

FORTHCOMING EXECUTIVE DECISIONS

15 May 2017 - 30 November 2017

This edition of the list of Forthcoming Executive Decisions supersedes ALL previous Editions

Published by Democratic Services

This list of Forthcoming Executive Decisions publicises all known decisions which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. Key decisions are marked clearly as such within the list.

Please use the contact details given to let us know your views or to request further information.

LIST OF FORTHCOMING EXECUTIVE DECISIONS

Each week the list of Forthcoming Executive Decisions is updated where there are additions, deletions or amendments to be made. Although Kent County Council aims to include all known decisions, statute requires that all Key decisions must be publicised in this way.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not included in the Policy Framework (Constitution Appendix 3) or significant changes to established policies
- (c) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the list helps the Council to programme its work and ensures compliance with the ‘Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) regulations 2012.

The list outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council’s web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been

taken, a copy of the Record of Decision will also be published on the Council's website. Paper copies will be made available by contacting Louise Whitaker (telephone 01622 694433 or email louise.whitaker@kent.gov.uk).

Former Shepway Resource Centre, Folkestone - Disposal

LATEST UPDATE:

19/05/2014 - Decision due date changed from 18/02/2014 to 01/08/2014.

REASON: The proposed decision to dispose of the Centre was delayed while internal processes were undertaken to ensure that no other suitable use could be found before disposal. This process is complete and the former resource centre will be placed on the market shortly. Responses from the market will be gauged after a period of approximately 3 months and a proposal for the site put forward at that time. The decision will be considered by the Property Sub-Committee or the Policy and Resources cabinet Committee before being taken by the Cabinet Member.

To seek approval to the disposal of the former Shepway Resource Centre following the marketing of the site

DECISION DETAILS

Re-location of KCC Services from Dover Gateway

Re-location of KCC services and commissioned services currently delivered from Dover Gateway to an alternative location.

The KCC services provided from Dover Gateway are:

- Kent Supported Employment
- Health Trainer Service
- Life Choice Independent Living
- Occupational Therapy Service
- Blue Badge Assessments
- Community Wardens
- Smoking Cessation
- Hi Kent
- KCC General Enquiries

This decision relates to the location from which these services are delivered no other changes are proposed. .

FURTHER INFORMATION

CONSULTATION

Between 21st March and 12th June, a public consultation was held on the future location of the KCC services currently accessed from the Dover Gateway. The consultation focussed on identifying how customers and our partners would be impacted if a decision was made to relocate KCC services from this Gateway in July 2017.

KCC welcomed feedback regarding the site identified in Dover for the potential relocation of services.

The public consultation included 5 drop in sessions where KCC staff were in the Gateway to answer questions. These were held on the following dates;

- Friday 1 April 10.30am to 12.30pm
- Monday 18 April 2pm to 4pm
- Tuesday 3 May 10.30am to 12.30pm
- Wednesday 18 May 10.30am to 12.30pm

16/00145 Freight Action Plan for Kent	
<p>The Freight Action Plan sets out what KCC has already achieved, the roles and responsibilities of the major stakeholders of freight traffic in Kent and outlines five key actions to help mitigate the negative impacts of road freight to the county which are as follows:</p> <ol style="list-style-type: none"> 1. To tackle the problem of overnight lorry parking in Kent. 2. To find a long term solution to Operation Stack. 3. To effectively manage the routing of HGV traffic to ensure that movements remain on the strategic road network for as much of its journey as possible. 4. To take steps to address problems caused by traffic to communities. 	

5. To ensure that KCC continues to make effective use of planning and development control powers to reduce the impact of freight traffic.

The policies and outcomes to be set out in the Freight Action Plan will align with the vision in 'Increasing Opportunities, improving Outcomes: KCC's Strategic Statement 2015-2020' and help achieve a number of supporting outcomes:

- Ensuring Kent residents enjoy a good quality of life.
- Ensuring Kent's physical and natural environment is protected, enhanced and enjoyed by Kent residents and visitors.

Introducing measures to reduce the negative impacts of road freight on communities should improve resident quality of life. This can be further achieved working with partners to mitigate against these impacts.

16/00096 - Kent and Medway Prison-based Drug and Alcohol Services	
Proposed decision: To award the contract for Kent and Medway Prison Based	

Drug & Alcohol Services to a provider decided by competitive tender, with the contract to commence on 2nd October 2017.

How the decision relates to BS4K and Corporate Objectives: The decision will support corporate objectives by completing a planned and well-managed competitive tendering of the East Kent Drug and Alcohol service. This will ensure services are commissioned in line with identified need, to deliver corporate priorities on prevention, improved public health and better value for money.

Financial Implications: In excess of £20m over the life of the contract

Legal Implications: None

Equality Implications: None.

The matter is referred to in the Directorate Business Plan/Medium Term Capital Programme.

17/00030 (a) (b) & (c) - Community Support Services - contract continuations

To continue service provision under existing contracts for the following community support services:

- a) Supporting Independence Service (SIS)
- b) Homecare
- c) Housing Related Support (HRS), including services for:
 - o Older Persons Housing Related Support and Community Alarms
 - o People with Learning and/or Physical Disabilities
 - o Home Improvement Agencies

People with Mental Health Needs; (Homelessness and Offenders)

It was originally envisaged that all three services would be included in one decision but, owing to timing issues, the Housing Related Support element (Part (c)) was taken 22/03/2017 with parts (a) and (b) to follow before June 2017.

Given the freedoms set out in the Care Act 2014, since these contracts started, and the Council's strategy for adult social care, 'Your Life Your Wellbeing', there is now an opportunity to move to greater integration with health services. To achieve this, it is desirable to extend these services' contracts to a single end date.

This will help achieve the corporate objectives of:

- Strategic Outcome
- Older and vulnerable residents are safe and supported with choices to live independently

Supporting Outcomes

- Those with long term conditions are supported to manage their conditions through access to good quality care and support
- People with mental health issues and dementia are assessed and treated earlier and are supported to live well
- Families and carers of vulnerable and older people have access to the advice, information and support they need
- Older and vulnerable residents feel socially included
- More people receive quality care at home avoiding unnecessary admissions to hospital and care homes
- The health and social care system works together to deliver high quality community services
- Residents have greater choice and control over the health and social care services they receive

Your Life Your Wellbeing - providing the strategic direction to move towards

full integration with the NHS by 2020.

DECISION DETAILS

the Housing Related Support element (Part (c)) was discussed by the Adult Social Care and Health Cabinet Committee on 14 March 2017 and the outcome of that meeting included in the Record of Decision which the Cabinet Member signed when the decision was taken on 22 March 2017.

Parts (a) and (b) will be discussed by the Adult Social Care and Health Cabinet Committee on prior to being taken

Other consultation planned or undertaken:

- Full consultation and engagement for Your Life Your Wellbeing
- Provider engagement on Transformation of Adult Social Care
- Future engagement with the market and service users will be undertaken regarding the new services as this will be crucial to the success of transformation and integration.

17/00040 - Delivery of construction projects under the Priority School Building Programme Round 2 at Swadelands School, Lenham and Benenden C of E Primary School, Benenden, on behalf of the Education Funding Agency.

The Education Funding Agency (EFA) approached Kent County Council to deliver construction projects approved under the Priority Schools Building Programme Round 2. Projects at Swadelands School, Lenham and Benenden C of E Primary School are the two initial schemes to be delivered. Further schemes are under discussion and further decisions regarding additional projects will be required in due course.

The Education Funding Agency will provide the appropriate level of funding relating to the Priority School Building Programme Round 2 projects. A detailed Business Case will be provided to the EFA and a Funding Approval letter will be issued confirming the extent of funding to be provided. The construction specification will follow the requirements laid down by the EFA within the Priority School Building Programme.

There is a budget allocation within the Budget Book relating to the Priority School Building Programme, which was agreed to cover additional costs for Basic Need expansions; relocation of existing services and associated costs within both Priority Schools Building Programme Round 1 and 2.

The Swadelands School, Lenham requires the replacement of the current Science classroom building, which is of poor condition and undersized for the requirements of the school. The EFA have approved the detailed design.

KCC will be provided with a Project Support Grant by the EFA to undertake these projects directly. The Project Support Grant provides for feasibility and

survey costs, together with Project Management costs associated with delivery of each scheme.

NOT BEFORE MAY BY CABINET MEMBER

Reference No: 16/00120	Key Yes
Reason if Key Decision:	
16/00120 Sub National Transport Board for the South-East	
KCC Membership of a shadow Sub- National Transport Body for the South East known as Transport for the South East (TfSE)	

The Cities and Local Government Devolution Act makes provision for the establishment and constitution of Sub-National Transport Bodies (SNTBs) for any area in England (outside of Greater London). An SNTB can prepare a Transport Strategy for an area which would set out proposals for the promotion and encouragement of safe, sustainable, integrated, efficient and economic strategic transport facilities and services to and from the area of the SNTB.

The South East Seven (SE7) Councils (Kent, East Sussex, West Sussex, Hampshire and Surrey County Councils, and Brighton & Hove City Council and Medway Council) and the Local Enterprise Partnerships (LEPs) that represent the area have discussed the establishment of an SNTB for the South East, to be called Transport for the South East (TfSE). A TfSE on this geographic scale would fulfil the DfT's minimum geographic size requirements. Discussions will shortly commence with Portsmouth, Southampton and the Isle of Wight and the Solent LEP about joining TfSE.

The proposed TfSE would enable authorities to influence national and regional infrastructure providers, helping to secure the infrastructure required to support continuing economic growth. A TfSE would see Government, South East Transport Authorities and/or Combined Authorities and LEPs working together with Highways England, Network Rail and port, airport and bus operators. TfSE would require strategic transport providers to take account of its priorities.

TfSE would provide a mechanism for the area to speak with a strong, common voice on transport infrastructure and provide a single platform for strategic transport and infrastructure issues, giving partners greater, and potentially direct, influence over decisions that are currently made elsewhere. Its key outcome will be the development of a single, strategic transport infrastructure framework which would align the investment programmes from key agencies, such as Highways England, Network Rail and the LEPs.

Options

- Do nothing and not engage in the development of the SNTB for the Southeast.
- Set up the SNTB for Kent and Medway, but this would not be supported by DfT
- Engage in the development of the Shadow SNTB Board and Transport Strategy for the Southeast

How the proposed decision meets the objectives of 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015-2020)'

The cornerstone of TfSE is the Transport Strategy. It will build upon existing Local Transport Plans, including Kent's *Local Transport Plan 4: Delivering Growth without Gridlock*, currently out to consultation, and evidence already in place amongst the constituent Authorities, including the LEP's Strategic Economic Plans and growth and infrastructure frameworks/studies being undertaken by a number of upper-tier Authorities, including the *Kent and Medway Growth and Infrastructure Framework*. In this way, the decision

would support the Council's second strategic outcome, "Communities benefit from economic growth by being in work, healthy and enjoying a good quality of life."

Financial Implications

It is estimated that appropriate support for developing the shadow SNTB and the overarching Transport Strategy would total £200,000 of which KCC's contribution is £20,000.

Legal Implications

There are no direct legal implications of the recommendations in this report, although should an TfSE SNTB be established by the Secretary of the State following the work set out in this report, then there would be legal implications arising from the establishment of the SNTB which itself would be a body corporate.

Equalities implications

There are no equality implications to establish the Shadow TfSE

CONSULTATION

FURTHER INFORMATION

This proposal will help "to ensure that Kent's young people have access to the education....necessary to support Kent business to grow ..." as set out in 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015 - 2020)' and supports delivery of KCC's responsibility to provide sufficient, high quality places where they are needed as set out in the 'Commissioning Plan for Education Provision in Kent 2016-2020'

Financial Implications: Will be set out in the report that will be considered by the Children's, Young People and Education Cabinet Committee.

Legal Implications: Any legal implications will be identified in the report that will be considered by the Children's, Young People and Education Cabinet Committee

Equality Implications: An Equality Impact Assessment has been produced and can be viewed here: www.kent.gov.uk/schoolconsultations .

CONSULTATION

The Commissioning Plan for Education Provision 2016-20 identified Marden as an area of future need and Marden Primary School was therefore proposed for expansion to meet that predicted demand. The Plan was considered and endorsed by the Education and Young People's Services Cabinet Committee on 15 December 2015 prior to the final version being considered and approved by Cabinet on 21 March 2016.

A public consultation commenced on 23 September 2016 and closed on 21 October 2016. Further information is available on the School Consultation webpage: www.kent.gov.uk/schoolconsultations

The outcome of the consultation was due to be reported to Education and Young People's Services Cabinet Committee on 23 November. The report was deferred, pending further discussions on the design and planning process and will be considered by the Cabinet Committee at its meeting scheduled for 22 June 2017

Reference to the land has been removed from this issue but the 28 day statutory publication for the intention is deemed to have been fulfilled as part of this original entry.

Approval is sought for the Director of Property and Infrastructure Support to progress with and enter into the necessary documentation to complete the disposal of Dumpton Park Drive, Broadstairs and Freeman's Way, Deal in consultation with the Cabinet Member for Corporate and Democratic Services.

Stock Lane, Wilmington, previously listed as part of this decision has been withdrawn.

London Road, Westerham, previously listed as part of this decision has been deleted and is now at 14/00068(a)

This decision will secure a capital receipt to fund the capital programme and to streamline the Council's property portfolio in order to achieve financial and efficiency benefits in line with the Property Policy.

The impact of the decision will be that the receipt will be achieved as quickly as possible should planning permission be granted, to ensure that the capital programme is delivered and to minimise holding costs. Without the decision, KCC will be unable to respond to offers in a timely fashion without losing the prospective purchaser. This would affect the delivery of the capital programme and increase holding costs.

Local Transport Strategies - Approval - Various.

Update July 2015
Decision taken

Update June 2015
Proposed decision published for comment 24 June 2015

Update April 2015
Decision considered and endorsed by the April 2015 Environment and Transport Cabinet Committee

Decision deferred as issues brought to the attention of the Cabinet Member during the proposed decision publication period are resolved.

Update 17 February 2015:
Proposed decision to endorse the principles set out in the Canterbury Local Transport Plan published.

Update 4 February 2015:
The Canterbury Local Transport Strategy was considered and the principle endorsed by the Environment and Transport Cabinet Committee in December 2014. A formal decision will now be taken by the Cabinet Member which will set out the terms of the support for the strategy.

To agree various local transport strategies.

The strategies will 'Help the 'Kent Economy Grow' and 'Tackle Disadvantage' by managing congestion in town centres, improving the reliability of journey times for commuters and visitors and managing freight journeys more successfully. This will in turn enhance key sustainable transport links to employment, education and health care.

Impacts / Costs and risks of proposed decisions:

The transport strategies to be agreed all form part a key part of evidence base for the relevant Local Plan. These plans will be subject to and examination in public by and independent planning inspector during 2015. The appropriateness and deliverability of each strategy will be an important consideration in the inspector's decision on the soundness of the Plan as a whole.

The delivery of each transport strategy will be heavily dependent on securing funding contributions from development through the section 106 and Community Infrastructure Levy (CIL) processes, as KCC's Local Transport Plan funding allocation from Central

Government is likely to be under sustained pressure from the foreseeable future. KCC will not be the charging authority therefore it will be reliant on each local council as the planning authority to allocate sufficient CIL revenue to the priority transport infrastructure projects identified in the strategy. The availability of CIL revenue will in turn be dictated by the phasing and extent of new development which will be influenced by a range of external factors.

DECISION DETAILS

Decision Maker: Cabinet Member for Environment & Transport
Expected Date: Between February 2015 and February 2017

FURTHER INFORMATION

The decisions are likely to be significant in terms of their effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority.

CONSULTATION

Canterbury LTS:

The Canterbury LTS was considered by the Canterbury JTB in October 2014 and the KCC Environment and Transport Cabinet Committee in December 2014.

Eden Centre Lease

LATEST UPDATE:
19/05/2014 - Decision due date changed from 01/03/2014 to 01/01/2015.
REASON: The decision remains at the earliest stages of investigation and options appraisal. A further review will take place in January 2015 when a decision pathway will be identified and the proposed decision updated further.

To seek agreement to the principle of granting a long lease to a charitable community interest company or similar vehicle, of The Eden Centre, Four Elms Road, Edenbridge.

The proposal directly links to Bold Steps for Kent, putting the citizen in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen's Advice Bureau and House (West Kent Action), to support Kent's more vulnerable

citizens.

The impact of the decision will be that KCC will have less control of the management and operation of the centre as they would become the responsibility of a third party.

Risks identified are:

- Reliance on the professionalism of the trustees to deliver a successful facility, agreeing with all partners a financial model for the charitable vehicle
- Reputational damage to KCC if the charitable vehicle were to fail
- Obtaining buy in from all community groups in occupation to form trust
- Untried and untested model
- Level of income generation from the centre which could go to the charitable vehicle is currently unknown as a new facility
- Continued KCC ownership of a non-core asset
- Officers may be unable to get agreement from stakeholders, charitable vehicle does not prove financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).
