

FORTHCOMING EXECUTIVE DECISIONS

9 February 2015 - 31 August 2015

This edition of the list of Forthcoming Executive Decisions supersedes ALL previous Editions

Published by Democratic Services

This list of Forthcoming Executive Decisions publicises all known decisions which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. Key decisions are marked clearly as such within the list.

Please use the contact details given to let us know your views or to request further information.

LIST OF FORTHCOMING EXECUTIVE DECISIONS

Each week the list of Forthcoming Executive Decisions is updated where there are additions, deletions or amendments to be made. Although Kent County Council aims to include all known decisions, statute requires that all Key decisions must be publicised in this way.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not included in the Policy Framework (Constitution Appendix 3) or significant changes to established policies
- (c) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the list helps the Council to programme its work and ensures compliance with the ‘Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) regulations 2012.

The list outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council’s web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been

taken, a copy of the Record of Decision will also be published on the Council's website. Paper copies will be made available by contacting Louise Whitaker (telephone 01622 694433 or email louise.whitaker@kent.gov.uk).

UPDATE AWAITED

Reference No: 14.00022

Key Yes

Reason if Key Decision:

Former Shepway Resource Centre, Folkestone - Disposal

LATEST UPDATE:

19/05/2014 - Decision due date changed from 18/02/2014 to 01/08/2014.

REASON: The proposed decision to dispose of the Centre was delayed while internal processes were undertaken to ensure that no other suitable use could be found before disposal. This process is complete and the former resource centre will be placed on the market shortly. Responses from the market will be gauged after a period of approximately 3 months and a proposal for the site put forward at that time. The decision will be considered by the Property Sub-Committee or the Policy and Resources cabinet Committee before being taken by the Cabinet Member.

To seek approval to the disposal of the former Shepway Resource Centre following the marketing of the site

Sandwich Highways Depot	
<p>Latest Update: 19/05/2014: Decision due date changed from 23/12/2013 to 'Not before' 01/11/2014. REASON: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value for the site is secured. Options appraisal work is underway and this work is expected to take approx. 6 months, therefore an expected decision date is set for November.</p> <p>-----</p> <p>To seek approval to proceed with the disposal of the above site to raise a capital receipt which will be allocated to support the capital programme.</p> <p>To seek approval to identify and progress with the acquisition of a new site for the service.</p> <p>The Director of Property and Infrastructure Support will be authorised to finalise terms for both the disposal and acquisition of a new site.</p>	

This decision is needed to enable a modern highway service operation to be provided in the East Kent Area that is both reactive and responsive to changing demands. It directly supports 3 of the Bold Steps for Kent.

- Firstly it helps deliver the “Kent Environment Strategy” by the provision of new environmentally friendly facilities (e.g. grey water) via the construction technique with the eventual adaptation of new work practices within the new depot.
- Secondly it builds relations with key business sectors across Kent as the supply chain involved in such a project provides work to businesses of all sizes.
- Thirdly by the better siting and provision of facilities for the new depot it ensures that the most robust and effective public protection arrangements are in place for road management including bad weather response.

The impact of the decision is that full assessment of the potential disposal of the site can be explored within the market place to ensure that best value principles are adhered to. In tandem a full search and feasibility study will be undertaken to identify a new location for the alternative highways depot which satisfies the above objectives.

Yes. KCC's approach to Growing Places Fund has been discussed by the Economic Development Cabinet Committee on 5 July 2012 and 21 September 2012 (although these discussions did not include the specific allocation of GPF investment to Discovery Park).

In addition, the proposed Decision will be discussed by ED Cabinet Committee on 14 June.

The Growth, Economic Development and Communities Cabinet Committee will consider a report on this decision on 2 December 2014.

Other consultation

Consultation on this proposal has taken place with the South East Local Enterprise Partnership Board, which has endorsed the provisional allocation of £4.6 million from the Growing Places Fund for use at Discovery Park. Consultation has also taken place with Dover District Council.

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

Yes – Growing Places Fund investment is referred to in Economic Development Unit Divisional Business Plan 2013/14

Which Members and electoral Divisions are affected by this proposed decision? Is it All Members?

The development is located in Sandwich (Leyland Ridings). However, as the development of the Enterprise Zone is of strategic importance, all Members in East Kent may be affected by the Decision.

PROPOSED DECISION PUBLISHED FOR COMMENT

Reference No: 14/00137

Key Yes

Reason if Key Decision:

Delegation of care and support functions under the Care Act 2014

Proposed decision: That Kent County Council exercises its power under section 79 of the Care Act 2014 to allow, in principle, delegation of the following care and support functions from:

- (a) The assessment and care provision for prisoners with eligible needs under Section 76 of the Act;
- (b) The assessment of individuals including self-funders for the purposes of the care costs cap under Section 15 of the Act;

and further, that decisions about how this will work in practice can be taken by the Corporate Director for Social Care, Health and Wellbeing in consultation with the Adult Transformation Board. This is seen as essential in order to facilitate the implementation of the Care Act in a timely manner.

Financial Implications:

There are likely to be financial implications attached to the specific decisions delegated to the Corporate Director as a result of the in-principle decision to allow delegation of certain adult care and support functions. However as delegation is unlikely to be recommended unless it is seen as cost effective, the implications are expected to be positive for the Council, or at least cost-neutral.

Legal Implications:

Section 79 of the Care Act gives local authorities the power to delegate most of the care and support functions it has under Part 1 of the Act or under section 117 of the Mental Health Act 1983 (after-care services). The only exceptions relate to promoting integration with health services, cooperating with partners, safeguarding and decisions about which services to charge for.

Delegation of functions does not absolve the local authority of responsibility for these functions and it still remains legally accountable for the way in which the functions are carried out or if they fail to be carried out.

Any specific decisions taken by the Corporate Director will be taken in full cognisance of the legal considerations concerning procurement and commissioning.

Equality Implications:

An Equality Impact Assessment will be carried out and will be ready for the Cabinet Member to consider in advance of the Key Decision.

Closure of Property Enterprise Funds 1 & 2

Approval by the Cabinet Member for Corporate and Democratic Services and the Cabinet Member for Finance and Procurement for the Director of Property and Infrastructure Support and the Director of Finance and Procurement to:

1. Close Property Enterprise Fund 1 and Property Enterprise Fund 2 with immediate effect.
2. Release the land and property currently held within the funds to be sold as part of KCC's main disposals programme and for those capital receipts to be used to support the Council's capital programme.
3. Instruct the Director of Property and Infrastructure Support to consider a business case that supports a decision for a new Property Investment Fund.

The objective of the fund being to implement a KCC investment portfolio to support an income return from property assets and grow the

property asset base so that KCC has a future disposal pipeline.

Contract Extension for Kent Community Health NHS Trust (KCHT) - Health Trainers Service	
<p>Decision: To extend the current contract with Kent Community Health NHS Trust (KCHT) until 31st January 2016, pending competitive tender of the Health Trainers Service in summer 2015.</p> <p>How the decision relates to BS4K and Corporate Objectives: In line with Facing the Challenge principles, extending the existing contract will allow for a</p>	

focus on outcomes, whilst allowing a consultation exercise to be carried out with all stakeholders.

Adult Social Care and CCGs have not yet finished their scoping and service design. Therefore, extending the current contract will give the benefit of easier alignment when the models of social care and well-being via a range of identified community 'agents' are in place. It will also enable Public Health to co-design the service together with other health and social care commissioners and get better value for the existing contracts.

Financial Implications: Up to maximum of £1,200,000 (if the provider meets all of its targets for recruitment).

Legal Implications: The decision will require a single source tender to extend the existing contract to 31st January 2016.

Equality Implications: None.

Decision: To extend the current contract with Kent Community Health NHS Trust

(KCHT) until 31st March 2016, pending competitive tender of the Stop Smoking Service in summer 2015.

How the decision relates to BS4K and Corporate Objectives: In line with Facing the Challenge principles, extending the existing contract will allow for a focus on outcomes, whilst allowing for a review of the current service provision to be completed

Financial Implications: The current indicative budget for the smoking cessation service in Kent is £2.6 million.

Legal Implications: The decision will require a single source tender to extend the existing contract to 31st March 2016.

<p>Decision: To agree the appointment of a partner organisation for the Children's 0-25 Unified Programme Implementation Phase.</p> <p>Transforming Children's Services will improve outcomes for vulnerable children. Additionally, efficiency savings will be realised as a result of reducing need for expensive specialist and institutionalising services. The development of a full business case for Implementation has been a key outcome from the previous Service Design Phase, with implementable savings of between £17.7m and £28.2m.</p> <p>The programme has been a success to date, and has led to the identification and testing of opportunities to improve outcomes and deliver efficiency savings. Newton Europe has worked closely with the 0-25 Portfolio Board throughout and has demonstrated an ability to create and embed changes to policy and practice in an operational environment.</p> <p>Due to the complexity of the business, the knowledge that Newton Europe has built up during the Programme, and their track record to date, it is proposed that KCC procure (single source) Newton Europe for the Implementation Phase, through the HTE framework.</p>

DECISION APPROVED - CALL-IN COMPLETE

Reference No: 14/00135 and 14/00136	Key Yes Reason if Key Decision:
Charging for Adult Social Care, Deferred Payments and Temporary Financial Assistance	
<p>This issue will be dealt with by two decisions:</p> <p>Decision 14/00135 - Charging for Adult Care and Support: That Kent County Council exercise its power under Section 14 of The Care Act 2014 to charge, from 1 April 2015, for the same adult social care and support services that it currently charges for, as at 31 March 2014.</p> <p>Financial Implications: In relation to this decision specifically, there are not expected to be significant financial implications for 2015-16 as there will be no change to the groups of people and services that are charged/charged for. Further, the details of how to charge individuals (as laid down in The Care and Support (Charging and Assessment of Resources) Regulations 2014) do not depart significantly from the current system until April 2016. From April 2016 there will be financial implications from charging due to the raising of the capital threshold for people in residential care whose former home is taken into account in the financial assessment. In addition the wider Care Act changes will have significant financial implications.</p> <p>Legal Implications: The decision is believed to be necessary in order for the Council to be able to continue to charge in the same way as it currently does for residential and non-residential care and support. Currently local authorities have a duty to charge for residential care (under section 22 (1) of the National Assistance Act 1948) and a power to charge for non-residential services (under section 17 of the Health and Social Services and Social</p>	

Security Adjudications Act 1983, which Kent does exercise for most non-residential services). These powers and duties will cease from April 2015 and are being replaced by a power to charge under section 14 of the Care Act 2014.

Equality Implications: It was considered whether an Equalities Impact Assessment should be carried out but it was decided this was not necessary as there will be no substantive changes to which people are charged for care and support and for which services.

Decision 14/00136 - Deferred Payments and Temporary Financial Assistance: That Kent County Council introduces the new Deferred Payments scheme from 1 April 2015 (with both mandatory and discretionary elements). It is further recommended that the current Temporary Financial Assistance scheme should cease after 31 March 2015 as the new Deferred Payments scheme will cover the same groups of individuals.

Financial Implications: It is expected that there will be more people taking up the new Universal Deferred Payment scheme than the current Deferred Payment and TFA schemes combined. Currently there are about 50-100 new DP or TFA cases each year. It is estimated that from the introduction of the new scheme there will be 300-400 new applications each year. The costs to administer these will be largely covered by the admin charges which are permitted and the interest which will be added to the cost of the loan (the maximum interest being laid down by Government). There are implications in terms of cash flow but the money will generally be repaid as it is secured on the individual's property. Secured debt will however increase as a result of the changes. This will be largely unavoidable as most of the new scheme is mandatory.

Legal Implications: The rules governing the new Deferred Payments Scheme from April 2015 will allow wider discretion in the ability of councils to pay for an individual's residential care who would otherwise be expected to pay the full cost but whose capital is not accessible (usually because it is tied up in a property). This will cover those situations currently covered by the discretionary Temporary Financial Assistance scheme (for example, when the property is jointly-owned or there is already a mortgage on it). It is not, therefore, believed to be necessary to maintain the Temporary Financial Assistance scheme.

Equality Implications: It was considered whether an Equalities Impact Assessment should be carried out but it was decided this was not necessary as the new Deferred Payments scheme will encompass the types of people currently covered by the current Deferred Payments scheme and Temporary Financial Assistance.

DECISION DETAILS

Decision Maker: Cabinet Member for Adult Social Care & Public Health
Expected Date: Not before December 2014

FURTHER INFORMATION

CONSULTATION

14/00135 - The Adult Social Care and Health Cabinet Committee discussed the issue on 2 May 2014, 11 July 2014, 26 September 2014 and 4 December 2014. In addition, the proposed policy was considered by KCC Cabinet on 1 December 2014.

The Cabinet Committee resolved that the decision proposed to be taken by the Cabinet Member for Adult Social Care and Public Health (that the County Council should exercise its power under Section 14 of the Care Act 2014 to charge, from 1 April 2015, for the same services that it currently charges for, as at 31 March 2014) be endorsed.

Other consultation planned or undertaken:

Public consultation is not planned as there will be no significant change to who the council charges and for what services.

14/00136 – The proposed policy was considered by KCC Cabinet on 1 December 2014 and by the Adult Social Care and Health Cabinet Committee on 4 December 2014.

The Cabinet Committee resolved that the decision proposed to be taken by the Cabinet Member for Adult Social Care and Public Health (that the County Council should adopt from 1 April 2015, both the mandatory and discretionary elements of the proposed Deferred Payments scheme (as set out in Sections 34 and 35 of the Care Act 2014), and the current Temporary Financial Assistance scheme end for new clients on 31 March 2015) be endorsed.

Other consultation planned or undertaken:

Public consultation is not planned as the scheme is largely governed by national legislation and the discretionary elements of the new Deferred Payment scheme will cover those individuals currently covered by the TFA scheme.

EXPECTED 28 JANUARY 2015 BY CABINET

Reference No: 14/00084	Key Yes Reason if Key Decision: Affects more than 1 Electoral Division and expenditure will be over £1m
(Wilderness Site) Sevenoaks Grammar School Annexe and Trinity Free School	
01/12/2014 – An update has been sought to clarify the proposed decision timelines. The decision may be taken in two parts as 14/00084(a) Free School and 14/00084(b) but this will be confirmed in the next edition of the FED.	
Approval is sought for a decision to be taken by the Cabinet Member for	

Corporate & Democratic Services to enter into relevant contracts for the construction of the Trinity Free School and the Sevenoaks Grammar Annex at the Wilderness site.

The project is in line with Kent Corporate Objectives and in particular supports the following Bold Steps for Kent priorities to:

Help the Kent Economy grow: the construction cost value to the Kent economy will be a minimum of c£13.35m based on the SCAPE KPI of 70% of the capital value being spent in the local area.

Putting the Citizen in Control: there is currently no selective education provision within the Sevenoaks district, this puts the parents in the Sevenoaks area at a disadvantage as they need to travel out of district to selective provision in Tonbridge or Tunbridge Wells areas. The Education Commissioning plan uses a district-wide model to provide consistency with the twelve district councils. The forecasts for selective schools most preferred for the Sevenoaks South population, 12 schools in number, all indicate a steady increase in demand for Year 7 places over the next 10 years. Therefore it has been calculated that demand for a selective school in the Sevenoaks area is required to meet the statutory basic need of education places.

To tackle disadvantage: Currently 1150 students travel outside of the Sevenoaks district to access Selective education each day. Whilst there is capacity for these students in neighbouring districts it does not avoid the need for all of these students to attend school in their local district area. (There could be a limited case to increase the size/capacity of the schools in neighbouring districts, but the estimated capacity of these schools will be absorbed by the increases in student numbers expected directly within these districts by 2018).

The Commissioning Plan was discussed at the Education Committee on the 27 September 2013.

Kent Support and Assistance Service - future of service

To decide the future of the Kent Support & Assistance Service (KSAS) from April 2015.

Financial Implications:

KSAS is currently funded by £3.4m from central government but this funding is not ring fenced and at the present time the government funding is intended to cease at the end of 14/15.

Legal Implications:

Following legal challenge in September 2014, by another local authority, the government is reconsidering the national funding of local welfare provision. The outcome of this review is expected in December in the provisional local government finance settlement.

Equality Implications:

An Equality Impact Assessment will be carried out and will be ready for the Cabinet Member to consider in advance of the Key Decision.

Disposal - Residential Land adjoining Great Clayne Lane Farm, Gravesend.

To seek approval for the Director of Property and Infrastructure Support in consultation with the Cabinet Member for Corporate and Democratic Services to progress with and enter into the necessary legal documentation to complete the disposal of residential land adjoining Great Clayne Lane Farm, Gravesend following the marketing of the site. The site has been marketed and offers

received, shortlisted and a preferred purchaser has been identified. The Decision will seek for legal agreements to be actioned to complete the sale of the property.

The decision will allow the receipt to be achieved quickly ensuring that the capital programme is delivered and holding costs minimised. Property Disposals at Dumpton Park Drive, Broadstairs and Freeman's Way, Deal

Update - 01/12/2014 – The decision to dispose of land at London Road, Westerham is ready to be taken separately from the others advertised in this package. It has been published separately at 14/00068(a) and can be viewed by clicking on this link.

<https://democracy.kent.gov.uk/mglIssueHistoryHome.aspx?Ild=32262&Opt=0>

Reference to the land has been removed from this issue but the 28 day statutory publication for the intention is deemed to have been fulfilled as part of this original entry.

Approval is sought for the Director of Property and Infrastructure Support to progress with and enter into the necessary documentation to complete the disposal of Dumpton Park Drive, Broadstairs and Freeman's Way, Deal in consultation with the Cabinet Member for Corporate and Democratic Services.

Stock Lane, Wilmington, previously listed as part of this decision has been withdrawn.

London Road, Westerham, previously listed as part of this decision has been deleted and is now at 14/00068(a)

This decision will secure a capital receipt to fund the capital programme and to streamline the Council's property portfolio in order to achieve financial and efficiency benefits in line with the Property Policy.

The impact of the decision will be that the receipt will be achieved as quickly as possible should planning permission be granted, to ensure that the capital programme is delivered and to minimise holding costs. Without the decision, KCC will be unable to respond to offers in a timely fashion without losing the prospective purchaser. This would affect the delivery of the capital programme and increase holding costs.

Eden Centre Lease

LATEST UPDATE:
19/05/2014 - Decision due date changed from 01/03/2014 to 01/01/2015.
REASON: The decision remains at the earliest stages of investigation and options appraisal. A further review will take place in January 2015 when a decision pathway will be identified and the proposed decision updated further.

To seek agreement to the principle of granting a long lease to a charitable

community interest company or similar vehicle, of The Eden Centre, Four Elms Road, Edenbridge.

The proposal directly links to Bold Steps for Kent, putting the citizen in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen's Advice Bureau and House (West Kent Action), to support Kent's more vulnerable citizens.

The impact of the decision will be that KCC will have less control of the management and operation of the centre as they would become the responsibility of a third party.

Risks identified are:

- Reliance on the professionalism of the trustees to deliver a successful facility, agreeing with all partners a financial model for the charitable vehicle
- Reputational damage to KCC if the charitable vehicle were to fail
- Obtaining buy in from all community groups in occupation to form trust
- Untried and untested model
- Level of income generation from the centre which could go to the charitable vehicle is currently unknown as a new facility
- Continued KCC ownership of a non-core asset
- Officers may be unable to get agreement from stakeholders, charitable vehicle does not prove financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).

Community Learning and Skills - Facing the Challenge Review	
<p>To seek agreement to creation of a local authority trading company (LATCo) that will enter into a commissioning arrangement with KCC to deliver Community Learning and Skills (CLS) services.</p> <p>Members on the Transformation Advisory Group and the Transformation Board considered a number of options for the future of CLS. This is in line with Facing the Challenge review (Market Engagement and Service Review), which will see CLS operating as a shadow LATCo rehearsing practices and features of a legal entity, e.g. financial accounting and governance arrangements. An evaluation of this phase will inform the design elements of the final legal framework within which the LATCo will operate.</p> <p>Financial Implications: Funding contracts for learning and skills from central government are anticipated to be subject to reduction for the foreseeable future. This decision seeks to give the service the freedoms and flexibilities it needs to operate in a more commercial approach, in order to maximise income generation, preserve the service and minimise financial risks to KCC.</p> <p>Legal Implications: LATCO to be setup with agreed memorandum and articles of association and commissioned to deliver the CLS service. Staff would need to be TUPE'd into the new organisation.</p> <p>Equality Implications: Full EQUIA has been done and will be live throughout the process.</p>

MARCH 2015 BY CABINET MEMBER

Reference No: 15/00012	Key Yes Reason if Key Decision: Expenditure or savings of more than £1m
Integrated Community Equipment Service (ICES) - jointly funded by the County Council and NHS clinical commissioning groups (CCGs)	
The proposed decision relates to Corporate Objectives as follows: The tender of the Integrated Community Equipment Service supports major local and national strategies such as Facing the Challenge - Adult Social Care Transformation Programme (Kent County Council), and the changes required by the Care Act 2014 and the Children & Families Act 2014. The way in which care is provided has to be transformed, and the ICES	

project contributes to key strategic outcomes such as:

- Supporting access to the curriculum in education, reducing the need for additional care and support.
- Including equipment provision in the Education Health & Care Plans for eligible children and young people aged 0-25 years
- Reducing avoidable demand on health and social care services through early intervention and prevention
- Improving services for the most vulnerable people in the Kent County Council area
- Improving the way in which the County Council procures and commissions services for integrated health, social care and education.

Financial Implications: The annual budget for community equipment services is currently approximately £11.4 million, including a contribution from the County Council of £5.64million. The seven NHS Clinical Commissioning Groups (CCGs) contribute the remainder.

Legal Implications: A Section 75 agreement will be entered into by all parties to provide a framework within which the County Council will work with health partners, and includes financial protections for the Council.

Equality Implications: The newly designed service will be delivered to children and adults living with a physical disability and/or a sensory need.

The matter is referred to in the directorate Business Plan/Medium Term Capital Programme.

<p>Proposed decision:</p> <ol style="list-style-type: none"> a) To agree that Kent County Council enter into a Section 75 agreement with the Kent clinical commissioning groups (CCGs), which will formalise the implementation of the Better Care Fund (BCF) and establish the required pooled fund b) To delegate the authority to the Corporate Director of Social Care, Health and Wellbeing to arrange sealing of the Section 75 agreement <p>How the decision relates to Corporate Objectives:</p> <p>It supports Health and Social Integration – the Section 75 agreement will allow the pooled fund to be established and, in turn, the integration plans under the BCF to proceed. The BCF Plan has been approved and the pooled fund is required to ensure these funds are available for 1st April 2015.</p> <p>Care Act Implementation – the Section 75 agreement will enable funding to support the implementation of the Care Act, in line with corporate objectives and national policy.</p> <p>Supports the Kent Vision as a national Integration Pioneer – to put the citizen at the centre with services wrapped around what’s important to them.</p> <p>Supports Adult Social Care Transformation through facilitating partnership working and joint commissioning of health and social services across the Kent health economy.</p> <p>Financial Implications: The Section 75 agreement will include the pooling of £101.4m for the BCF. This will include £10.6m Capital from the County Council and £90.8m Revenue from the Clinical Commissioning Groups. Kent County Council will be the host. The agreement outlines the financial contributions to the pool, the funding flows out of the pool, including for the protection of social care, VAT implications and financial reporting requirements.</p> <p>Legal Implications: County Council Legal Services are currently engaged in</p>	

drafting the Section 75 Agreement, which will then be reviewed and agreed by all relevant parties and approved by the Kent Health and Wellbeing Board.

Equality Implications: The agreement will allow for the implementation of the BCF plan. The plan is centred on improving health and social care outcomes for all the residents of Kent by transforming services within the community.

The BCF is one of the strategic priorities of the Adult Services Transformation Portfolio within the Social Care, Health and Wellbeing Business Plan.

Teenage Pregnancy Strategy

To approve the Kent Teenage Pregnancy Strategy for 2015-2020

DECISION DETAILS

Decision Maker: Cabinet Member for Adult Social Care & Public Health
Expected Date: Not before March 2015

FURTHER INFORMATION

CONSULTATION

The matter will be discussed at the Children's Social Care and Health Cabinet Committee on 23rd September

The draft strategy was subject to significant consultation, with children and young people and with children and young people's workforce. A multi-agency stakeholder event took place (March 2013) with representation from Kent County Council and across the health economy to review teenage pregnancies in Kent. There was agreement to develop a strategy renewing the efforts to further reduce rates, to be led by KIIASS and public health teams. Furthermore, this was informed by the publication of the national sexual health improvement plan.

Subsequently, four consultation events were organised across Kent with guest speaker, the national lead for teenage pregnancy. These events were attended by over 120 professionals working in areas such as sexual health, children's centres, early intervention, school nurses, midwives and teachers and social care, who agreed the key strategy themes and actions.

The strategy themes have been tested through Head Start Kent programme aiming to build emotional resilience in adolescents. Co-production with children and young parents, teachers and children and young people's workers has been an essential part of this programme. In addition, the views of children and young people have been sought through a consultation event (July 2013) and peer led activities in schools with over 400 participating young people (2013-14 academic year).

Finally, we consulted with stakeholders and partners such as sexual health, education, children centres, KIIASS, KIFSS, CCGs and local health and wellbeing boards, youth champions and Kent youth forum. The responses to the consultation have been noted and incorporated as appropriately to the strategy.

Herne Bay Gateway - temporary relocation of library services	
Subject: Gateway Services at Herne Bay Library	
Proposed decision: To agree to provide Gateway Services at Herne Bay Library and to relocate library services from Herne Bay Library to temporary premises during the refurbishment of the building.	
Financial Implications: During the closure period costs for the provision of temporary facilities will be kept to a minimum and any revenue costs should be offset by a reduction in user costs for the individual facilities. Relocating library services for Herne Bay will provide the contractor with an unfettered site which will reduce the time of the build and therefore lower capital costs. The temporary facilities will be stocked from existing library resources and there are no implications for the current staffing establishment	
Legal Implications: Kent County Council provides library and archive services under the Public Libraries and Museums Act 1964 which requires the provision of a 'comprehensive and efficient' library service.

Joint Transportation Boards - Agreement and Governance

Latest Update:
Decision due date changed from 01/06/2013 to 22/07/2014.
REASON: Negotiations continue between the relevant stakeholders to amend the agreement relating to JTB's.

To seek approval of an updated Joint Transportation Board (JTB) Agreement with District Councils.

The existing agreement is out of date and needs to be revised to reflect changes to the County Council's constitution.

In addition amendments will be sought to the voting rights of Parish Council representatives as per the recommendations of Kent Association of Local Councils and endorsed by the EHW Cabinet Committee in December 2013.

BS4K - JTB's are an important local mechanism for discussing highway/transport matters. In this context, JTBs meet Kent County Council's Localism Agenda.

There are no impacts, costs or risks relating to the proposed decision

LOCAL TRANSPORT STRATEGIES: DATES TO BE CONFIRMED IN LINE WITH DISTRICT TIMETABLES TO BE TAKEN BY CABINET MEMBER

Reference No: 12/01923 Individual plans will be numbered 12/01923 (a) (b) (c) etc. Canterbury Local Transport Plan	Key Yes Reason if Key Decision: The decisions are likely to be significant in terms of their effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority.
Local Transport Strategies - Approval - Various. Current decision: Canterbury LTS	
Update 17 February 2015: Proposed decision to endorse the principles set out in the Canterbury Local Transport Plan published.	
Update 4 February 2015:	

The Canterbury Local Transport Strategy was considered and the principle endorsed by the Environment and Transport Cabinet Committee in December 2014. A formal decision will now be taken by the Cabinet Member which will set out the terms of the support for the strategy.

To agree various local transport strategies.

The strategies will 'Help the 'Kent Economy Grow' and 'Tackle Disadvantage' by managing congestion in town centres, improving the reliability of journey times for commuters and visitors and managing freight journeys more successfully. This will in turn enhance key sustainable transport links to employment, education and health care.

Impacts / Costs and risks of proposed decisions:

The transport strategies to be agreed all form part a key part of evidence base for the relevant Local Plan. These plans will be subject to and examination in public by and independent planning inspector during 2015. The appropriateness and deliverability of each strategy will be an important consideration in the inspector's decision on the soundness of the Plan as a whole.

The delivery of each transport strategy will be heavily dependent on securing funding contributions from development through the section 106 and Community Infrastructure Levy (CIL) processes, as KCC's Local Transport Plan funding allocation from Central Government is likely to be under sustained pressure from the foreseeable future. KCC will not be the charging authority therefore it will be reliant on each local council as the planning authority to allocate sufficient CIL revenue to the priority transport infrastructure projects identified in the strategy. The availability of CIL revenue will in turn be dictated by the phasing and extent of new development which will be influenced by a range of external factors.

DECISION DETAILS

Decision Maker: Cabinet Member for Environment & Transport
Expected Date: Not before February 2015

FURTHER INFORMATION

The decisions are likely to be significant in terms of their effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority.

CONSULTATION

Canterbury LTS:

The Canterbury LTS was considered by the Canterbury JTB in October 2014 and the KCC Environment and Transport Cabinet Committee in December 2014.

The agenda, papers and minutes can be viewed on the Canterbury City Council website by clicking the link below:
