### 1. Introduction

- (a) On 27 January 2017 the Committee considered an update following the re-establishment of the urgent and emergency care programme in North Kent. The scope of the programme had changed from the one originally presented to the Committee on 10 October 2014 and 26 January 2016. The Committee agreed the following recommendation on 27 January 2017:

*RESOLVED that the report be noted and NHS Swale CCG and NHS Dartford, Gravesham and Swanley CCG be requested to present the case for change and proposed clinical models to the Committee in March.*

- (b) On 14 July 2017, following postponement due to the KCC election, the Committee considered the Case for Change and Proposed Clinical Model of Care and agreed that the proposed changes to urgent and emergency care by the North Kent CCGs not to be a substantial variation of service.
- (c) On 23 November 2018 the Committee considered a report on the Kent and Medway NHS 111 and Clinical Assessment Service. The report referred to the concluding phase of the Swale and Medway Local Urgent Care Programme procurement. The Committee agreed that the outcome of the procurement be presented to the Committee at the appropriate time.

### 3. Recommendation

RECOMMENDED that:

- (a) the Committee receive an update on the CCG's procurement progress in March 2019.
