## **FORWARD PLAN OF DECISIONS**

**7 June 2018 - 31 October 2018**

**This Edition of the Forward Plan Supersedes ALL Previous Editions**

A handwritten signature in black ink, appearing to read 'Paul Carter', with a horizontal line underneath.

Leader of the County Council - Paul Carter  
Published by Democratic Services

This Forward Plan lists “Key Decisions” which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. The Plan also contains reference to other proposed decisions, which although not Key Decisions are nonetheless significant in terms of their outcomes.

Please use the contact details given to let us know your views.

## **FORWARD PLAN OF DECISIONS**

Each month the Council publishes a Forward Plan of Decisions expected to be taken during the following six months.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not already included in the Policy Framework (Constitution Appendix 3) or changes to established policies
- (c) Approval of management and business plans
- (d) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the Forward Plan helps the Council to programme its work and ensures compliance with the Local Government Act 2000. Every month, the period covered by the Plan will be rolled forward by one month and the plan will be republished.

The Plan outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council's web site at [www.kent.gov.uk](http://www.kent.gov.uk) at least five days before the decision it is due to be taken. Once the decision has been taken, a copy of the Record of Decision will also be published on the Council's website.

<b>The Kent County Council Cabinet Members are:</b>	
Mr Paul Carter	Leader of the Council and Cabinet Member for Traded Services and Health Reform
Mr Peter Oakford	Deputy Leader and Cabinet Member for Strategic Commissioning and Public Health
Miss Susan Carey	Cabinet Member for Customers, Communications and Performance
Mr Mark Dance	Cabinet Member for Economic Development
Mr Graham Gibbens	Cabinet Member for Adult Social Care
Mr Roger Gough	Cabinet Member for Children, Young People and Education
Mr Mike Hill	Cabinet Member for Community and Regulatory Services
Mr Eric Hotson	Cabinet Member for Corporate and Democratic Services
Mr John Simmonds	Cabinet Member for Finance
Mr Mike Whiting	Cabinet Member for Planning, Transport, Highways and Waste

All Members can be contacted by writing to Kent County Council, Sessions House, County Hall, Maidstone, Kent, ME14 1XQ or by email via the Council's website.

**NEW**

**NOT BEFORE 6 JULY 2018 BY CABINET MEMBER**

**Responsible Cabinet Member** - Cabinet Member for Planning, Highways, Transport and Waste

Much of highway infrastructure maintenance activity is based upon statutory powers and duties contained in legislation and precedents developed over time arising from outcomes of claims and legal proceedings. Well-managed Highway Infrastructure is non-statutory however as with Well Maintained Highways, the new code will be deemed to be guidance on best practice by the courts. Our ability to show that we are not a negligent highway authority and demonstrate our defence of implementing all reasonable measures will depend on evidencing how we comply with the principles of Well-managed Highway Infrastructure. The County Council will be required to demonstrate a robust decision-making process, an understanding of the consequences of those decisions, and how the associated risks are managed to ensure highway safety. If KCC decide not to accept the recommendations of the Code, the reasons for doing so would need to be clearly documented and approved.

**Key** Yes

**Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.**

**Title:**

**18/00032 - To adopt and implement the principles outlined in Well-managed Highway Infrastructure (2016)**

**The Decision needed:**

Background

Well-managed Highway Infrastructure was published in October 2016 and will replace Well-maintained Highways 2005 when it becomes fully effective in October 2018. Like its predecessor, Well-managed Highway Infrastructure is a national, non-statutory code of practice which sets out a series of general principles for highway maintenance. It is endorsed and recommended by the Department for Transport and its production has been overseen by the UK Roads Liaison Group (UKRLG) and its Roads, Bridges and Lighting Boards. However, the new Code of Practice is less prescriptive and instead promotes the adoption of an integrated asset management approach to highway infrastructure based on the establishment of local levels of service through risk-based assessment. In the interest of route consistency for highway users, all authorities, are

encouraged to collaborate in determining levels of service, especially across boundaries with neighbours responsible for strategic and local highway networks.

From October, our ability to demonstrate we are not a negligent highway authority and put forward a special defence and implementing all reasonable measures will depend on evidencing how we comply with the principles of Well-managed Highway Infrastructure. The County Council will be required to demonstrate a robust decision-making process, an understanding of the consequences of those decisions, and how the associated risks are managed to ensure highway safety.

Well-managed Highway Infrastructure sets out a number of principles which it asserts should underpin our approach to highway service delivery. These are summarised in a series of 36 recommendations.

How the proposed decision meets the objectives of 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015-2020)'

Funding to maintain the highway network is finite and investment decisions need to balance the competing needs and interdependencies of highway users, local communities, businesses and our highway assets themselves. Adopting an informed and holistic risk-based approach enables integrated asset management and supports a principle of spending the right amount of money at the right time to keep our highway network safe and our assets working properly to meet the needs of Kent's people, businesses and visitors now and in the future.

Effective risk management and integrated highway asset management is vital in supporting the delivery of the County Council's three strategic outcomes:

(1) Children and young people in Kent get the best start in life

Managing risk and apply asset management principles to create a safe and resilient highway network enables reliable journeys. These journeys enable Kent's young people to access work, education and training opportunities, supporting them to achieve their potential through academic and vocational education.

(2) Kent communities feel the benefits of economic growth by being in

work, healthy and enjoying a good quality life

Creating a highway network that is resilient is key to economic prosperity. As well as connecting the County's towns and villages, Kent highways also provide a key strategic link between the Capital and ferry, air and rail services to mainland Europe.

(3) Older and vulnerable residents are safe and supported with choices to live independently.

Safe and reliable highways provide valuable access to services, amenities and social activities for older and vulnerable people supporting them to live with greater independence. The demands of an aging population and the potential barriers to independent living need to be recognised and inform decisions we make about levels of service and maintenance priorities.

Options

(1) Fully adopt the 36 recommendations of Well-managed Highway Infrastructure

The Code of Practice is endorsed and recommended by the Department for Transport and promotes the adoption of an integrated asset management approach to highway infrastructure based on the establishment of local levels of service through risk-based assessment. The recommendations uphold the County Council's vision and strategic objectives, align with the approved approach to highway asset management, and will enable the County Council to demonstrate we are not a negligent highway authority and put forward a special defence and implementing all reasonable measures effectively.

(2) Only adopt selected recommendations of Well-managed Highway Infrastructure

The County Council could elect to only partially adopt the recommendation of Well-managed Highway Infrastructure. The risk associated with this approach is dependent on which recommendations are discounted however whichever recommendations are not accepted, the reasons for doing so would need to be clearly documented and approved.

(3) Do not adopt the recommendations of Well-managed Highway Infrastructure

Much of highway infrastructure maintenance activity is based upon statutory powers and duties contained in legislation and precedents

developed over time arising from outcomes of claims and legal proceedings. Well-managed Highway Infrastructure is non-statutory however it will be deemed to be best practice by the courts.

A decision not to adopt the Code of Practice would need to be clearly documented and approved and could compromise the County Council's position with respect to demonstrating that we are a competent and compliant highway authority.

## **Section 2 – Who is taking the final decision and when**

### **Who is taking the Decision**

Cabinet Member for Planning, Highways, Transport and Waste

#### **Date:**

Not before July 2018

### **Reason if Key Decision**

Adopting the principles of the code will promote documented consideration of all the implications pertaining to service level decisions including the Public Equality Duty.

### **Reason if this decision has been delayed/withdrawn from a previous plan**

## **Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors**

### **Consultees**

Adopting the principles outlined in Well-managed Highway Infrastructure will not directly result in a service changes due to efficiently, economy or effectivity and therefore formal consultation is not required. However, the County Council was actively involved in an industry consultation exercise that took place in 2015 prior to publication of the Code of Practice:

- During February and March of 2015, a series of workshops were held in England, Scotland and Wales. The workshops offered participants, including representation from KCC, the opportunity to express their views on the review and influence the contents of the Codes.
- A full draft of version 2 of the revised Code of Practice was circulated in the summer of 2015 for comment. The consultation saw response from all parts of the maintenance sector, with more than 600 comments received from organisations, representing not only highways, structures

and lighting practitioners, but also views from professional institutions, user groups, risk, legal and insurance backgrounds. KCC provided a full response to this consultation.

It is planned that the proposed decision will be discussed by the Environment and Transport Cabinet Committee on 13 July 2018.

**Section 4 – Responsible Officer – Who to contact for more information.**

**Your name, Your Service, Your phone number and email address:**

The cost of implementing The Code of Practice is estimated to be £140k including staff time, project management and ICT development. Once implemented there will be no directly attributable financial implications because the code does not prescribe specific service standards. However, the process for budget setting and making investment decisions will be enhanced, supporting the County Council's vision to ensure that "every pound spent in Kent is delivering better outcomes for Kent's residents, communities and businesses". Failure to adopt The Code of Practice has the potential to compromise the County Council's ability to defend claims and demonstrate our defence of implementing all reasonable measures to meet with our statutory obligation. The financial implication of this would be increased numbers of settled claims however it is not possible to forecast the scale at this time.

**Support documents**

**NOT BEFORE 4 JULY 2018 BY CABINET MEMBER**

**Responsible Cabinet Member** - Cabinet Member for Children, Young People and Education

**Reference No:** Any legal implications will be identified in the report to the Cabinet Member for Children, Young People and Education before he takes the decision to issue a statutory public notice.

**Key** Yes

**Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.**

**Title:**

**18/00028 - Proposal to make prescribed alterations to St Nicholas (Community Special) School from September 2019**

**The Decision needed:**

Proposed decision:

To issue a statutory public notice to permanently increase the designated number of the school from 200 to 285.

The School has a designated number of 200 and provides for children and young people aged between 4 and 19 who have profound, severe and complex learning difficulties. Many of the pupils also have additional difficulties – physical disabilities, epilepsy, autism and sensory impairment.

Satellite provision of St Nicholas School will be created at Spires Academy for secondary-aged pupils and The Canterbury Primary School for primary-aged pupils, to facilitate the increase in the designated number.

How the decision relates to Facing the Challenge and Corporate Objectives:

This proposal will help to secure the County Council's ambition "to ensure that Kent's young people have access to the education, work and skills opportunities necessary to support Kent business to grow and be increasingly competitive in the national and international economy" as set out in 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015 - 2020)'.

The Commissioning Plan for Education Provision in Kent 2018-2022 sets out how the Council will carry out its responsibility to ensure there are sufficient places of high quality, in the right places, for all learners, and this proposal supports that aim. The Council plans to create over 900 new specialist places across the period of the plan.

The 'Strategy for children and young people with Special Educational Needs 2017-19' sets out how the County Council will;

- 1) Improve the educational, health and emotional wellbeing outcomes for Kent's children and young people with SEN and disabilities
- 2) Ensure Kent delivers the statutory changes (required by the Children and Families Act 2014)
- 3) Address the gaps in provision for children and young people with SEN and disabilities; improve the quality of provision; develop the broadest range of providers, and encourage a mixed economy.

The matter is referred to in the Business Plan/Medium Term Capital Programme.

**Section 2 – Who is taking the final decision and when****Who is taking the Decision**

<p><b>Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.</b></p>
<p><b>Title:</b> <b>18/00029 - Framework Contract and Dynamic Purchasing System for Community living for people with a learning</b></p>

## **disability and/or autism**

### **The Decision needed:**

Commissioning this new service will support the Kent and Medway Transforming Care Programme to develop and deliver bespoke and personalised care and support for individuals aged 14 years and over who are stepping down in to the community from specialist/secure in-patient services; and to offer more robust community placements to those at risk of admission to specialist hospitals.

Development of a new model of Positive Behavioural Support (PBS) including forensic support will allow commissioners to work with a small group (4 – 8) of qualifying providers to develop specialist provision to meet the needs of people with very complex and multiple needs, who are risk to themselves and others.

## **Section 2 – Who is taking the final decision and when**

### **Who is taking the Decision**

Cabinet Member for Adult Social Care

### **Date:**

Not before July 2018

### **Reason if Key Decision**

An Equalities Impact Assessment has been undertaken. The impact on groups affected will be minimal and will be carefully managed and mitigated

### **Reason if this decision has been delayed/withdrawn from a previous plan**

## **Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors**

### **Consultees**

The matter will be discussed at the Adult Social Cabinet Committee on 4 July 2018.

## **Section 4 – Responsible Officer – Who to contact for more information.**

### **Your name, Your Service, Your phone number and email address:**

The expected spend on these services is approx. £4m, with the costs shared between KCC, the local Kent CCGs and NHSE. The services will be procured through a zero-value framework.

Developing this new service does not commit KCC to any spend. The service will be person-centred and so the needs of each person who is discharged from hospital will be assessed on an individual basis. Commissioners and the providers will work with the person and their family to design their individual care and support plans. This will then be costed and commissioners across health, social care (and education where appropriate) will negotiate the proportion of spend for each agency using agreed section 117 protocols.

## Support documents

### **Responsible Cabinet Member - Cabinet Member for Adult Social Care**

**Reference No:** The main legislative framework for the Care in The Home Service is the Care Act 2014, and the principles of Mental Capacity Act 2005. These are statutory duties, and the new service will be compliant with both legislation. Transfer of Undertakings (Protection of Employment) Regulations 2006 as amended by the Collective Redundancies and Transfer of Undertakings (Protection of Employment) (Amendment) Regulations 2014 (TUPE) is likely to apply, and the council will ensure in the event of a change of employer, that it will undertake necessary arrangements, within its remit, to provide for the protection of employees' rights.

**Key** Yes

### **Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.**

**Title:**

#### **18/00030 - Recommissioning Homecare and SIS Services**

**The Decision needed:**

Procure a new Care in the Home Service for adults and children with assessed needs for services delivered at home or in the community. The new Care in the Home Service will bring together the following under one contractual arrangement: Homecare; Discharge to Assess; Supporting Independence Services and Supported Living Services. The contract will commence in April 2019.

### **Section 2 – Who is taking the final decision and when**

**Who is taking the Decision**

Cabinet Member for Adult Social Care

**Date:**

**NOT BEFORE 23 JUNE 2018 BY CABINET MEMBER**

**Responsible Cabinet Member - Cabinet Member for Economic Development**

**Reference No: 18/00024(a):**

The launch of this scheme is dependent on securing state aid approval from BDUK. Given that the scheme's design has been based on previously BDUK run voucher schemes, this is not anticipated to be an issue.

**18/00024(b):**

There is provision within the terms of the BDUK Phase 2 contract for gainshare funding to be reinvested. All contract extensions are subject to BDUK state aid approval. BDUK have advised KCC that the £4.545 million of gainshare funding can be reinvested through the UK's Government current state aid agreements, subject to state aid assurance of BT's final proposal.

**Key** Yes

**Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.**

**Title:**

**18/00024(a) - Kent Broadband Voucher Scheme & 18/00024(b) - Investment of additional gainshare funding to increase superfast broadband coverage (BDUK Phase 2 Project Extension)**

**The Decision needed:**

**18/00024(a): Kent Broadband Voucher Scheme**

Kent County Council has been working with the Government's broadband agency, Broadband Delivery (UK) to improve access to superfast broadband services. To date this work, through the delivery of the Phase 1 and Phase 2 projects, has already brought superfast broadband to over 135,000 homes and businesses and has meant that 95% of properties across Kent can now access a superfast broadband service.

The Council is keen to pilot a voucher scheme to benefit those properties in

hard-to-reach locations which are outside the scope of the current BDUK Phase 2 project. The Kent Broadband Voucher Scheme will offer up to £1,700 per property for the provision of a superfast or ultrafast broadband connection in these areas.

**18/00024(b): Investment of additional gainshare funding to increase superfast broadband coverage (BDUK Phase 2 Project Extension)**

Under Key Decision 14/00114 the Phase 2 contract to extend the reach of superfast broadband to at least 95% of properties in Kent was awarded. This contract built upon the BDUK Phase 1 project which increased the level of superfast broadband coverage to 91% by connecting properties that were outside the scope of market-led upgrade programmes.

These contracts were co-funded by the Government's broadband delivery agency, Broadband Delivery UK (BDUK) and procured under the Government's broadband procurement framework. Under this framework, all contracts contain a clause preventing the supplier being over subsidised. This means that if take-up exceeds 20% after seven years following the completion of the infrastructure build, money (referred to as gainshare) will be returned to an investment fund held by the supplier. The intention is that this funding should be recycled into additional coverage by extending current contracts.

The BDUK Phase 1 infrastructure build was completed in March 2016 and take-up is currently at 51%. This means that KCC now has up to £4.545 million of gainshare funding which can be reinvested by extending the Phase 2 contract. BT is in the process of modelling the potential additional superfast coverage that this funding could deliver.

**Section 2 – Who is taking the final decision and when**

**Who is taking the Decision**

Cabinet Member for Economic Development

**Date:**

Not before June 2018

**Reason if Key Decision**

18/00024(a):

By improving broadband access this project will have a positive impact for all communities including those with protected characteristics. The Equality Impact Assessment undertaken for the project has identified no high or medium non-favourable impacts for protected groups.

18/00024(b):

This project is outside the scope of EQIA because we are providing infrastructure. However, through improving broadband access this project will have a positive impact for all communities including those with protected characteristics.

**The Decision needed:**

The Kent Medical Campus Enterprise Zone is a key employment site for Kent and will create 3,000 highly skilled jobs. The proposed scheme aims to accommodate the increased traffic volume to the Kent Medical Campus site by upgrading two nearby junctions. The A249 Bearsted Road and New Cut Road roundabouts will be enlarged and provided with Smart technology signals to help ease congestion and improve traffic flow.

**Section 2 – Who is taking the final decision and when**

**Who is taking the Decision**

Cabinet Member for Planning, Highways, Transport and Waste

**Date:**

Not before July 2018

**Reason if Key Decision**

The detailed scheme design will consider equalities aspects.

**Reason if this decision has been delayed/withdrawn from a previous plan**

**Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors**

**Consultees**

The proposed decision will be considered at the Environment and Transport Cabinet Committee on 13 July 2018.

**Section 4 – Responsible Officer – Who to contact for more information.**

**Your name, Your Service, Your phone number and email address:**

Covered under existing budget allocations

**Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.**

**Title:**

**18/00027 - A28 /A291, Sturry Link Road, Canterbury**

**The Decision needed:**

The A28 Sturry/Island Road is a principal road corridor between Canterbury and Thanet that also serves residents and businesses to the north east of Canterbury and Sturry. At Sturry, the A291 Sturry Hill provides a link to Herne Bay. The A28 through Sturry and the issues with the level crossing have long been a concern. The potential of housing development at Broad Oak and Sturry and the confirmed allocation of LGF funding gives the opportunity to deliver a Link Road.

**Section 2 – Who is taking the final decision and when**

**Who is taking the Decision**

Cabinet Member for Planning, Highways, Transport and Waste

**Date:**

Not before June 2018

**Reason if Key Decision**

An Equalities Impact Assessment has been prepared, updated and approved and this will continue to be reviewed as the scheme development and design is progressed.

**Reason if this decision has been delayed/withdrawn from a previous plan**

**Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors**

**Consultees**

A report to this Environment and Transport Cabinet Committee in September 2015 gave an overview and a concept design of the Sturry Link Road that led to a number of approvals to allow the scheme to progress. The Record of Decision is 15/00070.

A further update report was presented to in July 2017 which approved outline designs with a request that a further update be provided after completion of the consultation exercise undertaken between 26 July 2017 and 6 September 2017. The Record of Decision is 17/00061.

The latest public consultation exercise was undertaken for 6 weeks from 26 July 2017 to 6 September 2017. The consultation involved 3 local exhibitions, was available online through the County Councils Consultation website through the online web based virtual exhibition

'Sticky World'. Presentations were also given in advance of the public consultation to the Canterbury Joint Transport Board on 15 June 2017 and to the Sturry Parish Council on the 27 June 2017.

This proposal was considered and endorsed by the Environment and Transport Cabinet Committee on 15 May 2018.

#### **Section 4 – Responsible Officer – Who to contact for more information.**

##### **Your name, Your Service, Your phone number and email address:**

The overall estimated scheme cost is £29.6m. The allocation from the Single Local Growth Fund is £5.9m. The remaining £23.7m is to be provided via developer contributions under S278 agreements.

**Reference No:** The legal implications were outlined in the report to Children's, Young People and Education Cabinet Committee on 13 October 2017.

**Key** Yes

**Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.**

**Title:**  
**18/00018 - Commissioning Primary and Secondary School Capacity in Ebbsfleet, Dartford**

**The Decision needed:**

The need for new Secondary School provision to meet demand arising from the Ebbsfleet Garden City development was identified during the original planning of the City and has been highlighted in recent versions of the KCC Commissioning Plan for Education Provision, including the latest 2017-21 version of the Plan. More specifically the school is anticipated to accommodate pupils who are residents of any of the three villages on Eastern Quarry or of the Ebbsfleet Green development. Based on current housing trajectories for those developments, it is anticipated the first four forms of entry will be required by September 2021.

The need for new Primary School provision to meet demand arising from the Ebbsfleet Garden City development was identified during the original planning of the City and has been highlighted in recent versions of the Commissioning Plan for Education Provision, including the latest 2017-21 version of the Plan. More specifically the school is anticipated to accommodate pupils who are residents of the Ebbsfleet Green development. Based on current housing trajectories, it is anticipated the first form of entry will be required by September 2020.

Regardless of the situation in respect of the ESFA's Free School Wave application process, the onus is on the local authority to run competitions outside of any Wave, as both schools will be funded either wholly through developer contribution or through a mixture of Local Authority Basic Need funding and developer contribution.

Through the existing Section 106 agreements the Secondary School will be produced wholly through developer contributions relating to Eastern Quarry and Ebbsfleet Green. The Section 106 agreement for the Primary school on Ebbsfleet Green provides for a site of 2.05 hectares to be provided along with a 1FE Primary school with infrastructure to allow expansion to 2FE.

Due to the high pupil numbers being realised by existing housing developments in Dartford, existing pupil place pressures already being experienced in the District and the fact that 1FE Primary Schools are vulnerable in terms of viability, it is the intention to provide a 2FE Primary School within the Ebbsfleet Green development.

## **Section 2 – Who is taking the final decision and when**

### **Who is taking the Decision**

Cabinet Member for Children, Young People and Education

### **Date:**

Not before May 2018

### **Reason if Key Decision**

An Equality Impact Assessment was completed is available on the KCC website as part of the commissioning process.

### **Reason if this decision has been delayed/withdrawn from a previous plan**

## **Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors**

### **Consultees**

A full consultation process was undertaken as part of the formulation of the Commissioning Plan and a six-week consultation with the community and other stakeholders began at the end of October 2017.

The matter was discussed by the Children's, Young People and Education Cabinet Committee on 13 October 2017, at which the proposed decision was endorsed.

## **Section 4 – Responsible Officer – Who to contact for more information.**

### **Your name, Your Service, Your phone number and email address:**

The full cost of land and buildings for the new Secondary School will be met

from developer contributions and will therefore have no impact on the Children, Young People and Education capital budget. However, capital funding will be allocated to enable the School to resource each new classroom as they come on line, presently at a value of up to £2,500 per classroom. The cost of the first FE of accommodation for the Primary school, and the cost of the core buildings, will be met through developer contribution. The land will transfer to KCC with no charge. The estimated cost of providing the second form of entry within the Primary School on Ebbsfleet Green is £2.5m.

### **Support documents**

**Responsible Cabinet Member** - Leader and Cabinet Member for Traded Services and Health Reform

**Reference No:** Any legal implications will be identified in the report to the Leader before he takes his decision to agree the capital expenditure required to provide the school with additional accommodation.

**Key** Yes

**Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.**

**Title:**

**18/00019 - Proposal to establish a Specialist Resource Provision (SRP) at The Judd School, Brook Street, Tonbridge, TN9 2PN**

**The Decision needed:**

To establish a new Specialist Resource Provision for up to 20 students with an Education, Health and Care Plan (EHCP) for autistic spectrum disorders (ASD) at The Judd School, Brook Street, Tonbridge TN9 2PN.

This will help to secure the ambition “to ensure that Kent’s young people have access to the education, work and skills opportunities necessary to support Kent business to grow and be increasingly competitive in the national and international economy” as set out in ‘Increasing Opportunities, Improving Outcomes: Kent County Council’s Strategic Statement (2015 - 2020)’.

The Commissioning Plan for Education Provision in Kent 2018-2022 sets out how the County Council will carry out our responsibility for ensuring there are sufficient places of high quality, in the right places, for all learners, and this proposal supports that aim to provide sufficient places where they are needed.

<p>The matter is referred to in the Business Plan/Medium Term Capital Programme.</p>
<p><b>Section 2 – Who is taking the final decision and when</b></p>
<p><b>Who is taking the Decision</b>  Leader and Cabinet Member for Traded Services and Health Reform</p> <p><b>Date:</b>  Not before May 2018</p> <p><b>Reason if Key Decision</b>  An Equality Impact Assessment will be produced and will be accessible on line via the following link: <a href="http://www.kent.gov.uk/schoolconsultations">www.kent.gov.uk/schoolconsultations</a></p> <p><b>Reason if this decision has been delayed/withdrawn from a previous plan</b></p>
<p><b>Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors</b></p>
<p><b>Consultees</b></p> <p>15 January 2018 - the Commissioning Plan for Education Provision 2018-22 was endorsed by the Children’s, Young People and Education Cabinet Committee.</p> <p>In accordance with the Department for Education’s Statutory Guidance (April 2016): Making ‘prescribed alterations’ to maintained schools, there is a need to undertake a formal statutory consultation process.</p> <p>An Education consultation will be completed prior to the cabinet committee. Further information is available on the School Consultation webpage: <a href="http://www.kent.gov.uk/schoolconsultations">www.kent.gov.uk/schoolconsultations</a></p> <p>The results of the consultation were reported to the Children’s, Young People and Education Cabinet Committee at its meeting on 8 May 2018, and the proposed decision was endorsed.</p> <p>The local members for Tonbridge are Richard Long and Michael Payne. However, The Judd’s selection process combined with the special nature of the ASD support offered by the new SRP means that students could come from across the county.</p>
<p><b>Section 4 – Responsible Officer – Who to contact for more information.</b></p>

**Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.**

**Title:**  
**17/00025(b) - A2500 Lower Road Improvements - Phase 2, Lower Road Widening**

**The Decision needed:**

The A2500 Lower Road is a narrow single carriageway route, often described as the 'missing link' in Sheppey's road network. This road currently does not provide a safe and suitable route for all users. The narrow road width, lack of verges and abutting hedgerows create a constrained corridor, with no facilities for cyclists or pedestrians. This effectively severs the connection for non-motorised road users between the residential areas of south Minster and employment opportunities in Queenborough and is a poor-quality route for vehicular traffic with ever-growing maintenance issues. Larger vehicles struggle to pass each other when traveling in opposite directions and this adds to the deterioration of the carriageway edge.

It is proposed to improve the A2500 Lower Road between Cowstead Corner and Barton Hill Drive and the Barton Hill Drive junction and provide a much need footway/cycleway link along Lower Road.

**Section 2 – Who is taking the final decision and when**

**Who is taking the Decision**

Cabinet Member for Planning, Highways, Transport and Waste

**Date:**

**Reason if this decision has been delayed/withdrawn from a previous plan**

**Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors**

**Consultees**

A report to the Environment and Transport Cabinet Committee on 13 March 2017 gave details of the Local Growth Fund (LGF) Growth deal (Round 3) that included the allocation of funding for the Lower Road Improvements and specifically the Barton Hill junction improvement (Phase1). The Record of Decision is 17/000025.

The proposals for Phase 1 were first presented to Minster Parish Council on 20 October 2016. This was followed by a presentation to Minster Parish Council on 7th December 2017, with an update on both Phase 1 and 2. The proposals for Phases 1 and 2 were presented to the Swale Joint Transportation Board on 18 December 2017. A public exhibition was held at the Minster Parish Council Office's on 5 December 2017.

A further public engagement exercise is planned in June 2018 prior to commencement of construction of Phase 1 to give further information on the programme and traffic management required to build the new roundabout.

This proposal was considered and endorsed by Members of the Environment and Transport Cabinet Committee at their meeting on 15 May 2018.

**Section 4 – Responsible Officer – Who to contact for more information.**

**Your name, Your Service, Your phone number and email address:**

The overall estimated cost of the scheme for both phases of the Lower Road improvements is £6.655m.

- The estimated scheme cost for Phase 1 is £1.805m.
- The estimated scheme cost for Phase 2 is £4.85m.

Phase 1: The allocation from the Single Local Growth Fund for Phase 1 of £1.265m was formally confirmed by the SE LEP Accountability Board in June 2016 and there is a requirement to spend the allocation before the end of 2020/21. A total of £0.54m is to be provided via developer contributions. A s106 agreement for the contributions has been signed, with contributions due prior to commencement of the associated development.

Phase 2: The allocation from the National Productivity Investment Fund of £3.195m was formally confirmed by the Department of Transport in a letter to the County Council dated 25 October 2017. There is a requirement to spend the allocation by March 2020. Match funding is being provided by a developer contribution of £1.455m, with a further £0.2m co

##### **The Decision needed:**

This project aims to produce a new Countryside Access/Rights of Way Improvement Plan for Kent, for the period 2017 – 2027. Kent County Council has a legal duty to prepare and review a Public Rights of Way Improvement Plan (ROWIP) under Section 60 of the Countryside and Rights of Way Act 2000 and update the plan every 10 years. The plan must assess the extent to which the local rights of way meet the present and likely future needs to the public as well as the opportunities the PROW network can provide for exercise, open air recreation and the enjoyment of the area and the accessibility to blind or partially sighted persons and others with mobility problems. The plan must include a statement of the actions proposed to manage the PROW and for securing an improved network. In accordance with the guidance set out by DEFRA the plan must explain how improvements made by the local authority to the public rights of way network will provide a better experience for walkers, cyclists, horse riders, horse and carriage drivers and people with mobility problems.

**Reason if Key Decision**

An initial EQIA has been produced at the start of the review, this document is being updated throughout the review process and a final version of the EQIA will be submitted with the draft ROWIP document.

**Reason if this decision has been delayed/withdrawn from a previous plan****Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors****Consultees****Market Research**

We have used market research to gather insight and information from our customers to understand their priorities and needs; to what extent PROW meet current demand and how they need to evolve to meet future requirements. Through the analysis of the information gathered common themes emerged, these themes were used to guide the PROW and Access Service's ROWIP and Management Plans.

The types of information gathered are as follows:

**Online**

The public who used Kent's PROW network were invited over a six week period to complete an online survey featured on KCC's consultation homepage, Visit Kent and the PROW report site. A total of 1,260 submissions were received.

**Face to Face**

Kent residents face to face survey interviews at home were completed over 8 weeks with a total of 624 residents were interviewed. The residents were separated into two groups those that had used the PROW network in the last 6 months and those that hadn't. An equal number of interviews were conducted in each of the 12 Districts of Kent, circa 50 in each. Within each District, residents were sampled across varying postcode sectors to ensure a good spread in terms of geography. A sample specification was set up in line with 2011 Census statistics for the Kent County Council boundary area, to ensure we interviewed a representative sample of residents in terms of gender and age. The results from this survey were used to further split the group into Kent resident users and Kent resident non-users groups of the PROW network.

**Stakeholder Survey**

The Stakeholder Survey was designed to gather more detailed information about how plan links to other organisation's plans and policies as well as these organisations views on how the PROW network is currently used and how it needs to involve with an emphasis on provision for the partially sighted and access to woodland in line with DEFRA guidance for the plan. We also asked to provide details on the Service itself how our reporting system has been received and any improvements we need to make to provide a better more efficient Service.

The Stakeholder Survey was sent to Members via **The Information Point** email address and all Members were provided with information about the ROWIP and invited to complete

the survey. In addition to all Members a database of stakeholders was compiled to include all Parish, District and Borough Councils, user groups, and interest groups.

#### **Expert Stakeholder Surveys**

Finally, in response to the results from the market research we have put together a further questionnaire which was sent to specific groups to help us define the ways our service can deliver the priorities identified by our customers and stakeholders from the market research. We approached all District and Borough Planning Departments in Kent, Large house building companies and Canterbury City Council' Development Advisory Panel (DAP) and Kent Association for the Blind.

#### **Section 4 – Responsible Officer – Who to contact for more information.**

##### **Your name, Your Service, Your phone number and email address:**

The plan will be forward looking by design; there will be no obligation to deliver projects identified through the review. Where projects are identified they will only be taken forward if the resource is available, where possible projects will be delivered through partnership working.

The PROW and Access Service will look for funding through the planning system, 106 Agreement and CIL funding and other funding available to deliver projects. The Service will target existing core funding to deliver statutory obligations; the delivery plan will improve efficiency to ensure we provide a better targeted, improved service.

## **18/00009 Property Asset Management Strategy 2018-2023**

### **The Decision needed:**

Kent County Council runs a portfolio with an asset value of c.£1.87 billion. In addition, KCC runs an ambitious capital programme where receipts from the disposal of surplus assets fund improvements to its remaining estate and service improvements.

To ensure KCC extracts maximum financial, operational and social value from its estate it is imperative that it continuously aligns it to KCC's outcomes contained within its various policies and objectives and looks to the future to determine a plan to follow and assess its success against.

A Property Asset Management Strategy is an effective tool to drive an Estate's efficient and effective management by setting out objectives and performance criteria. Property assets are a considerable cost to the delivery of services and to ensure value for money is being obtained by KCC, the Estate needs to deliver its function adequately and appropriately in accordance with the needs of the organisation.

This Strategy will replace KCC's current Asset Management Strategy 2012 – 2017. An Equalities Impact Assessment has been undertaken for this Strategic document. The Plan will contain financial considerations and legal implications where appropriate.

### **Section 2 – Who is taking the final decision and when**

**Key** Yes

**Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.**

**Title:**

**18/00008 Review of KCC Company Ownership and Governance: Creation of Holding Structure**

**The Decision needed:**

- a) To approve a review of the governance structure for the KCC group of companies and to implement a holding group structure
- b) To enter into such contractual and legal arrangements as are necessary; and
- c) To delegate authority to the Monitoring Officer with the agreement of the Head of Paid Service and the Corporate Director of Finance to agree the final details of a) and b) in consultation with the Leader of the Council or the Cabinet Lead for Traded Services, including the authority to create additional entities and make appointments to them if necessary as part of the review

The group structure will facilitate improved inter-company productiveness, opportunities for economies of scale and provide a re-aligned corporate governance framework for co-ordinated external growth. The combined benefits will increase the income returned to the Council to support Strategic Business Plan Priorities.

**NOT BEFORE FEBRUARY BY CABINET MEMBER**

<b>Responsible Cabinet Member</b> - Cabinet Member for Community and Regulatory Services
<b>Reference No:</b> Kent County Council (KCC) does not have a legal duty to provide sites in Kent for the Gypsy and Traveller community. This is a statutory duty placed upon the district and borough councils to discharge as part of their local plans. All local councils are required to produce an up-to-date Local Plan for their area, to guide the spatial development of the borough.
<b>Key</b> Yes
<b>Section 1 – the decision needed, how it relates to the Council's</b>

## Corporate Outcomes and the Costs and risks involved.

### Title:

### 17/00135 - Pitch Allocation Policy for Gypsy and Traveller Service Change

### The Decision needed:

To revise and update Kent County Council's (KCC) Gypsy and Traveller Service Allocations Policy and to the introduction of a service charge which will be subject to an annual increase in line with the Retail Price Index (RPI) for all plots on KCC managed sites, which will be used to maintain and support reasonable living standards for site residents.

## Section 2 – Who is taking the final decision and when

### Who is taking the Decision

Cabinet Member for Community and Regulatory Services

### Date:

Not before July 2018

### Reason if Key Decision

EQIA's have been completed to ensure these implications have been factored in and mitigated against where appropriate.

Ensure that the council's policies on Equality and Human Rights and customer care are met and promote the health and safety in quiet enjoyment of pitches by all its site residents and ensure that the operation of the allocation policy assists in meeting that outcome.

Acknowledge that the gypsy and traveller communities belong to recognised ethnic groups and are protected groups under the Equality Act 2010.

### Reason if this decision has been delayed/withdrawn from a previous plan

## Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors

### Consultees

Yes this has gone out to consultation and the closing date is: 20<sup>th</sup> December 2017.

We consulted:-

1. All of our site residents households across all affected sites
2. All affected district and borough councils specifically the Housing Benefit Departments x 6
3. Friends Families and Travellers (G&T Advocate Group)
4. KCC online consultation for all interested parties

This will go to the Environment and Transport Cabinet Committee on 31<sup>st</sup> January 2018

All Divisions are affected.

**Section 4 – Responsible Officer – Who to contact for more information.**

**Your name, Your Service, Your phone number and email address:**

In summary, not implementing the service charge would lead to either the deterioration or closure of existing sites. So despite considering alternative approaches, it was clear that charging a service charge would be the best approach to protect the service and continue to deliver for residents and KCC has endeavoured to keep this charge well below rental market costs.

**Responsible Cabinet Member - Cabinet Member for Community and Regulatory Services**

**Reference No:** KCC Legal has been consulted, and a Basic Implementation Agreement (BIA) will provide the initial basis for the contract between Kent County Council and Network Rail for the Grip stage 3 enabling works. These works MUST be completed between November 2017 and February 2018 in order to avoid the bird nesting season; the project would otherwise have a year's delay with a high risk of its delivery missing The Open event in July 2020. The cost of these works is estimated at c. £100k (including contingency and fees), so would be entirely funded by Kent County Council's capital contribution towards the project

**Key No**

**Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.**

**Title:**

**17/00114 - Sandwich Open Golf: Capital Infrastructure Works - Sandwich Railway Station**

**The Decision needed:**

The Open is a prestigious sporting event that independent research demonstrates brings significant economic benefits to the area in which the event is held, due to the global profile it provides for the area and the resulting interest from international business and spectators.

The last time Kent hosted The Open in 2011, it generated a £77m benefit to the Kent economy, of which £24.14m was direct additional spend. The event is forecast to grow from 180,000 spectators in 2011 to at least 200,000 spectators in 2020, and will be able to accommodate an even higher number of visitors in future years beyond 2020 owing to the layout of the course. That economic impact is therefore forecast to grow. In 2020, the economic impact is forecast to be in excess of £85m, of which at least £26.8m is forecast to be direct additional spend.

The Open primarily meets two of the strategic outcomes described in Increasing Opportunities, Improving Outcomes; 'All Kent's communities benefit from economic growth and lower levels of deprivation'; and 'Kent

residents enjoy a good quality of life, and more people benefit from greater social, cultural and sporting opportunities’.

Permanent infrastructure at Sandwich Railway Station has been identified as providing best value for money. KCC is contributing £250,000 towards that cost, and underwriting the £1.025m contribution of SELEP between and subject to PAG on 02/11/17 and SE LEP Accountability Board on 17/11/17.

## **Section 2 – Who is taking the final decision and when**

### **Who is taking the Decision**

Cabinet Member for Community and Regulatory Services

### **Date:**

Not before December 2017

### **Reason if Key Decision**

An Equality Impact Assessment will be carried out on both the Sandwich Railway Station Infrastructure programme and KCC’s wider work around The 2020 Open at such time Network Rail is contracted to implement the infrastructure project. Network Rail will not be instructed by KCC to undertake the infrastructure works until such time final costs of the project are known and legally apportioned.

### **Reason if this decision has been delayed/withdrawn from a previous plan**

## **Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors**

### **Consultees**

The proposal was discussed by Members of the Growth, Economic Development and Communities Cabinet Committee at their meeting on 22 March. Members resolved that:

- (a) The announcement by the Royal and Ancient Golf Club to host The Open 2020 at Royal St Georges be welcomed; and
- (b) The work underway to deliver the associated transport improvements at Sandwich Station be noted.

## **Section 4 – Responsible Officer – Who to contact for more information.**

### **Your name, Your Service, Your phone number and email address:**

Permanent infrastructure at Sandwich Railway Station has been identified as providing best value for money. KCC is contributing £250,000 towards that cost, and underwriting the £1.025m contribution of SELEP between and subject to PAG on 02/11/17 and SE LEP Accountability Board on 17/11/17.

<p><b>Title:</b>  <b>17/00078 - Physical Disability Wellbeing Core Offer</b></p>

**The Decision needed:**

To tender for a new contract to deliver an information, advice and peer support service for people with a physical disability.

**Section 2 – Who is taking the final decision and when****Who is taking the Decision**

Cabinet Member for Adult Social Care

**Date:**

Not before October 2017

**Reason if Key Decision**

An Equality Impact Assessment has been completed and has been reviewed and updated throughout the consultation and co-production process. The Equality Impact Assessment has highlighted risks around people with disabilities other than physical and those under the age of 16, who won't be able to access the new service. Respondents to the consultation also raised concerns that this service would not be available to all disabilities. In light of the findings from the Equality Impact Assessment and the consultation we have adapted the scope of the offer and will ensure that the helpline and website is accessible to all. The successful provider will then need to devise a system to identify and signpost to appropriate services.

**Reason if this decision has been delayed/withdrawn from a previous plan****Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors****Consultees**

The proposed decision was discussed and endorsed by the Adult Social Care Cabinet Committee on 29 September 2017. The minute of that discussion will be included in the decision paperwork which the Cabinet Member will be asked to sign.

Public Consultation was undertaken between 17 July 2017 and 4 September 2017.

**Section 4 – Responsible Officer – Who to contact for more information.****Your name, Your Service, Your phone number and email address:**

The current spend on Physical Disability grants is £181,053. The plan is to reinvest this whole amount into the new service. This equates to £905,265 over the life of the contract which will be five years, if the two year extension clause is used.

**Title:**

**17/00086 - A20 Harrietsham Traffic Management Scheme**

**The Decision needed:**

Harrietsham is identified in the emerging Maidstone Borough Local Plan as a rural service centre suitable for new housing development. The majority of the existing settlement is located to the north of the A20 corridor, whereas all 3 of the new housing development sites are to the south of the A20. During 2014/15 JMP Transport Consultants, working under a commission to Maidstone Borough Council, produced an outline design and costing for a scheme to narrow the A20 carriageway, create new footways and pedestrian crossing points and lower the speed limit from 40mph to 30mph with new gateway

features at each end of the village. The construction costs were estimated by JMP at £1,105,189. The key aim of the scheme is to reduce the severance effect of the A20 and improve permeability between the new development sites and the existing housing and village centre. MBC has granted planning permissions to the housing sites on the basis that each makes proportionate S106 contributions to the Council. Payments will then be passed to Kent County Council to implement the scheme. To keep disruption to a minimum, the intention is that the scheme would be implemented in its entirety once all of the contributions have been received, rather than as a phased construction. MBC have now received a payment of £403k from the first site to reach its trigger point and a further payment is now due. Consequently KCC now has the necessary funding in place to begin to progress the scheme through design.

The scheme has been the subject of a resident petition that was submitted at the 12<sup>th</sup> July 2017 meeting of the Maidstone Joint Transportation Board, which urges the authorities to ensure that elements of the scheme are in place prior to developments being occupied.

This key decision seeks approval to review the outline design, including updated costs, and to commence detailed design work with a view to construction once the final contributions have been received. It is envisaged that public engagement on the scheme layout will be carried out during 2017/18, a report will be presented to Maidstone JTB to advise on feedback and potential amendments including any related mitigation measures.

The scheme meets KCC policy objectives of supporting existing businesses and encouraging economic activity with housing growth and job creation by reducing congestion and improving infrastructure and accessibility.

## **Section 2 – Who is taking the final decision and when**

### **Who is taking the Decision**

Cabinet Member for Planning, Highways, Transport and Waste

### **Date:**

Not before October 2017

### **Reason if Key Decision**

None. Detailed scheme design will consider equalities aspects.

### **Reason if this decision has been delayed/withdrawn from a previous plan**

## **Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors**

### **Consultees**

Initial consultation was undertaken by MBC/ JMP as part of the outline design. Further liaison and engagement with residents and the business community will be undertaken as required and at appropriate stages of the scheme development.

The decision will be discussed at the Environment and Transport Cabinet Committee on 21 September 2017.

**Section 4 – Responsible Officer – Who to contact for more information.**

**Your name, Your Service, Your phone number and email address:**  
None. The cost of the scheme (design and implementation) will be funded from S106 contributions from housing developments in Harrietsham.

**Title:**

**17/00062 - Older People and People Living with Dementia Wellbeing Core Offer**

**The Decision needed:**

Proposed decision: To tender for a new contract to deliver community based services for Older People and People Living with Dementia.

How the decision relates to Corporate Objectives:

This proposed new contract directly relates to the Council's Strategic Outcome regarding older people and vulnerable residents are safe and supported with choices to live independently and underpins the Promoting Wellbeing element of the Council's Your Life Your Wellbeing strategy. The new contract will deliver a range of services and support that are asset based, promote wellbeing, increase resilience and prevent or delay people entering into formal health and social care systems. It will provide information and advice, help people find the support they require and connect people to their communities.

**Section 2 – Who is taking the final decision and when**

**Who is taking the Decision**

Cabinet Member for Adult Social Care

**Date:**

Not before July 2017

**Reason if Key Decision**

An Equality Impact Assessment has identified a high impact on older people. Adverse impacts which include the ending of current funded services will be balanced by a positive impact of re-investing in universal services through a contract that will have a single point of contact and delivery network.

**Reason if this decision has been delayed/withdrawn from a previous plan**

This proposed decision will be discussed at the Adult Social Cabinet Committee on 20 July 2017 and the outcome of that meeting included in the decision paperwork which the Cabinet Member will be asked to sign.

Other consultation planned or undertaken:

Public Consultation is being undertaken between 9 June and 21 July 2017.

**Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors**

**Consultees**

**Section 4 – Responsible Officer – Who to contact for more information.**

**Your name, Your Service, Your phone number and email address:**

The contract is expected to have an annual value of £4,998,688. This funding is currently invested in annual grants to voluntary sector providers. These will be ended in order for the contract to be put in place. However, it is possible that investment from public health and Clinical Commissioning Groups may increase its value. We may also seek to increase the value of the contract over it's lifetime, by adding additional related services to the contract specification.

**Support documents**

<p><b>Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.</b></p>
<p><b>Title:</b> <b>17/00063 - Ashford District Deal Refresh</b></p> <p><b>The Decision needed:</b> The Borough Council and the County Council enjoy good relations at a political and operational level and have achieved much working together on a wide variety of projects in recent years. However, both are complex organisations, each with its own procedures and priorities and inevitably operational issues crop up which could be tackled better and faster.</p> <p>The District Deal signed in 2015 is not a legally binding agreement but a short, clear statement of the Councils' shared commitment to work together in key areas.</p> <p>The Deal has two main parts:</p> <ul style="list-style-type: none"> <li>• A commitment to focus the combined efforts of both councils on delivering key strategic projects;</li> </ul>

- An agreement to improve the way the Council's work together to make sure that we deliver the best quality outcomes possible for residents and businesses

The original Deal focused on the "Big 8" projects in Ashford, a series of regeneration projects across the district in which the two Councils are working together to deliver more effectively, as well as new ways of working across a range of agendas.

This focus has helped to deliver several projects where both Councils share an interest – achieving the funding needed for both the Ashford station signalling and for M20 junction 10a; and signing the legal agreements to bring forward development at Chilmington Green are all prime examples.

In addition to these projects, there were several examples of improved operational working. There are other areas where lessons have been learned and are being applied to improve working. In some areas of both Councils the District Deal is not fully understood and hence does not always attract the priority it deserves.

## **Section 2 – Who is taking the final decision and when**

### **Who is taking the Decision**

Leader and Cabinet Member for Traded Services and Health Reform

### **Date:**

Not before July 2017

### **Reason if Key Decision**

There are no equalities impacts arising from the proposed decision.

### **Reason if this decision has been delayed/withdrawn from a previous plan**

## **Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors**

### **Consultees**

KCC's Corporate Management Team and Ashford Borough Council have been consulted in the development of the proposed Deal. The Environment and Transport Cabinet Committee and Growth Economic Development and Communities Cabinet Committee will be asked to endorse or make recommendations to the Leader in making the decision. The local KCC members will also be consulted.

## **Section 4 – Responsible Officer – Who to contact for more information.**

### **Your name, Your Service, Your phone number and email address:**

The 'District Deal' in itself does not require additional financial resource; for the most part it is about changing how both authorities deploy existing resource. There are no financial implications beyond each authorities' existing

budgets.

**Local Transport Plan 4 (now incorporating Growth Without Gridlock refresh)**

**The Decision needed:**

PROPOSED DECISION: To approve the LTP4 including Growth without Gridlock.

-----  
**Latest Update:**

The LTP4 (inc. Growth Without Gridlock) consultation has received a high number of responses. In order to properly analyse and report on findings the due date for decision has been moved to 13 July 2017.

-----  
19/05/2014 - Decision due date changed from 10/02/2014 to 17/09/2014.

REASON: The strategic position relating to Highways and Transportation projects was set out as part of the LEP Strategic Economic Plan submitted via KMEP and the LEP to the Secretary of State at the end of March 2014, you can view the decision to submit and the document submitted here, <https://democracy.kent.gov.uk/ieDecisionDetails.aspx?ID=577>

Central Government is expected to announce a funding allocation in July 2014. Based on these allocations the final selection and prioritisation of projects for inclusion in Growth without Gridlock will take place and the strategy as completed can be adopted by decision of the Cabinet Member.

The decision date has been updated to 'not before' 17 September 2014 in

order that the draft strategy can be considered by the relevant Cabinet Committee before any decision is taken.

**NOT BEFORE JUNE BY CABINET MEMBER**

**Responsible Cabinet Member** - Leader and Cabinet Member for Traded Services and Health Reform

**Reference No:** 16/00120

**Key** Yes

**Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.**

**Title:**

**16/00120 Sub National Transport Board for the South-East**

**The Decision needed:**

KCC Membership of a shadow Sub- National Transport Body for the South East known as Transport for the South East (TfSE)

The Cities and Local Government Devolution Act makes provision for the establishment and constitution of Sub-National Transport Bodies (SNTBs) for any area in England (outside of Greater London. An SNTB can prepare a Transport Strategy for an area which would set out proposals for the promotion and encouragement of safe, sustainable, integrated, efficient and economic strategic transport facilities and services to and from the area of the SNTB.

The South East Seven (SE7) Councils (Kent, East Sussex, West Sussex, Hampshire and Surrey County Councils, and Brighton & Hove City Council and Medway Council) and the Local Enterprise Partnerships (LEPs) that represent the area have discussed the establishment of an SNTB for the South East, to be called Transport for the South East (TfSE). A TfSE on this geographic scale would fulfil the DfT's minimum geographic size requirements. Discussions will shortly commence with Portsmouth, Southampton and the Isle of Wight and the Solent LEP about joining TfSE.

The proposed TfSE would enables authorities to influence national and regional infrastructure providers, helping to secure the infrastructure required to support continuing economic growth. A TfSE would see Government, South East Transport Authorities and/or Combined Authorities and LEPs working together with Highways England, Network Rail and port, airport and bus operators. TfSE would require strategic transport providers to take account of its priorities.

TfSE would provide a mechanism for the area to speak with a strong, common voice on transport infrastructure and provide a single platform for strategic transport and infrastructure issues, giving partners greater, and potentially direct, influence over decisions that are currently made elsewhere. Its key outcome will be the development of a single, strategic transport infrastructure framework which would align the investment programmes from key agencies, such as Highways England, Network Rail and the LEPs.

## Options

- Do nothing and not engage in the development of the SNTB for the Southeast.
- Set up the SNTB for Kent and Medway, but this would not be supported by DfT
- Engage in the development of the Shadow SNTB Board and Transport Strategy for the Southeast

## How the proposed decision meets the objectives of 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015-2020)'

The cornerstone of TfSE is the Transport Strategy. It will build upon existing Local Transport Plans, including Kent's *Local Transport Plan 4: Delivering Growth without Gridlock*, currently out to consultation, and evidence already in place amongst the constituent Authorities, including the LEP's Strategic Economic Plans and growth and infrastructure frameworks/studies being undertaken by a number of upper-tier Authorities, including the *Kent and Medway Growth and Infrastructure Framework*. In this way, the decision would support the Council's second strategic outcome, "Communities benefit from economic growth by being in work, healthy and enjoying a good quality of life."

## Financial Implications

It is estimated that appropriate support for developing the shadow SNTB and the overarching Transport Strategy would total £200,000 of which KCC's contribution is £20,000.

## Legal Implications

There are no direct legal implications of the recommendations in this report, although should an TfSE SNTB be established by the Secretary of the State following the work set out in this report, then there would be legal implications arising from the establishment of the SNTB which itself would be a body corporate.

## Equalities implications

There are no equality implications to establish the Shadow TfSE

## Section 2 – Who is taking the final decision and when

### Who is taking the Decision

Leader and Cabinet Member for Traded Services and Health Reform

### Date:

Not before June 2017

### Reason if Key Decision

Reason if this decision has been delayed/withdrawn from a previous plan

**Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors**

**Consultees**

Before progressing a proposal for an SNTB, the constituent authorities must consult on the boundary proposals and it is proposed that the shadow SNTB undertakes this consultation.

The proposal is being discussed at the meeting of the Environment and Transport Cabinet Committee on 17 November 2016

1600120 Subnational Transport Board

**Responsible Cabinet Member** - Cabinet Member for Planning, Highways, Transport and Waste

**Reference No:** KCC will enter into legal agreements with partner organisations who are delivering individual projects. This will secure agreement for the delivery as outlined in the bid

**Key** Yes

**Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.**

**Title:**  
**17/00044 Step Ahead of the Rest (StAR) Sustainable Travel Revenue Programme**

**The Decision needed:**  
To accept the DFT funding to enable the StAR programme to be delivered. Specifically approval is sought to spend the grant in order to:

- Pay staffing costs associated with delivering the programme
- To delegate authority to the Director of Highways Transportation and Waste to procure, award and amend contracts as necessary
- Make grants to transport operators, community interest companies and

businesses in accordance with agreement procedures.

KCC submitted a successful bid to the Department for Transport's Access Fund (Sustainable Travel Revenue competition) and was awarded £1,451,657.20 for the period March 2017- March 2020.

Star is an integrated package of measures to meet KCC's strategic aim that "Kent Communities feel the benefits of economic growth by being in work, healthy and enjoying a good quality of life" The measures proposed support economic development and healthy lifestyles by encouraging use of active and sustainable modes of travel to access employment, education and training. They are targeted at locations that have received local Growth Fund Investment, as well as significant economic development sites across Kent due to be completed before 2020, and will build on previous Local Sustainable Transport Fund Schemes eg the Kent Connected website

Improving transport is identified in the KCC Strategic Statement 2015-2020 under Outcome 2: Kent Communities feel the benefits of economic growth by being in work, healthy and enjoying a good quality of life.

Not before June 2017

**Reason if Key Decision**

The Freight Action Plan for Kent has been subject to an Equalities Impact Assessment (EqIA) demonstrating that it will not have an adverse impact on any group with protected characteristics.

**Reason if this decision has been delayed/withdrawn from a previous plan**

**Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors**

**Consultees**

The Environment and Transport Cabinet Committee considered and endorsed the proposed decision at its meeting of 15 June 2017.

In addition a public consultation was held in January 2017.

**Section 4 – Responsible Officer – Who to contact for more information.**

**Your name, Your Service, Your phone number and email address:**  
Some of the actions in the plan have implications for officer time. There are no further financial implications in developing the plan but there will be costs involved for the delivery of specific actions and these will be costed separately.

App B - 4 FAP Consultation Report

**Responsible Cabinet Member - Cabinet Member for Adult Social Care**

**Reference No:** Continuing these services through their existing contracts to a common end date will require going beyond the current contracts' end dates for varying durations. Work is being done with Legal Services to understand and mitigate relevant risks and to ensure that the continuation of service provision takes place with the least disruption to those receiving the services. Further information will be included in the report.

**Key** Yes

**Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.**

**Title:**  
**17/00030 (a) (b) & (c) - Community Support Services - contract continuations**

**The Decision needed:**  
To continue service provision under existing contracts for the following community support services:

- a) Housing Related Support (HRS), including services for:
  - Older Persons Housing Related Support and Community Alarms
  - People with Learning and/or Physical Disabilities
  - Home Improvement Agencies

People with Mental Health Needs; (Homelessness and Offenders)

- b) Homecare
- c) Supporting Independence Service (SIS)

It was originally envisaged that all three services would be included in one decision but, owing to timing issues, the Housing Related Support element (Part (a)) was taken 22/03/2017 with parts (b) and (c) to follow before June 2017.

Given the freedoms set out in the Care Act 2014, since these contracts started, and the Council's strategy for adult social care, 'Your Life Your Wellbeing', there is now an opportunity to move to greater integration with health services. To achieve this, it is desirable to extend these services' contracts to a single end date.

This will help achieve the corporate objectives of:

- Strategic Outcome
- Older and vulnerable residents are safe and supported with choices to live independently

Supporting Outcomes

- Those with long term conditions are supported to manage their conditions through access to good quality care and support
- People with mental health issues and dementia are assessed and treated earlier and are supported to live well
- Families and carers of vulnerable and older people have access to the advice, information and support they need
- Older and vulnerable residents feel socially included
- More people receive quality care at home avoiding unnecessary admissions to hospital and care homes
- The health and social care system works together to deliver high quality community services
- Residents have greater choice and control over the health and social care services they receive

ur Life Your Wellbeing - providing the strategic direction to move towards full integration with the NHS by 2020.

## **Section 2 – Who is taking the final decision and when**

### **Who is taking the Decision**

Cabinet Member for Adult Social Care

### **Date:**

Not before April 2017

### **Reason if Key Decision**

This decision will maintain continuity of service to people with protected characteristics. No adverse implications are expected and an Equality Impact assessment will be undertaken as part of the recommendation report.

<b>Reason if this decision has been delayed/withdrawn from a previous plan</b>

**Reference No:** 16/00101

**Key** Yes

**Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.**

**Title:**  
**16/00101 - Proposal to expand Marden Primary School**

**The Decision needed:**

The Cabinet Member for Children, Young People and Education will be asked to agree to:

- i. Expand Marden Primary School, Goudhurst Road, Marden, Tonbridge, Kent, TN12 9JX, from 280 places to 420 places, increasing the published admission number (PAN) from 40 to 60 for Year R entry in September 2018
- ii. Allocate the budget from the Basic Needs budget (full details to be provided within the Education and Young People’s Services Cabinet Committee Report)

In accordance with Appendix 4 Part 2 16 (a) of the Council’s constitution, the Council’s Executive Scheme of Officer Delegation provides that “Once a Member-level decision has been taken.....the implementation of that decision should be delegated to officers...” In this instance it is envisaged that the Director of Infrastructure will inherit the authority to act and will enter into any necessary contracts/ agreements on behalf of the County Council or further delegate responsibilities in accordance with 16 (c) of the same scheme “Senior Managers exercising delegated powers will...be able to sub-delegate...functions to more junior officers”

**Section 2 – Who is taking the final decision and when**

**Who is taking the Decision**

Cabinet Member for Children, Young People and Education

**Date:**

Not before January 2018

**Reason if Key Decision**

This proposal will help “to ensure that Kent’s young people have access to the education....necessary to support Kent business to grow ...” as set out in ‘Increasing Opportunities, Improving Outcomes: Kent County Council’s Strategic Statement (2015 - 2020)’ and supports delivery of KCC’s responsibility to provide sufficient, high quality places where they are needed as set out in the ‘Commissioning Plan for Education Provision in Kent 2016-2020’

Financial Implications: Will be set out in the report that will be considered by the Children’s, Young People and Education Cabinet Committee.

Legal Implications: Any legal implications will be identified in the report that will be considered by the Children’s, Young People and Education Cabinet Committee

Equality Implications: An Equality Impact Assessment has been produced and can be viewed here: [www.kent.gov.uk/schoolconsultations](http://www.kent.gov.uk/schoolconsultations) .

**Reason if this decision has been delayed/withdrawn from a previous plan**

**Section 3 – – Who is to be consulted, how and when, ( The Duty to Inform/consult/Involve ) including relevant scrutiny councillors**

**Consultees**

The Commissioning Plan for Education Provision 2016-20 identified Marden as an area of future need and Marden Primary School was therefore proposed for expansion to meet that predicted demand. The Plan was considered and endorsed by the Education and Young People’s Services Cabinet Committee on 15 December 2015 prior to the final version being considered and approved by Cabinet on 21 March 2016.

A public consultation commenced on 23 September 2016 and closed on 21 October 2016. Further information is available on the School Consultation webpage: [www.kent.gov.uk/schoolconsultations](http://www.kent.gov.uk/schoolconsultations)

The outcome of the consultation was due to be reported to Education and Young People’s Services Cabinet Committee on 23 November. The report was deferred, pending further discussions on the design and planning process and will be considered by the Cabinet Committee at its meeting scheduled for 22 June 2017

### **Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.**

**Title:**  
**17/00045 Tonbridge and Malling Transport Strategy**

**The Decision needed:**

Tonbridge & Malling Borough Council are developing a new Local Plan to shape the future development of the borough. The County Council is assisting with this process and developing a new Transport Strategy to help deliver the objectives and outcomes of the Local Plan.

Improving Transport is identified in the KCC Strategic Statement of 2015-2020 under outcome 2: Kent Communities feel the benefits of economic growth by being in-work, healthy and enjoying a good quality of life. The potential delivered through the implementation of the transportation schemes set out in the Transport Strategy will help to meet this objective.

**Former Shepway Resource Centre, Folkestone - Disposal**

**The Decision needed:****LATEST UPDATE:**

19/05/2014 - Decision due date changed from 18/02/2014 to 01/08/2014.

**REASON:** The proposed decision to dispose of the Centre was delayed while internal processes were undertaken to ensure that no other suitable use could be found before disposal. This process is complete and the former

resource centre will be placed on the market shortly. Responses from the market will be gauged after a period of approximately 3 months and a proposal for the site put forward at that time. The decision will be considered by the Property Sub-Committee or the Policy and Resources cabinet Committee before being taken by the Cabinet Member.

**DEFERRED**

**Responsible Cabinet Member** - Cabinet Member for Corporate & Democratic Services

**Reference No:**

**Key** Yes

**Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.**

**Title:**  
**Sandwich Highways Depot**

**The Decision needed:**

**Update 09/03/2015:**

**DEFERRED: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value is secured; surveys are being carried out with a view to marketing the site in the future dependent on the outcome of those surveys.**

**Latest Update:**

19/05/2014: Decision due date changed from 23/12/2013 to ‘Not before’ 01/11/2014.  
REASON: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value for the site is secured. Options appraisal work is underway and this work is expected to take approx. 6 months, therefore an expected decision date is set for November.

-----  
To seek approval to proceed with the disposal of the above site to raise a capital receipt which will be allocated to support the capital programme.

To seek approval to identify and progress with the acquisition of a new site for the service.

The Director of Property and Infrastructure Support will be authorised to finalise terms for both the disposal and acquisition of a new site.

This decision is needed to enable a modern highway service operation to be provided in the East Kent Area that is both reactive and responsive to changing demands. It directly supports 3 of the Bold Steps for Kent.

- Firstly it helps deliver the “Kent Environment Strategy” by the provision of new environmentally friendly facilities (e.g. grey water) via the construction technique with the eventual adaptation of new work practices within the new depot.
- Secondly it builds relations with key business sectors across Kent as the supply chain involved in such a project provides work to businesses of all sizes.
- Thirdly by the better siting and provision of facilities for the new depot it ensures that the most robust and effective public protection arrangements are in place for road management including bad weather response.

The impact of the decision is that full assessment of the potential disposal of the site can be explored within the market place to ensure that best value principles are adhered to. In tandem a full search and feasibility study will be undertaken to identify a new location for the alternative highways depot which satisfies the above objectives.

**Section 2 – Who is taking the final decision and when**

**Reference No: 12/020231**

**Key No**

**Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.**

**Title:**  
**Eden Centre Lease**

**The Decision needed:**

**LATEST UPDATE:**

19/05/2014 - Decision due date changed from 01/03/2014 to 01/01/2015.

**REASON:** The decision remains at the earliest stages of investigation and options appraisal. A further review will take place in January 2015 when a decision pathway will be identified and the proposed decision updated further.

-----

**To seek agreement to the principle of granting a long lease to a charitable community interest company or similar vehicle, of The Eden Centre, Four Elms Road, Edenbridge.**

The proposal directly links to Bold Steps for Kent, putting the citizen in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen's Advice Bureau and House (West Kent Action), to support Kent's more vulnerable citizens.

The impact of the decision will be that KCC will have less control of the management and operation of the centre as they would become the responsibility of a third party.

Risks identified are:

- Reliance on the professionalism of the trustees to deliver a successful facility, agreeing with all partners a financial model for the charitable vehicle
- Reputational damage to KCC if the charitable vehicle were to fail
- Obtaining buy in from all community groups in occupation to form trust
- Untried and untested model
- Level of income generation from the centre which could go to the charitable vehicle is currently unknown as a new facility
- Continued KCC ownership of a non-core asset
- Officers may be unable to get agreement from stakeholders, charitable vehicle does not prove financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).
