

FORTHCOMING EXECUTIVE DECISIONS

28 December 2015 - 30 June 2016

This edition of the list of Forthcoming Executive Decisions supersedes ALL previous Editions

Published by Democratic Services

This list of Forthcoming Executive Decisions publicises all known decisions which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. Key decisions are marked clearly as such within the list.

Please use the contact details given to let us know your views or to request further information.

LIST OF FORTHCOMING EXECUTIVE DECISIONS

Each week the list of Forthcoming Executive Decisions is updated where there are additions, deletions or amendments to be made. Although Kent County Council aims to include all known decisions, statute requires that all Key decisions must be publicised in this way.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not included in the Policy Framework (Constitution Appendix 3) or significant changes to established policies
- (c) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the list helps the Council to programme its work and ensures compliance with the ‘Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) regulations 2012.

The list outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council’s web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been

taken, a copy of the Record of Decision will also be published on the Council's website. Paper copies will be made available by contacting Louise Whitaker (telephone 01622 694433 or email louise.whitaker@kent.gov.uk).

UPDATE AWAITED

Reference No: 15/00045	Key Yes Reason if Key Decision:
Kent Community Hot Meals tender	
<p>Reasons for decision: The Kent-wide contract for community hot meals delivery was awarded in 2006 and has already been extended 4 times. Advice is that this contract must now be re-tendered.</p> <p>The existing contract is linked to volume. The decline in numbers of people requiring the service has led to KCC being charged more as unit cost was linked to set volumes. It was therefore decided to tender for a contract in which KCC will pay a unit price per meal and this would not be linked to set volumes.</p> <p>The Community hot meals delivery service supports Kent County Council's vision to:</p> <ul style="list-style-type: none">• Tackle disadvantage• Reduce avoidable demand on Health & Social Care services• Focus on improving lives by ensuring that every penny spent in Kent is delivering better outcomes for Kent's residents, communities and businesses	

- Improve people's outcomes by increasing their independence
- Enable adults in Kent to lead independent lives, safely in their own community

Financial Implications: The decline in the numbers of people requiring the service has led to KCC being charged for meals that have not been delivered. The new contract will ensure that KCC only pays for meals that are delivered and will not be linked to set volumes.

Through the negotiation of this tender, it is anticipated that this contract will produce a lower unit price per meal

Equality Implications: An equality impact assessment has found the risk to those people with protected characteristics is low.

DECISION DETAILS

Decision Maker: Cabinet Member for Adult Social Care & Public Health
Expected Date: Not before August 2015

FURTHER INFORMATION

CONSULTATION

The proposed decision was discussed by the Adult Social Care and Health Cabinet Committee on 10 July 2015:

Officers introduced the report and explained that the provider to whom it was proposed to award the contract had been the only bidder and was currently negotiating with the County Council about unit price and volume. It was hoped that these negotiations would soon be successfully concluded. It was important to fix a fair price for the customer and secure terms which were favourable to the County Council. Officers clarified the type of meals which would be provided by the contract; frozen meals which would be reheated in a van on the way to the customer's home. This was an essential service for those customers for whom no other options were available, eg those who could not use a microwave.

Officers responded to comments and questions from Members, as follows:-

- a) the length of contract was part of the current negotiations. The provider favoured a longer contract of three or five years but a decision on length would be made once calculations around unit price had been completed;
- b) although the County Council had not had the opportunity to make a comparison and choice between several bidders, it was emphasised that the range of catering options and products available in the market meant that customers would not miss out on having some choice of product, supplier and price;

- c) one Member said he had visited the bidder's factory and been impressed with the production process;
- d) in some areas of Kent there was already much competition among providers, including local supermarkets, to deliver to residents, eg those in sheltered housing developments, and the need for another meals contract in those areas was questioned. Ms Hanson confirmed that micro-provision was more advanced in East Kent than in West and reminded Members that the contract currently under discussion aimed to help those customers for whom other options were not suitable. Officers added that some customers needed to have hot meals delivered for a limited period of time, eg after returning home from hospital, and the service able to be offered to this group of customers was a small but important part of a hot meals service. The unit price being negotiated was more cost-effective than paying a carer to visit a customer to prepare a hot meal; and
- e) it was suggested that day centres currently offering a hot meals service could extend their service further afield, but another speaker added that some such concerns would be unable to compete on volume and price as they operated as charities.

The Committee resolved that the decision proposed to be taken by the Cabinet Member for Adult Social Care and Public Health, to:

- a) award the Kent community hot meals delivery contract, to commence on 1 October 2015*, to the preferred bidder identified in the exempt appendix, once the negotiations described are successfully concluded; and
- b) agree that the Corporate Director of Social Care, Health and Wellbeing, or other suitable delegated officer, undertake the necessary actions to implement this decision,

be endorsed.

***Additonal Note:** Following the 10 July Adult Social Care and Health Cabinet Committee discussion the necessary contract negotiations took longer than originally expected. Consequently, to ensure continuity of supply to those who depend on the service, a temporary extension of the existing contract was undertaken from 1 October 2015 to 31 January 2016 and the proposed new contract with the preferred bidder (named in the exempt appendix to the attached report) will start on 1 February 2016.

Herne Bay Gateway - temporary relocation of library services	
<p>Subject: Gateway Services at Herne Bay Library</p> <p>Proposed decision: To agree to provide Gateway Services at Herne Bay Library and to relocate library services from Herne Bay Library to temporary premises during the refurbishment of the building.</p> <p>Financial Implications: During the closure period costs for the provision of temporary facilities will be kept to a minimum and any revenue costs should be offset by a reduction in user costs for the individual facilities. Relocating library services for Herne Bay will provide the contractor with an unfettered site which will reduce the time of the build and therefore lower capital costs. The temporary facilities will be stocked from existing library resources and there are no implications for the current staffing establishment</p> <p>Legal Implications: Kent County Council provides library and archive services under the Public Libraries and Museums Act 1964 which requires the provision of a 'comprehensive and efficient' library service.</p> <p>Equality Implications: An EQIA has been carried out and is available on the KCC website.</p> <p>Is the matter referred to in your Business Plan or Medium Term Capital Programme? Reason if Key Decision:

Closure of Property Enterprise Funds 1 & 2

Approval by the Cabinet Member for Corporate and Democratic Services and the Cabinet Member for Finance and Procurement for the Director of Property and Infrastructure Support and the Director of Finance and Procurement to:

1. Close Property Enterprise Fund 1 and Property Enterprise Fund 2 with immediate effect.
2. Release the land and property currently held within the funds to be sold as part of KCC's main disposals programme and for those capital receipts to be used to support the Council's capital programme.
3. Instruct the Director of Property and Infrastructure Support to consider a business case that supports a decision for a new Property Investment Fund.

The objective of the fund being to implement a KCC investment portfolio to support an income return from property assets and grow the property asset base so that KCC has a future disposal pipeline.

Growth Without Gridlock	

LATEST UPDATE

19/05/2014 - Decision due date changed from 10/02/2014 to 17/09/2014.
REASON: The strategic position relating to Highways and Transportation projects was set out as part of the LEP Strategic Economic Plan submitted via KMEP and the LEP to the Secretary of State at the end of March 2014, you can view the decision to submit and the document submitted here, <https://democracy.kent.gov.uk/ieDecisionDetails.aspx?ID=577>

Central Government is expected to announce a funding allocation in July 2014. Based on these allocations the final selection and prioritisation of projects for inclusion in Growth without Gridlock will take place and the strategy as completed can be adopted by decision of the Cabinet Member.

The decision date has been updated to 'not before' 17 September 2014 in order that the draft strategy can be considered by the relevant Cabinet Committee before any decision is taken.

To approve the content of Growth without Gridlock in Kent and Medway report. This summarises the achievements of the past three years since the launch of Growth without Gridlock and outlines priorities for delivery to 2021 for Kent and Medway, thus reflecting the federated geography of the South East Local Enterprise Partnership.

Community Learning and Skills - Facing the Challenge Review	
<p>To seek agreement to creation of a local authority trading company (LATCo) that will enter into a commissioning arrangement with KCC to deliver Community Learning and Skills (CLS) services.</p> <p>Members on the Transformation Advisory Group and the Transformation Board considered a number of options for the future of CLS. This is in line with Facing the Challenge review (Market Engagement and Service Review), which will see CLS operating as a shadow LATCo rehearsing practices and features of a legal entity, e.g. financial accounting and governance arrangements. An evaluation of this phase will inform the design elements of the final legal framework within which the LATCo will operate.</p> <p>Financial Implications: Funding contracts for learning and skills from central government are anticipated to be subject to reduction for the foreseeable future. This decision seeks to give the service the freedoms and flexibilities it needs to operate in a more commercial approach, in order to maximise income generation, preserve the service and minimise financial risks to KCC.</p> <p>Legal Implications: LATCO to be setup with agreed memorandum and articles of association and commissioned to deliver the CLS service. -------------------------------	--

Proposal for the delivery of Supported Lodgings for Kent Care Leavers

Proposed decision: To award a new contract to deliver Supported Accommodation in a Family Environment for Kent's older Children in Care, Care Leavers and vulnerable young people.

[It was previously envisaged that a current contract would be extended by single source tender but this is no longer the case][Decision updated 1 October 2015]

Financial Implications:

The budget for the contract consists of two parts; management costs, and support costs, as detailed below. The tender is requesting bids of no more than £350,000 for the management costs. Support costs to Hosts varies, but is expected to be in the region of £1,500,000, based on figures from 2014-15.

Cost Area	Total
Management costs (fixed cost inclusive of all non-host related costs):	£350,000
Host Costs (monies paid to hosts, based on provision against baseline as set 04.09.14):	£1,500,000
Total:	£1,850,000

Therefore, the value of any new contract for the required service is not expected to be £1,850,000

Legal Implications:

Spending the Council's Money expects procurement to be competitive. However there are exemptions that may apply to this action (e.g. the purchasing of adult and children's services are required by law under the National Assistance Act 1948 and the Children Act 1989). Alternative processes are set out in Directorate Operational Procedures.

Equality Implications:

An equality impact assessment (EQIA) for the wider Children in Care and Care Leavers service transformation has been undertaken, with supplementary focus on this specific action. The EQIA supports the intention to diversify provision according to need and ethnicity of young people. An EQIA has also been completed for the new Supported Accommodation in a Family Environment Service, which highlights the increase in provision to meet the needs of young people.

The matter is referred to in the Strategic Commissioning Business Plan 2015-16.

DECISION DETAILS

Decision Maker: Cabinet Member for Specialist Children's Services
Expected Date: November 2015

FURTHER INFORMATION

How the decision relates to Corporate Objectives:
 This activity is an element of the wider 0-25 transformation programme, including accommodation and support for 16-25 year old Children in Care, Care Leavers and vulnerable young people relating to Facing the Challenge Phase 2.

CONSULTATION

In April 2015 Children’s Social Care and Health Cabinet Committee were informed of the intention to extend arrangements with the current providers through a Single Source Tender. The committee gave its general support to the principle of extending the existing arrangements. However, subsequent consideration resulted in the agreement to follow a formal procurement exercise. This procurement exercise will commence on 9th October when the tender documents will be published on the Kent Business Portal.

Other consultation planned or undertaken: A total of 81 providers responded to an anonymous market engagement survey conducted in May 2015. Of the 81 that responded 28 were Supported Lodgings providers. A Procurement Information Notice (PIN) has been published on the Kent Business Portal to gain market understanding regarding delivery of this service. 17 providers expressed an interest on the Kent Business Portal.

Commissioned Services for Adult Carers of Vulnerable Adults	
<p>The short breaks service makes a significant contribution to the health and wellbeing of adult carers and supports the County Council to fulfil its duties towards carers under the Care Act 2014.</p> <p>The short breaks contract supports adults who care for other vulnerable adults, including older people, people with a learning disability or people with mental health problems. It is jointly funded by Health and Social Care and the Clinical Commissioning Groups (CCGs) and has been in place for three years.</p>	

The contract is coming to an end on 30 April 2016 but funding has been identified to re-commission the service for a further two years until 31 March 2018.

Financial Implications:

The current contract value is £1.5m per annum, which includes a contribution of £700k per annum from Clinical Commissioning Groups (CCGs). The contract will be re-commissioned for two years, from 1 May 2016 to 31 March 2018.

Legal Implications:

The Care Act 2014 makes clear that carers have the same rights as those they care for and should have access to the support they need. Local Authorities must offer carers an assessment based on the appearance of need and have a duty to meet unmet eligible needs. Local authorities must also provide or arrange services that help prevent people developing needs for care and support or delay people deteriorating so that they would need ongoing care and support.

Equality Implications:

None

The matter is referred to in the Directorate's Business Plan/Medium Term Capital Programme.

DECISION DETAILS

Decision Maker: Cabinet Member for Adult Social Care & Public Health
Expected Date: Not before December 2015

FURTHER INFORMATION

CONSULTATION

Cabinet Committee recommendations and other consultation:
The proposed decision was discussed at the Adult Social Care and Health Cabinet Committee on 3 December 2015. Officers introduced the report which asked the Cabinet Committee to consider and endorse, or make recommendations to the Cabinet Member for Adult Social Care and Public Health with regard to the re-commissioning of short breaks for adult carers of vulnerable adults in Kent for two years until 31 March 2018.

- Officers said: the short breaks contract was jointly funded by Health and Kent County Council; the contract had been in place for three years; and that funding had been identified to re-commission the service.
- In response to questions, officers said respite care was provided

for vulnerable adults away from their homes and was commissioned in conjunction with clinical commissioning groups. This contract referred to short break services provided for carers in the home.

- During the discussion Members acknowledged the valuable role played by carers. It was also confirmed that the provision of a short breaks services was a statutory requirement.

The Adult Social Care and Health Cabinet Committee resolved that the proposed Cabinet Member decision to re-commission the short breaks for adult carers of vulnerable adults and to delegate authority to the Corporate Director for Social Care Health and Wellbeing, or other nominated officer, to authorise the letting of the contract be endorsed.

Although the services being delivered will remain the same engagement is planned through Carers' forums and at provider events.

**Property Disposals at Dumpton Park Drive, Broadstairs and
 Freeman's Way, Deal**

Update – October 2015

Negotiations continue regarding both disposals.

It is not expected that decisions will be taken before December 2015

Update – 09/03/2015 - Date changed to 'not before' June 2015.

Dumpton Drive: Extensive consultation has been carried out with the School and Education Department regarding the Dumpton Park Drive and a planning pre application has been successfully submitted. Outline Planning will be submitted within next 3 months with a view to marketing site 'subject to planning' once the application has been submitted.

Freeman's Way: Extensive consultation has taken place between KCC and Dover District Council's Estates team and a planning pre application will be submitted in March 2015, if successful, KCC will submit outline planning application prior to marketing the site 'subject to planning'.

Update - 01/12/2014 – The decision to dispose of land at London Road, Westerham is ready to be taken separately from the others advertised in this package. It has been published separately at 14/00068(a) and can be viewed by clicking on this link.

<https://democracy.kent.gov.uk/mglIssueHistoryHome.aspx?Ild=32262&Opt=0>

Reference to the land has been removed from this issue but the 28 day statutory publication for the intention is deemed to have been fulfilled as part of this original entry.

Approval is sought for the Director of Property and Infrastructure Support to progress with and enter into the necessary documentation to complete the disposal of Dumpton Park Drive, Broadstairs and Freeman's Way, Deal in consultation with the Cabinet Member for Corporate and Democratic Services.

Stock Lane, Wilmington, previously listed as part of this decision has been withdrawn.

London Road, Westerham, previously listed as part of this decision has been deleted and is now at 14/00068(a)

This decision will secure a capital receipt to fund the capital programme and to streamline the Council's property portfolio in order to achieve financial and efficiency benefits in line with the Property Policy.

The impact of the decision will be that the receipt will be achieved as quickly as possible should planning permission be granted, to ensure that the capital programme is delivered and to minimise holding costs. Without the decision, KCC will be unable to respond to offers in a timely fashion without losing the prospective purchaser. This would affect the delivery of the capital programme and increase holding costs.

MARCH 2016 - BY COUNTY COUNCIL

Reference No: 15/00113	Key Yes Reason if Key Decision:
The Kent Minerals and Waste Local Plan 2013-30	
Following the Planning Inspectorate's Examination of the Minerals and Waste	

Local Plan, to accept the Planning inspector's recommendations and recommend to Cabinet and Full council the adoption of the Plan.

DECISION DETAILS

Decision Maker: County Council
Expected Date: Not before March 2016

FURTHER INFORMATION

CONSULTATION

The preparation of the Plan has been the culmination of some 10 year's work with stakeholder engagement throughout the process.

Consultation to date has involved engagement and collaboration with communities, local organisations and businesses. Public consultation was held for each stage of the plan-making process. It has also been prepared in cooperation with Kent's districts, neighbouring authorities, parish councils and other minerals and waste planning authorities that may be affected by the strategies and policies of the Plan.

As part of the Local Plan preparation the Council has demonstrated that it has met the 'duty to cooperate' obligation as set out in the Localism Act (2011) and the National Planning Policy Framework (2012).

All Members are affected because the Plan contains the overarching strategy and planning policies for future planning decisions affecting the whole of the County.

Local Members have been notified at each stage of the preparation of the Plan. Most recently, members were notified of the Proposed Modifications consultations which ran between August and October 2015.

Cabinet previously endorsed the Pre-Submission Draft Kent Mineral and Waste Local Plan (MWLP) at the meeting held on 14 October 2013, prior to its submission to the Full Council on 12 December 2013 where it resolved to approve to submit the Plan to the Secretary of State subject to:

1. A six week period of public consultation;
2. No material objections being received during the public consultation; and
3. The Director of Planning and Environment being given delegated powers to approve any non-material changes to the MWLP in consultation with the Cabinet Member for Environment and Transport following on from the public consultation and to agree any amendments to the MWLP during the Examination in Public for submission to the appointed Planning Inspector, if these amendments are likely to resolve objections.

LOCAL TRANSPORT STRATEGIES: DATES TO BE CONFIRMED IN LINE WITH DISTRICT TIMETABLES TO BE TAKEN BY CABINET MEMBER

Reference No: 12/01923 Individual plans will be numbered 12/01923 (a) (b) (c) etc. Canterbury Local Transport Plan	Key Yes Reason if Key Decision: The decisions are likely to be significant in terms of their effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority.

The Canterbury Local Transport Strategy was considered and the principle endorsed by the Environment and Transport Cabinet Committee in December 2014. A formal decision will now be taken by the Cabinet Member which will set out the terms of the support for the strategy.

To agree various local transport strategies.

The strategies will 'Help the 'Kent Economy Grow' and 'Tackle Disadvantage' by managing congestion in town centres, improving the reliability of journey times for commuters and visitors and managing freight journeys more successfully. This will in turn enhance key sustainable transport links to employment, education and health care.

Impacts / Costs and risks of proposed decisions:

The transport strategies to be agreed all form part a key part of evidence base for the relevant Local Plan. These plans will be subject to and examination in public by and independent planning inspector during 2015. The appropriateness and deliverability of each strategy will be an important consideration in the inspector's decision on the soundness of the Plan as a whole.

The delivery of each transport strategy will be heavily dependent on securing funding contributions from development through the section 106 and Community Infrastructure Levy (CIL) processes, as KCC's Local Transport Plan funding allocation from Central Government is likely to be under sustained pressure from the foreseeable future. KCC will not be the charging authority therefore it will be reliant on each local council as the planning authority to allocate sufficient CIL revenue to the priority transport infrastructure projects identified in the strategy. The availability of CIL revenue will in turn be dictated by the phasing and extent of new development which will be influenced by a range of external factors.

Sandwich Highways Depot

Update 09/03/2015:

DEFERRED: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value is secured; surveys are being carried out with a view to marketing the site in the future dependent on the outcome of those surveys.

Latest Update:

19/05/2014: Decision due date changed from 23/12/2013 to 'Not before' 01/11/2014.
REASON: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value for the site is secured. Options appraisal work is underway and this work is expected to take approx. 6 months, therefore an expected decision date is set for November.

To seek approval to proceed with the disposal of the above site to raise a capital receipt which will be allocated to support the capital programme.

To seek approval to identify and progress with the acquisition of a new site for the service.

The Director of Property and Infrastructure Support will be authorised to finalise terms for both the disposal and acquisition of a new site.

This decision is needed to enable a modern highway service operation to be provided in the East Kent Area that is both reactive and responsive to changing demands. It directly supports 3 of the Bold Steps for Kent.

- Firstly it helps deliver the "Kent Environment Strategy" by the provision of new environmentally friendly facilities (e.g. grey water) via the construction technique with the eventual adaptation of new work practices within the new depot.
- Secondly it builds relations with key business sectors across Kent as the supply chain involved in such a project provides work to businesses of all sizes.
- Thirdly by the better siting and provision of facilities for the new depot it ensures that the most robust and effective public protection arrangements are in place for road management including bad weather response.

The impact of the decision is that full assessment of the potential disposal of the site can be explored within the market place to ensure that best value principles are adhered to. In tandem a full search and feasibility study will be undertaken to identify a new location for the alternative highways depot which satisfies the above objectives.

Eden Centre Lease

LATEST UPDATE:

19/05/2014 - Decision due date changed from 01/03/2014 to 01/01/2015.

REASON: The decision remains at the earliest stages of investigation and options appraisal. A further review will take place in January 2015 when a decision pathway will be identified and the proposed decision updated further.

To seek agreement to the principle of granting a long lease to a charitable community interest company or similar vehicle, of The Eden Centre, Four Elms Road, Edenbridge.

The proposal directly links to Bold Steps for Kent, putting the citizen in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen's Advice Bureau and House (West Kent Action), to support Kent's more vulnerable citizens.

The impact of the decision will be that KCC will have less control of the management and operation of the centre as they would become the responsibility of a third party.

Risks identified are:

- Reliance on the professionalism of the trustees to deliver a successful facility, agreeing with all partners a financial model for the charitable vehicle
- Reputational damage to KCC if the charitable vehicle were to fail
- Obtaining buy in from all community groups in occupation to form trust
- Untried and untested model
- Level of income generation from the centre which could go to the charitable vehicle is currently unknown as a new facility
- Continued KCC ownership of a non-core asset
- Officers may be unable to get agreement from stakeholders, charitable vehicle does not prove financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).
