To be proposed by Mr Baldock and seconded by Mr Burgess

*“This Council applauds the sterling work of our Community Wardens, and recognises the huge benefits that they bring to the communities that they serve. This Council further acknowledges that the social value they bring to those communities far outweighs the financial costs to the County Council. Consequently, we believe Kent County Council should continue to champion this scheme, publicise its achievements, and consider ways of promoting the concept to other councils.*”

*To this end, this Council pledges its full support to our team of Community Wardens, and will ensure that they continue to be able to provide such a constructive role in our communities.”*
