licensing Committee and other 'Quasi Judicial' Hearings

In any correspondence notifying applicants, supporters or objectors of the meeting date on which an application will be heard, the following advice will be included if the particular meeting has been chosen to be web cast:-

"Please note that Council meetings may be filmed for live or subsequent broadcast via the Authority's Internet site. If you do not wish the hearing of your application to be filmed, please contact the Senior Democratic Services Officer to discuss their concerns. The Council will not film speakers if they do not wish to appear in the webcast"

Conduct of Meetings

At the start of each meeting to be filmed, an announcement will be made to the effect that the meeting is being or may be web cast, and that the Chairman may also terminate or suspend the web casting of the meeting, in accordance with this protocol. This will be confirmed by the Chairman making the following statement:-

"I would like to remind everyone present that this meeting will be broadcast live to the internet and will be capable of repeated viewing.

If you are seated in the lower public seating area it is likely that the recording cameras will capture your image and this will result in the possibility that your image will become part of the broadcast.

This may infringe your human and data protection rights and if you wish to avoid this you should move to the upper public gallery."
