

FORTHCOMING EXECUTIVE DECISIONS

18 April 2016 - 31 October 2016

This edition of the list of Forthcoming Executive Decisions supersedes ALL previous Editions

Published by Democratic Services

This list of Forthcoming Executive Decisions publicises all known decisions which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. Key decisions are marked clearly as such within the list.

Please use the contact details given to let us know your views or to request further information.

LIST OF FORTHCOMING EXECUTIVE DECISIONS

Each week the list of Forthcoming Executive Decisions is updated where there are additions, deletions or amendments to be made. Although Kent County Council aims to include all known decisions, statute requires that all Key decisions must be publicised in this way.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not included in the Policy Framework (Constitution Appendix 3) or significant changes to established policies
- (c) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the list helps the Council to programme its work and ensures compliance with the ‘Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) regulations 2012.

The list outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council’s web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been

taken, a copy of the Record of Decision will also be published on the Council's website. Paper copies will be made available by contacting Louise Whitaker (telephone 01622 694433 or email louise.whitaker@kent.gov.uk).

Growth Without Gridlock	
<p>LATEST UPDATE 19/05/2014 - Decision due date changed from 10/02/2014 to 17/09/2014.</p>	

REASON: The strategic position relating to Highways and Transportation projects was set out as part of the LEP Strategic Economic Plan submitted via KMEP and the LEP to the Secretary of State at the end of March 2014, you can view the decision to submit and the document submitted here, <https://democracy.kent.gov.uk/ieDecisionDetails.aspx?ID=577>

Central Government is expected to announce a funding allocation in July 2014. Based on these allocations the final selection and prioritisation of projects for inclusion in Growth without Gridlock will take place and the strategy as completed can be adopted by decision of the Cabinet Member.

The decision date has been updated to 'not before' 17 September 2014 in order that the draft strategy can be considered by the relevant Cabinet Committee before any decision is taken.

To approve the content of Growth without Gridlock in Kent and Medway report. This summarises the achievements of the past three years since the launch of Growth without Gridlock and outlines priorities for delivery to 2021 for Kent and Medway, thus reflecting the federated geography of the South East Local Enterprise Partnership.

Community Learning and Skills - Facing the Challenge Review	
<p>To seek agreement to creation of a local authority trading company (LATCo) that will enter into a commissioning arrangement with KCC to deliver Community Learning and Skills (CLS) services.</p> <p>Members on the Transformation Advisory Group and the Transformation Board considered a number of options for the future of CLS. This is in line with Facing the Challenge review (Market Engagement and Service Review), which will see CLS operating as a shadow LATCo rehearsing practices and features of a legal entity, e.g. financial accounting and governance arrangements. An evaluation of this phase will inform the design elements of the final legal framework within which the LATCo will operate.</p> <p>Financial Implications: Funding contracts for learning and skills from central government are anticipated to be subject to reduction for the foreseeable future. This decision seeks to give the service the freedoms and flexibilities it needs to operate in a more commercial approach, in order to maximise income generation, preserve the service and minimise financial risks to KCC.</p> <p>Legal Implications: LATCO to be setup with agreed memorandum and articles of association and commissioned to deliver the CLS service. Staff would need to be TUPE'd into the new organisation.</p> <p>Equality Implications: Full EQUIA has been done and will be live throughout the process.</p>

NOT BEFORE NOVEMBER BY CABINET MEMBER

<p>Reference No: 15/00010</p>	<p>Key Yes Reason if Key Decision: How the decision relates to Corporate Objectives: This activity is an element of the wider 0-25 transformation programme, including accommodation and support for 16-25 year old Children in Care, Care Leavers and vulnerable young people relating to Facing the Challenge Phase 2.</p>
--------------------------------------	--

Proposal for the delivery of Supported Lodgings for Kent Care Leavers

Proposed decision: To award a new contract to deliver Supported Accommodation in a Family Environment for Kent’s older Children in Care, Care Leavers and vulnerable young people.
 [It was previously envisaged that a current contract would be extended by single source tender but this is no longer the case][Decision updated 1 October 2015]

Financial Implications:
 The budget for the contract consists of two parts; management costs, and support costs, as detailed below. The tender is requesting bids of no more than £350,000 for the management costs. Support costs to Hosts varies, but is expected to be in the region of £1,500,000, based on figures from 2014-15.

Cost Area	Total
Management costs (fixed cost inclusive of all non-host related costs):	£350,000
Host Costs (monies paid to hosts, based on provision against baseline as set 04.09.14):	£1,500,000
Total:	£1,850,000

Therefore, the value of any new contract for the required service is not expected to be £1,850,000

Legal Implications:
 Spending the Council’s Money expects procurement to be competitive. However there are exemptions that may apply to this action (e.g. the purchasing of adult and children’s services are required by law under the National Assistance Act 1948 and the Children Act 1989). Alternative processes are set out in Directorate Operational Procedures.

Equality Implications:
 An equality impact assessment (EQIA) for the wider Children in Care and Care Leavers service transformation has been undertaken, with supplementary focus on this specific action. The EQIA supports the intention to diversify provision according to need and ethnicity of young people.

An EQIA has also been completed for the new Supported Accommodation in a Family Environment Service, which highlights the increase in provision to meet the needs of young people.

The matter is referred to in the Strategic Commissioning Business Plan 2015-16.

DECISION DETAILS

Decision Maker: Cabinet Member for Specialist Children's Services
Expected Date: November 2015

FURTHER INFORMATION

How the decision relates to Corporate Objectives:
This activity is an element of the wider 0-25 transformation programme, including accommodation and support for 16-25 year old Children in Care, Care Leavers and vulnerable young people relating to Facing the Challenge Phase 2.

CONSULTATION

In April 2015 Children's Social Care and Health Cabinet Committee were informed of the intention to extend arrangements with the current providers through a Single Source Tender. The committee gave its general support to the principle of extending the existing arrangements. However, subsequent consideration resulted in the agreement to follow a formal procurement exercise. This procurement exercise will commence on 9th October when the tender documents will be published on the Kent Business Portal.

Other consultation planned or undertaken: A total of 81 providers responded to an anonymous market engagement survey conducted in May 2015. Of the 81 that responded 28 were Supported Lodgings providers. A Procurement Information Notice (PIN) has been published on the Kent Business Portal to gain market understanding regarding delivery of this service. 17 providers expressed an interest on the Kent Business Portal.

Stock Lane, Wilmington, previously listed as part of this decision has been withdrawn.

London Road, Westerham, previously listed as part of this decision has been deleted and is now at 14/00068(a)

This decision will secure a capital receipt to fund the capital programme and to streamline the Council's property portfolio in order to achieve financial and efficiency benefits in line with the Property Policy.

The impact of the decision will be that the receipt will be achieved as quickly as possible should planning permission be granted, to ensure that the capital programme is delivered and to minimise holding costs. Without the decision, KCC will be unable to respond to offers in a timely fashion without losing the prospective purchaser. This would affect the delivery of the capital programme and increase holding costs.

FURTHER INFORMATION

CONSULTATION

At the meeting of the Adult Social Care and Health Cabinet Committee on 11 September 2015, Members were given the opportunity to comment on the proposals before the start of formal public consultation. The committee resolved that the proposal for consultation be endorsed.

An update on the formal consultation process was provided to the Adult Social Care and Health Cabinet Committee on 3 December 2015.

A recommendation report was presented to the Adult Social Care and Health Cabinet Committee on 14 January 2016. The committee resolved that further work be undertaken and a formal proposal brought to its next meeting. Accordingly, a recommendation report setting out the proposed Cabinet Member decision was presented to the Adult Social Care and Health Cabinet Committee on 10 March 2016, and the outcome of this will be included in the decision paperwork which the Cabinet Member will be asked to sign.

Other consultation planned or undertaken:

The County Council has a duty to undertake formal consultation on any proposed changes to services. The procedure for consultation on modernisation/variation or closure of establishments for Social Care will be followed.

A range of stakeholders have been informed in writing and invited to comment on the proposal.

A meeting has been held with staff, residents and relatives of the home and the minutes of this meeting have been circulated to all participants and posted on the consultation webpage.

A summary of the consultation timetable and the responses to the consultation will be set out in the recommendation report.

Reason if Key Decision:

Commissioning of Integrated Domestic Abuse Support Services

Proposed decision: Procurement of an integrated Domestic Abuse Support Service and delegation of authority to the Corporate Director of Social Care, Health and Wellbeing, or other nominated officer, to commission the integrated service on behalf of its partners.

The proposed decision relates to Corporate Objectives as the provision of an integrated Domestic Abuse Service meets statutory responsibilities and supports Kent County Council's vision to:

- Tackle disadvantage
- Reduce avoidable demand on health and social care services
- Focus on improving lives by ensuring that every penny spent in Kent is delivering better outcomes for Kent's residents, communities and businesses
- Enable adults in Kent to lead independent lives, safely in their own community

Financial Implications:

The total amount being spent in grants and contracts on Domestic Abuse at present is £3.2m; of this funding, £1.74m is in contracts delivering housing-related support. It is anticipated that, by pooling budgets and commissioning collaboratively, efficiencies can be made to deliver a greater range of interventions within the funding envelope, targeting prevention in escalation and a greater efficacy in the service. The full value of the contract is anticipated to be £1.93m.

Legal Implications:

Legal advice will be necessary to establish the necessary delegation of authority to enable the County Council to commission on behalf of its partners.

Equality Implications:

An equalities impact assessment will be necessary for any substantive change or

<p>diminution of service provision.</p> <p>An integrated approach, co-commissioned with key partners, will enable a more balanced provision across the county, address the inequity of provision and afford better value for money by reducing duplication</p>

Proposed Lease of West Kingsdown Children's Centre

This was abandoned in June 2015 as no decision was required at that stage.

It will now be considered at the meeting of the Property Sub-Committee on 12 April 2016.

Proposed decision: Approval for the County Council to take a new 99 year lease for continued use and occupation of the Children's Centre, at a peppercorn rent, from Rochester Diocesan Board. To facilitate the continued provision of the Children's Centre at its existing location. That authority is delegated to the Director of Property and Infrastructure Support to be authorised to finalise terms for this transaction.

The decision relates to BS4K and Corporate Objectives as it will enable the Children's Centre to remain within the County Council's control upon the completion of the Statutory transfer and Academy conversion of West Kingsdown CE Primary School on 1st April 2015. The proposal directly supports the following Bold Steps for Kent:-

- ensure all pupils meet their full potential,
- shape Education and skills provision around the needs of the Kent economy,
- improve services for the most vulnerable people in Kent,
- support families with complex needs and increase the use of community budgets.

Financial and Legal Implications:

The County Council has agreed to pay a rent of a peppercorn per annum, if demanded, throughout the term of the proposed lease.

The County Council has agreed to bear the Diocesan Board's legal costs upon completion of the lease; these are to be capped at £1,750 plus VAT.

Equality Implications:

Contract Extensions for Living Well/Ageing Well Services (Smoking Cessation, Health Checks, Health Trainers and Healthy Weight) to 31 March 2017	
<p>Proposed decision: To extend the current contracts for Living Well/Ageing Well services – Smoking Cessation, Health Checks, Health Trainers and Healthy Weight – to 31 March 2017, to allow for the development of transformative service models, prior to the competitive tendering of a new model.</p>	

How the decision relates to BS4K and Corporate Objectives:

In line with the Council's Strategic Framework, extending the existing contracts will allow for a focus on outcomes, whilst developing new services that will be based around the needs of the people of Kent.

Financial Implications: The Living Well/Ageing Well contracts that are proposed to be extended currently are as follows:

- Health Checks (currently expires October 2016)
- Healthy Weight (currently expires October 2016)
- Smoking Cessation (currently expires October 2016)
- Health Trainers (currently expires October 2016)

Legal Implications: The decision will require a single source tender to extend the existing contracts to 31st March 2017.

Equality Implications: None.

The matter is referred to in the Directorate's Business Plan/Medium Term Capital Programme.

DECISION DETAILS

Decision Maker: Cabinet Member for Adult Social Care & Public Health
Expected Date: Not before May 2016

FURTHER INFORMATION

CONSULTATION

The Adult Social Care and Health Cabinet Committee discussed the matter at its meeting on 10 March 2016 and the key points were noted as follows:

1. Mr Scott-Clark and Ms Sharp introduced the report and emphasised the need for a balance of intervention and prevention over the short and long-term to achieve sustainable health improvement, and for local authorities to be partners in this work. To support this partnership working, the County Council's procurement process had been aligned with those of its district council and NHS partners. An extension to the contract would be requested, to allow time to further develop this joint working.
2. Mr Scott-Clark and Ms Sharp responded to comments and questions from Members, as follows:-
 - a) the County Council wanted to implement its new adult health improvement model as soon as possible and wanted to make the procurement process for this as efficient as possible. It would spend

the extension time to clarify what could be delivered by current partnership working and what would need to be procured elsewhere or by other means; and

- b) the potential role of district council partners and the Kings Fund in identifying and addressing health improvement issues had not previously been drawn on, but the role of district councils in controlling licensing and housing would make a valuable contribution, and district council-run leisure facilities could also offer much to support health improvement projects in an area.

3. RESOLVED that the feedback from stakeholders since January and the opportunities for working jointly with partners on the re-commissioning of adult health improvement services be noted.

Other consultation planned or undertaken:

The transformation of services will be developed in partnership with key stakeholders, including the seven Local Health and Wellbeing Boards.

How the decision relates to BS4K and Corporate Objectives:

The decision to award the contract for a mobile voice and data provision will allow the Council to continue to use appropriate technology so that business units can continue to function efficiently to deliver services to the Citizens of

Kent.

Financial Implications: The decision to award the contract commits the Council to spend a minimum of approximately £1.3 million over 4 years.

Legal Implications: There are no legal implications

Equality Implications: There are no equality implications

There is no specific mention of the renewal in the Business Plan or Capital Programme as this forms part of the business as usual activities with ICT. This is the renewal of an existing arrangement.

<p>New Ways of Working Programme - Refurbishment of Avenue of Remembrance, Sittingbourne, and St Peter's House, Broadstairs</p>	
<p>Proposed decisions: That the Cabinet Member for Corporate and Democratic Services, agrees to award two building contracts to undertake the New Ways of Working Programme at (a) the Avenue of Remembrance, Sittingbourne (decision number 16/00044a) and (b) St Peter's House, Broadstairs (decision number 16/00044b), and delegates authority to the Director of Infrastructure, in consultation with the Cabinet Member for Corporate and Democratic Services, to finalise terms and enter into the necessary agreements.</p> <p>How the decisions relate to BS4K and Corporate Objectives: The future contract awards to refurbish and develop these key operational hub buildings will support the continued consolidation and operational efficiencies of office space in the East Kent region and ensure the presence of Key Office Hubs located in the Sittingbourne and Broadstairs areas to support and improve operational Social Care delivery. The decisions link in with other corporate programmes such as ICT's Unified Communications, Managed Print and Mass Data Storage projects and KCC's Customer Services Strategy and Organisational Development Plans.</p> <p>Financial Implications: The anticipated development costs for the projects are already included in the New Ways of Working Programme budget.</p> <p>These decisions are a key part of the New Ways of Working Strategy. Should this not proceed there will be a high risk that Property & Infrastructure Support will not fully achieve the Programme revenue savings currently budgeted, and the improvement to the safe and effective delivery of Social Care services in these areas are likely to be compromised. In addition the delivery of the refurbished and developed local hubs will facilitate future relocation of staff, and appropriate consultations will be undertaken as appropriate in conjunction with HR Directorate support.</p> <p>Legal Implications: There are no anticipated legal implications associated with the recommended proposals.</p> <p>Equality Implications: There has been significant staff consultation as part of the project planning to date and a detailed overarching communications plan has also been prepared to support the ongoing Programme implementation in the East Kent region. An initial Equalities Impact Assessment has been produced for the overall New Ways of Working Programme, which has been further developed specifically for the Avenue of Remembrance and St Peter's</p>	

House building, together with its KCC staff occupants and public users.
The matter is referred to in the Directorate's Business Plan/Medium Term Capital Programme.

FURTHER INFORMATION

CONSULTATION

The overarching New Ways of Working Programme, previously known as the New Work Spaces Programme, was submitted to the Policy and Resources Cabinet Committee in October 2012, Decision 12/01970, approved by Roger Gough on 01.02.2013.

These proposed decisions were discussed by the Property Sub-Committee on 12 April 2016. The outcome of that meeting will be included in the paperwork which the Cabinet Member will be asked to sign when taking the decisions.

Other consultation planned or undertaken: None

Decision number 16/00044a - The Avenue of Remembrance site is in the Swale Central electoral division, which is represented on the County Council by Lee Burgess and Roger Truelove.

Decision number 16/00044b - The St Peter's House site is in the Broadstairs and Sir Moses Montefiore electoral division, which is represented on the County Council by Alan Terry and Zita Wiltshire.

This is part of the overall New Ways of Working Programme, which affects the whole County.

A226/B255 St Clements Way, Dartford - Part of LGF Project	
<p>The A226 London Road and A206 St Clements Way roundabout junction is located on a key strategic route between Dartford and Gravesend and also provides access to the Bluewater and Crossways retail/commercial developments and links to the Dartford Crossing. St Clements Way also forms a key part of the Fastrack bus service and provides direct access to Greenhithe Station.</p> <p>The purpose of the scheme is to reduce traffic congestion, particularly during peak hours and to improve overall journey time reliability. This will be achieved by increasing the capacity of the St Clements Way/London Road roundabout. The provision of new bus lanes in each direction on St Clements Way will also improve existing bus journey times and assist the planned expansion of the Fastrack bus service.</p> <p>The site is very constrained by residential and commercial buildings and this has limited the footprint of the scheme to existing highway land or land which is under KCC's ownership or control. This includes a strip of land that has been secured through a Section 106 agreement for the adjacent development of St Clements Lakes to the southwest of the London Road roundabout and</p>	

an area of land that has been retained by KCC from the original construction of St Clements Way located to the west of St Clements Way.

The improvements will include an enlarged roundabout at the existing A226 London Road/A206 St Clements Way junction and a new bus lane in each direction between the London Road and Crossways Boulevard roundabouts.

- Options

A feasibility study into different junctions options was undertaken, and options considered included the following:

- Option A - Enlarged standard circular roundabout
- Option B - Fully signalised junction
- Option C - Enlarged oval shaped roundabout
- Option D - Signalised oval shaped roundabout

An earlier design option that had been considered by KCC in 2003 was the provision of a low headroom underpass for cars only. This was looked at as part of this assessment but was not considered viable due to the presence of a high water table, the length of underpass required would exceed the space available, construction costs and buildability issues.

The findings of the feasibility study showed that Option C - the enlarged oval roundabout gave the best results in achieving the increased capacity required to deal with current congestion issues and allow for future growth. Although predicted to be over capacity in 2035 this option presents the best overall balance for an improvement within a very constrained site and it is hoped that by 2035 other highway improvements in the area will have come forward to alleviate future pressure on the junction.

- How the proposed decision meets the objectives of 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015-2020)'

The scheme supports the objectives by reducing congestion, improving the highway infrastructure to provide more reliable journey times and improved public transport links and accessibility, to support Kent business growth and encourage economic activity to benefit the local and wider communities.

DECISION DETAILS

Decision Maker: Cabinet Member for Environment & Transport
Expected Date: Not before May 2016

FURTHER INFORMATION

CONSULTATION

Initial discussions have been held with officers of Dartford Borough Council during the feasibility stage of the design. A public engagement exercise is planned to be carried out with stakeholders and the local community following development of the outline design of the scheme.

The Environment and Transport Cabinet Committee will receive a report and discuss this matter on 4 May.

The electoral divisions affected are: Swanscombe and Greenhithe –Local Member, Peter Harman and Dartford East – Local Member, Penny Cole.

Initial views have been sought from the Members for Swanscombe and Greenhithe and Dartford East. Comments received will be shared with the Cabinet Member at the appropriate time.

The Kent Minerals and Waste Local Plan 2013-30	
Following the Planning Inspectorate's Examination of the Minerals and Waste Local Plan, to accept the Planning inspector's recommendations and recommend to Cabinet and Full council the adoption of the Plan.	
DECISION DETAILS	
Decision Maker: County Council Expected Date: Not before March 2016	
FURTHER INFORMATION	
CONSULTATION	

The preparation of the Plan has been the culmination of some 10 year's work with stakeholder engagement throughout the process.

Consultation to date has involved engagement and collaboration with communities, local organisations and businesses. Public consultation was held for each stage of the plan-making process. It has also been prepared in cooperation with Kent's districts, neighbouring authorities, parish councils and other minerals and waste planning authorities that may be affected by the strategies and policies of the Plan.

As part of the Local Plan preparation the Council has demonstrated that it has met the 'duty to cooperate' obligation as set out in the Localism Act (2011) and the National Planning Policy Framework (2012).

All Members are affected because the Plan contains the overarching strategy and planning policies for future planning decisions affecting the whole of the County.

Local Members have been notified at each stage of the preparation of the Plan. Most recently, members were notified of the Proposed Modifications consultations which ran between August and October 2015.

Cabinet previously endorsed the Pre-Submission Draft Kent Mineral and Waste Local Plan (MWLP) at the meeting held on 14 October 2013, prior to its submission to the Full Council on 12 December 2013 where it resolved to approve to submit the Plan to the Secretary of State subject to:

1. A six week period of public consultation;
2. No material objections being received during the public consultation; and
3. The Director of Planning and Environment being given delegated powers to approve any non-material changes to the MWLP in consultation with the Cabinet Member for Environment and Transport following on from the public consultation and to agree any amendments to the MWLP during the Examination in Public for submission to the appointed Planning Inspector, if these amendments are likely to resolve objections.

This will in turn enhance key sustainable transport links to employment, education and health care.</p> <p>Impacts / Costs and risks of proposed decisions:</p> <p>The transport strategies to be agreed all form part a key part of evidence base for the relevant Local Plan. These plans will be subject to and examination in public by and independent planning inspector during 2015. The appropriateness and deliverability of each strategy will be an important consideration in the inspector’s decision on the</p>	

soundness of the Plan as a whole.

The delivery of each transport strategy will be heavily dependent on securing funding contributions from development through the section 106 and Community Infrastructure Levy (CIL) processes, as KCC's Local Transport Plan funding allocation from Central Government is likely to be under sustained pressure from the foreseeable future. KCC will not be the charging authority therefore it will be reliant on each local council as the planning authority to allocate sufficient CIL revenue to the priority transport infrastructure projects identified in the strategy. The availability of CIL revenue will in turn be dictated by the phasing and extent of new development which will be influenced by a range of external factors.

Sandwich Highways Depot

Update 09/03/2015:
DEFERRED: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value is secured; surveys are being carried out with a view to marketing the site in the future dependent on the outcome of those surveys.

Latest Update:

19/05/2014: Decision due date changed from 23/12/2013 to 'Not before' 01/11/2014.
 REASON: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value for the site is secured. Options appraisal work is underway and this work is expected to take approx. 6 months, therefore an expected decision date is set for November.

 To seek approval to proceed with the disposal of the above site to raise a capital receipt which will be allocated to support the capital programme.

To seek approval to identify and progress with the acquisition of a new site for the service.

The Director of Property and Infrastructure Support will be authorised to finalise terms for both the disposal and acquisition of a new site.

This decision is needed to enable a modern highway service operation to be provided in the East Kent Area that is both reactive and responsive to changing demands. It directly supports 3 of the Bold Steps for Kent.

- Firstly it helps deliver the “Kent Environment Strategy” by the provision of new environmentally friendly facilities (e.g. grey water) via the construction technique with the eventual adaptation of new work practices within the new depot.
- Secondly it builds relations with key business sectors across Kent as the supply chain involved in such a project provides work to businesses of all sizes.
- Thirdly by the better siting and provision of facilities for the new depot it ensures that the most robust and effective public protection arrangements are in place for road management including bad weather response.

The impact of the decision is that full assessment of the potential disposal of the site can be explored within the market place to ensure that best value principles are adhered to. In tandem a full search and feasibility study will be undertaken to identify a new location for the alternative highways depot which satisfies the above objectives.
