

FORTHCOMING EXECUTIVE DECISIONS

13 November 2017 - 31 May 2018

This edition of the list of Forthcoming Executive Decisions supersedes ALL previous Editions

Published by Democratic Services

This list of Forthcoming Executive Decisions publicises all known decisions which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. Key decisions are marked clearly as such within the list.

Please use the contact details given to let us know your views or to request further information.

LIST OF FORTHCOMING EXECUTIVE DECISIONS

Each week the list of Forthcoming Executive Decisions is updated where there are additions, deletions or amendments to be made. Although Kent County Council aims to include all known decisions, statute requires that all Key decisions must be publicised in this way.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not included in the Policy Framework (Constitution Appendix 3) or significant changes to established policies
- (c) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the list helps the Council to programme its work and ensures compliance with the ‘Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) regulations 2012.

The list outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council’s web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been

taken, a copy of the Record of Decision will also be published on the Council's website. Paper copies will be made available by contacting Louise Whitaker (telephone 01622 694433 or email louise.whitaker@kent.gov.uk).

<p>Reference No: Every admission authority must, before the beginning of each school year, determine the admission arrangements which are to apply for that year 7. Local authorities are required to publish admission arrangements for all maintained schools in their area. It is the duty of a governing body of a community or voluntary controlled school, for which a local authority is the admissions authority, to implement any decision relating to the admission of pupils taken by the admission authority. Similarly, the governing body of a voluntary aided or foundation school must implement a decision of the local authority, made under the relevant coordinated admission arrangements, whether a child should be granted or refused admission to the school. 17/00102 - New contract for the delivery of Supported Accommodation for older Children in Care, Care Leavers and Homeless 16/17 Year Olds	
Proposed decision to award short-term interim contracts to continue to deliver housing-related support services vulnerable young people from 1 April 2018 to 30 September 2018, award a new contract for a Supported Accommodation service from October 2018, and delegate authority to the Corporate Director of Social Care, Health and Wellbeing, or other nominated officer, to undertake the necessary actions to implement the decision.	
DECISION DETAILS	
Decision Maker: Cabinet Member for Children, Young People and Education Expected Date: Not before December 2017	
FURTHER INFORMATION	
An EQIA assessment for the wider 16-25 Accommodation Programme has been undertaken. A supplementary EQIA to focus on this specific action has been completed. An EQIA assessment has been completed in relation to the Adults commissioning plan and it will be updated to include vulnerable young people 18+.	
CONSULTATION	
The proposed decision will be discussed at the Children's, Young People and Education Cabinet Committee on 22 November 2017. KCC has sought views on different ways to deliver services to meet these outcomes through the public consultation 'Proposed Changes to Kent's Supported Accommodation and Floating Support Services' between Monday 30 November 2015 and Monday 8 February 2016. A consultation exercise will be carried out with all stakeholders jointly with Adult commissioning.

17/00114 Sandwich Open Golf: Capital Infrastructure Works - Sandwich Railway Station

The Open is a prestigious sporting event that independent research demonstrates brings significant economic benefits to the area in which the event is held, due to the global profile it provides for the area and the resulting interest from international business and spectators.

The last time Kent hosted The Open in 2011, it generated a £77m benefit to the Kent economy, of which £24.14m was direct additional spend. The event is forecast to grow from 180,000 spectators in 2011 to at least 200,000 spectators in 2020, and will be able to accommodate an even higher number of visitors in future years beyond 2020 owing to the layout of the course. That economic impact is therefore forecast to grow. In 2020, the economic impact is forecast to be in excess of £85m, of which at least £26.8m is forecast to be direct additional spend.

The Open primarily meets two of the strategic outcomes described in Increasing Opportunities, Improving Outcomes; 'All Kent's communities benefit from economic growth and lower levels of deprivation'; and 'Kent residents enjoy a good quality of life, and more people benefit from greater social, cultural and sporting opportunities'.

Permanent infrastructure at Sandwich Railway Station has been identified as providing best value for money. KCC is contributing £250,000 towards that cost, and underwriting the £1.025m contribution of SELEP between and subject to PAG on 02/11/17 and SE LEP Accountability Board on 17/11/17.

CONSULTATION

A series of local working groups, including one with the local businesses and communities, are in the process of being established. A number have already met.

Cabinet Committee consultation planned or undertaken. If planned – which meeting do you wish to attend:

The Growth, Economic Development and Communities Cabinet Committee considered The Open in March 2017 and resolved that

- The announcement by the Royal and Ancient Golf Club to host The Open 2020 at Royal St Georges be welcomed; and
- The work underway to deliver the associated transport improvements at Sandwich Station was noted.

Which Divisions / Local Members are particularly affected:

Sandwich, Local Member: Cllr Sue Chandler

Have views been sought from local members? If not please confirm that they will be sought and included in any report to Cabinet Committee / Cabinet Member.

Engagement to date has been predominantly with the Cabinet Members and Dover District Council as the lead local authority on The 2020 Open. Cllr Nigel Collor is a KCC Councillor for Dover District and is directly involved in this project by Chairing the Silver Executive (through his portfolio role at DDC).

Reference No: The County Council has a legal obligation under Town and Country Planning legislation to prepare a statutory Development Plan. The County Council is also required by national planning policy to ensure that local plans promote sustainable minerals and waste development. Key Yes Reason if Key Decision: An equality impact assessment has been completed and no equality implications have been identified.
17/00111 - Kent Minerals and Waste Local Plan 2013 - 30 - Partial Review, Minerals Sites Plan Options and Local Development Scheme	
The Kent Minerals and Waste Local Plan 2013-30 (KMWLP) was adopted by the County Council in July 2016. The adopted KMWLP includes the strategy and policy framework for minerals and waste development in Kent and sets out future capacity and supply requirements. The KMWLP commits the	

Council to preparing 'Sites Plans' which allocate land suitable for minerals and waste development.

The Mineral Sites Plan will allocate sites in Kent for the types of minerals development needed to fulfil the vision and objectives of the KMWLP. Work to identify sites has been undertaken and subject to detailed technical assessment (including Sustainability Appraisal) and public consultation, nine sites (out of 21) are considered potentially suitable for allocation in the Minerals Sites Plan. In summary, these sites relate to two sites for soft sand extraction and nine sites for the extraction of sharp sands and gravel.

Public consultation is to be undertaken on the Minerals Sites Plan Options 2017 consultation document in line with Regulation 18 of the Town and Country Planning (Local Planning) (England) Regulations 2012 and the County Council's Statement of Community Involvement. This will inform the final selection of sites for inclusion in the emerging Minerals Sites Plan that Members will be asked to agree in 2018.

DECISION DETAILS

Decision Maker: Deputy Leader and Cabinet Member for Strategic Commissioning and Public Health
Expected Date: Not before November 2017

FURTHER INFORMATION

An equality impact assessment has been completed and no equality implications have been identified.

CONSULTATION

All mineral site options and the content of the early partial review have been discussed with the Informal Members Group for the KMWLP appointed by the Cabinet Member.

Consultation was undertaken with the waste industry active within Kent, as well as neighbouring waste planning authorities on the need to review the waste management capacity requirements. All parties were invited to consider the County Council's revised waste evidence and to make representations. All responses were considered and no representation justified the need for the County Council to reconsider the conclusions of the review of the waste management capacity requirements.

A minimum 12 week public consultation period is to take place on the Mineral Sites Plan Options and the Partial Review of the KMWLP post consideration by the Environment and Transport Cabinet Committee and the Cabinet Member. This will include members of the public and communities in the vicinity of the sites, parish and district councils, statutory bodies, local interest groups, in addition to mineral operators and those having previously made representations on the KMWLP. This will aid work on the next phase of the plan making process, including work on the detailed technical assessments of the mineral sites.

This will be considered at the Environment & Transport Cabinet Committee on 30th November 2017.

17/00097 - Commissioning Health and Social Care in Prisons

Joint commissioning and procurement of a health and social care service for Kent's prisons with NHS England.

How the decision relates to Corporate Objectives:

The proposed decision relates to Corporate Objectives as the provision of a jointly commissioned health and social care service in prisons meets statutory responsibilities and supports Kent County Council's vision to:

- Tackle disadvantage
- Reduce avoidable demand on health and social care services
- Focus on improving lives by ensuring that every penny spent in Kent is delivering better outcomes for Kent's residents, communities and businesses
- Enable adults in Kent to lead independent lives, safely in their own community (or establishment)

Detailed scheme design will consider equalities aspects.

17/00086 - A20 Harrietsham Traffic Management Scheme

Harrietsham is identified in the emerging Maidstone Borough Local Plan as a rural service centre suitable for new housing development. The majority of the existing settlement is located to the north of the A20 corridor, whereas all 3 of the new housing development sites are to the south of the A20. During 2014/15 JMP Transport Consultants, working under a commission to Maidstone Borough Council, produced an outline design and costing for a scheme to narrow the A20 carriageway, create new footways and pedestrian crossing points and lower the speed limit from 40mph to 30mph with new gateway features at each end of the village. The construction costs were estimated by JMP at £1,105,189. The key aim of the scheme is to reduce the severance effect of the A20 and improve permeability between the new development sites and the existing housing and village centre. MBC has granted planning permissions to the housing sites on the basis that each makes proportionate S106 contributions to the Council. Payments will then be passed to Kent County Council to implement the scheme. To keep disruption to a minimum, the intention is that the scheme would be implemented in its entirety once all of the contributions have been received, rather than as a phased construction. MBC have now received a payment of £403k from the first site to reach its trigger point and a further payment is now due. Consequently KCC now has the necessary funding in place to begin to progress the scheme through design.

The scheme has been the subject of a resident petition that was submitted at the 12th July 2017 meeting of the Maidstone Joint Transportation Board, which urges the authorities to ensure that elements of the scheme are in place prior to developments being occupied.

This key decision seeks approval to review the outline design, including updated costs, and to commence detailed design work with a view to construction once the final contributions have been received. It is envisaged that public engagement on the scheme layout will be carried out during 2017/18, a report will be presented to Maidstone JTB to advise on feedback and potential amendments including any related mitigation measures.

The scheme meets KCC policy objectives of supporting existing businesses

and encouraging economic activity with housing growth and job creation by reducing congestion and improving infrastructure and accessibility.

<p>Reference No: The ‘District Deal’ is not a legally binding document – it is a statement of political intent to tackle a range of project delivery challenges and to improve the ways the two Councils operate together.</p>	<p>Key Yes Reason if Key Decision: There are no equalities impacts arising from the proposed decision.</p>
<p>17/00063 - Ashford District Deal Refresh</p>	
<p>The Borough Council and the County Council enjoy good relations at a political and operational level and have achieved much working together on a wide variety of projects in recent years. However, both are complex organisations, each with its own procedures and priorities and inevitably operational issues crop up which could be tackled better and faster.</p> <p>The District Deal signed in 2015 is not a legally binding agreement but a short, clear statement of the Councils’ shared commitment to work together in key areas.</p> <p>The Deal has two main parts:</p> <ul style="list-style-type: none"> • A commitment to focus the combined efforts of both councils on delivering key strategic projects; • An agreement to improve the way the Council’s work together to make sure that we deliver the best quality outcomes possible for residents and businesses <p>The original Deal focused on the “Big 8” projects in Ashford, a series of regeneration projects across the district in which the two Councils are working together to deliver more effectively, as well as new ways of working across a range of agendas.</p> <p>This focus has helped to deliver several projects where both Councils share an interest – achieving the funding needed for both the Ashford station signalling and for M20 junction 10a; and signing the legal agreements to bring forward development at Chilmington Green are all prime examples.</p> <p>In addition to these projects, there were several examples of improved operational working. There are other areas where lessons have been learned and are being applied to improve working. In some areas of both Councils the District Deal is not fully understood and hence does not always attract the priority it deserves.</p>

NOT BEFORE JUNE BY CABINET MEMBER

Reference No: 16/00120

Key Yes
Reason if Key Decision:

16/00120 Sub National Transport Board for the South-East

KCC Membership of a shadow Sub- National Transport Body for the South East known as Transport for the South East (TfSE)

The Cities and Local Government Devolution Act makes provision for the

establishment and constitution of Sub-National Transport Bodies (SNTBs) for any area in England (outside of Greater London. An SNTB can prepare a Transport Strategy for an area which would set out proposals for the promotion and encouragement of safe, sustainable, integrated, efficient and economic strategic transport facilities and services to and from the area of the SNTB.

The South East Seven (SE7) Councils (Kent, East Sussex, West Sussex, Hampshire and Surrey County Councils, and Brighton & Hove City Council and Medway Council) and the Local Enterprise Partnerships (LEPs) that represent the area have discussed the establishment of an SNTB for the South East, to be called Transport for the South East (TfSE). A TfSE on this geographic scale would fulfil the DfT's minimum geographic size requirements. Discussions will shortly commence with Portsmouth, Southampton and the Isle of Wight and the Solent LEP about joining TfSE.

The proposed TfSE would enable authorities to influence national and regional infrastructure providers, helping to secure the infrastructure required to support continuing economic growth. A TfSE would see Government, South East Transport Authorities and/or Combined Authorities and LEPs working together with Highways England, Network Rail and port, airport and bus operators. TfSE would require strategic transport providers to take account of its priorities.

TfSE would provide a mechanism for the area to speak with a strong, common voice on transport infrastructure and provide a single platform for strategic transport and infrastructure issues, giving partners greater, and potentially direct, influence over decisions that are currently made elsewhere. Its key outcome will be the development of a single, strategic transport infrastructure framework which would align the investment programmes from key agencies, such as Highways England, Network Rail and the LEPs.

Options

- Do nothing and not engage in the development of the SNTB for the Southeast.
- Set up the SNTB for Kent and Medway, but this would not be supported by DfT
- Engage in the development of the Shadow SNTB Board and Transport Strategy for the Southeast

How the proposed decision meets the objectives of 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015-2020)'

The cornerstone of TfSE is the Transport Strategy. It will build upon existing Local Transport Plans, including Kent's *Local Transport Plan 4: Delivering Growth without Gridlock*, currently out to consultation, and evidence already in place amongst the constituent Authorities, including the LEP's Strategic Economic Plans and growth and infrastructure frameworks/studies being undertaken by a number of upper-tier Authorities, including the *Kent and Medway Growth and Infrastructure Framework*. In this way, the decision would support the Council's second strategic outcome, "Communities benefit

from economic growth by being in work, healthy and enjoying a good quality of life.”

Financial Implications

It is estimated that appropriate support for developing the shadow SNTB and the overarching Transport Strategy would total £200,000 of which KCC's contribution is £20,000.

Legal Implications

There are no direct legal implications of the recommendations in this report, although should an TfSE SNTB be established by the Secretary of the State following the work set out in this report, then there would be legal implications arising from the establishment of the SNTB which itself would be a body corporate.

Equalities implications

There are no equality implications to establish the Shadow TfSE

DECISION DETAILS

Decision Maker: Leader and Cabinet Member for Traded Services and Health Reform

Expected Date: Not before June 2017

FURTHER INFORMATION

CONSULTATION

Before progressing a proposal for an SNTB, the constituent authorities must consult on the boundary proposals and it is proposed that the shadow SNTB undertakes this consultation.

The proposal is being discussed at the meeting of the Environment and Transport Cabinet Committee on 17 November 2016

DECISION DETAILS

Decision Maker: Cabinet Member for Adult Social Care

Expected Date: Not before April 2017

FURTHER INFORMATION

This decision will maintain continuity of service to people with protected characteristics. No adverse implications are expected and an Equality Impact assessment will be undertaken as part of the recommendation report.

CONSULTATION

It was originally envisaged that all three services would be included in one decision but, owing to timing issues, part (a) was taken 22/03/2017 with parts (b) and (c) to follow before June 2017.

The Housing Related Support element (Part (a)) was discussed by the Adult Social Care and Health Cabinet Committee on 14 March 2017 and the outcome of that meeting included in the Record of Decision which the Cabinet Member signed when the decision was taken on 22 March 2017.

Parts (b) and (c) were discussed by the Adult Social Care Cabinet Committee on 9 June 2017, and the outcome of that meeting included in the paperwork which the Cabinet Member has now signed.

Other consultation planned or undertaken:

- Full consultation and engagement for Your Life Your Wellbeing
- Provider engagement on Transformation of Adult Social Care
- Future engagement with the market and service users will be undertaken regarding the new services as this will be crucial to the success of transformation and integration.

Reference to the land has been removed from this issue but the 28 day statutory publication for the intention is deemed to have been fulfilled as part of this original entry.

Approval is sought for the Director of Property and Infrastructure Support to progress with and enter into the necessary documentation to complete the disposal of Dumpton Park Drive, Broadstairs and Freeman's Way, Deal in consultation with the Cabinet Member for Corporate and Democratic Services.

Stock Lane, Wilmington, previously listed as part of this decision has been withdrawn.

London Road, Westerham, previously listed as part of this decision has been deleted and is now at 14/00068(a)

This decision will secure a capital receipt to fund the capital programme and to streamline the Council's property portfolio in order to achieve financial and efficiency benefits in line with the Property Policy.

The impact of the decision will be that the receipt will be achieved as quickly as possible should planning permission be granted, to ensure that the capital programme is delivered and to minimise holding costs. Without the decision, KCC will be unable to respond to offers in a timely fashion without losing the prospective purchaser. This would affect the delivery of the capital programme and increase holding costs.

Lawn Primary School, Gravesend - New Playing Field

Update 01 February 2017: Officers have confirmed that the decision is still 'live' and that KCC continue to work with the landowner regarding use of the land and any consequential s106 arrangements. The process is expected to be lengthy and is likely to be ongoing for the duration of 2017.

The Cabinet Member will be asked to agree that KCC take a long lease of 99 years at a nominal rent from Lafarge to facilitate expansion of school roll. Lafarge to create new playing field and to maintain subsoil thereafter. The Playing Field is being delivered as part of a s106 Agreement being a contribution to mitigate the impact of adjacent development of 510 homes upon Lawn Primary School and free up space on the existing Lawn PS site to enable expansion of the existing school buildings from 1FE to 2FE.

CONSULTATION

The Commissioning Plan for Education Provision 2016-20 identified Marden as an area of future need and Marden Primary School was therefore proposed for expansion to meet that predicted demand. The Plan was considered and endorsed by the Education and Young People's Services Cabinet Committee on 15 December 2015 prior to the final version being considered and approved by Cabinet on 21 March 2016.

A public consultation commenced on 23 September 2016 and closed on 21 October 2016. Further information is available on the School Consultation webpage: www.kent.gov.uk/schoolconsultations

The outcome of the consultation was due to be reported to Education and Young People's Services Cabinet Committee on 23 November. The report was deferred, pending further discussions on the design and planning process and will be considered by the Cabinet Committee at its meeting scheduled for 22 June 2017

Sandwich Highways Depot	
<p>Update 09/03/2015: DEFERRED: The disposals team at KCC are currently working on new</p>	

plans for the site in order to ensure that the maximum value is secured; surveys are being carried out with a view to marketing the site in the future dependent on the outcome of those surveys.

Latest Update:

19/05/2014: Decision due date changed from 23/12/2013 to 'Not before' 01/11/2014. REASON: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value for the site is secured. Options appraisal work is underway and this work is expected to take approx. 6 months, therefore an expected decision date is set for November.

To seek approval to proceed with the disposal of the above site to raise a capital receipt which will be allocated to support the capital programme.

To seek approval to identify and progress with the acquisition of a new site for the service.

The Director of Property and Infrastructure Support will be authorised to finalise terms for both the disposal and acquisition of a new site.

This decision is needed to enable a modern highway service operation to be provided in the East Kent Area that is both reactive and responsive to changing demands. It directly supports 3 of the Bold Steps for Kent.

- Firstly it helps deliver the “Kent Environment Strategy” by the provision of new environmentally friendly facilities (e.g. grey water) via the construction technique with the eventual adaptation of new work practices within the new depot.
- Secondly it builds relations with key business sectors across Kent as the supply chain involved in such a project provides work to businesses of all sizes.
- Thirdly by the better siting and provision of facilities for the new depot it ensures that the most robust and effective public protection arrangements are in place for road management including bad weather response.

The impact of the decision is that full assessment of the potential disposal of the site can be explored within the market place to ensure that best value principles are adhered to. In tandem a full search and feasibility study will be undertaken to identify a new location for the alternative highways depot which satisfies the above objectives.

Eden Centre Lease

LATEST UPDATE:

19/05/2014 - Decision due date changed from 01/03/2014 to 01/01/2015.

REASON: The decision remains at the earliest stages of investigation and options appraisal. A further review will take place in January 2015 when a decision pathway will be identified and the proposed decision updated further.

To seek agreement to the principle of granting a long lease to a charitable community interest company or similar vehicle, of The Eden Centre, Four Elms Road, Edenbridge.

The proposal directly links to Bold Steps for Kent, putting the citizen in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen's Advice Bureau and House (West Kent Action), to support Kent's more vulnerable citizens.

The impact of the decision will be that KCC will have less control of the management and operation of the centre as they would become the responsibility of a third party.

Risks identified are:

- Reliance on the professionalism of the trustees to deliver a successful facility, agreeing with all partners a financial model for the charitable vehicle
- Reputational damage to KCC if the charitable vehicle were to fail
- Obtaining buy in from all community groups in occupation to form trust
- Untried and untested model
- Level of income generation from the centre which could go to the charitable vehicle is currently unknown as a new facility
- Continued KCC ownership of a non-core asset

- Officers may be unable to get agreement from stakeholders, charitable vehicle does not prove financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).
