*(Item )*

11.2 Mr Foster reported he had responded to the on-line survey on behalf of SACRE and he awaited the outcome from the KCC consultation. He advised that the revised Programme of Study were launched in October 2013.

## **12. Budget Summary**

*(Item 5)*

12.1 Mr Foster reported the Budget situation was much as at the same period last year. The Youth SACRE had not attracted the anticipated level of expenditure and the Steering Group had therefore considered various options for the remaining SACRE funds, these included supporting/assisting applications for the Quality Mark and/or Early Years training. Miss Walters suggested the funds be used to better publicise/raise the profile of the Agreed Syllabus in schools. Mrs Corbyn thought this could be done by distributing a paper copy of the statutory part of the Syllabus to all schools (approx 30pages).Mr Foster agreed to look into this.

12.2 Mrs Corbyn confirmed that the joint Diocese had secured a date, venue and Keynote speaker for the training it had been suggested the Local Authority buy into- negotiations were ongoing as to how the SACRE funds could be accessed for the purpose. Further details to follow.

## **13. Annual Report**

*(Item 6)*

13.1 Mr Foster presented the Draft Annual report for approval. He drew attention to appendix 1 (page24) - exam statistics, and the significant decline in short course entries, the impact of the EBacc.

13.2 Members debated Page 23 which highlighted the ongoing issue of Ofsted inspections and the non-compliance with statutory requirements for RE and Collective Worship. Mr Foster hoped that reporting SACRE's views to NASACRE and KCC Members in the Annual Report would raise awareness/concerns

13.3 No Kent schools had been reported on in the lasted Ofsted report for RE.

13.4 Page 16 referred to Quality of teaching and members debated how this could be quantified. Mr Foster had provided training which resulted in very positive feedback, teachers wishing to establish local networking and support. Mr Tyson stated clear accountability was vital, and it was essential to have a mechanism to guage the impact of training. Mr Foster advised the impact/accountability was with the Headteacher who had financed the staff member, organised supply cover with the aim of impacting teaching and learning.

13.5 Mrs Donnelly reminded members of new guidelines regarding Governing Bodies and the All Party Parliamentary Group document reminding Governors of their responsibilities towards RE. She thought it would be worthwhile contacting the 20 schools who had recently sent staff to attend Mr Foster's training course to ask for feedback in relation to the impact on teaching and learning.

13.6 Ms Burke reminded members that there were no longer any AST post for RE.

13.7 Members resolved to finalise and adopt the Annual report which would be reported to the Education Cabinet Committee, KCC members via the Information point and NASACRE and be published on the web.

#### **14. Ofsted Report on RE -[www.ofsted.gov.uk/resources/130068](http://www.ofsted.gov.uk/resources/130068)**

*(Item 7)*

14.1 Mr Foster had circulated the summary report for “RE: Realising the Potential” and encouraged members to read the whole document. He pointed out part A which discussed eight major areas of concern and Part B, both of which raised the same concerns as Kent SACRE. Mr Foster was unclear about what action the LA would take to address the issues and Mr Northey and Mr Manion agreed to discuss the best way forward with a view to consulting Sue Rogers. It was noted there would be no more subject specific reports.

14.2 It was agreed there was a general lack of understanding of the nature and purpose of RE in some schools and it was important for SACRE to articulate a clear vision. Where good use of budget/resources/training and good practitioners were evident in schools, best practice needed to be shared and members agreed SACRE needed to know who and where such schools were.

#### **15. Youth SACRE**

*(Item 8)*

15.1 The Minutes of the inaugural meeting of the Kent Youth SACRE held on 16 October 2013 were approved as a true record and signed by the Chairman.

15.2 Mr Tyson had facilitated the first meeting and included a written report with the Agenda. He reiterated his thanks to all concerned and reported he had received positive feedback in the responses to Survey Monkey - the online survey he had undertaken.

15.3 Members considered the most sustainable way forward to promote an effective vision for Kent youth through SACRE. All agreed the event should be repeated and another volunteer was needed to co-ordinate future arrangements, with careful thought to organisation, timings, content, discussion groups and feedback.

15.4 Mrs Younosi thanked Mr Tyson on behalf of SACRE.

#### **16. RE in Academies**

*(Item 9)*

16.1 Mr Foster reported he had taken the framework from a NASACRE pamphlet to use as the basis for a user friendly A5 document to help raise awareness in Academies and Free schools regarding their responsibilities towards RE and Collective Worship. He hoped this would engender more collaborative working and engagement.
