4. Update from the Commons Registration Team

(Item 6)

(1) The Public Rights of Way & Commons Registration Officer and the Head of Planning Applications Group replied to questions on implications of the Growth and Infrastructure Bill by explaining that its aim was to prevent frivolous Village Green applications from holding up development and economic growth. The intention was to prohibit applications to register Village Greens where there was a planning application or a development plan allocation. The Head of Planning Applications Group expressed concern that there was a potential risk of ill prepared Village Green applications being promoted at the planning stage, leading to possible delays in the determination of planning applications and a stifling of pre-planning application discussions between developers and communities.

(2) RESOLVED that the report be received.

(Item 7)

RESOLVED that the report be noted.

6. Update on Planning Enforcement Issues
