**GUIDELINES FOR THE APPOINTMENT OF AUTHORITY GOVERNORS
SEPTEMBER 2012**

All governing bodies have at least one local authority governor post as part of their membership. The Governor Appointment Panel (GAP) is responsible for approving nominations and in very rare circumstances removing authority governors.

General principles and expectations

Local Authority governors should be able to make a full and effective contribution as a school governor and meet any skill set identified by the appointing school.

Nominations for appointment will be considered from political groups, Kent Governor Services, School Governors Once Stop Shop, and the school where there is a vacancy.

GAP have agreed the following guidelines for the appointment of Local Authority governors which will also take account of any relevant comments received from the headteacher, governing body or LA officers before recommending a nominee for appointment.

A person is unlikely to be successfully nominated to a school if he/she;

1. Is a member of staff in a Kent funded school. This because they can apply to become a staff governor at their school. A person who volunteers at the school may be considered.
2. Is a parent of a child attending same school. This is because they can already apply to become a parent governor at their school.
3. Is related to a member of staff or a member of the governing body.
4. Has worked at the school in the past.
5. Has worked at a school in the same area in the last 2 years.
6. Has made complaints of a vexatious nature to either the school or the LA
7. Where there is more than one person wishing to be the Local Authority Governor for a school, the following priority will occur:
 - a) an existing Authority governor with an attendance record of at least 2/3.
 - b) the local County Councillor.
 - c) a nomination supported by a political group.
 - d) any other suitable nomination.

Reappointment

8. The length of time a person serves as an authority governor is between 1 and 4 years. A person can be re-appointed for a further 1-4 years provided he or she:
 - i) Has attended at least 2/3 of the governing body meetings or explains their absence and agrees to improve attendance.

ii) Has attended at least one session of governor training during each year of their previous term.

iii) Nominees who are parents of children at the school at the time of their re-appointment will be considered by the panel at their meeting. The time that the child is to remain in the school will be considered when making a decision.

Note: A register of exceptions is maintained of any person appointed against these guidelines.

The original guidelines were agreed by the former Case Sub-Committee at its meeting on 9 April 2001.

These Guidelines have been amended to take into account changes arising from the Education Amendments September 2012 and agreed by the Governor Appointments Panel at its meeting on 29 June

GOVERNOR APPOINTMENTS PANEL

MINUTES of a meeting of the Governor Appointments Panel held in the Wantsum Room, Sessions House, County Hall, Maidstone on Friday, 26 April 2013.

PRESENT: Mr D L Brazier (Chairman), Mrs V Dagger, Mr R J Parry, Mr R Tolputt and Mr D S Daley

OFFICERS: Mr N Morgan (School Governance Officer) and Mr A Tait (Democratic Services Officer)

UNRESTRICTED ITEMS

3. Minutes - 8 February 2013

(Item A3)

(1) The Governor Support Officer informed the Panel in respect of Minute 1(1) that Mrs J Rumley had not yet returned her Authority Governor Nomination Form.

(2) RESOLVED that the Minutes of the meeting held on 8 February 2013 are correctly recorded and that they be signed by the Chairman.

4. Authority Governors for Primary, Secondary and Special Schools in Kent

(Item B1)

(1) The Panel decided not to appoint Mr P Ananicz to the Governing Body of Five Acre Wood School as his appointment would have been contrary to Guideline 3, and because it did not consider that the grounds for overriding this Guideline were sufficiently exceptional.

(2) The Panel decided not to appoint Mrs W Adriansee to the Governing Body of Riverhead Infant School as her appointment would have been contrary to Guideline 2, and because it did not consider that the grounds for overriding this Guideline were sufficiently exceptional.

(3) The Governor Support officer informed the Panel that Mr N Matthews could not be appointed to the Governing Body of The Federation of Foxwood and Highview Schools as it was in the process of reconstitution. The position would no longer be available once this process was completed.

(4) The Panel agreed to the re-appointment of Mrs K Ray to the Governing Body of East Peckham Primary School as she had served with distinction as Chair of Governors and her child would be leaving the School in July.

(5) The Panel noted that Mr D Smith's nomination form for the Governing Body of Lenham Primary School had now been received. His wishes had been unknown at the time of the previous meeting and his appointment would be backdated to take place from that date.

- (6) RESOLVED that the appointments of Authority Governors to primary, Secondary, Special Schools, Pupil referral Units, the Pool of Additional Governors and the nominations to non-Authority Academies be agreed as set out in the Appendix to these Minutes.
