

FORTHCOMING EXECUTIVE DECISIONS

3 June 2013 - 31 December 2013

This edition of the list of Forthcoming Executive Decisions supersedes ALL previous Editions

Published by Democratic Services

This list of Forthcoming Executive Decisions publicises all known decisions which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. Key decisions are marked clearly as such within the list.

Please use the contact details given to let us know your views.

LIST OF FORTHCOMING EXECUTIVE DECISIONS

Every two weeks the list of Forthcoming Executive Decisions is updated where there are additions, deletions or amendments to be made. Although Kent County Council aims to include all known decisions, statute requires that all Key decisions must be publicised in this way.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not already included in the Policy Framework (Constitution Appendix 3) or changes to established policies
- (c) Approval of management and business plans
- (d) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the list helps the Council to programme its work and ensures compliance with the ‘Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) regulations 2012.

The list outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council's web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been taken, a copy of the Record of Decision will also be published on the Council's website. Paper copies will be made available by contacting Louise Whitaker (telephone 01622 694433 or email louise.whitaker@kent.gov.uk).

The Kent County Council Cabinet Members are:	
Mr Paul Carter	Leader and Cabinet Member for Business Strategy, Audit and Transformation
Mr John Simmonds	Deputy Leader & Cabinet Member for Finance and Procurement
Mr David Brazier	Cabinet Member for Transport and Environment
Mr Gary Cooke	Cabinet Member for Corporate and Democratic Services

Kings Hill Area 62, Village 2 - 12/01956**The Decision needed:**

Kings Hill is one of KCC's flagship mixed developments. It provides high quality and in some cases exemplar form of development, which importantly contributes towards bettering design standards.

KCC and its Kings Hill development partners, Liberty have committed to a long term calibrated and progressive development land disposal programme.

The Kings Hill development is a proven and essential regular income through annual distributions, generated by the effective disposal of residential development land.

It is proposed that KCC should agree the future disposal of the subject land parcel for best consideration, through a competitive bid basis. This will be facilitated by KCC's development partners, Liberty Property Trust UK.

Links to Bold Steps for Kent and corporate objectives

The decision directly links to the Council's Medium Term Plan (Bold Steps for Kent) in that it aligns with:

Priority 8 - Responding to key regeneration challenges working with our partners by unlocking a key site within a growth point and which contributes to providing new homes and commercial opportunities at Kings Hill.

Priority 9 - Support new housing growth that is affordable, sustainable and with the appropriate infrastructure; and

Priority 10 – Deliver growth without gridlock.

The proposed decision relates to the long term agreed Master Plan and Strategy for Kings Hill and as part of the Council's Policy Framework.

Impact/costs and risks of proposed decision

The proposed land sale will form an important part of the remaining unfinished areas of allocated housing development within Village 2. The land disposal will take place based on the Partnership's preferred design and conditional upon detailed planning permission and will ensure a comprehensive and effective design solution with adjacent development of area 64, to help complete and improve the overall Kings Hill Village 2 development. The sale process will be devised to minimise many of the risks of abortive transactions (because of improved demand) and increases certainty for the Partnership/KCC and thereby optimises land values and income.

All risks will be fully considered through a diligent evaluation process when consideration is made of the preferred developer/bidder and brought for a

<p>decision.</p> <p>The only direct costs for KCC are those charged by Legal Services in executing the transactions.</p>
<p>Details</p>
<p>Who is taking the Decision Cabinet Member for Corporate & Democratic Services</p> <p>Date: Not before June 2013</p> <p>Reason if Key Decision The proposal will unlock the regeneration of a KCC asset within the Kings Hill development partnership, provide new housing stock, as part of Bold Steps for Housing and provide significant income for KCC. The land transaction is likely to exceed £1 million.</p>
<p>Consultation</p> <p>Notify Members of the Council, particularly Local Members where the sites are located. KCC is required to secure best consideration</p> <p>Aims and level(s) of consultation?</p> <p>Inform Members of the long agreed and established strategy of the continued development of Kings Hill as a mixed use flagship development.</p> <p>Considered by the Policy and Resources Cabinet Committee on September 2012</p> <p>Is the matter referred to in your Business Plan or Medium Term Capital Programme? The Kings Hill development and disposal strategy is referred to as a Key Priority in the Annual Plan. However, by necessity there are no specific references to particular sites and the site within this decision.</p> <p>Which Members and electoral Divisions are affected by this proposed decision? All Members</p>

<p>Procurement of property vehicle for surplus land owned by Kent County Council to allow the provision of new operational facilities in each district as part of asset collaboration - 12/01837</p> <p>The Decision needed: To delegate to the Individual Cabinet portfolio holder and the Director of Property & Infrastructure Support the procurement of a specialist property vehicle to allow realise of surplus land to fund new operational facilities.</p> <p>How the decision relates to BS4K and Corporate Objectives The decision is needed to progress the disposal of KCC assets with the delivery of new buildings. The proposal directly links to Bold Steps for Kent. The property vehicle will ensure it meets a number of key priorities in the Bold Steps for Kent, delivering framework including (1) Improve how we procure and commission services, (7) Build a strong relationship with key business sectors across Kent, (9) Support new housing growth that is affordable, sustainable and with the appropriate infrastructure and (15) Improve services for the most vulnerable people in Kent.</p> <p>Impact/costs and risks of proposed decision The risks will be set out in the paper intended to support Cabinet in taking this decision.</p>
<p>Details</p>
<p>Who is taking the Decision Cabinet Member for Corporate & Democratic Services</p>

<p>Date: Not before June 2013</p> <p>Reason if Key Decision This proposal seeks to combine surplus assets where appropriate to market them for private sector developers to drive value from these assets but in turn through the OJEU process new operational facilities can be provided. A key decision is required as the new facilities will be from a number of frontline service directorates.</p>
<p>Consultation Proposed decision scheduled to be heard by cabinet Committee June 2012</p> <p>Is the matter referred to in your Business Plan or Medium Term Capital Programme? There has been previous mention of the disposal strategy proposals in Property & Infrastructure Support Business Plan in 2011 but since its publication there has been a need to link disposals to future service provision.</p> <p>Which Members and electoral Divisions are affected by this proposed decision? Is it All Members?</p>
<p>Section 4 – Responsible Officer – Who to contact for more information.</p>

<p>Responsible Cabinet Member Cabinet Member for Corporate & Democratic Services</p> <p>Reference No: 12/020231</p> <p>Key No</p>
<p>12/020231 - Eden Centre Lease</p> <p>Decision To seek agreement to the principle of granting a long lease to a charitable community interest company or similar vehicle, of The Eden Centre, Four Elms Road, Edenbridge.</p> <p>How the decision relates to BS4K and Corporate Objectives The proposal directly links to Bold Steps for Kent, such as putting the citizen</p>

in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen's Advice Bureau and House (West Kent Action), to support Kent's more vulnerable citizens.

Impact/costs and risks of proposed decision

The impact of the decision will be KCC will have less control if the management and operation of the centre become the responsibility of a third party, reliance on the professionalism of the trustees to deliver a successful facility, financial model for the charitable vehicle will have to be agreed by all partners, reputational risk to KCC if the charitable vehicle fails, relies upon getting buy in from all community groups in occupation to form trust, untried and untested model, level of income generation from the centre which could go to the charitable vehicle is currently unknown as new facility, continued KCC ownership of a non core asset, officers may be unable to get agreement from stakeholders, charitable vehicle is not financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).

Key Yes

12/02033 - Sandwich Highways Depot**The Decision needed:**

To seek approval to proceed with the disposal of the above site to raise a capital receipt which will be allocated to support the capital programme. To seek approval to identify and progress with the acquisition of a new site for the service. The Director of Property and Infrastructure Support is authorised to finalise terms for both the disposal and acquisition of a new site.

How the decision relates to BS4K and Corporate Objectives;

This decision is needed to enable a modern highway service operation to be provided in the East Kent Area that is both reactive and responsive to changing demands. It directly supports 3 of the Bold Steps for Kent.

- Firstly it helps deliver the “Kent Environment Strategy” by the provision of new environmentally friendly facilities (e.g. grey water) via the construction technique with the eventual adaptation of new work practices within the new depot.
- Secondly it builds relations with key business sectors across Kent as the supply chain involved in such a project provides work to businesses of all sizes.
- Thirdly by the better siting and provision of facilities for the new depot it ensures that the most robust and effective public protection arrangements are in place for road management including bad weather response.

Impact/costs and risks of proposed decision;

The impact of the decision is that full assessment of the potential disposal of the site can be explored within the market place to ensure that best value principles are adhered to. In tandem a full search and feasibility study will be undertaken to identify a new location for the alternative highways depot which satisfies the above objectives.

Library Services in Sandgate.
The Decision needed: KCC to delegate responsibility to Sandgate Parish Council for the day to day running of Library services from Sandgate Library, working with volunteers. KCC to retain the statutory responsibility for providing Library services.
How the decision relates to BS4K and Corporate Objectives
To put the citizen in control: the new model will create opportunities for local engagement and involvement in running library services through volunteering opportunities
Service objectives: <ul style="list-style-type: none"> • create welcoming and attractive libraries which will be centres for local communities open at convenient times. • promote the enjoyment of reading for people of all ages, opportunities for learning • provide access to world-wide links to information and services,
Impact/costs and risks of proposed decision <ul style="list-style-type: none"> • Savings will be delivered. • Services to customers will remain the same • The Parish Council do not recruit sufficient volunteers and the library does not open for the required number of hours. • Training for Parish Council and volunteers is insufficient and the standard of service deteriorates

Herne Bay Gateway - temporary relocation of library services

Proposed decision:

To seek authority to relocate library services from Herne Bay Library to temporary premises during the refurbishment of the building to become a Gateway.

How the decision relates to BS4K and Corporate Objectives

- Putting the citizen in control
- Customer Services Business Plans 2012/13 and 2013/14
- Customer Services Strategy
- Vision for Kent
- New Ways of Working

Financial Implications:

- During the closure period costs for the provision of temporary facilities will be kept to a minimum and any revenue costs should be offset by a reduction in user costs for the individual facilities.
- Relocating library services for Herne Bay will provide the contractor with an unfettered site which will reduce the time of the build and therefore lower capital costs.
- The temporary facilities will be stocked from existing library resources and there are no implications for the current staffing establishment

Legal Implications:

Kent County Council provides library and archive services under the Public Libraries and Museums Act 1964 which requires the provision of a

'comprehensive and efficient' library service.

Equality Implications:

An EQIA has been carried out and is available.

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

Yes.

Key Yes

Local Health Watch - 12/01943

The Decision needed:

To agree proposals to establish Local Health Watch in Kent as required by the Health and social Care Act 2012

How the decision relates to BS4K and Corporate Objectives

Local Health Watch will provide a crucial component of health and social care services in Kent as the voice of patients and public. It relates directly to KCC priorities of Putting the Citizen in Control, improving health and social care services and being responsive to our population and communities.

Impact/costs and risks of proposed decision

Funding of Local Health Watch is expected to amount to c.£1.3 million. Final financial allocation is still to be confirmed by the DH (probably December 2012) but procurement processes need to be initiated before this in time to

establish the service in April 2013. Undue delays in implementation could result in failure to meet statutory responsibilities.

Details

Who is taking the Decision

Cabinet Member for Education & Health Reform

Date:

Not before June 2013

Reason if Key Decision

The budget for Local Health Watch is well in excess of £ 1 million and the service will operate across the whole county.

Consultation

N/A – This is a government requirement and the proposal has been subject to a national consultation as part of the NHS and Social Care Act.

Scheduled for consideration by the Policy and Resources Cabinet Committee on 11/07/2012 and 27/09/2012.

(Has also been discussed at Health Overview and Scrutiny Committee and Corporate Policy Overview and Scrutiny Committee).

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

Reference to establishing Local Health Watch is contained in the Public Health Business Plan

Which Members and electoral Divisions are affected by this proposed decision? Is it All Members?

Relocation of Laleham Gap School

The Decision needed:

To seek approval to relocation of Laleham Gap School, Margate by way of a land exchange for a site at New Haine Road, Ramsgate owned by East Kent Opportunities where a new SEN school is to be built to replace both Laleham Gap School, Margate and Laleham Gap House School, Broadstairs. Final

terms for the transaction will be advised. The Decision will seek for legal agreements to be actioned to complete the land exchange. Funding has been secured from the Governments priority school build programme to fund the necessary capital works.

This decision relates to the Bold Steps for Kent in providing value to secure an alternative site to assist the capital programme. The Laleham Gap School site will be ultimately re-developed and therefore provide an opportunity to build a strong relationship with key business sectors across Kent through the construction on the site. The future use of the development will have a positive impact on the local economy.

Impact/costs and risks of proposed decision

The impact of the decision will be that the proposed replacement school will be completed as quickly as possible to ensure that the capital programme is delivered. Without the decision, the replacement school will be delayed which will affect the delivery of the capital programme and prolong the current school provision which is insufficient and outdated. Refurbishment of the existing school buildings is not a feasible option and does not overcome operational difficulties.

<p>Responsible Cabinet Member Cabinet Member for Transport & Environment</p> <p>Reference No: 12/01879</p> <p>Key Yes</p>
<p>Kent Minerals and Waste Development Framework (MWDF) Core Strategy at Pre-Submission (Draft Plan) Stage - 12/01879</p> <p>The Decision needed:</p>

Approval is sought from the Cabinet Member for the two draft MWDF site plan documents in order to allow the commencement of the consultation on the Mineral Sites Plan and Waste Sites Plan at 'preferred options' stage.

How the decision relates to BS4K and Corporate Objectives

The consultation documents will assist in two of the BS4K priorities, (1) helping the economy to grow and (2) putting the citizen in control.

Impact/costs and risks of proposed decision

The preparation of the Kent MWDF is a statutory requirement. Failing to expedite the plan making will have costs to Kent both directly (by failing to comply with the EU Waste Framework Directive and risk incurring infraction proceedings), and to the Kent economy by failing to give the minerals and waste industry the required policy support for their developments.

The consultation will generate interest from both stakeholders and Kent communities whose responses (including objections, letters of support and comments), will need to be processed and analysed to inform the next stage of the plan making process.

The costs of the consultation will be met from the MWDF team budget, and resourced by the MWDF team in E&E. The direct costs include printing a limited number of hard copies of the two main consultation documents for distribution throughout the Kent libraries and Gateways and preparing CDs containing the consultation documents for parish councils and other key stakeholder groups. There will also be a series of stakeholder meetings and 'drop in' sessions co-ordinated to co-incide with the consultation.

The main risks arising from the consultation are that some of the host communities for the proposed sites may generate high levels of objections and adverse media publicity.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Transport & Environment

Date:

Not before April 2013

Reason if Key Decision

When adopted, the Kent MWDF plans will have a significant effect on communities living and working in all districts of Kent. They will identify specific sites and preferred areas for future mineral extraction and waste management uses. They will also establish the policy basis for the determination of all future planning applications for minerals and waste proposals up to the end of 2030.

Reason if this decision has been delayed/withdrawn from a previous plan

A supplementary sites consultation at 'options stage' was held in late 2011, delaying the preparation of the preferred options of the two sites plans.

Notify all Members of the Council?

Yes they will be notified at the start of the consultation.

Section 3 – Who is to be consulted? If no please provide reasons?

Please state if there are any additional legal requirements to consult other than those stated in the Local Government Act 1999 - Best Value Duty.

Please state if there are any additional legal requirements to consult other than those stated in the Local Government Act 1999 - Best Value Duty.

Planning and Compulsory Purchase Act 2004 and associated regulations as well as the Localism Act 2011.

Aims and level(s) of consultation (*KCC consultation levels attached*)

To work towards finalising the Kent Minerals Plan and Waste Plan documents, complying with our statutory requirements for plan making. This is the second round of consultations on the mineral sites and waste sites at preferred options stage. The final round of consultations (planned for September 2013) will be at 'pre-submission stage' and will follow the examination in public of the Core Strategy.

The consultation level that best reflects this stage in Table 1 is 'joint decision making'.

Key consultee groups

Minerals and waste industry, parish councils, district councils and environmental groups, Kent communities near the proposed sites.

A20 Corridor Statutory Quality Bus Partnership Scheme - 12/01924

The Decision needed:

Cabinet Member approval for the establishment of the Statutory Quality Partnership Scheme (SQPS)

How the decision relates to BS4K and Corporate Objectives:

The SQPS contributes to the BS4K objectives of Helping the Kent Economy to Grow and Tackling Disadvantage. It provides the framework for a comprehensive package of improvements to public transport services in the Snodland, West Malling and Kings Hill areas and along the A20 Corridor to Maidstone. The package has been designed to ensure that the level of bus provision is able to accommodate the ongoing housing and employment growth in the Medway Valley area. It will contribute to improved air quality within three Air Quality Management Areas (AQMAs) and involve the setting of minimum service quality standards, thereby locking in the benefits of investment by all parties and ensuring maximum return on public investment.

Impact/costs and risks of proposed decision:

The establishment of the SQPS will impose formal duties on Kent County Council, Tonbridge and Malling Borough Council and Arriva to make available, respectively, the facilities and services specified in the SQPS Agreement. For KCC, this is likely to include traffic signal priority for buses and passenger

information and facilities at bus stops.

Section 2 – Who is taking the final decision and when

Responsible Cabinet Member - Cabinet Member for Transport & Environment

Reference No: 13/00046

Key No

Kent Farmsteads Guidance

The Decision needed:

To seek endorsement of the Kent Farmsteads Guidance and advocate its use by landowners, developers, applicants and planners.

The Guidance supports the first two ambitions in Bold Steps for Kent ('To help the Kent economy grow' and 'To put the citizen in control') by providing guidance which will help avoid delays in the planning process, and providing information to help landowners prepare development proposals or management plans for their property.

There are no costs to KCC associated with endorsement of this guidance and no direct risks.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Transport & Environment

Date:

Not before June 2013

Section 3 – Who is to be consulted? If no please provide reasons?

Please state if there are any additional legal requirements to consult other than those stated in the Local Government Act 1999 - Best Value Duty.

Key consultees have been: District Councils, Medway Council, landowner and environmental groups e.g. CLBA, Protect Kent, Natural England, parish councils, land agents and consultants, residents.

Start and finish dates of consultation.

A Stage 1 stakeholder workshop took place in January 2010,

Public consultation took place between 29th March and 24th May 2011, and

A Stage 3 stakeholder workshop took place in May 2011.

Equalities Impact Assessment can be viewed by clicking on the link below:

Kent Downs AONB website (<http://www.kentdowns.org.uk>)

Date of publication of consultation outcomes and updated Equalities Impact Assessment

Kent Farmstead Guidance & Kent Downs Farmstead Guidance Consultation Report January 2012 (published on Kent Downs AONB website <http://www.kentdowns.org.uk>)

The Guidance was discussed at the Environment, Highways & Waste Policy Overview & Scrutiny Committee on 8th April 2011.

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

Yes

Which Members and electoral Divisions are affected by this proposed decision? Is it All Members?

All

<p>Variation of pitch allocations policy for Coldharbour site, Aylesford</p> <p>The Decision needed: To seek approval for variation from the standard pitch allocation policy for allocation of pitches on the new Coldharbour site, because of exceptional local need for accommodation.</p> <p>How the decision relates to BS4K and Corporate Objectives: The decision relates to BS4K by putting the citizen in control and by meeting local accommodation needs appropriately.</p> <p>In addition it helps to tackle disadvantage.</p> <p>Impact/costs and risks of proposed decision: The impact of the decision will be to give greater priority for pitches on the new Coldharbour site to waiting-list applicants with a local connection, and especially those without permanent planning consent on Green Belt or other land with high planning constraints. There are risks of challenge, including legal challenge, by those on the waiting-list whose chances of an offer reduce, as a result of this decision. However, Equalities Impact Assessment and detailed legal advice has been obtained to minimise these risks.</p>
<p>Section 2 – Who is taking the final decision and when</p> <p>Who is taking the Decision Cabinet Member for Transport & Environment</p> <p>Date: Not before June 2013</p> <p>Reason if Key Decision N/a. Key decision criteria have not been met.</p> <p>Reason if this decision has been delayed/withdrawn from a previous plan</p>
<p>Section 3 – Who is to be consulted? If no please provide reasons?</p> <p>Detailed consultation on the pitch allocation policy was carried out in Spring 2012. Counsel's advice is that, provided KCC has all the information it needs to make an informed decision, fresh consultation does not need to be carried out.</p> <p>It was made clear at the time the standard allocation policy was being discussed that there could well be a variation proposed for the Coldharbour site.</p>

The Spring 2012 consultation included representations about a variation of the policy for the Coldharbour site.

The Equalities Impact Assessment is currently in preparation

The standard policy was discussed at the Environment, Highways and Waste Cabinet Committee in July 2012

The new site is referred to in both the Business Plan and the MTCP.

CABINET - 17 JUNE 2013

Decision of Cabinet

Reference No: 12/01945

Key Yes

12/01945 - Kent Local Flood Risk Management Strategy (local strategy)

The Decision needed:

To seek agreement to adopt the Kent Local Flood Risk Management Strategy

The local strategy is a statutory requirement of the Flood and Water Management Act 2010 for Lead Local Flood Authorities (county and unitary authorities).

We have a duty to adopt a local strategy, there is therefore a risk of failing to undertake our statutory obligations if we do not adopt one. There are costs associated with the implementation of the strategy, but many of these undertakings are also statutory requirements. All costs incurred in delivering the objectives of the strategy by KCC will be covered by grant funding from the Department for Environment, Food and Rural Affairs.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet

Date:

May 2013

Reason if Key Decision

Yes – the adoption and subsequent implementation of the local strategy will result in significant service development and associated expenditure. The strategy itself will apply to the whole county of Kent and district/borough councils and other authorities have a duty to act consistently with it.

Section 3 – Who is to be consulted? If no please provide reasons?**Flood and Water Management Act 2010 Section 9 subsection (6)**

Aims and level(s) of consultation (*KCC consultation levels attached*)

Gather opinions

Key consultee groups

Other risk management authorities (district/borough councils, Environment Agency, sewerage undertakers, internal drainage boards)

Start and finish dates of consultation.

3 September 2012 – 3 December 2012

Equalities Impact Assessment included in the consultation documentation. Please state where this can be found.

An EqIA will be included as part of the consultation

Has the matter already been discussed by a Cabinet Committee? If not when will be it discussed by the Cabinet Committee and the date of the meeting

It has been discussed by the Flood Risk Management Committee. The Environment, Highways and Waste Policy and Overview Scrutiny Committee was previously made aware of the requirement for this strategy. The draft strategy will be taken to the Environment, Highways and Waste Cabinet Committee following consultation.

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

Yes

Which Members and electoral Divisions are affected by this proposed decision? Is it All Members?

All Members

CABINET MEMBER DECISIONS FOR 2013 - DATES TO BE CONFIRMED

<p>Responsible Cabinet Member Cabinet Member for Environment, Highways and Waste</p> <p>Reference No: 12/01923, 12/01925, 12/01926, 12/01928, 12/01929, 12/01933, 12/01969</p> <p>Key Yes</p>
<p>Local Transport Strategies - Various</p> <p>The Decision needed: To agree various local transport strategies.</p> <p>BS4K and Corporate Objectives:</p> <p>The strategies will ‘Help the ‘Kent Economy Grow’ and ‘Tackle Disadvantage’ by managing congestion in town centres, improving the reliability of journey times for commuters and visitors and managing freight journeys more successfully. This will in turn enhance key sustainable transport links to employment, education and health care.</p> <p>Impacts / Costs and risks of proposed decisions:</p> <p>The transport strategies to be agreed all form part a key part of evidence base for the relevant Local Plan. These plans will be subject to and examination in public by and independent planning inspector during 2013. The appropriateness and deliverability of each strategy will be an important consideration in the inspector’s decision on the soundness of the Plan as a whole.</p> <p>The delivery of each transport strategy will be heavily dependent on securing funding contributions from development through the section 106 and Community Infrastructure Levy (CIL) processes, as KCC’s Local Transport Plan funding allocation from Central Government is likely to be under sustained pressure from the foreseeable future. KCC will not be the charging authority therefore it will be reliant on each local council as the planning authority to allocate sufficient CIL revenue to the priority transport infrastructure projects identified in the strategy. The availability of CIL revenue will in turn be dictated by the phasing and extent of new development which will be influenced by a range of external factors.</p> <p>Adoption of the Tonbridge Town Centre Revised Transport Strategy by Kent County Council (KCC).</p>
<p>Section 2 – Who is taking the final decision and when</p>
<p>Who is taking the Decision Cabinet Member for Environment, Highways and Waste</p>

Date:

Between December 2012 and December 2013

Reason if Key Decision

The decisions are likely to be significant in terms of their effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority.
