

FORTHCOMING EXECUTIVE DECISIONS

29 July 2013 - 31 January 2013

This edition of the list of Forthcoming Executive Decisions supersedes ALL previous Editions

Published by Democratic Services

This list of Forthcoming Executive Decisions publicises all known decisions which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. Key decisions are marked clearly as such within the list.

Please use the contact details given to let us know your views.

LIST OF FORTHCOMING EXECUTIVE DECISIONS

Each week the list of Forthcoming Executive Decisions is updated where there are additions, deletions or amendments to be made. Although Kent County Council aims to include all known decisions, statute requires that all Key decisions must be publicised in this way.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not already included in the Policy Framework (Constitution Appendix 3) or changes to established policies
- (c) Approval of management and business plans
- (d) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the list helps the Council to programme its work and ensures compliance with the ‘Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) regulations 2012.

The list outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council’s web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been

taken, a copy of the Record of Decision will also be published on the Council's website. Paper copies will be made available by contacting Louise Whitaker (telephone 01622 694433 or email louise.whitaker@kent.gov.uk).

The Kent County Council Cabinet Members are:	
Mr Paul Carter	Leader and Cabinet Member for Business Strategy, Audit & Transformation
Mr John Simmonds	Deputy Leader and Cabinet Member for Finance & Procurement
Mr David Brazier	Cabinet Member for Transport & Environment
Mr Gary Cooke	Cabinet Member for Corporate & Democratic Services
Mr M Dance	Cabinet Member for Economic Development
Mr Graham Gibbens	Cabinet Member for Adult Social Care & Public Health
Mr Roger Gough	Cabinet Member for Education & Health Reform
Mr Mike Hill	Cabinet Member for Community Services
Mr Bryan Sweetland	Cabinet Member for Commercial & Traded Services
Mrs Jenny Whittle	Cabinet Member for Specialist Children's Services

All Members can be contacted by writing to Kent County Council, Sessions House, County Hall, Maidstone, Kent, ME14 1XQ or by email via the Council's website.

Kings Hill Area 62, Village 2 - 12/01956**Decision:**

Kings Hill is one of KCC's flagship mixed developments. It provides high quality and in some cases exemplar form of development, which importantly contributes towards bettering design standards.

KCC and its Kings Hill development partners, Liberty have committed to a long term calibrated and progressive development land disposal programme.

The Kings Hill development is a proven and essential regular income through annual distributions, generated by the effective disposal of residential development land.

It is proposed that KCC should agree the future disposal of the subject land parcel for best consideration, through a competitive bid basis. This will be facilitated by KCC's development partners, Liberty Property Trust UK.

Links to Bold Steps for Kent and corporate objectives

The decision directly links to the Council's Medium Term Plan (Bold Steps for Kent) in that it aligns with:

Priority 8 - Responding to key regeneration challenges working with our partners by unlocking a key site within a growth point and which contributes to providing new homes and commercial opportunities at Kings Hill.

Priority 9 - Support new housing growth that is affordable, sustainable and with the appropriate infrastructure; and

Priority 10 – Deliver growth without gridlock.

The proposed decision relates to the long term agreed Master Plan and Strategy for Kings Hill and as part of the Council's Policy Framework.

Impact/costs and risks of proposed decision

The proposed land sale will form an important part of the remaining unfinished areas of allocated housing development within Village 2. The land disposal will take place based on the Partnership's preferred design and conditional upon detailed planning permission and will ensure a comprehensive and effective design solution with adjacent development of area 64, to help complete and improve the overall Kings Hill Village 2 development. The sale process will be devised to minimise many of the risks of abortive transactions (because of improved demand) and increases certainty for the Partnership/KCC and thereby optimises land values and income.

All risks will be fully considered through a diligent evaluation process when consideration is made of the preferred developer/bidder and brought for a

decision.

The only direct costs for KCC are those charged by Legal Services in executing the transactions.

Who is taking the Decision

Cabinet Member for Corporate & Democratic Services

Date:

Not before June 2013

Reason if Key Decision

The proposal will unlock the regeneration of a KCC asset within the Kings Hill development partnership, provide new housing stock, as part of Bold Steps for Housing and provide significant income for KCC. The land transaction is likely to exceed £1 million.

Consultation

Notify Members of the Council, particularly Local Members where the sites are located. KCC is required to secure best consideration

Aims and level(s) of consultation?

Inform Members of the long agreed and established strategy of the continued development of Kings Hill as a mixed use flagship development.

**To be considered by the Policy and resources Cabinet Committee
September 2012**

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

The Kings Hill development and disposal strategy is referred to as a Key Priority in the Annual Plan. However, by necessity there are no specific references to particular sites and the site within this decision.

Which Members and electoral Divisions are affected by this proposed decision?

<p>Procurement of property vehicle for surplus land owned by Kent County Council to allow the provision of new operational facilities in each district as part of asset collaboration - 12/01837</p> <p>Decision needed: To delegate to the Individual Cabinet portfolio holder and the Director of Property & Infrastructure Support the procurement of a specialist property vehicle to allow realise of surplus land to fund new operational facilities.</p> <p>How the decision relates to BS4K and Corporate Objectives The decision is needed to progress the disposal of KCC assets with the delivery of new buildings. The proposal directly links to Bold Steps for Kent. The property vehicle will ensure it meets a number of key priorities in the Bold Steps for Kent, delivering framework including (1) Improve how we procure and commission services, (7) Build a strong relationship with key business sectors across Kent, (9) Support new housing growth that is affordable, sustainable and with the appropriate infrastructure and (15) Improve services for the most vulnerable people in Kent.</p> <p>Impact/costs and risks of proposed decision The risks will be set out in the paper intended to support Cabinet in taking this decision.</p>
<p>Who is taking the Decision Cabinet Member for Corporate & Democratic Services</p> <p>Date: Not before June 2013</p> <p>Reason if Key Decision This proposal seeks to combine surplus assets where appropriate to market them for private sector developers to drive value from these assets but in turn through the OJEU process new operational facilities can be provided. A key decision is required as the new facilities will be from a number of frontline service directorates.</p>
<p>Consultation</p> <p>The proposed decision will be considered by the relevant Cabinet Committee in June 2012</p> <p>There has been previous mention of the disposal strategy proposals in Property & Infrastructure Support Business Plan in 2011 but since its publication there has been a need to link disposals to future service provision.</p>

Property & Infrastructure Support Business Plan 2011

Responsible Cabinet Member - Cabinet Member for Corporate & Democratic Services

Decision No: 12/020231

Key No

12/020231 - Eden Centre Lease

Decision needed:

To agree the principle of the grant of a long lease to a charitable community interest company or similar vehicle of The Eden Centre, the timelines and processes that need to follow.

How the decision relates to BS4K and Corporate Objectives

The proposal directly links to Bold Steps for Kent, such as putting the citizen in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen's Advice Bureau and House (West Kent Action), to support Kent's more vulnerable citizens.

Impact/costs and risks of proposed decision

The impact of the decision will be KCC will have less control if the management and operation of the centre become the responsibility of a third party, reliance on the professionalism of the trustees to deliver a successful facility, financial model for the charitable vehicle will have to be agreed by all partners, reputational risk to KCC if the charitable vehicle fails, relies upon getting buy in from all community groups in occupation to form trust, untried and untested model, level of income generation from the centre which could go to the charitable vehicle is currently unknown as new facility, continued KCC ownership of a non core asset, officers may be unable to get agreement from stakeholders, charitable vehicle is not financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).

Who is taking the Decision

Cabinet Member for Corporate & Democratic Services

Date:

Not before June 2013

<p>Consultation</p> <p>The Eden Church, Citizen’s Advice Bureau, House (West Kent Action), Edenbridge Library and FSC as partners in the centre. It is expected that representatives from all of these occupier groups will be represented by the charitable vehicle trustees, along with Sevenoaks District Council and Edenbridge Town Council.</p>

<p>Reference No: 12/02033</p>
<p>Key Yes</p>
<p>12/02033 - Sandwich Highways Depot</p>
<p>Decision needed:</p> <p>To seek approval to proceed with the disposal of the above site to raise a capital receipt which will be allocated to support the capital programme. To seek approval to identify and progress with the acquisition of a new site for the service. The Director of Property and Infrastructure Support is authorised to finalise terms for both the disposal and acquisition of a new site.</p>
<p>How the decision relates to BS4K and Corporate Objectives;</p> <p>This decision is needed to enable a modern highway service operation to be provided in the East Kent Area that is both reactive and responsive to changing demands. It directly supports 3 of the Bold Steps for Kent.</p> <ul style="list-style-type: none"> • Firstly it helps deliver the “Kent Environment Strategy” by the provision of new environmentally friendly facilities (e.g. grey water) via the construction technique with the eventual adaptation of new work practices within the new depot. • Secondly it builds relations with key business sectors across Kent as the supply chain involved in such a project provides work to businesses of all sizes. • Thirdly by the better siting and provision of facilities for the new depot it ensures that the most robust and effective public protection arrangements are in place for road management including bad weather response.
<p>Impact/costs and risks of proposed decision;</p> <p>The impact of the decision is that full assessment of the potential disposal of the site can be explored within the market place to ensure that best value principles are adhered to. In tandem a full search and feasibility study will be undertaken to identify a new location for the alternative highways depot which satisfies the above objectives.</p>

Key Yes

Relocation of Laleham Gap - Part 2 - Land Exchange - 13/00013/B

Decision needed:

To seek approval for a land exchange for a site at New Haine Road, Ramsgate owned by East Kent Opportunities where a new SEN school is to be built to replace Laleham Gap School, Margate and Laleham Gap House School, Broadstairs as per decision 13/00013/A.

Final terms for the transaction will be advised. The Decision will seek for legal agreements to be actioned to complete the land exchange. Funding has been secured from the Governments priority school build programme to fund the necessary capital works.

This decision relates to the Bold Steps for Kent in providing value to secure an alternative site to assist the capital programme. The Laleham Gap School site will ultimately be redeveloped and therefore provide an opportunity to build a strong relationship with key business sectors across Kent through the construction on the site. The future use of the development will have a positive impact on the local economy.

Impact/costs and risks of proposed decision

The impact of the decision will be that the proposed replacement school will be completed as quickly as possible to ensure that the capital programme is delivered. Without the decision, the replacement school will be delayed which will affect the delivery of the capital programme and prolong the current school provision which is insufficient and outdated. Refurbishment of the existing school buildings is not a feasible option and does not overcome operational difficulties.

13/00017 - Library Services in Sandgate.

The Decision needed:

To seek approval to delegate responsibility to Sandgate Parish Council for the day to day running of Library services from Sandgate Library, working with volunteers. KCC will retain the statutory responsibility for providing Library services.

BS4K and Corporate Objectives

To put the citizen in control: the new model will create opportunities for local engagement and involvement in running library services through volunteering opportunities

Service objectives:

- create welcoming and attractive libraries which will be centres for local communities open at convenient times.
- promote the enjoyment of reading for people of all ages, opportunities for learning
- provide access to world-wide links to information and services,

Impact/costs and risks of proposed decision

- Savings will be delivered.
- Services to customers will remain the same
- The Parish Council do not recruit sufficient volunteers and the library does not open for the required number of hours.
- Training for Parish Council and volunteers is insufficient and the standard of service deteriorates

Herne Bay Gateway - temporary relocation of library services**Subject:**

Temporary relocation of library services from Herne Bay Library

Proposed decision:

To seek authority to relocate library services from Herne Bay Library to temporary premises during the refurbishment of the building to become a Gateway.

How the decision relates to BS4K and Corporate Objectives

- Putting the citizen in control
- Customer Services Business Plans 2012/13 and 2013/14
- Customer Services Strategy
- Vision for Kent
- New Ways of Working

Financial Implications:

- During the closure period costs for the provision of temporary facilities will be kept to a minimum and any revenue costs should be offset by a reduction in user costs for the individual facilities.
- Relocating library services for Herne Bay will provide the contractor with an unfettered site which will reduce the time of the build and therefore lower capital costs.
- The temporary facilities will be stocked from existing library resources and there are no implications for the current staffing establishment

Legal Implications:

Kent County Council provides library and archive services under the Public Libraries and Museums Act 1964 which requires the provision of a 'comprehensive and efficient' library service.

Equality Implications:

An EQIA has been carried out and is available.

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

Yes.

Reference No: 12/02027
28 days expiry: 3 January 2013

Key Yes

12/02027 - Locate in Kent and Visit Kent - Service Level Agreements

The Decision needed:

To agree Grant in Aid awards to Locate in Kent and Visit Kent Limited for a period of 3 years from 1st April 2013 to 31st March 2016.

Who is taking the Decision

Cabinet Member for Economic Development

Date:

Not before June 2013

Reason if Key Decision

The decisions involves a commitment to expenditure for a period of 3 years likely to be in excess of £2m across both organisations therefore the decision exceeds the financial threshold of £1m for non-key decisions

Consultation

The proposed decision has been discussed by the Economic Development Cabinet Committee in November 2012. The report outlined the current SLA arrangements and sought the view of the Committee on future services and performance targets

A further report is scheduled for 6th March Economic Development Cabinet.

Key Yes

Southfleet Road, Ebbsfleet: Growing Places Fund investment - 13/00035

The Decision needed:

A decision is required such that, subject to due diligence, Kent County Council shall agree to enter into credit agreements to secure investment from the Growing Places Fund to deliver improvements to Southfleet Road. This will help to unlock development at Eastern Quarry and provide access to the commercial development area at Station Quarter North.

Background

Growing Places Fund (GPF) is a Government scheme which provides loan finance to unlock development sites where these will create new jobs and homes. In the South East, the Fund is administered by the South East Local Enterprise Partnership (LEP), for which Essex County Council acts as the accountable body.

Following a call for projects and appraisal, the LEP has given indicative approval to allocate up to £4 million to bring forward improvements to Southfleet Road.

In order to secure this funding, it is proposed that KCC will enter into:

- a) A credit agreement with Essex County Council to draw down the GPF funding; and
- b) A subsidiary credit agreement with Land Securities Eastern Quarry Ltd, who will deliver the scheme.

This shall be subject to final due diligence.

How the decision relates to BS4K and Corporate Objectives

This Decision contributes to delivery of the following Delivering Bold Steps priorities:

- Priority 8: Respond to key regeneration challenges, working with our partners. This specifically prioritises actions to unlock key sites, where these will lead to jobs and housing
- Priority 9: Support new housing growth that is affordable, sustainable and with the

appropriate infrastructure

Impact/costs and risks of proposed decision

Impact

The proposed Decision will mean that KCC will be able to draw down Growing Places Fund investment of up to £4 million. It is anticipated that this will unlock 1,500 homes at Eastern Quarry by 2020, and will also support the development of the Station Quarter North strategic employment site.

Risks

GPF funding is repayable. The primary risk is that KCC will be liable to repay the GPF loan to the Accountable Body, even if the private sector organisation is unable to repay the subordinate loan to KCC. This will be mitigated through due diligence, the robust drafting of the credit agreements, and project monitoring.

State Aid risks will be mitigated through the charging of an appropriate rate of interest, with all repayments (less costs to KCC) repaid to the GPF fund.

Costs

There will be some costs to KCC in managing the credit agreement. These will be recovered through interest payments and/ or through recharges to the central GPF fund, with costs and recovery mechanisms considered in development of the credit agreement.

Who is taking the Decision

Cabinet Member for Economic Development

Date:

Not before June 2013

Reason if Key Decision

Sturry Road, Canterbury. Growing Places Fund investment - 13/00036

The Decision needed:

A decision is required such that, subject to due diligence, Kent County Council shall agree to enter into credit agreements to secure investment from the Growing Places Fund to deliver commercial development at Sturry Road, Canterbury

Background

Growing Places Fund (GPF) is a Government scheme which provides loan finance to unlock development sites where these will create new jobs and homes. In the South East, the Fund is administered by the South East Local Enterprise Partnership (LEP), for which Essex County Council acts as the accountable body.

Following a call for projects and appraisal, the LEP has given indicative approval to allocate up to £629,000 to bring forward a commercial site at Sturry Road, Canterbury.

In order to secure this funding, it is proposed that KCC will enter into:

- c) A credit agreement with Essex County Council to draw down the GPF funding;
and
- d) A subsidiary credit agreement with the private sector owners of the development.

This shall be subject to final due diligence.

How the decision relates to BS4K and Corporate Objectives

This Decision contributes to delivery of the following Delivering Bold Steps priorities:

- Priority 8: Respond to key regeneration challenges, working with our partners.
This specifically prioritises actions to unlock key sites, where these will lead to jobs and housing

Impact/costs and risks of proposed decision

Impact

The proposed Decision will mean that KCC will be able to draw down Growing Places Fund investment of up to £629,000. It is anticipated that this will unlock 4,000 sq m commercial floorspace and facilitate the creation of 40 jobs (gross) by 2015.

Risks

GPF funding is repayable. The primary risk is that KCC will be liable to repay the GPF loan to the Accountable Body, even if the private sector organisation is unable to repay the subordinate loan to KCC. This will be mitigated through due diligence, the robust drafting of the credit agreements, and project monitoring.

State Aid risks will be mitigated through the charging of an appropriate rate of interest, with all repayments (less costs to KCC) repaid to the GPF fund.

Costs

There will be some costs to KCC in managing the credit agreement. These will be recovered through interest payments and/ or through recharges to the central GPF fund, with costs and recovery mechanisms considered in development of the credit agreement.

Consultation

Please state if there are any additional legal requirements to consult other than those stated in the Local Government Act 1999 - Best Value Duty.

KCC has taken the advice of the members of the South East Local Enterprise Partnership Board, who have been involved to Level 3 (Make Choices).

Other key consultee groups

South East Local Enterprise Board members (including business representatives and local authority leaders).

In addition, Canterbury City Council has been consulted as part of the project appraisal process.

Start and finish dates of consultation.

Summer 2012 – March 2013

Equalities Impact Assessment included in the consultation documentation. Please state where this can be found.

No – an Equalities Impact Assessment has not yet been prepared. It is anticipated that there will be few equalities impacts arising from this Decision. However, there may be combined impacts arising from the series of proposed Decisions to enter into credit agreements for GPF for a number of projects. It is therefore proposed that a

single Equalities Impact Assessment will be undertaken for all related Decisions prior to the proposed Decision for this project being taken.

Date of publication of consultation outcomes and updated Equalities Impact Assessment

There is no separate consultation outcomes report. However, the discussion at the East LEP Board has been published at www.southeastlep.com.

Has the matter already been discussed by a Cabinet Committee? If not when will be it discussed by the Cabinet Committee and the date of the meeting

Yes. KCC's approach to Growing Places Fund has been discussed by the Economic Development Cabinet Committee on 5 July 2012 and 21 September 2012.

In addition, the proposed Decision will be discussed by ED Cabinet Committee on 14 June.

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

Yes – Referred to in Economic Development Unit Divisional Business Plan 2013/14

Which Members and electoral Divisions are affected by this proposed decision? Is it All Members?

The development is located in on the boundary of Canterbury City North East (Graham Gibbens) and Herne and Sturry (Alan Marsh).

There may also be some impacts elsewhere in Canterbury (Canterbury West (John Simmonds), Canterbury City South East (Michael Northey), Canterbury City South West (Martin Vye)).

The Base, Phase 2, Dartford. Growing Places Fund investment - 13/00032

Decision needed:

Background

Growing Places Fund (GPF) is a Government scheme which provides loan finance to unlock development sites where these will create new jobs and homes. In the South East, the Fund is administered by the South East Local Enterprise Partnership (LEP), for which Essex County Council acts as the accountable body.

Following a call for projects and appraisal, the LEP has given indicative approval to allocate up to £2.95 million to deliver Phase 2 of The Base.

In order to secure this funding, it is proposed that KCC will enter into a credit agreement with Essex County Council to draw down the GPF funding.

In addition, KCC will enter into an agreement with the Homes and Communities Agency, which owns the freehold of the site, to enable the development to proceed.

This shall be subject to final due diligence.

How the decision relates to BS4K and Corporate Objectives

This Decision contributes to delivery of the following Delivering Bold Steps priorities:

- Priority 8: Respond to key regeneration challenges, working with our partners. This specifically prioritises actions to unlock key sites, where these will lead to jobs and housing

Impact/costs and risks of proposed decision

Impact

The proposed Decision will mean that KCC will be able to draw down Growing Places Fund investment of up to £2.95 million. It is anticipated that this will deliver 108 jobs (gross).

Risks

GPF funding is repayable. The primary risk is that KCC will be liable to repay the GPF loan to the Accountable Body, even if rental incomes from the completed scheme or the capital receipt from the scheme on its eventual sale are less than anticipated. This will be mitigated through due diligence, the robust drafting of the credit agreements, and project monitoring.

Costs

There will be some costs to KCC in managing the credit agreement. These will be recovered through interest payments and/ or through recharges to the central GPF fund, with costs and recovery mechanisms considered in development of the credit agreement.

Discovery Park Enterprise Zone, Sandwich. Growing Places Fund investment - 13/00034

Decision needed:

Background

Growing Places Fund (GPF) is a Government scheme which provides loan finance to unlock development sites where these will create new jobs and homes. In the South East, the Fund is administered by the South East Local Enterprise Partnership (LEP), for which Essex County Council acts as the accountable body.

Following a call for projects and appraisal, the LEP has given indicative approval to allocate up to £8 million over five years for a rolling programme of capital investment.

In order to secure this funding, it is proposed that:

- a) KCC will enter into a credit agreement with Essex County Council to draw down the GPF funding; and
- b) KCC will seek to enter into a series of annual subordinate credit agreement with Discovery Park Ltd (the owners of Discovery Park).

In addition, KCC will enter into an agreement with the Homes and Communities Agency, which owns the freehold of the site, to enable the development to proceed.

This shall be subject to final due diligence.

How the decision relates to BS4K and Corporate Objectives

This Decision contributes to delivery of the following Delivering Bold Steps priorities:

- Priority 8: Respond to key regeneration challenges, working with our partners. This specifically prioritises actions to unlock key sites, where these will lead to jobs and housing

Impact/costs and risks of proposed decision

Impact

The proposed Decision will mean that KCC will be able to draw down Growing

Places Fund investment of up to £8 million. It is anticipated that this will contribute to the safeguarding of up to 2,000 jobs at Discovery Park by supporting the Enterprise Zone's continued viability and attractiveness to investors.

Risks

GPF funding is repayable. The primary risk is that KCC will be liable to repay the GPF loan to the Accountable Body, even if Discovery Park Ltd is unable to repay. This will be mitigated through due diligence, the robust drafting of the credit agreements, and project monitoring.

Costs

There will be some costs to KCC in managing the credit agreement. These will be recovered through interest payments and/ or through recharges to the central GPF fund, with costs and recovery mechanisms considered in development of the credit agreement.

Responsible Cabinet Member - Cabinet Member for Transport & Environment

Reference No: 12/01924

Key No

Title:

A20 Corridor Statutory Quality Bus Partnership Scheme - 12/01924

The Decision needed:

Cabinet Member approval for the establishment of the Statutory Quality Partnership Scheme (SQPS)

How the decision relates to BS4K and Corporate Objectives:
 The SQPS contributes to the BS4K objectives of Helping the Kent Economy to Grow and Tackling Disadvantage. It provides the framework for a comprehensive package of improvements to public transport services in the Snodland, West Malling and Kings Hill areas and along the A20 Corridor to Maidstone. The package has been designed to ensure that the level of bus provision is able to accommodate the ongoing housing and employment growth in the Medway Valley area. It will contribute to improved air quality within three Air Quality Management Areas (AQMAs) and involve the setting of minimum service quality standards, thereby locking in the benefits of investment by all parties and ensuring maximum return on public investment.

Impact/costs and risks of proposed decision:
 The establishment of the SQPS will impose formal duties on Kent County Council, Tonbridge and Malling Borough Council and Arriva to make available, respectively, the facilities and services specified in the SQPS Agreement. For KCC, this is likely to include traffic signal priority for buses and passenger information and facilities at bus stops.

Section 2 – Who is taking the final decision and when

Joint Transportation Boards - Agreement and Governance - 13/00038

The Decision needed:

BS4K - JTB's are an important local mechanism for discussing highway/transport matters. In this context, JTBs meet Kent County Council's Localism Agenda.

To seek approval of an updated Joint Transportation Board (JTB) Agreement with District Councils. The existing agreement is out of date and needs to be revised to reflect changes to the County Council's constitution.

In particular, a new clause has been added to the Agreement; "subject to the agreement of the Chairman, additional representatives from Parish/Town Councils may attend but may neither vote nor propose a motion nor an amendment". This reflects the current variation in practice within JTBs and the desire to have one flexible Agreement covering all JTBs rather than individual bespoke arrangements.

There are no impacts, costs or risks relating to the proposed decision

Section 2 – Who is taking the final decision and when

Thanet DC draft Local Plan

Responsible Cabinet Member - County Council, Cabinet

Reference No: 12/01879

Key Yes

Title:

**Kent Minerals and Waste Development Framework (MWDF)
Core Strategy at Pre-Submission (Draft Plan) Stage - 12/01879**

The Decision needed:

The Decision needed: (The title of the decision or narrative of the decision needs to be self explanatory so it is clear what the decision is being sought)

Approval is sought from the Cabinet Member for the two draft MWDF site plan documents in order to allow the commencement of the consultation on the Mineral Sites Plan and Waste Sites Plan at 'preferred options' stage.

How the decision relates to BS4K and Corporate Objectives

The consultation documents will assist in two of the BS4K priorities, (1) helping the economy to grow and (2) putting the citizen in control.

Impact/costs and risks of proposed decision

The preparation of the Kent MWDF is a statutory requirement. Failing to expedite the plan making will have costs to Kent both directly (by failing to comply with the EU Waste Framework Directive and risk incurring infraction proceedings), and to the Kent economy by failing to give the minerals and waste industry the required policy support for their developments.

The consultation will generate interest from both stakeholders and Kent communities whose responses (including objections, letters of support and comments), will need to be processed and analysed to inform the next stage of the plan making process.

The costs of the consultation will be met from the MWDF team budget, and resourced by the MWDF team in E&E. The direct costs include printing a limited number of hard copies of the two main consultation documents for distribution throughout the Kent libraries and Gateways and preparing CDs containing the consultation documents for parish councils and other key stakeholder groups. There will also be a series of stakeholder meetings and 'drop in' sessions co-ordinated to co-incide with the consultation.

The main risks arising from the consultation are that some of the host communities for the proposed sites may generate high levels of objections

and adverse media publicity.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

County Council, Cabinet

Date:

Not before April 2013

Reason if Key Decision

When adopted, the Kent MWDF plans will have a significant effect on communities living and working in all districts of Kent. They will identify specific sites and preferred areas for future mineral extraction and waste management uses. They will also establish the policy basis for the determination of all future planning applications for minerals and waste proposals up to the end of 2030.

Reason if this decision has been delayed/withdrawn from a previous plan

A supplementary sites consultation at 'options stage' was held in late 2011, delaying the preparation of the preferred options of the two sites plans.

Notify all Members of the Council?

Yes they will be notified at the start of the consultation.

Section 3 – Who is to be consulted? If no please provide reasons?

Please state if there are any additional legal requirements to consult other than those stated in the Local Government Act 1999 - Best Value Duty.

Please state if there are any additional legal requirements to consult other than those stated in the Local Government Act 1999 - Best Value Duty.

Planning and Compulsory Purchase Act 2004 and associated regulations as well as the Localism Act 2011.

Aims and level(s) of consultation (*KCC consultation levels attached*)

To work towards finalising the Kent Minerals Plan and Waste Plan documents, complying with our statutory requirements for plan making. This is the second round of consultations on the mineral sites and waste sites at preferred options stage. The final round of consultations (planned for September 2013) will be at 'pre-submission stage' and will follow the examination in public of the Core Strategy.

The consultation level that best reflects this stage in Table 1 is 'joint decision making'.

Key consultee groups

Minerals and waste industry, parish councils, district councils and

environmental groups, Kent communities near the proposed sites.

Start and finish dates of consultation.

May 28th – 23rd July 2012

Equalities Impact Assessment included in the consultation documentation. Please state where this can be found.

It will be on the MWDF part of the kent.gov.uk website.

Date of publication of consultation outcomes and updated Equalities Impact Assessment

Consultation commentary report publication – target date early September 2012;

Updated Equalities Impact Assessment will be available from 28th May 2012.

Title: 13/00061 - Winter Service Policy 2013 - 14
The Decision needed:

To consider and agree the Winter Service Policy for 2013-14

The proposals for the winter service policy support the council's priority for achieving greater value for money and more efficient delivery of services by working in partnership with other authorities.

The Strategy will allow the Council to continue to provide salt bags to parishes who request them and salt bins will be provided across the county, identified on a map on the Kent County Council website. In addition advice on how people in the Kent community can self help during winter conditions will also be published on the website, including road safety tips – all intended to help put the citizen in Control in accordance with the aims identified in Bold Steps for Kent

The service aims to ensure a safe operational highway network thus providing access to KCC services for all.

Financial Implications: £3.3m

Legal Implications: None

Equality Implications: Mobility issues and access to services for older and disabled highway users

Title:
13/00062 - Member Highway Fund Scheme - Review

The Decision needed:

To consider the results of a review of the Member Highway Fund Scheme (MHF) and agree any improvements/changes to it.

The MHF scheme allows Members to fund highway schemes that have been directly promoted by local communities which would not normally be funded by KCC. This is a fundamental part of putting the citizen control in accordance Bold Steps for Kent.

Bold Steps for Kent also aims to drive economic prosperity, partly by delivering the priorities set out in our integrated transport strategy *Growth Without Gridlock (GWG)*. One such priority of GWG is road safety and many of the schemes already implemented as part of the MHF scheme have tackled local road safety concerns.

Member satisfaction with the MHF process was reported to have fallen in the last H&T tracker survey, with some Members feeling that the process was too slow and bureaucratic. In addition, staff had spent a disproportionate amount of time designing and promoting schemes which were not then taken forward to construction. This review seeks to directly address these issues by suggesting ways in which bureaucracy can be reduced and scheme delivery speeded up.

Financial Implications: No impact on existing budgets

Legal Implications: None

Equality Implications: None

The review is referred to in the Highways and Transportation Business Plan at priority 3 - Transportation: - Improvements to the way we ensure our highway

network operates as safely and efficiently – at action point 12.

Section 2 – Who is taking the final decision and when

Key Yes

Local Transport Strategies - Various

The Decision needed:

To agree various local transport strategies.

BS4K and Corporate Objectives:

The strategies will 'Help the 'Kent Economy Grow' and 'Tackle Disadvantage' by managing congestion in town centres, improving the reliability of journey times for commuters and visitors and managing freight journeys more successfully. This will in turn enhance key sustainable transport links to employment, education and health care.

Impacts / Costs and risks of proposed decisions:

The transport strategies to be agreed all form part a key part of evidence base for the relevant Local Plan. These plans will be subject to and examination in public by and independent planning inspector during 2013. The appropriateness and deliverability of each strategy will be an important consideration in the inspector's decision on the soundness of the Plan as a whole.

The delivery of each transport strategy will be heavily dependent on securing funding contributions from development through the section 106 and Community Infrastructure Levy (CIL) processes, as KCC's Local Transport Plan funding allocation from Central Government is likely to be under sustained pressure from the foreseeable future. KCC will not be the charging authority therefore it will be reliant on each local council as the planning authority to allocate sufficient CIL revenue to the priority transport infrastructure projects identified in the strategy. The availability of CIL revenue will in turn be dictated by the phasing and extent of new development which will be influenced by a range of external factors.

Adoption of the Tonbridge Town Centre Revised Transport Strategy by Kent County Council (KCC).
