Subject: **REGISTER OF INTERESTS**

Classification: Unrestricted

---

Summary: To inform members of any public interest over the past year in the Register of Members' Interests

### **Introduction**

1. All Members and Co-optees are required to complete a Register of Interests form which is available for inspection by members of the public during normal working hours.

Following the election in 2005, all Members completed new forms or update sheets for the public register.

### **Public Interest in the register**

There has been very little interest in the Register during the past year and only four people recorded as wishing to look at Members' interests. Telephone enquiries have also been made occasionally and one Freedom of Information request that required searching through all the records for a specific item.
