

FORTHCOMING EXECUTIVE DECISIONS

29 June 2015 - 31 December 2015

This edition of the list of Forthcoming Executive Decisions supersedes ALL previous Editions

Published by Democratic Services

This list of Forthcoming Executive Decisions publicises all known decisions which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. Key decisions are marked clearly as such within the list.

Please use the contact details given to let us know your views or to request further information.

LIST OF FORTHCOMING EXECUTIVE DECISIONS

Each week the list of Forthcoming Executive Decisions is updated where there are additions, deletions or amendments to be made. Although Kent County Council aims to include all known decisions, statute requires that all Key decisions must be publicised in this way.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not included in the Policy Framework (Constitution Appendix 3) or significant changes to established policies
- (c) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the list helps the Council to programme its work and ensures compliance with the ‘Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) regulations 2012.

The list outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council’s web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been

taken, a copy of the Record of Decision will also be published on the Council's website. Paper copies will be made available by contacting Louise Whitaker (telephone 01622 694433 or email louise.whitaker@kent.gov.uk).

Former Shepway Resource Centre, Folkestone - Disposal	
<p>LATEST UPDATE: 19/05/2014 - Decision due date changed from 18/02/2014 to 01/08/2014. REASON: The proposed decision to dispose of the Centre was delayed while internal processes were undertaken to ensure that no other suitable use could be found before disposal. This process is complete and the former resource centre will be placed on the market shortly. Responses from the market will be gauged after a period of approximately 3 months and a proposal for the site put forward at that time. The decision will be considered by the Property Sub-Committee or the Policy and Resources cabinet Committee before being taken by the Cabinet Member.</p> <p>----- -----</p> <p>To seek approval to the disposal of the former Shepway Resource Centre following the marketing of the site</p>

<p>Start and finish dates of consultation.</p> <p>Summer 2012 – March 2013</p> <p>Date of publication of consultation outcomes and updated Equalities Impact Assessment</p> <p>There is no separate consultation outcomes report. However, the discussion at the South East LEP Board has been published at www.southeastlep.com.</p> <p>Has the matter already been discussed by a Cabinet Committee? If not when will be it discussed by the Cabinet Committee and the date of the meeting</p>	

Yes. KCC's approach to Growing Places Fund has been discussed by the Economic Development Cabinet Committee on 5 July 2012 and 21 September 2012 (although these discussions did not include the specific allocation of GPF investment to Discovery Park).

In addition, the proposed Decision will be discussed by ED Cabinet Committee on 14 June.

The Growth, Economic Development and Communities Cabinet Committee will consider a report on this decision on 2 December 2014.

Other consultation

Consultation on this proposal has taken place with the South East Local Enterprise Partnership Board, which has endorsed the provisional allocation of £4.6 million from the Growing Places Fund for use at Discovery Park. Consultation has also taken place with Dover District Council.

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

Yes – Growing Places Fund investment is referred to in Economic Development Unit Divisional Business Plan 2013/14

Which Members and electoral Divisions are affected by this proposed decision? Is it All Members?

The development is located in Sandwich (Leyland Ridings). However, as the development of the Enterprise Zone is of strategic importance, all Members in East Kent may be affected by the Decision.

PROPOSED DECISION PUBLISHED FOR COMMENT

Reference No: 14/00137

Key Yes

Reason if Key Decision:

Delegation of care and support functions under the Care Act 2014

Proposed decision: That Kent County Council exercises its power under section 79 of the Care Act 2014 to allow, in principle, delegation of the following care and support functions from:

- (a) The assessment and care provision for prisoners with eligible needs under Section 76 of the Act;
- (b) The assessment of individuals including self-funders for the purposes of the care costs cap under Section 15 of the Act;

and further, that decisions about how this will work in practice can be taken by the Corporate Director for Social Care, Health and Wellbeing in consultation with the Adult Transformation Board. This is seen as essential in order to facilitate the implementation of the Care Act in a timely manner.

Financial Implications:

There are likely to be financial implications attached to the specific decisions delegated to the Corporate Director as a result of the in-principle decision to allow delegation of certain adult care and support functions. However as delegation is unlikely to be recommended unless it is seen as cost effective, the implications are expected to be positive for the Council, or at least cost-neutral.

Legal Implications:

Section 79 of the Care Act gives local authorities the power to delegate most of the care and support functions it has under Part 1 of the Act or under section 117 of the Mental Health Act 1983 (after-care services). The only exceptions relate to promoting integration with health services, cooperating with partners, safeguarding and decisions about which services to charge for.

Delegation of functions does not absolve the local authority of responsibility for these functions and it still remains legally accountable for the way in which the functions are carried out or if they fail to be carried out.

Any specific decisions taken by the Corporate Director will be taken in full cognisance of the legal considerations concerning procurement and commissioning.

Equality Implications:

An Equality Impact Assessment will be carried out and will be ready for the Cabinet Member to consider in advance of the Key Decision.

Closure of Property Enterprise Funds 1 & 2

Approval by the Cabinet Member for Corporate and Democratic Services and the Cabinet Member for Finance and Procurement for the Director of Property and Infrastructure Support and the Director of Finance and Procurement to:

1. Close Property Enterprise Fund 1 and Property Enterprise Fund 2 with immediate effect.
2. Release the land and property currently held within the funds to be sold as part of KCC's main disposals programme and for those capital receipts to be used to support the Council's capital programme.

3. Instruct the Director of Property and Infrastructure Support to consider a business case that supports a decision for a new Property Investment Fund.

The objective of the fund being to implement a KCC investment portfolio to support an income return from property assets and grow the property asset base so that KCC has a future disposal pipeline.

DECISION DETAILS

Decision Maker: Cabinet Member for Corporate & Democratic Services
Expected Date: Not before December 2014

FURTHER INFORMATION

CONSULTATION

The PEF1 and PEF2 are reported in the Medium Term Plan, however, the proposal to close them is based upon them being identified as redundant funding mechanisms since the introduction of the Corporate Landlord and improvement in market conditions; closure of the funds will result in reporting and procedural efficiency.

This decision relates to the transfer of assets from one fund vehicle to the main disposals programme and as such there is no need to consult.

An initial assessment has identified that there is no equalities impact

Leaving Care Policy

To agree Kent County Council's policy on care leavers and their transition to adulthood.

The decision relates to Corporate Objectives and will support the Council's

objective to:

- Improve services for the most vulnerable people in Kent.

Financial Implications:

These will be set out in the recommendation report and will relate to:

- Staying Put arrangements which enable young people to remain with former foster carers
- Financial support for care leavers entering higher education
- Financial support for accommodation and maintenance

Legal Implications:

The decision will ensure the council fulfils its responsibilities as a corporate parent set out in recently updated regulations to the Children Act 1989.

Equality Implications:

The policy will be subject to an Equality Impact Assessment.

The matter is referred to in the 0-25 Portfolio Plan.

DECISION APPROVED - SUBJECT TO CALL-IN

EXPECTED MAY BY CABINET MEMBER

Reference No: 14/00108	Key Yes Reason if Key Decision:
Teenage Pregnancy Strategy	
To approve the Kent Teenage Pregnancy Strategy for 2015-2020	
DECISION DETAILS	
Decision Maker: Cabinet Member for Adult Social Care & Public Health Expected Date: Not before March 2015	
FURTHER INFORMATION	
CONSULTATION	
<p>The matter will be discussed at the Children's Social Care and Health Cabinet Committee on 23rd September</p> <p>The draft strategy was subject to significant consultation, with children and young people and with children and young people's workforce. A multi-agency stakeholder event took place (March 2013) with representation from Kent County Council and across the health economy to review teenage pregnancies in Kent. There was agreement to develop a strategy renewing the efforts to further reduce rates, to be led by KIIASS and public health teams. Furthermore, this was informed by the publication of the national sexual health improvement plan.</p> <p>Subsequently, four consultation events were organised across Kent with guest speaker, the national lead for teenage pregnancy. These events were attended by over 120 professionals working in areas such as sexual health, children's centres, early intervention, school nurses, midwives and teachers and social care, who agreed the key strategy themes and actions.</p> <p>The strategy themes have been tested through Head Start Kent programme aiming to build emotional resilience in adolescents. Co-production with children and young parents, teachers and children and young people's workers has been an essential part of this programme. In addition, the views of children and young people have been sought through a consultation event (July 2013) and peer led activities in schools with over 400 participating young people (2013-14 academic year).</p> <p>Finally, we consulted with stakeholders and partners such as sexual health, education, children centres, KIIASS, KIFSS, CCGs and local health and</p>	

wellbeing boards, youth champions and Kent youth forum. The responses to the consultation have been noted and incorporated as appropriately to the strategy.

Library Services in Sandgate

Update July 2015 – Decision withdrawn:

Developments to the proposals for Sandgate Library mean that plans are now for the refurbishment of the Library only and are within existing delegations to senior officers. Therefore no formal Cabinet Member decision will be required.

To seek approval to delegate responsibility to Sandgate Parish Council for the day to day running of Library services from Sandgate Library, working with volunteers. KCC will retain the statutory responsibility for providing Library services.

BS4K and Corporate Objectives

To put the citizen in control: the new model will create opportunities for local engagement and involvement in running library services through volunteering opportunities

Service objectives:

- create welcoming and attractive libraries which will be centres for local communities open at convenient times.
- promote the enjoyment of reading for people of all ages, opportunities for learning
- provide access to world-wide links to information and services,

Impact/costs and risks of proposed decision

- Savings will be delivered.
- Services to customers will remain the same
- The Parish Council do not recruit sufficient volunteers and the library does not open for the required number of hours.

- Training for Parish Council and volunteers is insufficient and the standard of service deteriorates

Herne Bay Gateway - temporary relocation of library services	
<p>Subject: Gateway Services at Herne Bay Library</p> <p>Proposed decision: To agree to provide Gateway Services at Herne Bay Library and to relocate library services from Herne Bay Library to temporary premises during the refurbishment of the building.</p> <p>Financial Implications: During the closure period costs for the provision of temporary facilities will be kept to a minimum and any revenue costs should be offset by a reduction in user costs for the individual facilities. Relocating library services for Herne Bay will provide the contractor with an unfettered site which will reduce the time of the build and therefore lower capital costs. The temporary facilities will be stocked from existing library resources and there are no implications for the current staffing establishment</p> <p>Legal Implications: Kent County Council provides library and archive services under the Public Libraries</p>	

and Museums Act 1964 which requires the provision of a 'comprehensive and efficient' library service.

Equality Implications:

An EQIA has been carried out and is available on the KCC website.

Proposed new primary school at Finberry, Cheeseman's Green, Ashford

The Kent Commissioning Plan for Education Provision 2013-18 identified the need for a new two-form entry primary school at Finberry, Cheeseman's Green in the Ashford district. 1.2 The Local Authority sought promoters for the new academy and Stour Academy Trust were chosen by the Secretary of State for Education to promote the new school. The academy will be established through a funding agreement with the Education Funding Agency (EFA) and open on land owned by the local authority. Agreement is needed to allocate £6 million from the Education and Young People's Services Capital Budget in order that the proposal may go ahead.

Single Source Action proposal for the delivery of Supported Lodgings for Kent care leavers	

Proposed decision: To re-award a short-term interim contract to deliver Supported Lodging provision to Kent's older Children in Care and Care Leavers from 1st July 2015 to 30th June 2016.

How the decision relates to Corporate Objectives:

This activity is an element of the Facing the Challenge 0-25 transformation programme (Pathways for Children in Care and Care Leavers) and supports Kent's draft Supporting Independence and Opportunity – outcomes framework

Financial Implications: The current Supported Lodging accommodation contract, which runs from October 2014 to June 15, is £1,456,814 (£1,942,419 pro rata). This includes potential £70,000 incentive payments for the provider increasing "in year" Supported Lodgings provision above an agreed baseline. It is expected that intended longer-term increases in the availability of supported lodging placements will support cost savings in other budgets, particularly foster care.

Legal Implications: The 'Spending the Council's Money' policy expects procurement to be competitive, and the Council's default position regarding competition is that competition is required for all purchases. However, a number of special circumstances exist where this may not be applicable or possible, e.g. the purchasing of adult and children's services is required by law under the National Assistance Act 1948 and the Children Act 1989. Alternative processes are set out in Directorate Operational Procedures.

Equality Implications: An equality impact assessment (EQIA) for the wider Children in Care and Care Leavers service transformation has been undertaken, with supplementary focus on this specific action. The EQIA supports the intention to diversify provision according to need and ethnicity of young people.

The matter is referred to in the Strategic Commissioning Business Plan 2015-16.

of this original entry.

Approval is sought for the Director of Property and Infrastructure Support to progress with and enter into the necessary documentation to complete the disposal of Dumpton Park Drive, Broadstairs and Freeman's Way, Deal in consultation with the Cabinet Member for Corporate and Democratic Services.

Stock Lane, Wilmington, previously listed as part of this decision has been withdrawn.

London Road, Westerham, previously listed as part of this decision has been deleted and is now at 14/00068(a)

This decision will secure a capital receipt to fund the capital programme and to streamline the Council's property portfolio in order to achieve financial and efficiency benefits in line with the Property Policy.

The impact of the decision will be that the receipt will be achieved as quickly as possible should planning permission be granted, to ensure that the capital programme is delivered and to minimise holding costs. Without the decision, KCC will be unable to respond to offers in a timely fashion without losing the prospective purchaser. This would affect the delivery of the capital programme and increase holding costs.

Reason if Key Decision:	
Growth Without Gridlock	

LATEST UPDATE

19/05/2014 - Decision due date changed from 10/02/2014 to 17/09/2014.

REASON: The strategic position relating to Highways and Transportation projects was set out as part of the LEP Strategic Economic Plan submitted via KMEP and the LEP to the Secretary of State at the end of March 2014, you can view the decision to submit and the document submitted here, <https://democracy.kent.gov.uk/ieDecisionDetails.aspx?ID=577>

Central Government is expected to announce a funding allocation in July 2014. Based on these allocations the final selection and prioritisation of projects for inclusion in Growth without Gridlock will take place and the strategy as completed can be adopted by decision of the Cabinet Member.

The decision date has been updated to 'not before' 17 September 2014 in order that the draft strategy can be considered by the relevant Cabinet Committee before any decision is taken.

To approve the content of Growth without Gridlock in Kent and Medway report. This summarises the achievements of the past three years since the launch of Growth without Gridlock and outlines priorities for delivery to 2021 for Kent and Medway, thus reflecting the federated geography of the South East Local Enterprise Partnership.

Community Learning and Skills - Facing the Challenge Review	
<p>To seek agreement to creation of a local authority trading company (LATCo) that will enter into a commissioning arrangement with KCC to deliver Community Learning and Skills (CLS) services.</p> <p>Members on the Transformation Advisory Group and the Transformation Board considered a number of options for the future of CLS. This is in line with Facing the Challenge review (Market Engagement and Service Review), which will see CLS operating as a shadow LATCo rehearsing practices and features of a legal entity, e.g. financial accounting and governance arrangements. An evaluation of this phase will inform the design elements of the final legal framework within which the LATCo will operate.</p> <p>Financial Implications: Funding contracts for learning and skills from central government are anticipated to be subject to reduction for the foreseeable future. 2015 - 2020 Kent and Medway Suicide Prevention Strategy

Proposed decision: To approve the 2015-2020 Kent and Medway Suicide Prevention Strategy

The decision relates to BS4K and Corporate Objectives as follows:

The impact of suicides is felt by individuals, families and whole community regardless of age or ethnicity. Working in partnership to prevent suicides will support each one of the County Council’s Strategic Outcomes as contained in the Strategic Statement and directly relates to the following Supporting Outcomes:

- Children and Young People have better physical and mental health
- Physical and mental health is improved by supporting people to take more responsibility for their own health and wellbeing
- People with mental health issues and dementia are assessed and treated earlier and are supported to live well.

Financial Implications: None

Legal Implications: None

Equality Implications: An Equality Impact Assessment was conducted as part of the strategy development process, and found that there was no evidence that the Suicide Prevention Strategy will have an adverse impact on individuals because of any protected characteristic.

The matter is referred to in the Business Plan but not in the Medium Term Capital Programme.

Relocation and expansion of Tunstall CofE Primary School, Sittingbourne	
<p>Further decision – No: 140003/C July 2015</p> <p>As a result of costs within the construction sector having risen significantly since the original estimates were made, and in particular construction costs within late 2014 reaching unanticipated levels, further capital funding is necessary to complete this</p>	

project.

In order to continue the project as planned, a further £2.28million is requested from the Capital Budget.

Reasons for decision:

The Education Cabinet Committee paper of the 14 January 2014 estimated the total cost of the rebuild and expansion of Tunstall CE Primary School on its new site to be in the region of £4,8m. Costs within the construction sector have risen significantly since the original estimates were made. The revised estimated project cost is now in the region of £7.1m and appropriate funding has been identified as part of the Medium Term Capital programme, which includes funding from the Targeted Basic Need allocation made by the DfE in August 2013. As the revised estimated project cost is more than 10% of the original estimate, a further decision is required to allocate the additional funds.

Financial Implications:

- a. Capital – The school will be rebuilt as a 2FE school on a site owned by the County Council, located approximately 500 metres to the north east of the existing school. The revised total cost is estimated to be in the region of £7.1m. The costs of the project are estimates and these may increase as the project is developed. If the cost of the project is greater than 10% the Cabinet Member will be required to take a further decision to allocate the additional funding.
- b. Revenue - The school will receive increased funding through the Delegated Budget on a 'per pupil' basis.
- c. Human – Tunstall CE Primary School will appoint additional teachers, as the school size increases and the need arises.

14/0003 & 14/0003/B

It is proposed to relocate and rebuild the school on a site owned by KCC located approximately 500 metres to the north east of the existing school. It is also proposed to enlarge Tunstall CE Primary School by 30 reception year places, taking the published admissions number (PAN) from 30 to 60 (Two Forms of Entry) for the September 2015 intake.

The project is in line with Kent strategies and in particular supports the following;
Bold Steps for Kent prioritises

3: Ensure all pupils meet their full potential

4: Shape education and skills provision around the needs of the Kent economy

Following objections being received to the Public Notice to relocate and expand Tunstall Primary School it is necessary for the Cabinet Member for Education and Health Reform to take a further decision to complete the process.

Key Yes Reason if Key Decision:

Portal House School, Dover

Further decision – No: 14/00141 (B)
July 2015

On 19 December 2014 the Cabinet Member for Education and Health Reform took a decision to issue a Public Notice to expand Portal House School (a Special school) by 20 places from 1 September 2015, and to allocate £8.5m from the Education and Young People's Services Capital Budget to support the rebuild and expansion of this school.

The original decision included a clause that, should objections be received to the public notice a further decision would be required in order that they be given proper consideration by the Cabinet Member. Two objections were received to the Public

Notice (attached at Appendix 1), thus a separate decision (14/00141 (B)) is required to continue the proposal.

Additionally, following submission of a planning application, significant redesign work has been required, resulting in a budget pressure. Therefore the current estimate has increased to £9m from £8.5m

Proposed decision:

The Cabinet Member for Education and Health Reform is asked to consider the responses to the consultation and decide whether to proceed with the proposal and

- (i) Issue a public notice to expand Portal House School by 20 places as part of the project to rebuild the school on its current location by 1 September 2015.**

And, subject to no objections being received to the public notice:

- (ii) Expand the school by 20 places as part of the project to rebuild the school on its current location by 1 September 2015.**
- (iii) Allocate £8.5m from the Education, Learning and Skills Capital Budget**
- (iv) Authorise the Director of Property and Infrastructure Support in consultation with the Director of Governance and Law to enter into any necessary contracts/ agreements on behalf of the County Council**
- (v) Authorise the Director of Property and Infrastructure Support to be the nominated Authority Representative within the relevant agreements and to enter into variations as envisaged under the contracts

Should objections, not already considered by the Cabinet Member when taking this decision, be received during the notice period a separate decision will be required in order to continue the proposal and allow for proper consideration of the points raised.

Financial Implications:

- a. Capital – The capital cost of the rebuild and expansion of the school will be allocated from the Education and Young People's Services Capital Budget.
- b. Revenue - The school will receive increased funding through the Delegated Budget. Special schools are funded using the DfE Place Plus funding methodology for High Needs Pupils.
- c. Human – Additional staff will be appointed as numbers increase gradually at the school over the next few years.

Equality Implications: An Equality Impact Assessment has been completed as

part of the consultation. The equalities impact assessment can be accessed via the following link:

Decision 14/00141 (A)
December 2014

This decision seeks agreement to the issuing of a public notice concerning Portal House School, Dover. As part of the project the school will be rebuilt on its current location by 1 September 2015 and the PAN increased by 20 places.

Should no objections be received during the public notice period, the second part of the Cabinet Member Decision to allocate funds etc will be enacted without further consideration. Should new objections be received during the statutory public notice period, the Cabinet Member will consider them before taking the decision which will be recorded and published separately in those circumstances.

Decision deferred as issues brought to the attention of the Cabinet Member during the proposed decision publication period are resolved.

Update 17 February 2015:

Proposed decision to endorse the principles set out in the Canterbury Local Transport Plan published.

Update 4 February 2015:

The Canterbury Local Transport Strategy was considered and the principle endorsed by the Environment and Transport Cabinet Committee in December 2014. A formal decision will now be taken by the Cabinet Member which will set out the terms of the support for the strategy.

To agree various local transport strategies.

The strategies will 'Help the 'Kent Economy Grow' and 'Tackle Disadvantage' by managing congestion in town centres, improving the reliability of journey times for commuters and visitors and managing freight journeys more successfully. This will in turn enhance key sustainable transport links to employment, education and health care.

Impacts / Costs and risks of proposed decisions:

The transport strategies to be agreed all form part a key part of evidence base for the relevant Local Plan. These plans will be subject to and examination in public by and independent planning inspector during 2015. The appropriateness and deliverability of each strategy will be an important consideration in the inspector's decision on the soundness of the Plan as a whole.

The delivery of each transport strategy will be heavily dependent on securing funding contributions from development through the section 106 and Community Infrastructure Levy (CIL) processes, as KCC's Local Transport Plan funding allocation from Central Government is likely to be under sustained pressure from the foreseeable future. KCC will not be the charging authority therefore it will be reliant on each local council as the planning authority to allocate sufficient CIL revenue to the priority transport infrastructure projects identified in the strategy. The availability of CIL revenue will in turn be dictated by the phasing and extent of new development which will be influenced by a range of external factors.

Sandwich Highways Depot	
Update 09/03/2015: DEFERRED: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value is secured;	

surveys are being carried out with a view to marketing the site in the future dependent on the outcome of those surveys.

Latest Update:

19/05/2014: Decision due date changed from 23/12/2013 to 'Not before' 01/11/2014.
REASON: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value for the site is secured. Options appraisal work is underway and this work is expected to take approx. 6 months, therefore an expected decision date is set for November.

To seek approval to proceed with the disposal of the above site to raise a capital receipt which will be allocated to support the capital programme.

To seek approval to identify and progress with the acquisition of a new site for the service.

The Director of Property and Infrastructure Support will be authorised to finalise terms for both the disposal and acquisition of a new site.

This decision is needed to enable a modern highway service operation to be provided in the East Kent Area that is both reactive and responsive to changing demands. It directly supports 3 of the Bold Steps for Kent.

- Firstly it helps deliver the “Kent Environment Strategy” by the provision of new environmentally friendly facilities (e.g. grey water) via the construction technique with the eventual adaptation of new work practices within the new depot.
- Secondly it builds relations with key business sectors across Kent as the supply chain involved in such a project provides work to businesses of all sizes.
- Thirdly by the better siting and provision of facilities for the new depot it ensures that the most robust and effective public protection arrangements are in place for road management including bad weather response.

The impact of the decision is that full assessment of the potential disposal of the site can be explored within the market place to ensure that best value principles are adhered to. In tandem a full search and feasibility study will be undertaken to identify a new location for the alternative highways depot which satisfies the above objectives.

Eden Centre Lease

LATEST UPDATE:

19/05/2014 - Decision due date changed from 01/03/2014 to 01/01/2015.

REASON: The decision remains at the earliest stages of investigation and options appraisal. A further review will take place in January 2015 when a decision pathway will be identified and the proposed decision updated further.

To seek agreement to the principle of granting a long lease to a charitable community interest company or similar vehicle, of The Eden Centre, Four Elms Road, Edenbridge.

The proposal directly links to Bold Steps for Kent, putting the citizen in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen's Advice Bureau and House (West Kent Action), to support Kent's more vulnerable citizens.

The impact of the decision will be that KCC will have less control of the management and operation of the centre as they would become the responsibility of a third party.

Risks identified are:

- Reliance on the professionalism of the trustees to deliver a successful facility, agreeing with all partners a financial model for the charitable vehicle
- Reputational damage to KCC if the charitable vehicle were to fail
- Obtaining buy in from all community groups in occupation to form trust
- Untried and untested model
- Level of income generation from the centre which could go to the charitable vehicle is currently unknown as a new facility
- Continued KCC ownership of a non-core asset
- Officers may be unable to get agreement from stakeholders, charitable vehicle

does not prove financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).

Decision due date changed from 01/06/2013 to 22/07/2014.
REASON: Negotiations continue between the relevant stakeholders to amend the agreement relating to JTB's.

To seek approval of an updated Joint Transportation Board (JTB) Agreement with District Councils.

The existing agreement is out of date and needs to be revised to reflect changes to the County Council's constitution.

In addition amendments will be sought to the voting rights of Parish Council representatives as per the recommendations of Kent Association of Local Councils and endorsed by the EHW Cabinet Committee in December 2013.

BS4K - JTB's are an important local mechanism for discussing highway/transport matters. In this context, JTBs meet Kent County Council's Localism Agenda.

There are no impacts, costs or risks relating to the proposed decision
