1. Introduction

A Select Committee on Knife Crime was established by the Scrutiny Committee, based on a proposal by the Leader, and started its work in April 2019.

2. Background

After falling for several years, knife crime in England and Wales is rising again. While overall crime has fallen rapidly over the last 20 years, knife crime has risen in almost all police force areas in England and Wales since 2014.

According to the Office for National Statistics, after falling to a low point in 2013/14, when there were about 25,600 offences involving a sharp object, these have increased steadily to peak in 2017/18 at about 40,100. 43 of the 44 police forces recorded a rise in knife crime since 2011. These increases have been accompanied by a rise in younger victims and perpetrators.

Kent has experienced the largest, recent increase in knife crime in England and Wales. Between April 2010 and September 2018, knife crime in the county increased by 152%, from 346 to 873. However, the *rate* of all crime involving a knife or sharp instrument in Kent is considerably *lower* than the national average, with 50 offences per 100,000 population (the average rate in England and Wales is 76 per 100,000

population). In addition, Youth Offending data shows that the number of knife crime offences in Kent that resulted in an Out of Court Disposal or Court Conviction (for those under the age of 18) has gradually declined, from 145 in 2016, to 127 in 2017 and to 107 in 2018.

Kent County Council is determined to take action to help to tackle the recent increases in knife crime in the county and to deal with its consequences, which can devastate the lives of individuals, families and communities.

3. Select Committee

3.1 Membership

The Chairman of the Select Committee was Mr Paul Barrington-King (Conservative). Other members of the Committee were: Mrs Sue Chandler (Conservative), Mr Ian Chittenden (Liberal Democrat), Mr Andrew Cook (Conservative), Mr Paul Cooper (Conservative), Mr Dara Farrell (Labour), Mr Tony Hills (Conservative), Mr Ken Pugh (Conservative) and Mr Alan Ridgers (Conservative).

3.2 Terms of Reference

The agreed terms of reference were:

1. To examine the reasons behind the recent increases in knife crime offences in the county.
2. To consider current initiatives in Kent focused on addressing knife crime in the county.
3. To identify opportunities for KCC to help reduce the incidence and impact of knife crime in Kent.

3.3 Evidence

The Knife Crime Select Committee held 11 formal hearing sessions with a wide range of witnesses, including representatives of the Youth Justice Board, Kent Police, Essex County Council, academics, local organisations, and KCC Cabinet Members and senior officers.

The Committee also received written evidence from a number of sources, including the Scottish Violence Reduction Unit, the National Probation Service, the Kent Association of Headteachers, Kent Youth County Council, local NHS Trusts and academics. The evidence list is set out in Appendix 2.

Full details of all the oral and written evidence received by the Committee are available online. Please follow the link below.

4. The Report

The Select Committee approved its report at a formal meeting on 12 September 2019. The executive summary of the report is attached in Appendix 1. A copy of the full report is available online. Please follow the link below.

5. The Report – Key Facts

Key facts and figures from the report are summarised below.

- There are three broad reasons why people carry knives:
 - **self-protection** and fear ('defensive weapon carrying'), particularly for those who have previously been a victim of crime
 - **self-presentation**, particularly for those who want "street credibility" and "respect"
 - **utility** (offensive weapon carrying), particularly for those who use weapons to facilitate other behaviours such as theft, sexual assault, injury and serious harm.^{1 2}

- There is some evidence that the following factors may be associated with an increased risk of violence and/or weapon carrying:
 - **gender** – males are more likely to commit serious violence and carry weapons
 - **age** – self-reported weapon carrying peaks around the age of 15
 - **adverse childhood experiences** – including abuse, neglect, parental criminality and/or substance abuse, being taken into care
 - **educational attainment** – school exclusion and low attainment.³
 - Recent analysis of data collected in the UK indicates that there is no statistically significant relationship between ethnicity and weapon carrying.⁴

- Police-recorded crime figures can be affected by changes to recording practices, rates of reporting, and police activity. Improvements in recording by local forces are thought to have contributed to some of the rises in recorded crime in recent years.⁵ ⁶ Nonetheless, the years 2015/16 and 2016/17 saw increases in admissions to hospital for assault by sharp instrument, reversing a declining trend, which began in 2007/8. These rises, totalling 22% since 2014/15, appear to support the view that police-recorded crime figures reflect a real change in the number of knife crimes committed.⁷
- While the majority of knife crime is not gang-related, research has shown that gang members are more likely to carry knives than non-gang members, and that gang-related knife crimes are usually of a more violent nature than other knife-related offending.⁸ ⁹
- Dealing more effectively with gang crime and violence requires pro-active agency collaboration and intelligence sharing. There are examples of effective and proactive intelligence sharing in the county. Kent Community Wardens contribute to KCC's response to serious violence through their trusted role and relationship with the community, and this in turn enables them to identify warning signs and share intelligence.¹⁰
- As the level of knife crime has continued to grow over the last few years, the UK Youth Parliament believed that the issue must be addressed. In the 2018 "Make Your Mark" ballot, over 196,000 young people aged 11-18 from across the UK voted to put an end to knife crime. Members of Youth Parliament voted at the House of Commons to make this the England only campaign for 2019.¹¹
- Although there is no clear evidence that formal exclusion is a direct cause of a child becoming involved with crime, there appears to be a correlation. A study found that 63% of prisoners had been temporarily excluded from school, and 42% had been permanently excluded.¹² Also, in 2014, 23% of young offenders sentenced to less than 12 months in custody, and 16% of those sentenced to 12

months or longer, had been permanently excluded from school prior to their sentence date.¹³

- The Children's Commissioner (2019) reports that gang-associated children aged 5-15 are 5 times more likely to have had a permanent exclusion in their previous academic year.¹⁴ The Committee received evidence that it is very challenging to re-engage with young people who have been excluded from school, and to extricate them from gangs once they are involved.^{15 16} It is estimated that there currently are about 27,000 young people in England who identify as gang members. This figure does not include those who are being groomed and exploited by gangs but who would not identify as gang members.¹⁷
- The College of Policing (2019) says that programmes aimed at changing norms and values towards violence at a young age have shown promising results, and that in the UK these programmes are often aimed at children aged between 8 and 13.¹⁸ The youngest person reported to operate in a gang in Kent was only 10 years old.¹⁹
- Many young people involved in gangs and criminal activities are vulnerable victims, as well as perpetrators.^{20 21 22} The links between traumatic experiences – such as adverse childhood environments and childhood maltreatment - and criminal behaviour are widely evidenced.²³ These young people often need support to build the resilience necessary to extricate themselves from criminality and turn their lives around.²⁴ To make positive changes mentors, role models and trusting relationships appear to be essential.^{25 26 27}

- There have been several national initiatives to control and limit the sale of knives. The recent Offensive Weapons Act (2019), for instance, makes it illegal to possess dangerous weapons in private, including “zombie knives”, “death star knives” and knuckledusters. It also makes it a criminal offence to dispatch bladed products sold online without verifying that the buyer is over 18.²⁸
- The Government has worked closely with retailers to prevent the sale of knives to young people under the age of 18. In March 2018, 18 major retailers committed to having robust measures to check age verification, ensure appropriate display and packaging, and control the access to knives in stores. Tesco, eBay UK, Lidl UK, Amazon UK, Wilko, Argos, Asda, Poundland, Morrisons, Sainsbury’s, John Lewis, Waitrose, Boots, Co-op, B&Q, Aldi UK, TKMaxx and Debenhams all signed up to these principles.²⁹ However, more needs to be done: as the Serious Violence Strategy (2018) points out, around 1 in 5 shops in the country still fail test purchase checks.³⁰
- Kent has continued to value and fund youth work with a mixed economy of in-house and commissioned provision. Comparable annual budgets from 2015*, which include Youth Justice, Youth Participation, Duke of Edinburgh and HeadStart (excluding building costs), show a funding increase from about £4,523,000 in 2015-16 to about £7,188,200 in 2018-19. Over this period KCC has also continued to fund what was the Community Youth Tutor role (£160,000 per year), despite this income being withdrawn by schools.³¹
- OnSide Youth Zones are designed to offer young people aged 8-19 (25 for those with a disability), who live in deprived areas, a range of leisure activities and an opportunity to learn new skills and to socialise in a safe, positive way.³² The Youth Zone model is based on the successful Bolton Lads Club, which was established in 1889.³³ The Club is now a state-of-the-art custom-built, modern youth club offering a wide range of sport, art and enterprise activities. The club is open every day of the year, and is visited by over 3,000 young people a week.³⁴

- Over the last eight years, OnSide has set about replicating the success of the Bolton Lads and Girls Clubs in other towns and cities across the country, including Carlisle, Manchester, Wigan and Wolverhampton. More Youth Zones are planned to open in 2020, including in Warrington, and in Hammersmith and Fulham.³⁵

6. Monitoring of Recommendations

In accordance with the process for monitoring Select Committee recommendations, as set out in the Constitution (Appendix 4, Part 4 – 4.26), an action plan from the Cabinet Member/Corporate Director will be submitted to the Scrutiny Committee in early 2020 for consideration. Any such action plan or formal decision(s) needed in order to implement the Select Committee recommendations must comply with all of the necessary requirements for making executive decisions. These include compliance with all legal obligations, the Public Sector Equality duty and consultation where necessary.

7. Recommendations

7.1 The Select Committee be thanked for its work and for producing a relevant and balanced document.

7.2 The witnesses and others who provided evidence and made valuable contributions to the Select Committee be thanked.

7.3 County Council's comments on the report be noted and the report endorsed.

Key messages

- **The impact of knife crime on society is significant. Apart from the devastating social cost to individuals, families and communities through the loss of life and the trauma of physical and psychological injuries, there is a substantial economic cost to society.**
- **Knife crime cannot be solved by criminal justice measures alone. While law enforcement remains central, the most effective approaches tend to be multi-agency and multi-faceted, requiring collaboration from a range of partners in diagnosing problems, analysing underlying causes, examining what works and developing solutions.**
- **A public health approach provides an ideal framework for understanding the causes of violence and for responding with appropriate interventions.**
- **Knife crime is not inevitable and it is therefore preventable. Helping young people to make positive choices, improving their critical thinking skills, and providing role models and support for those who may be at risk of being drawn into crime, can all help to dissuade them from becoming involved in gangs and committing knife crime offences.**
- **Many young people who are involved in gangs and criminal activities are vulnerable victims, as well as perpetrators. They often need support to build the resilience necessary to extricate themselves from criminality and to turn their lives around.**
- **Clamping down on illegal sales can help to ensure that knives do not get into the wrong hands and on to Kent streets.**

1.4. Recommendations

Recommendation 1

KCC should work with partner organisations to establish a multi-disciplinary, operational group which includes all the relevant, key agencies and whose remit is to ensure the implementation and delivery of strategic objectives to address knife crime and violence through a public health approach. A task that should be given priority is the development of a more efficient and effective information-sharing mechanism to build a more comprehensive picture of gang activities in the county, so that more timely and targeted early interventions can be undertaken.

Recommendation 2

KCC's Cabinet Member for Children, Young People and Education should write to the Secretary of State for Education, on behalf of the Select Committee, and urge him to update statutory guidance to schools to help them manage pupils' poor behaviour and reduce exclusions.

Recommendation 3

KCC should review all the training on knife crime and violence that is currently delivered in Kent schools to assess the extent to which it is informative, consistent and balanced. This evaluation should clarify whether KCC needs to promote and commission the delivery of a high-quality, standardised programme.

Recommendation 4

KCC's Cabinet Member for Children, Young People and Education should write to all Kent schools to encourage them to deliver high-quality knife crime training, from primary school (Year 5 and Year 6) to all types of secondary school.

Recommendation 5

KCC's Children, Young People and Education Directorate should conduct a feasibility study to evaluate the effectiveness of a scheme involving the recruitment and training of volunteers to provide long-term mentoring for young people at risk of offending.

Recommendation 6

KCC's Trading Standards service should devise and evaluate a pilot scheme involving a more proactive approach to the promotion of the responsible sale of knives by local retailers.

Recommendation 7

KCC should pilot a scheme such as the Youth Zone to extend youth service provision in the county. The pilot should take place in a particularly deprived area of Kent and should be combined with an evaluation to assess its effectiveness and to inform future policy.

From: Ben Watts, General Counsel
To: **County Council – 17 Oct 2019**
Subject: Structural Revision of the Constitution
Classification: **Unrestricted**

Summary:

The purpose of this report is to seek authority to adopt and re-issue the Constitution in a restructured format, with the associated changes.

The substantive content of the current Constitution is carried over into the revised version presented today but it has been streamlined and made more accessible to the reader and user.

This is the first stage in the project to overhaul the Constitution to ensure it is fully fit for purpose and takes into account changes in the financial, legal and operating environment of Kent County Council and local government more broadly.

Once adopted, work will commence on a detailed review of different parts of the Constitution and Council governance. This will ensure that the commissioning model adopted by the Council is fully and explicitly reflected in this governance, including the oversight of arms-length companies. In the light of events in other authorities, such as Northamptonshire County Council, reports from the National Audit Office of local authority governance and the Review by the Committee on Standards in Public Life into Local Government Ethical Standards, it is an appropriate time to carry out this work. It is also appropriate that Members be fully engaged in this process and a Members Working Group will be established to drive this forward.

The future results of this work will be more easily adopted into the Constitution in the proposed restructured format presented today.

Recommendation:

That the County Council agree the adoption of the revised version of the Constitution.

1. Introduction

- 1.1 The Constitution has served the Council well since it was first written in 2001. It has gone through a significant number of iterative versions driven by ad-hoc legislative and regulatory changes required of all local authorities and the changes that have been consequential from decisions that are taken by the Council.

- 1.2 Importantly, the Constitution has not been significantly reviewed and updated since KCC began the process of becoming a Strategic Commissioning Authority. Whilst the move to an operating model that focusses on commissioning does not fundamentally change the formal decision-making process, committee procedures or wider statutory requirements set out in the Constitution, it has changed KCC business model in important ways. Similarly, the Member role in commissioning has matured significantly. The roles of bodies like the Commissioning Advisory Board have been important in driving forward the Member role in commissioning.
- 1.3 The operating environment for the Council has changed significantly in recent years. That environment and reducing budgets has led to an increased focus on new operating models and different types of service delivery.
- 1.4 One of the clearest lessons of the experiences of the local government sector in recent years has been that a well-run Council has clear governance. Reviewing the Constitution is necessary to reflect the reality of the operating model of the Council, but also to protect the interests of the Council, its Members and Officers.
- 1.5 Members have expressed a strong view that they would like to have a Constitution that is dynamic and capable of moving better with the organisation's changing needs. Members have also recognised that whilst legally sound, the Constitution document is currently long and could benefit from a review to consider what improvements could be made to benefit those who might read and use it, including elected Members, our partners, residents and staff.
- 1.6 The General Counsel and staff in Governance, Law and Democracy have been undertaking a review process that has responded to these concerns with a draft revised Constitution which is fit for purpose and more able to be updated as and when necessary while remaining easy to use.
- 1.7 The draft revised Constitution accompanies this report.

2. The Draft Revised Constitution

- 2.1 There is a both a legal requirement for Kent County Council to have a Constitution and for it to contain specific sections, such as the Members' Allowance Scheme and procedural rules. Within these parameters, there is flexibility around style and content.
- 2.2 The draft revision does not contain any significant change to the substantive content of the Constitution. As explained above, the legal framework around Committees and decision-making has remained largely the same since 2001 and this is reflected in the draft revision. In effect, the current substantive content has been revised and rearranged. Duplication has been reduced and content that could be made available elsewhere has been. Overall the result has been the production of a smaller document that is easier to use without losing any key content.
- 2.3 Whereas the current Constitution has developed over time with changes being made piecemeal within the current structure, the proposed revision is a

completely new structure. This means that while much of the content is either identical or modified slightly, it is in a different order and grouped differently to the current Constitution. For example, the Terms of References and Procedures for Cabinet Committees are about 40 pages apart. In the proposed revision, they are together so that users of the Constitution have all the information on Cabinet Committees in one place.

2.4 For this reason, a version showing the changes marked up (track changes) would not be practical. Set out below are the main changes with an explanation of why the changes have been made.

Table 1: Changes to the Constitution

Change	Description	Rationale
Articles of the Constitution	The first five sections of the revised Constitution set out the basic rules governing the Council's business along with the core principles that underpin its operations.	The current Articles are a combination of core principles and summaries of content that appears later in the Constitution. This is unnecessary duplication and risks causing misunderstanding when only the summaries are read. The revised articles distil the current core principles and remove the duplication.
Procedures for changing the Constitution	Section 6 of the revised Constitution brings together in one place the procedures for changing the Constitution and where the authority lies for doing so.	The current Constitution has dispersed references to the method and authority for changing the Constitution and so is not transparent. The language is also ambiguous in places leaving the Council open to challenge.
Improvements in Comprehensibility	While the substantive content has not been changed, the way the information has been set out and presented has been rewritten with a view to making it less jargon bound and simpler to comprehend and thus interpret. For example, most of Appendix 4 Part 6 has been rewritten as Section 12 on Decision-Making.	Large parts of the Constitution as we currently have it were written prospectively, ahead of being put into practice. While the legislation and procedures have not changed, this is an opportunity to make clear how the Council operates and so promote consistency and transparency.
Standardised referencing system	A simple system of 26 Sections and sub-divisions gives each part	The current Constitution is largely made up of multi-part appendices.

	of the Constitution a unique identifier. Where there are cross-references to different parts of the Constitution, links have been added to take users to these sections.	Each has its own numbering system or none. References to the Constitution are often made to an entire Appendix or Part. This makes the Constitution difficult to use and risks errors in taking authority from it.
Removal of duplication	In addition to the streamlining of the Articles, sections that were duplicated were only included once.	One consequence of the current structure of Appendices and Annexes was that the same text is sometimes repeated.
Consolidation	Parts of the Constitution on the same topic have been brought together. For example, Sections 17.46-133 bring together the Terms of Reference of the Scrutiny Committee and other parts relating to the work of the Scrutiny Committee that are currently in Appendix 2 Part 2, Appendix 4 Part 4/Annex C/Annex D and elsewhere.	There is no right or wrong way to structure a Constitution, but to make it a more accessible product for Members, Officers, and the public, the revised version makes it easier to read all the sections on one topic in one place.
Business Continuity	The wording of the current Appendix 2 Part 3, now found in Section 10, Scheme of Delegation, has been updated to make it clear when and how Officers may act on urgent matters.	As part of a review into business continuity and Brexit planning, some potential weaknesses were identified. To protect the Council and ensure business can continue in cases of urgency, these have been addressed in the revised Constitution.
Gender neutrality	The pronouns have been altered with alternatives that do not presume the holder of a given office will be male. The ceremonial title Chairman of the Council remains.	For a modern County Council, it is important to signify the authority's commitments to equality of opportunity in its work.
Single Appendix	The long tables in the current Constitution, Appendix 2 Part 3 and Part 7, have been renamed The Delegation Table and placed in a single Appendix.	The tables dealing with delegations need to be clear and available but do not need to be in the main body of the text. Separating them out makes it possible to

		present the information in different formats, such as Excel, so that it is easier to search and find all delegations relating to a specific Officer, Committee or function.
Minor technical efficiencies	Example - At the beginning of each Budget County Council, Council agrees to first suspend three procedural rules that apply to Council Meetings. Sections 14.48-49 make this automatically for Budget meetings, saving time on the day.	Where practice differs from the strict letter of the Constitution and constitutional procedures are used every time to allow the divergence, these have been written into the revised version to make meetings and other procedures more efficient.

2.5 The following tables lists the sections which are identical to the current Constitution (excepting those which are required to fit the new structure, and which make no substantive changes in themselves). As can be seen from the right-hand column, these sections are not necessarily grouped together currently. Almost all the other sections in the proposed revision have been rewritten with a view to improving clarity and reflecting actual practice

2.6 Once adopted, work will commence on a detailed review of different parts of the Constitution and Council governance. This will ensure that the commissioning model adopted by the Council is fully and explicitly reflected in this governance, including the oversight of arms-length companies. In the light of events in other authorities, such as Northamptonshire County Council, and reports from the National Audit Office of local authority governance and the Review by the Committee on Standards in Public Life into Local Government Ethical Standards, it is an appropriate time to carry out this work.

It is also appropriate that Members be fully engaged in this process and a Members Working Group will be established to drive this forward.

- 2.7 In addition, the intention is to deliver a set of accompanying tools to improve wider understanding of the Constitution. For example, a Constitution Handbook is planned. This will set out the key elements of the Council's governance and referencing the main parts of the Constitution. This will be an introductory guide for Officers unfamiliar with the Constitution, members of the public and anyone needing to gain a better understanding of this area.

3. Authority for Revising the Constitution

- 3.1 The process for making changes to the Constitution is set out in Article 14.2:

- "Changes to the Articles of the Constitution must be approved by the full Council after consideration of the proposal by the Selection & Member Services Committee and appropriate public consultation. Changes to factual references or changes required by a change in the law will be made by the Monitoring Officer. Changes to the Appendices of the Constitution will be published by the Monitoring Officer to reflect decisions duly taken by the Council, Leader, Cabinet, a Committee or Senior Officer."

- 3.2 On 3 October 2019, the Selection and Member Services Committee agreed to endorse the revised version of the Constitution and agree to recommend

4. Financial Implications

- 4.1 There are no financial implications to the constitutional changes as outlined in this report.

5. Recommendation:

That the County Council agree the adoption of the revised version of the Constitution.

6. The Constitution of Kent County Council

**The
Constitution
of Kent
County
Council**

- 6.1 All authority in the Council derives from Parliament, as expressed in legislation and statutory guidance from central government departments. No actions may be taken by the Council, its Members or any Officers beyond these granted powers.
- 6.2 Kent County Council operates within the law and the Constitution. Where there is a conflict, the law shall take precedence.

- (a) The whole, or any part, of Section 18 for the purposes of managing the powers and business of the Executive.
- 6.6 Notwithstanding 6.5, where any change to the Constitution results in a transfer of decision-making to an individual, organisation, partnership or joint Committee, the approval of full Council will be required following consideration by the Selection and Member Services Committee.
- 6.7 The Monitoring Officer has delegated authority from full Council and the Leader to make minor corrections to the Constitution where it does not affect the meaning of the Sections and any purely factual corrections consequent on the exercise of the powers in 6.3-6.6 (Council and Executive) or where it is necessary to ensure compliance with the law.
- 6.8 The Selection and Member Services Committee has the responsibility to review and make recommendations on changes to the Constitution to the full Council or Leader as determined by the powers set out in 6.4 to 6.6.

Parts of the

In accordance with the requirements of the Constitution, Council and Executive delegations shall be recorded there when not set out elsewhere in the Constitution. Only the Constitution and Delegation Table shall be referred to when determining functions, powers, rights and responsibilities under the Constitution. Any and all other supporting documents do not confer functions, powers, rights, and/or responsibilities in themselves.

6.13 This Constitution makes express provision for the formal governance and meetings of the Council and Executive. It is recognised that arrangements at an operational level are necessary and that these are not reflected in the Constitution but must be consistent with it and are subject to the following:

 - (a) Appointment and dismissal of the Leader of the Council.
 - (b) Agreement of the annual Budget and Council Tax.

8.3 Once agreed by full Council, the Council, the Leader and those Members and Officers exercising delegated authority from either full Council or the Leader may not make any decision that is:

(a) contrary to the Budget and related financial rules established by the Council; and/or

(b) contrary to the plans and strategies that are part of the Policy Framework.

8.4 Any decisions or actions contrary to 8.3(a) or (b) will be referred to full Council for consideration and final approval or rejection.

- (h) Medium Term Financial Plan.
- (i) Annual Budget.

8.9 The Leader is responsible for publishing a timetable for the adoption or change to any of the policies and procedures in 8.8 and arranging for appropriate and sufficient internal and external consultation on these proposals, including the opportunity for Cabinet Committees to make recommendations.

8.10 The following specific process will be followed in addition to 8.9 when proposing the Budget, Council Tax Level, Capital Programme and Borrowing Policy:

The Budget

- (a) The Leader will publish a review of the issues relating to the Budget for the next financial year.
- (b) The Leader will publish a draft Budget no later than three weeks before the Budget meeting of full Council.

- (d) In addition, the Scrutiny Committee shall make recommendations to the Leader on changes to the Budget where it does not consider adequate resources have been allocated to take account of Select Committee recommendations endorsed by full Council. The Leader shall include their response to these recommendations in their final recommendations to Council.
- (e) The Leader reports to Cabinet before making a final recommendation to Council.

- 8.11 When considering the Leader's Budget or Policy Framework proposals, the full Council will have before it the report of the Leader or Cabinet, any reports from Cabinet Committees and the Scrutiny Committee, and any minority views expressed in these Committee debates. Procedural rules for the Budget Meeting of full Council are at 14.46-51.
- 8.12 The full Council has the following options after Members have considered the proposals:
- (a) Adopt them.
 - (b) Amend them.
 - (c) Refer them back to the Leader for further consideration.
 - (d) Substitute its own proposals in their place.
- 8.13 Following the decision of full Council, which will be published no longer than three working days after the meeting, the following options apply:
- (a) If the full Council accepts the proposals without amendment or if the Leader has consented to the amendments during or following the debate, the decision shall be effective immediately.
 - (b) If the full Council makes amendments to which full Council but not the Leader has consented, or if full Council has substituted its own proposals, the decision becomes effective on the expiry of five clear working days after the publication of the decision unless the Leader objects to it during this period by giving written notice to the relevant Senior Officer and Monitoring Officer. If the Leader objects:
 - i. The Leader must include their reasons for objecting to the amendment or substitute proposal in the written notice along with any changes proposed in turn by the Leader and the reasons for them.
 - ii. The Leader's revised proposals will be reconsidered at a meeting of the full Council held a minimum of six clear working days after written notice being given if it is a Policy Framework proposal.

- ii. The Leader's revised proposals will be reconsidered at a meeting of the full Council held a minimum of six clear working days after written notice being given if it is a Policy Framework proposal.
- 8.14 In the event of a second meeting on a Policy Framework or Budget proposal taking place in line with 8.13(b) or (c) above, the full Council shall make its final decision by simple majority. The decision shall take effect immediately and will be published within three days.
- 8.15 Before taking any decision that may be at variance with the Budget and related finance rules, or with the Policy Framework, the Executive Member or Officer must seek advice from the Chief Finance Officer and Monitoring Officer respectively.
- 8.16 Where the advice given is that the decision is at variance with the Budget and related finance rules, or with the Policy Framework, then the decision must be referred by the Leader or Cabinet to full Council. Where the advice is given to an Officer, the Officer must refer it to the Leader or Cabinet who will consider it ahead of referral to full Council.
- 8.17 Upon referral to full Council, Sections 8.12-8.14 apply.
- 8.18 Where a decision at variance with the Budget and related finance rules, or with the Policy Framework, is urgent and cannot comply with 8.12-8.14 then the following procedure must be used:
- (a) One of the Chair of the Scrutiny Committee, Chairman of the Council, or Vice-Chairman of the Council, in order of availability, agrees the decision needs to be made urgently, and
 - (b) The relevant senior manager agrees the decision cannot be reasonably deferred, then,
 - (c) The individual or body making the decision must submit to full Council as soon as possible a report setting out:
 - i. The decision.
 - ii. The reasons for the decision.
 - iii. The reasons why it was urgent.
 - (d) Where agreement is not obtained as in (a-b) then the decision cannot be taken and must be referred to full Council in line with 8.12-8.14.

Background papers are those documents that:
- (a) disclose any facts or matters on which the decision, or an important part of the decision, is based, and

Record of

(b) which have been relied on to a material extent in preparing the report.

12.41 The written record of the decision must be retained for inspection for a period of six years from the date of the decision, with any background papers available for a period of four years from the date of the decision.

12.42 All Members will be informed in writing that the decision has been taken.

13.2 Resources may be vired from one capital project or heading to another as follows, provided that such transfers do not result in an overall increased commitment of capital resources and do not involve new policy or policy change: Virements: Capital

- (a) Up to £50,000: the relevant Senior Manager.

13.4 Any public service contracts to which Regulation 10 of the Public Contracts Regulations 2015 applies will not require any procurement process, whether internal or external, to be carried out in order to be awarded. Service Contract Exclusions

Authority

Authority for Transactions

- 13.5 All transactions must either fall within the powers delegated to Senior Managers or have been approved by a decision (in accordance with the Council's Constitution) of the Cabinet, the Leader, an authorised Cabinet Member, the full Council or one of its Committees or Sub-Committees.
- 13.6 No contract, agreement or other document shall be signed or sealed unless it gives effect to:
- (a) a decision or resolution (in accordance with the Council's Constitution) of the Leader, the Cabinet, an authorised Cabinet Member or one of its Committees or sub Committees. or
 - (b) a decision by an Officer exercising delegated powers.
- 13.7 Budgetary provision must exist before any contract can be entered into. This provision should be explicit in a Budget approved by resolution of the full Council.
- 13.8 Where there is no specific Budget line, Senior Managers may approve expenditure up to £1,000,000, provided the expenditure can be met within budget. Above £1,000,000 a formal decision by the Leader, the Cabinet or an authorised Cabinet Member is required in accordance with the Council's Constitution.

Thresholds

- 13.9 The financial values (exclusive of Value Added Tax) refer to the total lifecycle of the contract. Contract
Thresholds
- 13.10 However, both the overall obligations of the Code and the statutory requirement to achieve value for money apply to all transactions and don't just apply from the above amounts and, as such a competitive tender process may be appropriate for procurements of £50,000 and below.
- 13.11 In addition, the Public Contract Regulations 2015 set limits for public contracts above which specific procedures are required to be followed. The current levels at which these apply are for goods and services, £172,514 and for works, £4,322,012. All contracts estimated to exceed these values must be notified to the Head of Procurement for guidance and support.
- 13.12 There must be no attempt to avoid any of these limits by deliberately manipulating the requirement or frequency of ordering.
- 13.13 The 'financial values' here refers to:
- (c) the total amount payable over the contract period, i.e. the Council's total liability under the contract, and not the budget available in the current year, or

- (d) the reasonable expectation of the cost of the consequence of the decision,
or
- (e) the 'commercial benefit' to the contractor, supplier, or provider whichever
is the greater.

The Award

- 13.14 Senior Managers may sign documents on behalf of the Council or authorise Officers to do so in accordance with the Delegated Authorities Matrix in the Financial Regulations. Contract Awards
- 13.15 Where a contract for a Consultant is estimated to cost over £50,000, details of the proposed award must be forwarded to the relevant Cabinet Member prior to the appropriate Officer making the award. In this context a Consultant is defined as a named individual (i.e. the Council states it wants individual x) taken on to perform a particular, temporary, and defined, task. Members and Officers are also reminded to seek guidance over the engagement of ex-employees as consultants (see Kent Scheme - Terms and Conditions of Employment).
- 13.16 Any contract with a value in excess of £1m must be made in writing and either:
 - (a) affixed with the common seal of the Council and be attested by at least one authorised Officer (as defined in 13.17), or
 - (b) signed as a deed by at least one authorised Officer (as defined in 13.18).
- 13.17 The common seal of the Council shall be affixed to any document or agreement if the Monitoring Officer considers it appropriate for the purpose of transacting the Council's business or safeguarding its interests. Sealing
- 13.18 The seal may be fixed and witnessed, or the document signed as a deed only by the Monitoring Officer or Officers authorised by them in writing to do so.
- 13.19 The Monitoring Officer shall ensure a register is maintained of all documents and agreements that are sealed including the name of the person who witnessed the affixing of the seal.
- 13.20 For contracts over £50,000, where a non-competitive process is used to determine the contractor, the Single Source Justification Report will include evidence of the advice obtained from Legal Services and Strategic Sourcing and Procurement. The approved Award Report must be sent to the Monitoring Officer within two days of the contract being awarded so that they may notify Members of the Scrutiny Committee on a quarterly basis.
- 13.21 Being a named individual, a 'Consultant' must, by definition, have been sourced via a non-competitive process. All contracts for a Consultant for more

than £50,000 must be reported as a non-competitive procurement to the Monitoring Officer within two days of the contract being awarded so that they may notify Members of the Scrutiny Committee on a quarterly basis.

13.22 With the exception of charges and deeds that have to be registered at the Land Registry or Companies Registry in order to take effect or to have legal protection (where a 'wet ink' signature will still be required), electronic signatures will, in line with the Electronic Communication Act 2000, be accepted as a fair representation of a willingness to enter into a contract with the Council, insofar as the e-signature is a true representation of the authorised person's written signature and (a) and (b) below apply, in which case an e-signature and a signature will be referred to as the same.

- (a) the Contract will be entered into in relation to being either under seal or under hand,
- (b) is supported with a contemporaneous document of authenticity and authorisation from the Supplier.

In the event of there being more than two nominations and no one candidate receiving an absolute majority of votes of all Members present and voting, there will be a second vote solely between the two candidates with the largest number of votes.

14.43 Dismissal of the Leader can only be made on the basis of a motion signed by five Members of the Council and included on the agenda for any meeting of full Council. The motion shall indicate the reasons for the proposed dismissal. The motion shall take precedence over any other item of business but is otherwise subject to the same rules as other motions.

14.44 If a motion to dismiss the Leader is carried, it takes effect immediately.

14.45 Full Council is to confirm the nomination of the Leader of the Opposition put forward by the Leaders of the Political Groups not represented in the Cabinet.

14.49 Procedure rules 14.74-14.75 are suspended in order for the proposer and seconder of the original motion to be permitted to speak on more than one occasion.

14.50 All procedure rules relating to the length of speeches are suspended for the Budget Meeting, with the Chairman making clear and announcing at the start of the meeting what rules will apply in this regard for the duration of the meeting.

14.51 Immediately after any vote is taken at the Budget meeting of the Council, or at any meeting where making the calculation or issuing the precept is included as an item of business, there must be recorded in the minutes the names of the Members who cast a vote for or against the decision or who abstained from voting.

Full Council:
Procedure

General Rules of Conduct

14.53 If the Chairman rises and/or begins speaking, any Member standing shall resume their seat and all Members except the Chairman shall be silent.

- 14.54 Members may only speak when called on by the Chairman, must stand to speak, and must address all their remarks to the Chairman.
- 14.55 Speeches must be relevant to the matter under discussion and not criticise the motives or behaviour of any Member or Officer.
- 14.56 Should the behaviour of a Member prove disruptive to the business of the meeting and the Member does not cease their behaviour when requested by the Chairman, the Chairman may propose that the Member leave the meeting. If the Chairman's motion is seconded, it is voted on immediately and if carried the Member must leave the room for the remainder of the meeting or until the Council agrees they may return by a vote taken without discussion.
- 14.57 No speech shall exceed three minutes unless otherwise specified or with the agreement of the Chairman or full Council, given or refused without debate.
- 14.58 No vote or debate shall be allowed on earlier business once the Council has proceeded onto subsequent business.

Motions and Amendments

- 14.59 Motions, amendments and recommendations must be worded so that, if they are agreed by the Council, they can be passed as a valid resolution.
- 14.60 The text of any motion or amendment must be given to the Chairman in writing before the start of the meeting, if it is not the Chairman may rule that the motion or amendment fails.

 - (b) be relevant to and intelligible with the motion,
 - (c) not introduce a new topic, and
 - (d) not negate the motion.
- 14.62 An amendment must be seconded to be valid. When there is a valid amendment no further amendment is allowed until it is dealt with.
- 14.63 If the amendment is rejected, further amendments may be proposed to the original motion.
- 14.64 If the amendment is carried, the motion as amended then becomes the motion for debate. This revised motion may be subject to proposals for further amendment provided these do not reinstate the sense of the original motion.
- 14.65 No amendment may be proposed after the Chairman has called the proposer of the original motion to reply to the debate.

14.66 If a copy of a motion or amendment is not presented to the Chairman, they may rule either as invalid.

14.67 A proposer may withdraw or change a motion or amendment provided:

- (a) in the case of a motion, there are no amendments outstanding,
- (b) the seconder agrees,
- (c) the Council consents, by a vote taken without debate if necessary.

14.68 Except for motions proposed by the Chairman or Leader, or any motion moving the recommendations of a Committee, no motion may do the following unless signed by a minimum of 22 Members:

- (g) to exclude the public from the meeting. This motion may only be made on the grounds of exempt information being revealed in debate, following the categories set out in 15.14 and bearing in mind the requirements of 15.15.

14.71 Motions 14.70(a)-(d) above may not be proposed by any Member who has proposed or seconded or spoken about a motion or amendment under discussion.

14.72 No debate shall take place on any of these procedural motions (except for a motion to suspend the Procedure Rules or exclude the public, if the Chairman thinks it appropriate). If proposed and seconded, the Chairman shall put them immediately to the vote without further debate.

(a) Exercise a right of reply (subject to 14.74).

(c) Raise a point of order.

14.74 The right of reply applies to the proposer of any motion except procedural ones (14.70(a-g)) at the close of debate immediately before the vote on the motion, or on any amendment to it. This right of reply does not apply to the proposer of an amendment.

14.75 A Member seconding a motion or amendment may reserve their right to speak until later in the debate if this intention is declared at the time of seconding. The speech must be made prior to the vote on it.

14.76 A personal explanation is a correction of an inaccurate statement about the Member's past action or speech or their personal circumstances.

14.77 A point of order is an allegation that there has been a breach of the rules governing full Council's debates.

14.78 Where a Member has stood to make a point of order or personal explanation, the Chairman may allow the Member to speak immediately if it is considered necessary or wait until the Member currently speaking has finished.

Voting

14.79 Whenever a vote is required, the electronic voting system shall be used. Where this system is neither functioning nor available, Members shall vote by a show of hands unless a minimum of ten Members rise in their seats, in which case a written ballot will be required.

14.80 The Chairman may allow a Member to change seats for the purposes of voting if the Member's voting unit is not in working order.

15.13 Where the whole or any part of a report for a public meeting, or as part of a Cabinet Member Decision, is not available for inspection by the public:

- (a) every copy of the whole report or the relevant part of the report, must be marked “not for publication”, and

15.16 Where a decision is taken to make information exempt from publication in the public agenda, the reason for making this exemption shall be set out in the agenda that is made public.

15.17 Where a decision is made during the course of a meeting to exclude the public, the reason shall be given prior to the exclusion of the public and included in the minutes of the meeting.

Admission of the Public to Meetings

Meetings: Public
Admissions

15.20 Members of the public and the media may attend all meetings, subject only to the exceptions set out below:

- (a) where it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that if members of the public were present during that item, confidential or exempt information as defined in 15.14 would be disclosed to them, or
- (b) where a lawful power is used to exclude a member or members of the public in order to maintain orderly conduct or prevent misbehaviour at a meeting.

15.21 The public may only be excluded under 15.20(a) for the part or parts of the meeting during which it is likely that confidential information or exempt information will be disclosed.

15.22 If a member of the public interrupts a meeting or otherwise behaves irregularly, improperly or offensively, the Chairman may request that they leave the room or order that they are removed. In the event of a general disturbance, the Chairman may suspend the meeting or direct that the public be excluded from it. No one so removed or excluded will be permitted to return to the meeting.

Interests

15.25 A Member with a Disclosable Pecuniary Interest or Other Significant Interest in a matter to be considered, or being considered at a meeting must:

- (a) disclose the interest, and
- (b) explain the nature of that interest at the commencement of that consideration or when the interest becomes apparent; and unless they have been granted a dispensation (21.66-68):
 - i. not participate in any discussion of, or vote taken on, the matter at the meeting, and

- ii. withdraw from the meeting room whenever it becomes apparent that the business is being considered, and
- iii. not seek improperly to influence a decision about that business.

15.26 A Member with an Other Significant Interest may attend a meeting but only for the purpose of making representations, answering questions or giving evidence relating to the business, provided that the public are also allowed to attend the meeting for the same purpose, whether under a statutory right or otherwise. The Member will withdraw from the meeting room immediately after making representations, answering questions or giving evidence.

15.27 Where a Member with a Disclosable Pecuniary Interest or Other Significant Interest in a matter under discussion (unless a dispensation has been granted in accordance with 21.64-68), chooses to participate in the discussion and vote, the Chair will refuse to count the 'vote' of the Member concerned, for the 'vote' will have been cast illegally and cannot be considered to be a vote at all.

15.28 The Chair may request that a Member declare a Disclosable Pecuniary Interest or an Other Significant Interest and, if appropriate, leave the meeting room, should they have reason to believe that the provisions of the Code of Conduct and/or this Procedure Rule are being breached.

Quorum

Quorum and
Substitutes

15.31 The quorum for a meeting is one third of its total voting membership.

15.32 A Committee may still exercise its functions validly even if Members have not been appointed to all the places on it.

15.33 If a meeting cannot begin or has to cease because there is no quorum, it shall be reconvened at a date and time to be decided by the Chair.

Substitutes

15.34 If a Member cannot attend a meeting of a Committee, a nominated spokesperson of their Political Group may nominate a substitute by written notice to the Clerk.

15.35 The notice of substitute Members must be given to the Clerk before the meeting begins and will be announced by them at the beginning of the meeting. Once the meeting has been informed of the appointment of a substitute Member, the original Member may not resume membership of the Committee until after the conclusion of the meeting.

*Appointment of Committees: Ordinary, Scrutiny, Corporate Governance
Committees*

Appointment of
Committees

16.6 Except where 16.7 applies, full Council determines the number of Committees and Sub-Committees, and their terms of reference; it also allocates the number of places on each Committee and Sub-Committee to each Political Group in accordance with the principles of political proportionality.

Appointment of Committees: Cabinet Committees

16.7 The Leader may determine the number of Cabinet Committees, the number of places on each Committee and whether the proportionality principles apply. The Leader will also determine any requests from the Chairs of Cabinet Committees to set up Sub-Committees and approve the Terms of Reference, size and duration of those Sub-Committees. Sections 6.5 and 6.6 apply to any determinations made under this Section.

16.12 Sub-Committees cease on completion of the task set out in their terms of reference.

Agenda

Agendas

16.13 The agenda for each meeting of a Committee will normally include:

(a) minutes of the previous meeting for approval and signing,

(b) reports seeking a decision from the Committee.

16.14 Consideration will be given by the Chair to including any item on the agenda which a Member of the Committee wishes included, provided it is relevant to the terms of reference of the Committee and notice has been given to the Clerk at least ten days before the meeting.

16.15 The Chair may decide that there are special circumstances that justify an item of business, not included on the agenda, being considered as a matter of urgency. They must state these reasons at the meeting and the Clerk shall record them in the minutes.

16.16 Committees normally consider items in the order that they appear on the agenda. The Chair may vary the order if they think it appropriate and will explain their reasons to the Committee.

16.17 Additional provisions apply to the Agenda of the Scrutiny Committee as set out in the Sections on this Committee (17.50 on).

16.20 16.19 (b) and (c) do not apply to motions proposed by the Chair; nor where a matter has been referred from one Committee to another or from a Committee to the Council; nor do they prevent the Leader or Officers recommending a change to a previous decision.

Rights to Attend and Speak

Attending and
Speaking

- 16.21 Any Member of the Council may attend any meeting of a Committee, including those parts of the meeting from which the public and press are excluded. They do not have a right to vote or move a motion or amendment but may speak with the consent of the Chair (such consent to be sought before the meeting and should not normally be withheld).
- 16.22 If a Committee is considering an item of business in private that relates to the personal or financial affairs of an individual employee or a member of the public, it may resolve to exclude from the meeting any Member who is not a member of the Committee. Before doing so, a Member, at the discretion of the Chair, must be given the opportunity to speak.

If, in the course of question and answer at a Committee meeting, it becomes apparent that further information would be useful, the Officer being questioned may be required to submit it in writing to the Committee members through the Clerk.
- 16.27 In the course of questioning at meetings, Officers other than Senior Managers may decline to give information or respond to questions on the ground that it is more appropriate that the question be directed to the relevant Senior Manager.
- 16.28 Cabinet Members and Officers may decline to answer questions in an open session of the Committee on the grounds that the answer might disclose information that would be exempt or confidential as defined in 15.14. In that event, the Committee may resolve to exclude the media and public in order that the question may be answered in private session.

Voting

- 16.29 If any Member requests, the Chair will call a vote on any recommendation or a motion or amendment. The vote will be by a show of hands by Members of the Committee present, including substitute Members.

- (a) Review and scrutinise decisions made, or other action taken, in connection with the discharge by the authorities responsible for crime and disorder strategies of their crime and disorder functions and make recommendations.
 - (b) Consider a Councillor Call for Action relating to crime and disorder matters.
- 17.111 The role of the Committee is as a “critical friend” of the community safety partnership, providing it with constructive challenge at a strategic level. Its role is not fault finding at an operational level.
- 17.112 The Committee’s remit is to review and scrutinise the decisions and actions of the partnership as a whole and not individual organisations within it.
- 17.113 The responsible authorities for Crime and Disorder strategies are:
- (a) Kent Police.
 - (b) Kent and Medway Fire and Rescue Authority.
 - (c) Clinical Commissioning Groups.
 - (d) District/County Councils.
 - (e) Providers of Probation Services in Kent under Section 3 of the Offender Management Act 2007.
- 17.114 Meetings of the Scrutiny Committee (meeting as the Crime and Disorder Committee) will be programmed to be held at least once a year.
- 17.115 An informal meeting will be held at least six weeks before each Committee meeting (and if possible much earlier) where the Chair, Vice Chair and Minority Group Spokespersons will consider items for the next meeting and agree the agenda.
- 17.116 Items for the Committee may be suggested by the Kent Community Safety Partnership whose Chair may attend the agenda setting meeting to put forward these items.
- 17.117 As soon as the agenda has been agreed, relevant responsible authorities will be informed of any information, attendance or co-optees required for that meeting.
- 17.118 The Committee may require an Officer of a responsible authority to attend before it in order to answer questions.
- 17.119 Information requested by the Committee from responsible authorities which is relevant to the exercise of the Committee’s functions must be provided.
- 17.120 A minimum of 28 days’ notice will be given of the requirement to attend, or to provide information, except in the case of urgent items when the notice period may be shorter.

- 17.121 Committee members should not request detailed information from representatives of a responsible authority at meetings of the Committee, unless they have given prior notice through the Clerk. If, in the course of a question-and-answer session at a Committee meeting, it becomes apparent that further information would be useful, the representative being questioned may be required to submit it in writing to members of the Committee.
- 17.122 In the course of questioning at meetings, representatives of a responsible authority may decline to give information or respond to questions on the ground that it is more appropriate that the question be directed to a more senior Officer or Member.
- 17.123 Representatives of a responsible authority may decline to give information on the grounds that the answer might disclose information which may not be disclosed under the Local Government (Access to Information Act) 1985 or the Data Protection Act 2018 and the General Data Protection Regulations (GDPR) and other relevant legislation. In this event, the Committee may resolve to exclude the media and public in order that the question may be answered in private session.
- 17.124 During the course of the meeting, the Committee and its members may not criticise or adversely comment by name any individual Officer of a responsible authority.
- 17.125 If the Committee intends to make a recommendation or a report to a responsible authority, it will do so in draft form and give the relevant responsible authority the opportunity to comment on the factual accuracy of it before it makes a formal recommendation or produces a report.
- 17.126 Once a formal recommendation or report is made to a responsible authority, the authority is required to respond in writing to the Committee within 28 days. If there are extenuating circumstances which make this timescale unreasonable, the Committee should be made aware of them in writing as soon as possible and before the end of the 28-day period.

Co-option of additional members

- 17.127 The Kent and Medway Fire and Rescue Authority shall be represented on the Committee by members of the Committee who are also members of the Medway Fire and Rescue Authority where applicable.
- 17.128 The Committee has the right to co-opt representatives from responsible authorities onto the Committee when a specific matter is being considered that may lead to recommendations for that authority.

Kent Flood Risk Management Committee

- 17.129 Membership: 8 Members - Conservative: 7; Liberal Democrat: 1

Kent Flood Risk

17.130 In accordance with the Localism Act 2011 (Schedule 2), this Committee is responsible for reviewing and scrutinising the exercise by risk management authorities of flood risk management functions or coastal erosion risk management functions which may affect the local authority's area.

17.131 This Committee is responsible for:

- (a) the preparation, monitoring and review (in conjunction with the Flood Risk Management Officer) of a strategic action plan for flood risk management in Kent, taking into account any Select Committee recommendations, the Pitt Review and relevant requirements of the Flood and Water Management Act 2010,
- (b) reporting annually (and more often if necessary) to the Scrutiny Committee and to the Cabinet Member for Planning, Highways, Transport and Waste,

17.132 A risk management authority must comply with a request from this Committee for information and a response to a report.

17.133 The Committee may include (non-voting) persons who are not members of the authority, including representatives of District Councils, the Environment Agency and Internal Drainage Boards.

Health Overview and Scrutiny Committee (HOSC)

Health Overview
and Scrutiny
Committee
(HOSC)

17.134 Membership: 14 Members - Conservative: 12; Liberal Democrat: 1; Labour: 1; Borough/District Council representatives: 4.

17.135 No Executive Member, Member of the Kent Health and Wellbeing Board or the Kent and Medway Joint Health and Wellbeing Board shall be a Member of this Committee, or of any Sub-Committee or Informal Member Group of it, or of any Joint Health Overview and Scrutiny Committee established with any other authority or authorities.

17.136 This Committee reviews and scrutinises matters relating to the planning, provision and operation of health services in Kent through exercising the powers conferred on Kent County Council under Section 244 of the National Health Service Act 2006 (as amended by the Health and Social Care Act 2012) and operates according to Part 4 of The Local Authority (Public

Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013.

17.137 This Committee is responsible for setting its own work programme, giving due regard to the requests of commissioners and providers of health services to bring an item to the Committee's attention, as well as taking into account the referral of issues by Healthwatch and other third parties.

17.138 This Committee cannot consider individual complaints relating to health services.

17.139 Informal Member Groups may be established with the approval of the Committee, in order to consider issues in more depth and can include elected representatives from KCC or Borough/City/District Councils in Kent who are not members of the Committee. Informal Member Groups cannot exercise any formal health scrutiny powers.

17.140 Commissioners and providers of local health services are required to provide the Committee with such information as it may reasonably require in order to discharge its relevant functions.

17.141 The Committee may require any member or employee of a local health service commissioner or provider to appear before the Committee to answer such questions as are necessary for discharging its relevant functions.

17.142 Nothing in 17.140-141 requires the provision of any information where the disclosure is prohibited under any enactment or where a living individual would be identifiable, subject to Section 26 of the 2013 Regulations.

17.143 Healthwatch shall have the right to refer issues to the Committee.

HOSC:
Healthwatch

17.144 Issues referred by Healthwatch will receive an acknowledgment within 20 working days and Healthwatch will be kept informed of any actions taken.

17.145 Where the Committee includes an item on its agenda as a result of a referral from Healthwatch, a representative from Healthwatch is entitled to address the Committee.

17.146 The Committee may make evidence-based reports and recommendations to relevant NHS bodies and require a response within 28 days, or longer at the Committee's discretion.

17.147 NHS commissioners and providers are required to consult with the HOSC on potential substantial variations of services affecting the population of the area covered by the Committee unless 17.148 applies.

HOSC: Substantial
Variations of
Services

17.148 The exception referred to in 17.147 is where the NHS has acted because of a risk to patient safety or to ensure the welfare of patients

or staff. Where this has been the case, the Committee shall be informed as soon as possible.

- 17.149 The Committee will determine whether any given proposal, or element thereof, constitutes a substantial variation of service. However, the designation of 'substantial variation of service' will not apply in the following circumstances:
- (a) Establishment, dissolution, or change to the constitution, of an NHS Trust or Clinical Commissioning Group. However, any consequential service variation may be determined a 'substantial variation of service' in line with usual Committee practice.
 - (b) Any proposals contained in a Trust Special Administrator's report or draft report and any recommendations made under a health special administration order.
- 17.150 Where the Committee has decided a proposal does not constitute a substantial variation of service it retains the ability to review the proposed change and can make reports and recommendations on the matter to the relevant health commissioner or provider. Where the NHS changes the proposal, the Committee may reconsider whether or not it deems the proposal a substantial variation of service.
- 17.151 Once the Committee has deemed a proposal a substantial variation of service, the NHS shall consult with the Committee prior to the final decision being made by the NHS. The NHS always remains the decision-maker though must take comments of the Committee into account.
- 17.152 When the NHS has determined when it will make a final decision on the proposal for a substantial variation of service, this date shall be communicated to the Committee. Sufficient time shall be allowed by the NHS for the Committee to make comments on the proposed decision ahead of this date unless 17.148 applies.
- 17.153 The final decision referred to in 17.152 is to be formally presented at a meeting of the Committee as soon as is practical after it has been taken by the NHS. The Committee will determine its response to the decision and may support the decision, not support the decision, and/or comment on the decision.
- 17.154 Where the Committee does not support the decision at the meeting referred to in 17.153, the Committee may consider referral to the Secretary of State but cannot make a final decision on referral at this meeting. No referral may be proceeded with unless the Committee agrees at this meeting which of the grounds in 17.155 provisionally apply and agrees the reasons why.
- 17.155 A substantial variation of service may only be referred to the Secretary of State for Health and Social Care where one of the following applies:

- (a) The consultation with the Committee on the proposal is deemed to have been inadequate in relation to content or time allowed,
- (b) The reasons given for not consulting with the Committee on a proposal are inadequate, or
- (c) The proposal is not considered to be in the interests of the health services of the area.

17.156 In the event of a decision by the Committee under 17.154 that one or more of the grounds for referral set out in 17.155 provisionally apply:

- (a) The decision of the Committee made at the meeting held under 17.153 must be communicated to the NHS in writing as soon as possible after the meeting to allow the NHS time to consider and respond to the decision of the Committee.
- (b) The Committee shall inform the NHS of the date when it will meet to make a final determination as to whether or not to refer the substantial variation of service to the Secretary of State in line with regulations within eight working days of the meeting held under 17.153. This meeting of final determination shall be held as soon as practicable, subject to a minimum of twenty working days after the meeting held under 17.153.

17.157 All practical steps shall be taken by the NHS and Committee to come to an agreement between the meeting held under 17.153 and the one at which the Committee will make a final determination on referral, the date for which is set under 17.156(b).

17.158 Prior to any final determination on referral, the Committee shall consider the NHS response to the reasons set out under 17.154 at the meeting arranged under 17.156(b) along with the results on any other discussions between the Committee and NHS that may have taken place. The Committee will then make a final determination as to whether or not the matter is to be referred to the Secretary of State and may only do so when the Committee is satisfied the requirements of 17.155 and 17.159 apply.

17.159 Where the Committee makes a final determination to refer, the following apply:

- (a) Any referral to the Secretary of State shall be accompanied by full evidence of the case for referral.
- (b) Evidence that all other options for resolution have been explored must be included along with all additional requirements for the submission of a referral required by legislation and statutory guidance.
- (c) Where the referral is on the grounds that the Committee believes the proposal is not in the interests of the health service of the area, a summary of the evidence considered must be provided, including any

evidence of the effect or potential effect of the proposal on the sustainability or otherwise of the health service of the area.

17.160 Where the Committee makes a final determination not to refer, the following apply:

- (a) The HOSC can request updates on implementation of the service change, along with a response to any comments made in the Committee's final determination.
- (b) Where the NHS makes significant changes to the decision presented to the Committee at the meeting of final determination, the Committee has the ability to deem this a substantial variation of service and require formal consultation with the Committee.

Joint Health Overview and Scrutiny Committees (JHOSCs)

Joint Health
Overview and
Scrutiny
Committees
(JHOSCs)

- 17.161 Where the relevant Overview and Scrutiny Committee of more than one authority has determined the same proposal(s) to be a substantial variation of service, this will entail the establishment of a Joint Health Overview and Scrutiny Committee (JHOSC). A Kent and Medway JHOSC has been established on a permanent basis to meet when required (19.37-46).
- 17.162 Where a JHOSC has been established, the Kent HOSC is deemed to have delegated its function to scrutinise the specific proposal(s) to the JHOSC until it has concluded its consideration and made any recommendations to the authorities represented on the JHOSC. These recommendations will be reported to a meeting of the Kent HOSC. The Kent HOSC is not required to accept these recommendations but may do so.
- 17.163 The Kent HOSC at no time delegates the power of referral to any JHOSC.
- 17.164 Following the conclusion of the work of the JHOSC on a given proposal, the HOSC will make a final determination in line with the procedure set out in 17.153-160. No decision to refer may be made at the first meeting of the HOSC when the outcome of the JHOSC is considered as this will be the first occasion the HOSC has been able to consider the proposal formally and the NHS must be able to respond fully to any comments made by the HOSC.

Scrutiny Committees: Additional Provisions

- 17.165 Scrutiny Committees in preparing Review Plans and Select Committees in carrying out reviews and preparing reports, shall comply with the protocols agreed by the former Kent Association of Local Authorities governing co-operation between authorities on overview and scrutiny (17.166-176).

Protocol for Overview and Scrutiny Inter-Authority Co-Operation

Aim of the Protocol

Scrutiny: Inter-
Authority
Co-Operation

17.166 To ensure the Overview and Scrutiny Committees of all Kent local authorities can review issues of community interest effectively and with efficient use of all local authority staff resources.

Principles

17.167 All authorities should be supported in considering issues of community well-being wider than the responsibilities of their Councils.

17.168 Authorities should work together to maximise the exchange of information and views, minimise bureaucracy and make best use of the time of Members and Officers of local and other authorities.

Procedures

17.169 Authorities should seek to exchange information on programmes and results of reviews.

17.170 If an Overview and Scrutiny Committee wishes to review an issue in which another authority has a statutory role or in which evidence from the Officers of another authority would be helpful, it should consult with that authority about:

- (a) the purpose of the review,
- (b) the areas of interest to the other authority,
- (c) the input that can be given by Members or Officers of the other authority.

17.171 Consideration should be given to whether the issue is more appropriately discussed in another forum, for example a joint Committee, or whether there is scope for joint action including the co-opting of Members of the other Authority onto the Overview and Scrutiny Committee for the purpose of the review.

17.172 Where a proposal is subject to a public consultation process, scrutiny is most helpful if conducted as part of that process e.g. allowing any findings and recommendations to be available in time to influence the final decision.

17.173 Subject to such prior consultation, Authorities will seek to respond positively to requests for information or for a Member or Officer to attend meetings of Overview and Scrutiny Committees or for information.

17.174 While it is ultimately for each Authority to decide who it considers the most appropriate person(s) to speak on its behalf to an Overview and Scrutiny Committee, consideration will be given to meeting specific requests.

17.175 Dates and times of Member and Officer attendance at Overview and Scrutiny meetings should be agreed with them.

17.176 Each Authority will nominate a contact Officer for the operation of these procedures.

Procedure Rules

HWB: Procedures

- 19.19 Conduct. Members of the HWB are expected to subscribe to and comply with the Kent County Council Code of Conduct. Non-elected representatives on the HWB (e.g. GPs and Officers) will be co-opted members and, as such, covered by the Kent Code of Conduct for Members for any business they conduct as a member of the HWB.
- 19.20 Declaration of Disclosable Pecuniary Interests. Section 31(4) of the Localism Act 2011 (disclosable pecuniary interests in matters considered at meetings or by a single member) applies to the HWB and any Sub Committee of it. A register of disclosable pecuniary interests is held by the Clerk to the HWB, but HWB members do not have to leave the meeting once a disclosable pecuniary interest is declared.
- 19.21 Frequency of Meetings. The HWB meets at least annually. The date, time and venue of meetings is fixed in advance by the HWB in order to coincide with the key decision-points and the Forthcoming Decision List.
- 19.22 Meeting Administration.
- (a) HWB meetings are advertised and held in public and administered by the County Council.
 - (b) The HWB may consider matters submitted to it by local partners.
 - (c) The County Council gives at least five clear working days' notice in writing to each member of every ordinary meeting of the HWB, to include any agenda of the business to be transacted at the meeting.
 - (d) Papers for each HWB meeting are sent out at least five clear working days in advance.
 - (e) Late papers may be sent out or tabled only in exceptional circumstances.
 - (f) The HWB holds meetings in private session when deemed appropriate in view of the nature of business to be discussed.
 - (g) The Chairman's decision on all procedural matters is final.
- 19.23 Meeting Administration of Sub Committees. HWB Sub-Committees are administered by a principal local authority, in the case of the

Clinical Commissioning Group level HWBs, by a District Council in that area. They will be subject to the provisions stated in these Procedure Rules.

- 19.24 Special Meetings. The Chairman may convene special meetings of the HWB at short notice to consider matters of urgency. The notice convening such meetings shall state the particular business to be transacted and no other business will be transacted at such meeting.
- 19.25 The Chairman is required to convene a special meeting of the HWB if they are in receipt of a written requisition to do so signed by no less than three members of the HWB. Such requisition shall specify the business to be transacted and no other business shall be transacted at such a meeting. The meeting must be held within five clear working days of the Chairman's receipt of the requisition.
- 19.26 Minutes. Minutes of all HWB meetings are prepared recording:
- (a) the names of all members present at a meeting and of those in attendance,
 - (b) apologies,
 - (c) details of all proceedings, decisions and resolutions of the meeting.
- 19.27 Minutes are printed and circulated to each member before the next meeting of the HWB, when they are submitted for approval by the HWB and are signed by the Chairman.
- 19.28 Agenda. The agenda for each meeting normally includes:
- (a) Minutes of the previous meeting for approval and signing.
 - (b) Reports seeking a decision from the HWB.
 - (c) Any item which a member of the HWB wishes included on the agenda, provided it is relevant to the terms of reference of the HWB and notice has been given to the Clerk at least nine working days before the meeting.
- 19.29 The Chairman may decide that there are special circumstances that justify an item of business, not included in the agenda, being considered as a matter of urgency. They must state these reasons at the meeting and the Clerk shall record them in the minutes.
- 19.30 Chairman and Vice Chairman's Term of Office. The Chairman and Vice Chairman's term of office terminates on 1 April each year, when they are either reappointed or replaced by another member, according to the decision of the HWB, at the first meeting of the HWB succeeding that date.
- 19.31 Absence of Members and of the Chairman. If a member is unable to attend a meeting, then they may provide an appropriate alternate member to attend in their place. The Clerk of the meeting should be notified of any absence and/or substitution within five working days of the meeting. The Chairman presides at HWB meetings if they are present. In their absence the Vice-

Chairman presides. If both are absent, the HWB appoints from amongst its members an Acting Chairman for the meeting in question.

- 19.32 Voting. The HWB operates on a consensus basis. Where consensus cannot be achieved the subject (or meeting) is adjourned and the matter is reconsidered at a later time. If, at that point, a consensus still cannot be reached, the matter is put to a vote. The HWB decides all such matters by a simple majority of the members present. In the case of an equality of votes, the Chairman shall have a second or casting vote. All votes shall be taken by a show of hands unless decided otherwise by the Chairman. For clarity, each Clinical Commissioning Group has one vote, irrespective of whether both the Clinical Lead and Accountable Officer for that Clinical Commissioning Group attend the HWB.
- 19.33 Quorum. A third of members form a quorum for HWB meetings. No business requiring a decision shall be transacted at any meeting of the HWB which is inquorate. If it arises during the course of a meeting that a quorum is no longer present, the Chairman either suspends business until a quorum is re-established or declares the meeting at an end.
- 19.34 Adjournments. By the decision of the Chairman, or by the decision of a majority of those members present, meetings of the HWB may be adjourned at any time to be reconvened at any other day, hour and place, as the HWB decides.
- 19.35 Order at Meetings. At all meetings of the HWB it is the duty of the Chairman to preserve order and to ensure that all members are treated fairly. They decide all questions of order that may arise.
- 19.36 Suspension/disqualification of Members. At the discretion of the Chairman, anybody with a representative on the HWB will be asked to reconsider the position of their nominee if they fail to attend two or more consecutive meetings without good reason or without the prior consent of the Chairman, or if they breach the Kent Code of Conduct for Members.

General Obligations

21.50 You must, when using or authorising the use by others of the resources of the Authority:

- (a) act in accordance with the Authority's reasonable requirements; and
- (b) ensure that such resources are not used improperly for political purposes (including party political purposes).

21.51 You must not:

- (a) bully any person;

- (c) do anything that compromises, or is likely to compromise, the impartiality or integrity of those who work for, or on behalf of, the Authority;

- (d) disclose information given to you in confidence by anyone, or information acquired by you which you believe, or ought reasonably to be aware, is of a confidential nature, except where:
 - i. you have the written consent of a person authorised to give it, or
 - ii. you are required by law to do so, or
 - iii. the disclosure is made to a third party for the purpose of obtaining professional advice provided that the third party agrees not to disclose the information to any other person, or
 - iv. the disclosure is:

 - b. made in good faith and in compliance with the reasonable requirements of the Authority,
- (e) prevent another person from gaining access to information to which that person is entitled by law,
- (f) conduct yourself in a manner which could reasonably be regarded as bringing your office or the Authority into disrepute,

Registering Disclosable Pecuniary Interests

Disclosable
Pecuniary
Interests

- 21.52 You must, before the end of 28 days beginning with the day you become a Member or Co-opted Member of the Authority, or before the end of 28 days beginning with the day on which this Code takes effect (whichever is the later), notify the Monitoring Officer of any Disclosable Pecuniary Interest.
- 21.53 In addition, you must, before the end of 28 days beginning with the day you become aware of any new Disclosable Pecuniary Interest or change to any interest already registered, register details of that new interest or change, by providing written notification to the Monitoring Officer.
- 21.54 Where you have a Disclosable Pecuniary Interest in any matter to be dealt with, or being dealt with, by you acting alone in the course of discharging a function of the Authority (including making a decision in relation to the matter), then if the interest is not registered in the Register of Members' Interests and is not the subject of a pending notification, you must notify the Monitoring Officer before the end of 28 days beginning with the day you become aware of the existence of the interest.

21.55 Whether or not a Disclosable Pecuniary Interest has been entered onto the Register of Members' Interests or is the subject of a pending notification, you must comply with the disclosure procedures set out below.

21.56 Where you are present at a Meeting and have a Disclosable Pecuniary Interest or Other Significant Interest in any matter to be considered, or being considered, at the Meeting, you must:

(a) disclose the Interest, and

(b) explain the nature of that Interest at the commencement of that consideration or when the Interest becomes apparent (subject to 21.59-61, below); and unless you have been granted a dispensation or are acting under 21.58:

i. not participate in any discussion of, or vote taken on, the matter at the Meeting, and

ii. withdraw from the Meeting room in accordance with the Authority's Procedure Rules whenever it becomes apparent that the business is being considered, and

iii. not seek improperly to influence a decision about that business.

21.57 Where you have a Disclosable Pecuniary Interest or Other Significant Interest in any business of the Authority where you are acting alone in the course of discharging a function of the Authority (including making an Executive decision), you must:

Members'
Interests: Other

(a) notify the Monitoring Officer of the interest and its nature as soon as it becomes apparent, and

(b) not take any steps, or any further steps, in relation to the matter except for the purpose of enabling the matter to be dealt with otherwise than by you, and

(c) not seek improperly to influence a decision about the matter.

21.58 Where you have an Other Significant Interest in any business of the Authority, you may attend a Meeting but only for the purpose of making representations, answering questions or giving evidence relating to the business, provided that the public are also allowed to attend the Meeting for the same purpose. Having made your representations, given evidence or answered questions you must:

(a) not participate in any discussion of, or vote taken on, the matter at the Meeting, and

(b) withdraw from the Meeting room in accordance with the Authority's Procedure Rules.

Sensitive Interests

- 21.59 Where you consider that the information relating to any of your Disclosable Pecuniary Interests is a Sensitive Interest, and the Monitoring Officer agrees, the Monitoring Officer will not include details of the Sensitive Interest on any copies of the Register of Members' Interests which are made available for inspection or any published version of the Register, but may include a statement that you have an interest, the details of which are withheld under this paragraph.
- 21.60 You must, before the end of 28 days beginning with the day you become aware of any change of circumstances which means that information excluded under paragraph 21.59 is no longer a Sensitive Interest, notify the Monitoring Officer asking that the information be included in the Register of Members' Interests.
- 21.61 The rules relating to disclosure of Interests in paragraphs 21.56 and 21.57 will apply, save that you will not be required to disclose the nature of the Sensitive Interest, but merely the fact that you hold an interest in the matter under discussion.

Gifts and Hospitality

Members: Gifts
and Hospitality

- 21.62 You must, before the end of 28 days beginning with the day of receipt/acceptance, notify the Monitoring Officer of any gift, benefit or hospitality with an estimated value of £100 or more, or a series of gifts, benefits and hospitality from the same or an associated source, with an estimated cumulative value of £100 or more, which are received and accepted by you (in any one calendar year) in the conduct of the business of the Authority, the business of the office to which you have been elected or appointed or when you are acting as representative of the Authority. You must also register the source of the gift, benefit or hospitality.
- 21.63 Where any gift, benefit or hospitality you have received or accepted relates to any matter to be considered, or being considered at a Meeting, you must disclose at the commencement of the Meeting or when the interest becomes apparent, the existence and nature of the gift, benefit or hospitality, the person or body who gave it to you and how the business under consideration relates to that person or body. You may participate in the discussion of the matter and in any vote taken on the matter, unless you have an Other Significant Interest, in which case the procedure in 21.55-8 above will apply.
- 21.64 You must continue to disclose the existence and nature of the gift, benefit or hospitality at a relevant Meeting, for 3 years from the date you first registered the gift, benefit or hospitality.

21.65 The duty to notify the Monitoring Officer does not apply where the gift, benefit or hospitality comes within any description approved by the Authority for this purpose.

Dispensations

Dispensations

21.66 The Standards Committee, or any Sub-Committee of the Standards Committee, or the Monitoring Officer (where authorised) may, on a written request made to the Monitoring Officer (as appointed Proper Officer for the receipt of applications for dispensation) by a Member with an Interest, grant a dispensation relieving the Member from either or both of the restrictions on participating in discussions and in voting (referred to in 21.55-8 above).

21.67 A dispensation may be granted only if, after having had regard to all relevant circumstances, the Standards Committee, its Sub-Committee, or the Monitoring Officer (where authorised) considers that:

- (a) without the dispensation the number of persons prohibited from participating in any particular business would be so great a proportion of the body transacting the business as to impede the transaction of the business, or
- (b) without the dispensation, the representation of different Political Groups on the body transacting any particular business would be so upset as to alter the likely outcome of any vote relating to the business, or
- (c) granting the dispensation is in the interests of persons living in the Authority's area, or
- (d) without the dispensation each member of the Authority's Executive would be prohibited from participating in any particular business to be transacted by the Authority's Executive, or
- (e) it is otherwise appropriate to grant a dispensation.

21.68 A dispensation must specify the period for which it has effect, and the period specified may not exceed four years.

21.69 21.55-8 does not apply in relation to anything done for the purpose of deciding whether to grant a dispensation under 21.66-68.

The Seven Principles of Public Life

Seven Principles of
Public Life

21.70 In accordance with the Localism Act 2011, and in order to help maintain public confidence in this Authority, you are committed to behaving in a manner that is consistent with the following principles. However, it should be noted that these Principles do not create statutory obligations for Members and do not form part of the Code. It follows from this that the Authority cannot accept allegations that they have been breached.

- 21.71 Selflessness. Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.
- 21.72 Integrity. Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.
- 21.73 Objectivity. In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.
- 21.74 Accountability. Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.
- 21.75 Openness. Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.
- 21.76 Honesty. Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest
- 21.77 Leadership. Holders of public office should promote and support these principles by Leadership and example.
- 21.78 Note on the above: The Committee on Standards in Public Life was established by the then Prime Minister in October 1994, under the Chairmanship of Lord Nolan, to consider standards of conduct in various areas of public life, and to make recommendations.

22. Convention on Member: Officer Relations

22.1 As approved by the County Council on 23 May 2013.

Introduction and Principles

22.2 The purpose of this note is to guide Members and Officers in their relations with one another in such a way as to ensure the smooth running of the Council.

22.3 Given the variety and complexity of such relations, this note does not seek to be either prescriptive or comprehensive. Instead, it offers guidance on some of the issues that most commonly arise. If the advice is followed it should ensure that Members receive objective and impartial advice and that Officers are protected from accusations of bias and any undue influence from Members.

**Convention
on Member:
Officer
Relations**

- 22.4 This note seeks to reflect the principles underlying the respective Codes of Conduct that apply to Members and Officers. The shared object of these codes is to enhance and maintain the integrity (real and perceived) of local government and the Codes, therefore, demand very high standards of personal conduct.
- 22.5 This note does not form part of the Members' or Officers' Codes of Conduct. Consequently, action or behaviour that is not in accord with this advice will not of itself constitute a breach of those Codes but may be evidence of a breach.
- 22.6 This note should be read in conjunction with the Members' and Officers' Codes of Conduct, the Council's Constitution and any other guidance issued by the Standards Committee and/or Monitoring Officer.

The Relationship: General Points

- 22.7 Both Members and Officers are servants of the public and they are indispensable to one another. But their responsibilities are distinct. Members are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to all organs and Members of the Council. Their job is to give advice to Members and the Council, and to carry out the Council's work under the direction and control of the Council, the Cabinet and any Committee or Sub-Committee of either Cabinet or the Council.
- 22.8 At the heart of the Members' and Officers' Codes of Conduct and this note, is the importance of mutual respect. Member/Officer relationships are to be conducted in a positive and constructive way. Therefore, it is important that any dealings between Members and Officers should observe standards of courtesy and that neither party should seek to take unfair advantage of their position or seek to exert undue influence on the other party.
- 22.9 Inappropriate relationships can be inferred from language and style. To protect both Members and Officers, people should be given their appropriate formal title where circumstances clearly indicate that a level of formality is appropriate, e.g. in meetings that are open to the public.
- 22.10 A Member should not raise matters relating to the conduct or capability of an Officer except through the Council's agreed procedures for such matters. This is a long-standing tradition in public service. An Officer has no means of responding to such criticisms in public. If a Member feels that they have not been treated with proper respect, courtesy or has any concern about the conduct or capability of an Officer and fails to resolve it through direct discussion with the Officer in private, they should raise the matter with the respective Head of Service. The Head of Service will then look into the facts and report back to the Member. If the Member continues to feel concern, then they should report the facts to the relevant Corporate Director, or if, after doing so, is still dissatisfied, should raise the issue with the Head of Paid Service, who will look into the matter afresh. Any action taken against an Officer in respect of a complaint will be in accordance with the provisions of the Council's Disciplinary Rules and Procedures.

- 22.11 An Officer below the level of Corporate Director should not raise with a Member matters relating to the conduct or capability of another Officer or to the internal management of a Unit/Directorate.
- 22.12 Where an Officer feels that they have not been properly treated with respect and courtesy by a Member, they should raise the matter with their Head of Service, Corporate Director or the Head of Paid Service (as appropriate), especially if they do not feel able to discuss it directly with the Member concerned. In these circumstances, the Head of Service, Corporate Director or Head of Paid Service will take appropriate action either by approaching the individual Member and/or Group Leader or by referring the matter to the Monitoring Officer in the context of the Standards Committee's role in dealing with complaints that a Member has breached the Code of Conduct.
- 22.13 Some examples of inappropriate conduct can be found on the ACAS website. Members and Officers must at all times comply with and seek to fulfil the Council's Equality and Diversity Policy.

The Relationship: Officer Support to Members - General Points

Officer Support to
Members

- 22.14 Officers are responsible for day-to-day managerial and operational decisions within the authority and provide support to the Leader, Cabinet, Committee Members and all Members in their respective roles.
- 22.15 Certain Statutory Officers – the Head of Paid Service, the Monitoring Officer and the Director of Finance – have specific roles. These are addressed in the Constitution. Their roles need to be understood and respected by all Members.
- 22.16 The following key principles reflect the way in which the Officer corps generally relates to Members:
- (a) All Officers are employed by, and accountable to, the authority as a whole.
 - (b) Support from Officers is needed for all the authority's functions, including Full Council, the Cabinet, Cabinet Committees, the Scrutiny Committee, other Committees, individual Members representing their communities, etc.
 - (c) Day-to-day managerial and operational decisions remain the responsibility of the Corporate Directors and other Officers.
- 22.17 Members should seek to avoid potential conflicts of interest for Officers arising from the separation of the Cabinet and Scrutiny roles, e.g. they should not seek disclosure of advice or discussions that have taken place between Members and Officers in the preparation of reports, papers, advice or recommendations to either the Cabinet or Members undertaking overview and scrutiny roles. In addition, the Code of Conduct for Members states that

Members must not do anything that compromises, or is likely to compromise, the impartiality or integrity of those who work for, or on behalf of, the Council.

- 22.18 Officers enjoy extensive delegated powers from the Leader through Cabinet Members (as well as from the Council in respect of its directly exercisable functions). In some cases, these powers are exercised after consultation with Cabinet Members. It must be recognised that in these circumstances, while ultimate accountability rests with the Leader, it is the Officer who takes the decision and who is accountable.
- 22.19 Finally, it must be remembered that Officers within a Unit or Directorate are accountable to their Head of Service and Corporate Director and that whilst Officers should always seek to assist a Member, they must not, in so doing, go beyond the bounds of whatever authority they have been given by their Head of Service or Corporate Director.

The Relationship: Officer Support - Members and Party Groups

Officer Support:
Members and
Party Groups

- 22.20 It must be recognised by all Officers and Members that in discharging their duties and responsibilities, Officers serve the Council as a whole and not any Political Group, combination of Groups or any individual Member of the Council.
- 22.21 There is statutory recognition for Political Groups, and it is common practice for such Groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant Council decision-making body. Officers may properly be called upon by Political Groups to support and contribute to such deliberations but must at all times maintain political neutrality. All Officers must, in their dealings with Political Groups and individual Members, treat them in a fair and even-handed manner.
- 22.22 The support provided by Officers can take many forms. Whilst in practice such Officer support is likely to be in most demand from whichever Political Group is for the time being in control of the Council, such support is available to all Political Groups.
- 22.23 Certain points must, however, be clearly understood by all those participating in this type of process, Members and Officers alike. In particular:
- (a) Officer support must not extend beyond providing information and advice in relation to matters of Council business. Officers must not be involved in advising on matters of Political Group or political party business. The observance of this distinction will be assisted if Officers are not present at meetings or parts of meetings, when such matters are to be discussed,
 - (b) Political Group meetings, whilst they form part of the preliminaries to Council decision-making, are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not therefore

rank as Council decisions and it is essential that they are not interpreted or acted upon as such, and

- (c) Similarly, where Officers (other than Political Group staff Officers) provide information and advice to a Political Group meeting in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice to the relevant Cabinet, Cabinet Member, Committee or Sub-Committee when the matter in question is considered.

22.24 Special care needs to be exercised whenever Officers are involved in providing information and advice to a Political Group meeting which includes persons who are not Members of the Council. Such persons are not bound by the Codes of Member and Officer Conduct (in particular, the provisions concerning the declaration of interests and confidentiality) and Officers should not normally attend and/or give advice to such meetings.

22.25 Officers must respect the confidentiality of any Political Group discussions at which they are present in the sense that they should not relay the content of any such discussion to another Political Group.

22.26 In relation to Budget proposals:

- (a) The Leader and Cabinet are entitled to confidential discussions with Officers regarding options and proposals. These will remain confidential until determined by the Executive or until published in advance of Cabinet/Committee/Council meetings, whichever is the earlier, and

- (b) Political Groups other than the majority Group are also entitled to confidential discussions with Officers to enable them to formulate alternative Budget proposals. These will remain confidential until determined by the respective Political Groups or until published in advance of Cabinet/Committee/ Council meetings, whichever is the earlier. Officers giving such advice must not be named in public.

22.27 It must not be assumed by any Political Group or Member that any Officer is supportive of any policy or strategy developed because of that Officer's assistance in the formulation of that policy or strategy.

22.28 Any particular cases of difficulty or uncertainty in this area of Officer advice to party Groups should be raised with the Head of Paid Service who will discuss them with the relevant Group Leader(s).

The Relationship: Officer Support - the Executive

Officer Support:
The Executive

22.29 It is important that there should be a close working relationship between the Leader, Cabinet and Deputy Cabinet Members and the Officers who support and/or interact with them. However, such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the Officer's ability to deal impartially

with Cabinet Committees, the Scrutiny Committee and other Members and other Political Groups.

- 22.30 Officers will continue to work for and serve the Council as a whole. Nevertheless, as the majority of functions will be the responsibility of the Executive, it is likely that in practice many Officers will be working to the Cabinet for most of their time. Cabinet Members must nevertheless respect the political neutrality of the Officers. Equally Officers must ensure, even when they are predominantly supporting the Cabinet, that their political neutrality is not compromised.
- 22.31 Advice from Officers on matters that are the responsibility of the Executive is given to both Cabinet and non-Cabinet Members in a variety of ways:
- (a) Reports to Cabinet are normally submitted jointly by Cabinet Members and Directors.
 - (b) Reports recommending decisions to individual Cabinet Members are normally in the name of the Officer only, although Cabinet Members will routinely be consulted as part of the process of drawing up such reports.
 - (c) Officers must give written and oral information and advice to the Cabinet Committees, the Scrutiny Committee or other Committees when necessary or requested.
 - (d) In some situations, an Officer will be under a professional duty to submit a report.
- 22.32 Directors and other senior Officers are responsible for the contents of any report submitted in their name or jointly with a Cabinet Member, except where it is clear that the advice or opinion stated is that of the Cabinet Member. Any issues arising between a Cabinet or Deputy Cabinet Member and a Head of Service in this area should be referred to the Head of Paid Service/relevant Corporate Director for resolution in conjunction with the Leader of the Council.
- 22.33 Where functions that are the responsibility of the Leader are delegated through Cabinet Members to Officers or other structures outside the Cabinet, the Leader will nevertheless remain accountable to the Council for the discharge of those functions. That is to say, the Executive will be held to account for both its decision to delegate a function and the way that the function is carried out, although the specific decision is the responsibility of the Officer or other delegated body.
- 22.34 Cabinet Members must satisfy themselves that they are clear what exactly they can and cannot do when taking decisions as individual Members of the Cabinet. They must seek advice from relevant Officers before taking a decision within their delegated authority. This includes taking legal advice, financial advice and professional Officer advice (particularly about contractual matters) as well as consulting the Monitoring Officer where there is doubt about vires.

22.35 Decisions taken by individual Cabinet Members give rise to legal and financial obligations in the same way as decisions taken collectively. Therefore, Cabinet Members should always be aware of legal and financial liabilities (consulting the Monitoring Officer and Director of Finance as appropriate) which will arise from their decisions.

22.36 In organising support for the Cabinet, there is a potential for tension between Chief Officers and Cabinet Members with portfolios. All Members and Officers need to be constantly aware of the possibility of such tensions arising and both Officers and Members need to work together to avoid such tensions and conflicts existing or being perceived.

Scrutiny Committee

22.37 Members of the Scrutiny Committee, when questioning Members and Officers should:

- (a) Direct their question to the merits of the decision under review.
- (b) Ascertain the factual and other information on which the decision was based.
- (c) Confirm the compliance of the decision-making process with the Council's principles of decision-making.
- (d) Test what alternatives have been considered and the reasons for their rejection.

22.38 They should not:

- (a) Question the conduct of individual Members or Officers.
- (b) Seek for Officers to disclose the contents of confidential discussions, papers or advice.
- (c) Criticise an Officer by name.
- (d) Seek to instigate or become in any way involved in disciplinary or grievance procedures in relation to the actions of Members or Officers.
- (e) Act as a "court of appeal" against specific decisions relating to individuals or pursue complaints by individuals (Members, Officers or members of the public) where other procedures exist for this.

Support to Council Committees

22.39 The Council discharges a range of functions through directly appointed Committees. While the Political Groups operate within these Committees, they should wherever possible conduct their business on

Scrutiny

Support

a non-political basis. Officers need to work closely with the Chairs of such Committees to plan their agendas and meeting arrangements, but all advice and information must be offered impartially to all Members of the Committee and any other Member who has a right to know or attend the Committee meeting.

Support services to Members and Party Groups

Members: Use of
Council Facilities

22.40 Members must not use Council premises or facilities (including support staff, IT equipment, photocopiers, fax machines, cars, stationery and other office supplies and catering) for purposes not connected with their duties as a Councillor. Such facilities may be used for communication with constituents on matters affecting the Council's functions and services or matters of general interest to local government and for the work of the Political Groups in relation to the transaction of business within the Council. These facilities must not be used for electoral or other party political purposes not directly connected to the Council's business, except where agreed arrangements exist for such facilities to be made available at a charge.

22.41 Members may not use the Council's IT systems unless they have signed the standard agreement accepting the conditions under which the systems are made available to Officers. Members must at all times comply with the terms of that agreement.

Members' Access to Information and to Council Documents

Members: Access
to Information

22.42 Members have a right to see (and be given a copy of) such documents and other information as is reasonably necessary to enable them to carry out their duties as Councillors on a "need to know" basis, so long as they have no improper nor extraneous purpose in view. This includes all documents available to the public as "background documents" and all documents setting out information that is disclosable to the public under the Freedom of Information Act.

22.43 It is ultimately for the Council to determine what is reasonably necessary for a Member to know but normally Corporate Directors will make the judgment, in consultation, if necessary, with the Monitoring Officer.

Need to Know

22.44 This will be generously interpreted as applying to all documents and information to which there is no "confidential" connotation, subject only to Corporate Directors retaining a discretion to decline to make available voluminous documentation or diffuse information, or copies of documents, where the cost of doing so is reasonably high.

22.45 Documents or information which is regarded as "confidential" will normally be made available, on a confidential basis, only to:

(a) Cabinet Members.

- (b) Members of the Scrutiny Committee in connection with a matter that is to be scrutinised.
- (c) The Chair and Political Group Spokespersons on the Scrutiny Committee in considering whether a matter should be scrutinised.
- (d) Members of a Committee or Sub-Committee whose terms of reference include matters to which the information relates.

22.46 Advice on requests from other Members should be referred to the Monitoring Officer.

22.47 There is no generic definition of “confidential” and Corporate Directors will exercise their judgment. It would include, for example, most information relating to named individuals, including information which is held for a specified purpose under the Data Protection Act not relevant to the exercise of the Member’s duties. It will also include most information relating to the terms of contracts yet to be concluded. It is a narrower category than documents that are exempt from disclosure to the public under the Access to Information and Freedom of Information legislation (and different from the “confidential” classification under that legislation).

Confidentiality

Members:
Confidentiality

22.48 Members shall not disclose any documents or information made available to them on a confidential basis or any information of a personal nature that is protected under the Data Protection Act. Nor should they disclose any information contained in Cabinet, Committee or other reports or documents classified as exempt or confidential under the Access to Information legislation or decisions taken in Council, Cabinet or Committee while the public is excluded from the meeting under that legislation, unless they have ascertained from the relevant Officer that confidentiality no longer applies.

Documents Affected

22.49 Members’ rights of access apply to documents sent to the Council or prepared for it by Officers or consultants. They do not apply to:

- (a) Draft documents of a factual or research nature where the Corporate Director is not satisfied as to their accuracy or completeness.
- (b) Documents prepared for discussion between Cabinet or Deputy Cabinet Members and Officers prior to the initiation of formal decision-making processes under the Procedure Rules in the Council’s Constitution
- (c) Working documents discussing policy or Budget options or internal management arrangements, where the Corporate Director has not reached a view as to the advice to be offered to Members.

(d) Draft reports prior to their despatch to Council, Cabinet or a Committee.

22.50 Officers may consult Chairs, Vice-Chairs and Group Spokespersons on draft Committee reports as part of the agenda planning process and may also consult them on working documents if they wish.

22.51 Documents prepared at the request of one Political Group will not be made available to other Political Groups without the first Group's consent. Nor will such documents be used in the preparation of Committee reports without the Group's consent.

Correspondence and Advice

Correspondence

22.52 Members seeking advice from Officers should say clearly if they wish the advice to be confidential and not disclosed to other Members. If such a request is made, the Officer is entitled to refuse to provide the advice if to do would breach their duty to other Members.

22.53 Correspondence between a Member and an Officer should not normally be copied (by the Officer) to any other Member without the first Member's consent. In particular, a system of "blind copies" should not be employed.

22.54 Official external communications on behalf of the Council may be sent in the name of the Leader or Cabinet Member where they have been directly involved in the issues or circumstances make this appropriate (e.g. representations to a Government Minister or personal correspondence). All other official external communications must be sent in the name of an Officer, including those which create legal obligations or give instructions to act or commit expenditure on behalf of the Council.

22.55 22.54 does not in any way seek to discourage Members from signing correspondence with constituents or other persons on a personal basis, but they should be careful to distinguish between their own views and the official policy or decision of the Council.

Publicity and Press Releases

Press and Publicity

22.56 Official press statements relating to the functions and business of the Council may be issued by the Press Office on the authority of the Chairman of the Council on matters pertaining to their office and on all other matters on the authority of the Leader, relevant Cabinet Member or the Chair of the relevant Committee.

22.57 The day to day handling of media enquiries is the responsibility of the Press Office.

22.58 The Press Office may authorise the issue of a press release relating to matters of routine and which are not controversial.

- 22.59 Cabinet Members or Chairs of relevant Committees will be consulted on relevant draft press statements before they are published. After publication, copies will be made available to all Members of the Council.
- 22.60 In issuing any press release, the Press Office will have regard to the Code of Practice on Local Authority Publicity.
- 22.61 The Leader, Cabinet Members and Chairs of Committees may represent the Council in press, radio and television interviews on matters relevant to their office; otherwise they or any other Members of the Council may respond to requests for press, radio and television interviews, but these will be given in a personal capacity and on the personal responsibility of the Member concerned.
- 22.62 The media will be directed to the Leader or relevant Cabinet Member for any request relating to policy matters.
- 22.63 Officers may deal with any request for information or questions asked by the press, television or radio and may accept invitations to broadcast or appear on television in order to give the facts of the situation or provide background information on the Council's policies.

Official Openings and Ceremonies

Ceremonies

- 22.64 All proposals for opening ceremonies and similar ceremonial events will be agreed by Officers with the relevant Cabinet Member in consultation with the Press Office.
- 22.65 The Chairman of the Council will be consulted in all cases about whether the event is one which either the Chairman or Vice-Chairman of the County Council should officiate or represent the Council and issue invitations.
- 22.66 The relevant Cabinet Member, in consultation (if agreed as appropriate) with the Council Chairman or Vice-Chairman, will agree the invitation list taking account of the type and nature of the event. The relevant local County Councillors, Member of Parliament, MEP, Borough/District and Town/Parish Councillors will be invited to attend.
- 22.67 If neither the Chairman nor Vice-Chairman of the Council is to issue invitations and officiate, then the relevant Cabinet Member or a Deputy Cabinet Member may do so.

Involvement of Local Members

Involvement of
Local Members

- 22.68 Officers must ensure that all Members of the Council are kept informed of issues, events, decisions and prospective decisions which will affect the Council, their own divisions and relevant information about non-KCC issues related to their service areas.

- (a) Whenever a public meeting is organised by the Council to consider a local issue, all the Members representing the divisions affected should, as a matter of course, be invited to attend the meeting.
- (b) Whenever the Council undertakes any form of consultative exercise on a local issue, the local Members should be notified at the outset of the exercise and informed of the outcome.
- (c) Inquiries from local Members will be followed up and responded to quickly and positively.
- (d) Background briefings for Members on local issues will be prepared, if requested.
- (e) Officer support will, where appropriate, be provided in arranging and attending appropriate local meetings where a Member intends to discuss KCC business.
- (f) Local Member views must be sought and included in all reports to Cabinet, Cabinet Members and Council Committees on any matter that appears to specifically affect their division. Any objection by a local Member to a proposed course of action shall be the subject of consultation with the relevant Cabinet Member.
- (g) Members of the public appealing against, or dissatisfied with, an Officer decision must always be informed of their ability to seek the help and advice of their local Member

Petitions

Members and
Petitions

22.69 Members who are asked to present or receive a petition to, or on behalf of, the Council, whether as a Cabinet Member, Committee Chair or Local Member, should consult the Democratic Services Manager on the appropriate method of so doing.

Local Issues at Committee Meetings

Committees:
Local Issues

22.70 Members not serving on a Committee do not have the right to place an item of local concern on the agenda for a meeting; instead, they should seek the consent of the Chair of the Committee if they wish a particular item to be discussed at a Committee meeting.

22.71 Any Member of the Council may attend any meeting of a Committee, including those parts of the meeting from which the public and press are excluded (see 15.20). They do not have a right to vote or move a motion or amendment but may speak with the consent of the Chair (that consent should be sought before the meeting and should not normally be withheld).

Access to Council Premises

Members: Access
to Council
Premises

22.72 Members are welcome to visit any premises owned and used for delivery of Council services and should agree arrangements for the visit with the local manager. If Members wish to visit premises outside their division as a part of their KCC duties, they should also inform the Member for that division and the relevant Cabinet Member. Members may not visit premises for purposes unrelated to their duties as a Member of the Council. They must comply with any health and safety or other workplace rules and regulations and not interfere with the provision of services to the public. Members have no rights to enter premises owned by KCC but let to or legally occupied by other persons nor any premises not owned by KCC.

23. Code of Officers Conduct

Code of Officers Conduct

Introduction

- 23.1 The public expects the highest standards of conduct and service from all employees of KCC.
- 23.2 This Code sets out guidelines for the conduct of KCC employees, to maintain standards and protect employees from misunderstanding or criticism.
- 23.3 It refers to statements and requirements contained within the Terms and Conditions of Service, KCC Financial Regulations, and other documents. These are available either via Knet or through your line manager.
- 23.4 This Code forms part of all KCC employees' conditions of service. It is your responsibility to read and apply the standards set out in this and related documents including professional codes, policies and guidance (such as those issued by the Health and Care Professions Council (HCPC), Public Health, the Nolan Principles, the Chartered Institute of Finance and Accounting (CIPFA) etc.). Any employee acting outside the standards could be subject to disciplinary action.

Standards of Service

Standards of Service

- 23.5 You will provide appropriate advice to Councillors, work colleagues and the public with impartiality.
- 23.6 You will be expected, through agreed procedures and without fear of recrimination, to bring to the attention of management any irregularity in the provision of service.
- 23.7 In accordance with financial procedures, if an irregularity occurs or is suspected which may involve financial loss, you must report it immediately to the Chief Internal Auditor.
- 23.8 As a KCC employee you are expected to behave at all times in a professional manner towards your colleagues, service users, partners, contractors or

members of the public and in such a way that does not bring KCC into disrepute.

- 23.9 You are expected to abide by and demonstrate KCC's values, which can be found on KNet.
- 23.10 Your engagement or involvement with other organisations should not contravene or compromise KCC's policies or strategies, e.g. Public Health policies.
- 23.11 Complaints against employees will be investigated and individuals who are found not to uphold professional standards of service and conduct will be subject to a formal investigation and possible disciplinary action.

Harassment

Harassment

- 23.12 Harassment, intimidation, unfair discrimination or victimisation, by or against employees, partner agencies and service users will not be tolerated.
- 23.13 You have a duty to ensure the standard of conduct for yourself and for colleagues respects the dignity of others and does not cause offence.
- 23.14 You should act in such ways as to avoid all forms of unacceptable behaviour in relation to other employees, partner agencies and service users of KCC.

Data Protection and Confidentiality

Officers: Data Protection and Confidentiality

- 23.15 The Data Protection Act 2018 and the General Data Protection Regulations (GDPR) sets principles for how personal information can be obtained, held, used or disclosed. You must apply these principles and comply with related policies.
- 23.16 You must have completed mandatory information governance training.
- 23.17 Where you have access to confidential, politically and/or commercially sensitive or personal information:
- (a) You must not use it for personal reasons or benefit or pass it on to others who might use it in such a way. This includes information about the work of KCC, its employees or members of the public.
 - (b) You must respect the privacy and confidentiality of our customers and your colleagues.
 - (c) Inappropriate disclosure of information will render you liable to disciplinary action and could lead to criminal prosecution. This will continue to apply after employment has ended in the case of highly confidential information (which is not otherwise in the public domain) and may also lead to civil legal proceedings being taken by KCC. You should contact your line

manager if you are in any doubt as to what information KCC considers highly confidential in your service area.

- 23.18 You must not misuse your position request or gain information unnecessary to carrying out your work.
- 23.19 You are responsible for the accuracy and legibility of records you create or use in the performance of your duties.
- 23.20 Additional sources of information can be found on KNet in the policies library, with further advice and guidance available on the Information Governance and Freedom of Information screens.

Whistleblowing

Whistleblowing

- 23.21 KCC is committed to the highest possible standards of openness, honesty and accountability.
- 23.22 If you become aware of, or directly witness, situations or conduct that make you feel uncomfortable or which you regard as inappropriate you should raise any such serious concerns in accordance with the Whistle Blowing Procedure. This provides a means for you to raise concerns about matters not related to your own employment or your work within KCC but which you feel need to be examined. It is intended to encourage individuals to raise serious concerns internally within KCC, without fear of reprisal or victimisation, rather than overlooking a problem or raising the matter outside.
- 23.23 Further information is available within the Whistleblowing Policy and Procedure on KNet.

Political Neutrality

Officers: Political
Neutrality

- 23.24 Employees serve the Council as a whole. It follows they must serve all elected Members and not just those of the controlling Group and must ensure the individual rights of all elected Members are respected.
- 23.25 You may be in a post in which you advise Political Groups. If you do, you must act with political neutrality. Whilst you may have your own political opinions, you must avoid carrying out your duties in a way which reveals your political affiliation.
- 23.26 Some Local Authority Officers are politically restricted and therefore post holders are restricted from undertaking any form of political activity. They are:
- (a) The Head of Paid Service.
 - (b) The statutory Chief Officers: Chief Finance Officer (Corporate Director of Finance), Chief Education Officer, Director of Children's Services (Corporate Director Social Care, Health and Wellbeing), Director of Adult

Social Services (Corporate Director Social Care, Health and Wellbeing), Monitoring Officer, and Director of Public Health.

- (c) The non-statutory Chief Officers: all Officers who report directly to the Head of Paid Service or who report directly or are directly accountable to the local authority or any Committee or Sub-Committee of the authority, other than those whose duties are solely secretarial or clerical.
- (d) The deputy Chief Officers (those who report directly to Chief Officers, other than those whose duties are solely secretarial or clerical).
- (e) Political assistants.
- (f) Officers who give advice on a regular basis to KCC, to any Committee or sub-Committee of KCC or to any joint Committee on which KCC is represented.
- (g) Officers who speak on behalf of KCC on a regular basis to journalists or broadcasters.
- (h) Officers to whom powers are delegated.

23.27 Further advice can be sought from Governance, Law and Democracy.

23.28 You must seek legal advice if you wish to stand for election as a Councillor for KCC or any other local authority as it could impact upon your employment. Whilst it is not legally possible to continue to work for KCC if you are elected as a KCC Councillor you may be able to serve in public office for other organisations, including other Councils. You should obtain advice from the political party for which you are standing to ensure there is no conflict of interest and your political alliance does not compromise your working life.

23.29 If you are involved in politics in your private time, you must not carry out any political activity which might lead the public to think you are acting in your capacity as a KCC employee. It is particularly important, if you are a Member with another Council, to keep your two roles separate and not use confidential information obtained in one capacity within the other.

Relationships

Officers: Wider Relationships

23.30 Elected Members:

- (a) Mutual respect between employees and Members is essential to good local government. Close personal familiarity between employees and individual Members can damage the relationship and prove embarrassing to other employees and Members and should therefore be avoided.

23.31 The local community and service users:

- (a) You should always remember your responsibilities to the community you serve and ensure courteous, efficient and impartial service delivery to all groups and individuals within that community as defined by KCC policies.

23.32 Media:

Officers and the
Media

- (a) If you are not authorised to deal with representatives of the media, you should refer any enquiries you receive to your line manager or to a KCC Press Officer.
- (b) As a Member-led local authority, Members have to sign off and agree any responses to the media. In addition, the appropriate Director should also be made aware in order to authorise any media response.
- (c) If you have specific authority to deal with media enquiries, as agreed by your Cabinet Member, Director and the Press Office, you should only reply to requests for information or questions which relate to the facts of a situation and ensure that you notify the Press Office of any information or comment that you pass on to the media.
- (d) If an expression of opinion or official statement of policy is needed, you must speak to your Head of Service.
- (e) Every assistance should be given to Members who need information to deal with questions from the media. You should refer to the Press Office Manager on 03000 418080 for further advice if you are unsure of the protocols. A full list of Press Officers and the areas that they deal with can be found on the KCC website.
- (f) If you speak as a private individual directly to the press, or at a public meeting or other situation where your remarks may be reported to the press, ensure nothing you say might lead the public to think you are acting in your capacity as a KCC employee.
- (g) If you speak on behalf of a recognised trade union, you must make it clear that the views you are expressing are those of the trade union you represent and not KCC's.

23.33 Contractors/Consultants

- (a) All relationships of a business or private nature with internal or external contractors or consultants, or potential contractors or consultants, should be made known to an appropriate senior manager as they have the potential to seriously compromise KCC decisions.
- (b) Orders and contracts must be awarded in accordance with Spending the Council's Money (which is available on KNet).

Staff Appointments and Other Employment Matters

Employment
Matters

- 23.34 If you are involved in appointing staff, you must ensure decisions to appoint are made on the basis of merit. It would be unlawful to make an appointment based on anything other than the ability of the candidate to undertake the duties of the post.
- 23.35 KCC has a detailed process for the appointment of staff that must be followed scrupulously by all employees involved in appointments at all times.
- 23.36 To avoid any possible accusation of bias, you should not be involved in an appointment if you are related to an applicant or have a close personal relationship with them outside work.
- 23.37 Similarly, you should not be involved in decisions relating to discipline, promotion or pay adjustments for any other employee who is a relative, partner or close friend.
- 23.38 If your post is exempt from the Rehabilitation of Offenders Act and subject to a DBS (Disclosure and Barring Service) Disclosure, you are obliged to tell your manager of any criminal convictions, warnings, cautions, reprimands etc., no matter how minor, you may receive whilst a KCC employee. Irrespective of whether a post is subject to a DBS check all staff are expected to disclose any criminal conviction, warning, caution or reprimand as this may have a potential impact on their job.
- 23.39 If you line manage staff, you may give an employer's reference on behalf of KCC for a member of staff or an ex-member of staff, unless otherwise informed. You owe a legal duty of care to ensure the reference is based on fact. If you are asked to provide a reference you are strongly advised to follow the guidelines on employer's references available on KNet and to contact your line manager if you have any concerns.

Outside Commitments

Officers: Outside
Commitments

- 23.40 You must be clear about your contractual obligations and should not take additional or external employment (paid or unpaid) which conflicts with KCC's interests. Therefore, you must discuss with your line manager and obtain their consent before taking up additional employment elsewhere in KCC or with another employer.
- 23.41 Where you are permitted to take external employment, no external work of any sort should be undertaken on KCC premises.
- 23.42 Use of facilities such as telephones, computers, etc. is forbidden and correspondence and incoming phone calls related to external work are not permitted.
- 23.43 These provisions do not apply to public appointments (e.g. as a magistrate).
- 23.44 You may, in a professional capacity whilst undertaking additional or external work, publish books and articles, give lectures or speak on radio or television

and may illustrate these by reference to KCC's activities or policies, but your Corporate Director should be consulted before doing so. You must be clear that any views you express are your own and not necessarily those of KCC.

23.45 You may retain lecturing fees under the following conditions only:

- (a) Officers who lecture in their own time for other organisations may retain the whole of any fee payable.
- (b) Officers who are permitted to lecture to external organisations in KCC's time may retain half of any fee payable.
- (c) Fees will not be paid to Officers who lecture on any of KCC's internal courses, whether in their own time or not.

Personal Interests

Officers: Personal
Interests

23.46 You must declare annually to an appropriate senior manager and via Oracle Employee Self Service any financial and non-financial interests or commitments, which may conflict with KCC's interests, including key strategies and policies.

23.47 Membership of, or activity on behalf of, a recognised trade union or professional society does not constitute such an interest. KCC encourages you to take an active part in the life of your community. This code does not seek to discourage such involvement. If there is any doubt, advice should be sought from your line manager or from Governance, Law and Democracy.

23.48 You should declare to an appropriate senior manager, membership of any organisation, lodge, chapter, society, trust or regular gathering or meeting which is not open to members of the public who are not members of that lodge, chapter, society or trust or requires secrecy about its rules, membership or conduct.

23.49 In addition to the above, you should advise an appropriate senior manager of your membership of any such organisation where in a specific instance such membership constitutes (or could be perceived as) a conflict of interest.

23.50 Any such financial or non-financial interests should be declared via Oracle Employee Self Service or declared to your line manager if you do not have access to this.

23.51 KCC Financial Regulations specify that employees who have a direct or indirect financial interest in a contract shall not be supplied with, or given access to, any tender documents, contracts or other information relating to them, without the authority of the relevant Corporate Director.

23.52 You must advise a senior manager if you are declared bankrupt or are involved as a Director of a company which is wound up or put into voluntary

liquidation if it may impact upon your role and duties. Such information will be treated in the strictest confidence.

23.53 Intellectual Property Rights are relevant to patents, copyright, database rights, registered and unregistered design rights, trademarks, utility models, plant variety rights and other intellectual property, applications for registration of any of the same, confidential information and know how, whether in all cases registered or unregistered.

23.54 Where you make or create any Intellectual Property Rights that may be of benefit to KCC in the course of your normal duties, you should inform your manager who should be informed in writing and, unless an alternative agreement is reached with the relevant Corporate Director, KCC is generally considered the 'owner' so far as the law allows.

Equality Issues

Equality

23.55 You should ensure that policies relating to equality issues are complied with, in addition to the requirements of the law. All members of the local community, customers, clients, job applicants and employees have a right to be treated with fairness and equity.

Separation of Roles During Tendering

Officers:
Tendering

23.56 If you are involved in the tendering process and dealing with contractors, you must be clear about the separation of client commissioners and contractor/provider roles within KCC. Senior employees who have both a client and contractor responsibility must be aware of the need for accountability and openness.

23.57 If you have access to confidential information on tenders or costs for either internal or external contractors, you must not disclose that information to any unauthorised party or organisation.

23.58 You should ensure no special favour is shown to current or recent former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity. Reference must be made to Spending the Council's Money (available on KNet).

Working with Voluntary and Other Organisations

Officers:
Voluntary
Organisations

23.59 KCC encourages working in partnership with voluntary organisations. If you are working with partners which are companies, trusts or charities, you should abide by the guidelines given within the Companies' Framework held by Governance, Law and Democracy.

Gifts and Hospitality

Officers: Gifts and
Hospitality

- 23.60 In accordance with the Council's Bribery Act Policy, you should not accept significant personal gifts from contractors, clients or outside suppliers as this could compromise you personally and KCC as an organisation. It is a serious criminal offence to receive or give any gift, loan, fee, reward or advantage to anyone in your capacity as a KCC employee. Minor articles, e.g. diaries, calendars, office items and the like, will not to be regarded as a gift. However, consider how they could be perceived in relation to KCC's strategies and policies (e.g. receiving an item that may promote a tobacco company) and, if there is any doubt, a gift should be refused.
- 23.61 If you receive unsolicited gifts, they must be returned with a polite refusal letter to the sender. You should also inform your line manager.
- 23.62 You may not accept legacies from clients or others who may have benefited from your services delivered on behalf of KCC. If you are named as a beneficiary, you should immediately inform your line manager.
- 23.63 You should only accept offers of hospitality if there is a genuine need to impart information or represent KCC in the community and where you are satisfied that any decisions or strategies and policies are not and will not be compromised. Offers to attend purely social or sporting functions should be accepted only when these are part of the life of the community or where KCC should be seen to be represented. They should be properly authorised by your line manager and recorded locally in advance of the event.
- 23.64 KCC should meet the costs of all visits to reference sites, supplier's premises etc. to avoid jeopardising the integrity of any subsequent decisions.
- 23.65 When hospitality has to be refused, the invitation should still be recorded locally.
- 23.66 Many supermarkets, petrol stations and high street stores offer loyalty cards for customers as an incentive to purchase from them. There are various types of loyalty cards, which offer a variety of rewards or bonuses, and it is likely you will have at least one of these cards for your personal use. You should not use your personal loyalty cards when purchasing goods or services on behalf of KCC or its clients. The use of such cards may compromise your professional integrity, particularly if the retail outlet or supplier was chosen because they offer you additional reward and not because it provided the greatest benefit and cost effectiveness to KCC or its clients.
- 23.67 Likewise, many credit card companies offer loyalty rewards. The use of personal credit cards to purchase goods or services on behalf of KCC or its clients should be avoided unless no other means of purchase is available.
- 23.68 Should any loyalty rewards be received whilst undertaking KCC business where there is no means of these being transferred to KCC, then they can be regarded as the property of the individual employee, e.g. frequent traveller programmes, hotel loyalty awards, etc.

Sponsorship - Giving and Receiving

23.69 Where an outside organisation wishes to sponsor a KCC activity, whether by invitation, tender, negotiation, voluntarily or in response to an approach by KCC to potential sponsors, you should:

- (a) refer, at the earliest possible stage, to the Bribery Act Policy and the Sponsorship Policy and Guidance generally and the Section on procurement in particular,
- (b) follow the basic conventions concerning the acceptance of gifts or hospitality and record these arrangements locally.

23.70 Where KCC wishes to sponsor an event or service, neither you nor your partner, spouse, close friend or relative must benefit from such sponsorship. Similarly, where KCC, through sponsorship, grant aid, financial or other means, gives support in the community, you should ensure impartial advice is given and there is no conflict of interest involved.

Health and Safety at Work

Health and Safety

23.71 You must, by law, take reasonable care for your own health and safety and that of other people who may be affected by anything you do at work. The use of illegal drugs or misuse of other drugs or alcohol to the extent it affects health, work performance, attendance, conduct or relationships at work is not acceptable. (For further information see KCC's Drugs and Alcohol Policy on Knet).

23.72 KCC has comprehensive policies on Health and Safety which cover all you need to know about compliance with legislation, standards and KCC procedures in connection with health, safety and welfare at work.

Equipment and Materials

Officers: Use of
Equipment and
Resources

23.73 KCC's telephones, computer systems, other equipment and materials are the property of KCC and are provided for employees' business purposes and for interaction with the public in the delivery of services.

23.74 Some personal use of KCC's electronic communication facilities and devices including phone, internet and email is permitted, provided it is within the scope of KCC's ICT Acceptable Use Policy and ICT User Standards.

23.75 No software can be used unless there is proof of legal registration to KCC under the Copyright, Designs and Patents Act. No personal software may be used on KCC equipment. It is a criminal offence to knowingly use or make unauthorised copies of KCC registered software.

Use of Financial Resources

- 23.76 You must ensure you use public funds entrusted to you in a responsible and lawful manner. They must be fully approved and used for the purpose for which they are intended.
- 23.77 You should ensure value for money to the local community and avoid legal challenge to KCC.
- 23.78 KCC's Financial Regulations and Anti-Fraud and Corruption strategy must be adhered to at all times.

When appointing the Head of Paid Service, which is an appointment made by the County Council, the Appointing Body will report to the Council with a recommendation.
- 25.7 Where no suitably qualified person has applied, the post may be re-advertised.
- 25.8 When a Senior Manager ceases to hold that post or is likely to be absent for any length of time, the Head of Paid Service, after consultation with the Political Group Leaders, may appoint someone to act temporarily in that capacity and determine the salary to be paid. The temporary appointment shall not extend beyond six months without the approval of the Personnel Committee. Similarly, the Head of Paid Service may, after consultation with the Political Group Leaders, appoint an interim senior manager to undertake a specific role that does not currently exist in the Establishment and determine the rate of remuneration. These appointments shall not extend beyond six months without the approval of the Personnel Committee.

25.17 Where no suitably qualified person has applied, the post may be re-advertised.

25.18 No offer of appointment for the Director of Public Health may be made until approval has been received from the Secretary of State for Health and Social Care.

Code of Corporate Governance

Introduction to the Code of Corporate Governance

26.1 Corporate Governance is the system by which local authorities direct and control their functions in the best interests of their communities.

26.2 Good corporate governance is fundamental to securing confidence in public services, and so governance arrangements must be transparent to the community and other stakeholders, and promote their involvement, in order to demonstrate openness, integrity, and accountability.

26.3 Governance arrangements should be aligned with the Council's core vision and objectives, and ensure continuous improvement in the context of economy, efficiency and effectiveness.

26.4 The Code of Corporate Governance describes the principles applied by Kent County Council as the framework for good corporate governance, how we are achieving those principles, and the key policies and plans in place to support this.

By: Peter Oakford – Deputy Leader and Cabinet Member for
Finance and Traded Services
Zena Cooke - Corporate Director of Finance

To: County Council – 17 October 2019

Subject: Updated Scheme of Delegation

Classification: Unrestricted

Summary: This report asks Members to approve the updated Delegated Authority Matrix of Approval Limits, as an amendment to the Constitution.

FOR APPROVAL

1. Introduction

- 1.1 The Delegated Authority Matrix of Approval Limits (Scheme of Delegation) has been revised to align with the new staffing structures and responsibilities of Strategic Procurement and Commissioning.
- 1.3 The Scheme of Delegation is usually approved alongside the Financial Regulations. However, this year the Financial Regulations are undergoing a major review which will take some time to complete.
- 1.4 The revised Scheme of Delegation was agreed by the Governance & Audit Committee at their meeting on 03 October 2019 and now needs to be approved by the County Council as an amendment to the Constitution.

1. Main Amendments

- 2.1 The amendments made to the Scheme of Delegation can be seen in detail at Appendix 1, as it is presented showing all tracked changes.
- 2.2 The main areas of change to highlight are:
 - Authorisation limits within the Procurement and Invoice Approval Process have been significantly increased for senior commissioning staff.
 - Contract Extension approval and sign off has been removed as the option to extend is now included in the terms of all relevant contracts.
 - Procurement Plan Approval has been removed as this process is being redesigned.
 - Note 19 has been added to allow directorates to delegate authority to the Strategic Commissioning Team for specified activities up to the

value of £500k. This reflects the authority that individual commissioning units held within individual directorates prior to the restructure.

3. **Recommendation**

Members are asked to:

- 3.1 Consider and approve the updated Delegated Authority Matrix of Approval Limits (Scheme of Delegation).
