Dear Peter

Further to my letter of 27 May 2011 the Authority members have given some careful thought to the Government's proposals in respect of Police and Crime Commissioners. They are mindful of the fact that, if these proposals are enacted, a key element in managing the transition will be close working with Kent and Medway Community Safety Partnerships. The KCC nominees on the Authority already include a member with a Community Safety role and it would be especially valuable if the Medway nominees also included someone with a Community Safety role in Medway.

I would be grateful if you could ensure that this view is conveyed to the members of the Joint Committee who will consider nominations to the Authority.

Yours sincerely

Mike Campbell
Temporary Chief Executive
