FORWARD PLAN OF DECISIONS

1 April 2020 - 30 September 2020

This Edition of the Forward Plan Supersedes ALL Previous Editions

Leader of the County Council – Roger Gough
Published by Democratic Services

This Forward Plan lists “Key Decisions” which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. The Plan also contains reference to other proposed decisions, which although not Key Decisions are nonetheless significant in terms of their outcomes.

Please use the contact details given to let us know your views.

FORWARD PLAN OF DECISIONS

Each month the Council publishes a Forward Plan of Decisions expected to be taken during the following six months.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not already included in the Policy Framework (Constitution Appendix 3) or changes to established policies
- (c) Approval of management and business plans
- (d) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the Forward Plan helps the Council to programme its work and ensures compliance with the Local Government Act 2000. Every month, the period covered by the Plan will be rolled forward by one month and the plan will be republished.

The Plan outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council’s web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been taken, a copy of the Record of Decision will also be published on the Council’s website.

The Kent County Council Cabinet Members are:	
Mr Roger Gough	Leader of the Council
Mr Peter Oakford	Deputy Leader and Cabinet Member for Finance, Corporate and Traded Services
Mrs Clair Bell	Cabinet Member for Adult Social Care and Public Health
Miss Susan Carey	Cabinet Member for Environment
Mrs Sue Chandler	Cabinet Member for Integrated Children's Services
Mr Mike Hill	Cabinet Member for Community and Regulatory Services
Mr Richard Long	Cabinet Member for Education and Skills
Mr Michael Payne	Cabinet Member for Highways and Transport
Mrs Shellina Prendergast	Cabinet Member for Communications, Engagement and People
Mr Mike Whiting	Cabinet Member for Economic Development

All Members can be contacted by writing to Kent County Council, Sessions House, County Hall, Maidstone, Kent, ME14 1XQ or by email via the Council's website.

NEW

URGENT DECISION - IMMEDIATE IMPLEMENTATION

<p>Responsible Cabinet Member - Deputy Leader and Cabinet Member for Finance, Corporate and Traded Services</p> <p>Reference No: The Council has a legal obligation and duty of care to provide PPE to its employees. Whilst it does not have an obligation to supply it to providers, the outbreak has caused PPE to be in very short supply and the means of placing bulk orders to be beyond many of them, particularly the smaller and voluntary sector organisations. In order for them to continue to provide essential services e.g. care home placements, care in the community etc., KCC has to provide mutual aid through these bulk orders.</p> <p>Key Yes</p>
<p>Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.</p>
<p>Title: 20/00035 - The emergency purchase of bulk Personal Protective Equipment (PPE)</p> <p>The Decision needed: Reason(s) for decision:</p> <p>Emergency purchase of bulk Personal Protective Equipment (PPE) including but not limited to hand sanitiser, wipes, aprons, masks, gloves, and goggles. This forms an integral part of the Council’s response to the outbreak of the current novel coronavirus (COVID-19) and the measures to reduce the risk of further human-to-human transmission.</p> <p>To secure supplies of appropriate PPE bulk orders with suppliers must be placed. This requires KCC to make significant financial commitments and also plan for ongoing review and replenishment of stock in a challenging market.</p> <p>The PPE is for use by KCC and for mutual aid to KCC’s suppliers where they are unable to source supplies. KCC will pay for the additional cost and usage of PPE during the outbreak from the additional funds (£39m) provided by central government. When KCC provides mutual aid, the provider will be charged the full cost, recognising that any cost increases they incur will be reflected in the contract price KCC pays for service delivery, so also drawn from the additional funds KCC receives.</p>
<p>Section 2 – Who is taking the final decision and when</p>
<p>Who is taking the Decision Deputy Leader and Cabinet Member for Finance, Corporate and Traded</p>

Services

Date:

April 2020

Reason if Key Decision

No issues identified at early stage EqIA, note that this will be reviewed as project continues.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

No Cabinet Committee consultation possible due to urgency process.

The Chair of the Scrutiny Committee supported the urgent decision.

Mr R Bird and Mr D Farrell, as the Group Spokespeople of the Scrutiny Committee, supported the urgent decision

Mr Sweetland as the Chair and both Mr R Bird and Mr D Farrell as Group Spokespeople of the Policy and Resources Cabinet Committee, supported the urgent decision.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

This decision provides for expenditure up to £2m. A further decision will be made should expenditure on bulk orders need to exceed that. Additional funding from central government (£39m) has been provided to respond to the outbreak and this will be drawn on where costs exceed those normally incurred for PPE.

NOT BEFORE 30 APRIL 2020 BY CABINET MEMBER

Responsible Cabinet Member - Cabinet Member for Economic Development

Reference No: The new contract from August 2020 will be extendable by up to 2 years to March 2025, subject to satisfactory performance and availability of funding.

Key Yes

Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.

Title:
20/00033 - Inward Investment Services

The Decision needed:
Proposed Decision:

The Cabinet Member for Economic Development to agree to entering into a contract with the successful bidder once the selection process is completed.

Background:

Kent County Council is seeking to procure Inward Investment Services for the period August 2020 to March 2025. This will replace the existing inward investment services contract with Locate in Kent, which commenced in August 2016 and runs until the end of July 2020.

The Inward Investment Service will deliver, alongside Kent County Council and Medway Council, specific outcomes that contribute to economic development in Kent and Medway. These are:

- More investment opportunities from overseas markets
- Increased supply chain benefits for local businesses
- More inward investment in Kent and Medway
- Raised profile as a destination for inward and foreign direct investment.

The Inward Investment Service will be contracted to a supplier for the period August 2020 to March 2025 on a 2yrs 8mths+2 years basis, the final 2 years subject to satisfactory performance and availability of funding. The purpose of the service will be to promote and raise the profile of Kent and Medway as an attractive business investment location for UK and foreign-owned businesses relocating and expanding within and into the county, and to create jobs from successful company investments.

The new inward investment services contract would be up to 4 years 8 months from August 2020 to March 2025 and would cost £3,986,667. The contract will be funded by KCC, Medway Council (confirmed) and the European Structural and Investment Fund (ESIF) Growth Programme. The ESIF funding will be subject to a Grant Funding Agreement between KCC and MHCLG.

The service will aim to promote and raise the profile of Kent and Medway as a business location with the aim of attracting new investment from Kent, UK and overseas businesses, creating jobs and economic prosperity. Contracted outputs over the contract period will be 4,200 new jobs from SMEs and non-SMEs and 150 successful projects. There will be specific outputs for the ESIF-funded part of the project to provide consultancy support to SMEs and to create new jobs which are included within the

overall 4,200 target.

Options:

Four options were considered in addition to a Do Nothing option:

Doing nothing. This would mean having no further external service commission after the cessation of the current contract with Locate in Kent, and no in-house provision within KCC. This would provide significant financial savings to KCC. However, because there is currently no comparable business support service in Kent and Medway, this would result in a failure to capitalise on opportunities for growth in the local economy and job creation.

Option 1 – Do minimum. This would mean establishing for the first time a bespoke, outward-facing business support service based in KCC. Although currently KCC does not have the expertise in-house to provide the specialised, face-to-face support that businesses want, this would potentially deliver cost savings to the County Council. However, it is unlikely to attract financial support from Medway Council, the ESIF programme and the private sector. There would also be TUPE implications of transferring staff from the current supplier to KCC.

Option 2 – Less ambitious. This would mean an external supplier providing a less ambitious service at a lower price than currently. This would deliver financial savings to KCC and other potential funders, and would maintain some specialised inward investment services in a post Brexit economy. However, it could result in a reduction in the county's ability to compete for domestic and foreign inward investment, and it is uncertain whether financial support would be forthcoming from Medway Council. Under this option there would be possible TUPE implications of transferring staff from Locate in Kent to another supplier.

Option 3 – Preferred option. This would involve delivering a targeted approach to attracting more domestic and foreign business investment to Kent and Medway, focusing specifically on the opportunities and challenges in a post-Brexit economy. This is the preferred option and is supported by the proposed funding partners, who will provide financial support for the first three years of the proposed commission. Under this option there would be possible TUPE implications of transferring staff from Locate in Kent to another supplier.

Option 4 – Most ambitious/more ambitious than preferred. This would be expected to cover all sectors across Kent and would thus increase targets and outputs. Although there would be higher targets and more business beneficiaries, with the potential to create more jobs, this option would be too costly and therefore unaffordable. Under this option there would be possible TUPE implications of transferring staff from Locate in Kent to another supplier.

The preferred option will deliver an improved service and a more targeted approach to attracting domestic and foreign investment in a post-Brexit

economy.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Economic Development

Date:

Not before April 2020

Reason if Key Decision

Equalities implications:

An Equalities Impact Assessment has been undertaken for the service. No issues have been identified.

Data Protection implications:

An early stage Data Protection Impact Assessment has been undertaken for the service. No issues have been identified although this will be kept under review as the project continues.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

The proposed contract was considered by Growth, Economic Development and Communities Cabinet Committee on 13 September 2019.

The proposed decision will be considered by the Growth, Economic Development and Communities Cabinet Committee on 7 May 2020.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

The expected total revenue cost of the contract from August 2020 to March 2023 is £3,986,667. There are no capital costs.

NOT BEFORE 21 APRIL

Responsible Cabinet Member - Cabinet Member for Adult Social Care and Public Health

Reference No: The works and lease agreement will be managed by Gen2 who will obtain all necessary consents from solicitors and required works from qualified surveyors.

Key Yes

Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.

Title:

20/00026 - The Flete Unit, Margate - Sexual Health Clinic

The Decision needed:

Proposed decision –

- The Cabinet Member for Adult Social Care and Public Health agrees to:
 - a) Develop the Flete Unit into a sexual health clinic and office space to deliver sexual health services from a single site in the Thanet area, secured via a 15-year lease.
 - b) Delegate authority to the Director of Infrastructure, in consultation with the Cabinet Member for Adult Social care and Public Health and the Deputy Leader and Cabinet Member for Finance, Corporate and Traded Services to take relevant actions necessary to implement this decision, including but not limited to; entering into the required contracts for the development works, finalising the terms of and entering into the required leases and other legal agreements as required to permit occupation and use of the site for the delivery of sexual health services.
- Background –

Kent County Council have a statutory duty to provide comprehensive sexual health services under the Health and Social Care Act 2012. Sexual health services currently delivered in Thanet are split over three sites which are either at capacity or lack the facilities to offer a full sexual health service. There is the need to move services to a premise that can offer the full sexual health service to the population of Thanet.
- Options -

Other sites in Thanet have been considered to varying degrees however none were able to be progressed due to either the site being unsuitable, or the site being granted to a different service. Sites include 3 retail units, a site in Mill Lane, Sarre Unit, Margate Adult Education Centre and Norfolk Road Hotel.
- How the proposed decision meets the objectives of ‘Increasing Opportunities, Improving Outcomes: Kent County Council’s Strategic Statement (2015-2020)’

Kent’s Strategic Statement outlines a commitment to ensuring Kent Communities feel the benefits of economic growth by being in-work,

healthy and enjoying a good quality of life. The strategic statement outlines the need to invest in our infrastructure to deliver sustainable community assets, to plan for growth and to improve Kent's public health outcomes.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Adult Social Care and Public Health

Date:

Not before April 2020

Reason if Key Decision

An initial EqIA screen has been conducted and has been submitted to the Equalities and Diversity team for further guidance on whether a full assessment is required. This will be continually reviewed as the project continues.

Data Protection implications

There are no anticipated data protection implications from this decision.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

The proposed decision will be considered by the Health Reform and Public Health Cabinet Committee on the 30th April 2020, and the outcome of the discussion included on the decisions paperwork which the Cabinet Member will be asked to sign.

Section 4 – Responsible Officer – Who to contact for more information.

<p>Title: 20/00028 - A20 Hall Road Junction Improvement</p> <p>The Decision needed: Proposed decision:</p> <p>Approval to take the highway improvement through development and delivery including authority to progress any statutory orders and to enter into funding, land and construction contracts.</p> <p>Background:</p> <ul style="list-style-type: none">• The scheme involves the removal of the existing signalisation and provision of an elongated roundabout at the crossroads junction of A20 London Road with Hall Road and Mills Road.• The A20 is a key route into Maidstone and to M20 J5 from the west. Mills Road serves the Quarry Wood industrial and retail estate that serves over eighty firms including a supermarket. The existing junction is at capacity with regular congestion at peak periods and it will come under increasing pressure from committed and future developments in the area. Although the junction is located within Tonbridge & Malling Borough area the scheme is complementary to the proposed Maidstone Integrated Transport Programme of schemes.• The objective of the scheme is to improve the efficiency of the junction and provide additional capacity together with dedicated signal-controlled pedestrian crossings and rationalised bus layby locations.
<p>Section 2 – Who is taking the final decision and when</p>

Title:

20/00029 - A249 Grovehurst and Key Street Junction Improvements

The Decision needed:

Proposed decision:

Approval to take the highway improvements through further design development and public consultation including authority to enter into a funding agreement with Homes England and agreements with Highways England and Sheppey Design Build Finance and Operate as highway authority and operator respectively of the A249.

Background:

The A249/A2 Key Street junction is the main junction for traffic from Maidstone, the M20 and M2 serving the A2 communities and Sittingbourne to the east. The A249/B2005 Grovehurst junction is the

main junction to the north serving the Sittingbourne Northern Relief Road and expanding residential and business communities at Kemsley and Iwade.

Swale Borough Council Adopted Local Plan 2017 seeks to deliver nearly 6500 new homes over the plan period, but this is undeliverable beyond 2022 as there are road network capacity constraints and air quality concerns.

The objective of both schemes is to increase capacity to reduce congestion and to assist other modes of travel to support the delivery of the Local Plan housing target and to contribute to the needs of the emerging Local Plan 2022-2038.

In November 2019, the Swale Transport Infrastructure bid in respect of the A249 junction related elements was accepted by Government for Housing Infrastructure Fund (HIF) support of £38.1m. A condition of the funding is that the improvements must be delivered by 2024.

NOT BEFORE 14 APRIL BY CABINET MEMBER

Responsible Cabinet Member - Cabinet

Reference No: There are no legal implications arising from the decision.

Key Yes

Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.

Title:
20/00027 - Clean Up Kent and Public Realm Improvements

The Decision needed:

Proposed Decision:

- a) Approve a programme of works to deliver a range of projects to ‘clean up’ Kent and to improve the public realm across Kent
- b) Approve the proposed funding allocations and project development arrangements required to support and deliver the programme; and
- c) Delegate authority to the Corporate Director for Growth Environment and Transport to take relevant actions, including but not limited to, entering into relevant contracts, legal arrangements or other arrangements, as necessary to implement this decision.

Background:

Kent’s Future, Our Priority’ will become Kent County Council’s new 5 Year Plan, to replace the previous strategic statement ‘*Increasing Opportunities, Improving Outcomes (2015-2020)*’. The Plan is structured around seven outcomes which reflect the key things that residents and businesses said were essential to a good quality of life in Kent. One of the seven outcomes is, ‘A cleaner and greener Kent.’

A key message from the recent public consultation was that residents care about the places they live in, they are proud of where they live, and want to protect these places by looking after the quality, maintenance and cleanliness of our physical environment, especially town centres, local streets, beaches, public rights of way and green spaces.

Options:

It was also clear from the public consultation that residents wanted the County to be clear how it will deliver the plan. This detail is contained within the 5-Year Plan objectives including working with partners to improve the quality of Kent’s public realm. It is intended that a range of physical improvements will

be developed, in conjunction with local stakeholders to reflect different priorities but will be targeted at cleaning up and improving the quality and appearance of the public realm.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet

Date:

Not before April 2020

Reason if Key Decision

- Equalities implications
Equalities Implications:
There are no equality implications directly arising from the decision. An EqIA will be undertaken for individual projects as they are developed.
- Data Protection implications
No personal data will be collected, therefore there are no data protection implications.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

The decision is based on consultation feedback from the 5 Year Plan. Consultation included targeted workshops and a public consultation. Members were also involved via a cross-party Member workshop and political group briefings. The Leader also wrote personally to key partners to welcome their views in the consultation.

The proposed decision will be discussed at the Environment and Transport Cabinet Committee on 31 March and final decision will be taken at Cabinet on 27 April 2020.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

An allocation for funding has been made from the Growth for Strategic Statement Priorities revenue budget line. There is also potential for Districts and Boroughs to match fund.

Title:

20/00030 - Residential Care for People with Learning Disabilities, Physical Disabilities and Mental Health Needs

The Decision needed:

Proposed decision – To award the contracts to provide residential care for people with a learning disability, people with a physical disability and people with mental health needs to the successful bidders as identified following a procurement process.

Residential Care services for People with a Learning Disability, People with a Physical Disability and people with Mental Health Needs last went out to competitive tender in 2002 for the Disability contract and 2004 for the Mental Health contract.

The purpose of this tender is to ensure a relevant specification and to update current terms and conditions as well as to show due regards to the fair cost of care. The intention is to establish new contracts for care homes for People with a Learning Disability, People with a Physical Disability and People with Mental Health Needs from June 2020

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Adult Social Care and Public Health

Date:

Key Yes

Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.

Title:
20/00031 - Care in the Home Service

The Decision needed:

Proposed decision – To approve the award of the contracts to provide care and support in the home to the successful bidders as identified following a

procurement process

Reason(s) for decision:

There is a mixed economy of Care in the Home Services across Kent for adults and children with assessed needs, predominantly contracted to external Providers and spot purchasing arrangements. The scope of these services includes:

- Home Care Services
- Extra Care Support (background hours and care and support)
- Discharge to Assess Services
- Supporting Independence Services (SIS)
- Supported Living Services

The services in scope deliver very similar tasks in people's homes and there is an opportunity to achieve improved consistency across the market by bringing services together. Additionally, providers delivering services such as SIS and Discharge to Assess are already delivering within an outcomes-focused approach, whilst the Home Care provision remains time and task focused. Aligning services under one contractual arrangement will enable the Council to take a consistent and equitable approach in shaping the market to focus on the personalisation and outcomes agendas. This will also support the Council's strategic outcome that 'older and vulnerable residents are safe and supported with choices to live independently'.

The new contract will bring together the above services, which have previously been delivered separately, under one contractual arrangement. An integrated Care in the Home Service will support a greater level of consistency, purchasing rigour and transparency in practice. It will also develop a clearer pathway, with less handoffs between services and a subsequent reduction in assessment costs. From a Provider perspective, this will enable better control as to how they manage need. This is in line with the requirements of the Care Act 2014 and Children Act 1989.

Furthermore, there is significant overlap between the tasks delivered by Care in the Home Service delivered by the Local Authority and Continuing Health Care support funded by the NHS. The new contract offers an opportunity to improve understanding of this duplication and realise efficiencies through working more collaboratively with health partners.

This has provided an opportunity to rethink what the Local Authority and the public need from Care in the Home services and, with approval, commission a new integrated model.

Legal Implications: The main legislative framework for the Care in The Home Service is the Care Act 2014, the Children Act 1989 and the principles of the Mental Capacity Act 2005.

Transfer of Undertakings (Protection of Employment) (Amendment) Regulations 2014 (TUPE) is likely to apply, and the Council will ensure in the event of a change of employer, that it will undertake necessary

arrangements, within its remit, to provide for the protection of employees' rights.

<p>Title: 20/00025 - Kent County Council adoption of Kent Nature Partnership Biodiversity Strategy 2020-2045</p> <p>The Decision needed: Proposed decision:</p> <p>Formal adoption of the Kent Nature Partnership Biodiversity Strategy 2020-2045</p> <p>Background:</p> <p>The Kent Nature Partnership Biodiversity Strategy (the Strategy) sets out the contribution the county of Kent can make to the Government’s ambition to “leave our environment in a better state than we found it” and the further aspirations set out in its 25 Year Environment Plan, A Green Future (2018). The Kent Biodiversity Strategy aims to help steer the collective action of conservationists, government, business and individuals to work in partnership so that the county’s natural landscape can be restored, and threatened species can be saved.</p> <p>The Strategy aims to deliver, over a 25-year period, the maintenance, restoration and creation of habitats that are thriving with wildlife and plants, ensuring the county’s terrestrial, freshwater, intertidal and marine environments regain and retain good health. It looks to protect and recover threatened species and enhance the wildlife habitats that are particularly important in Kent. It also aims to provide a natural environment that inspires citizen engagement and is well used and appreciated, so that the mental and physical health benefits of such a connection can be realised by the people of Kent.</p> <p>These aims will be achieved through the delivery of the following goals in Kent for 2045:</p> <ul style="list-style-type: none"> • A rich and growing terrestrial biodiversity, underpinned by more resilient and coherent ecological networks and healthy, well-functioning ecosystems. • Clean, plentiful and biologically diverse freshwater and intertidal ecosystems underpinned by implementation of a catchment-based approach. • A reverse in the loss of marine biodiversity and delivering clean, productive and biologically diverse oceans and seas through good management.

- The widest possible range of ages and backgrounds will be benefiting from the mental and physical health benefits of the natural environment; and we will have inspired the next generation to take on guardianship of the county’s biodiversity.

Action is steered by a broad spectrum of ambitious objectives. In addition, the Strategy includes priority habitats and species, the restoration of which, can play a significant part. The Strategy also looks to further work addressing overarching considerations affecting biodiversity recovery including wilding, climate change, natural solutions, soil health and invasive species.

The Strategy was prepared for the Kent Nature Partnership by Kent County Council and the Kent Wildlife Trust under the guidance of a Task and Finish Group, comprising members of the Kent Nature Partnership.

Following stakeholder engagement and a formal consultation process in 2019, the Strategy was approved by the Kent Nature Partnership on 28th February 2020. It is now with the Kent Nature Partnership’s partners for adoption or endorsement.

The Strategy supports the Council’s Strategic Outcome of “Kent communities feel the benefits of economic growth by being in-work, healthy and enjoying a good quality of life” by helping to support a physical and natural environment that is protected, enhanced and can be enjoyed. The Strategy will also contribute to a good quality of life and, through local plans, will help steer well planned housing growth. The review is backed by an Equality Impact Assessment.

It is considered that the Kent Biodiversity Strategy can be adopted by KCC. It is not anticipated that the Strategy will place any new financial burdens on the authority in terms of its implementation. Rather it will influence the way it delivers its services and capital works, and, potentially, where it may direct resources and investment in the future.

(URGENT DECISION) NOT BEFORE 13 MARCH 2020

NOT BEFORE 24 MARCH 2020 BY CABINET MEMBER

<p>Responsible Cabinet Member - Cabinet Member for Education and Skills</p> <p>Reference No: Local authorities have a duty to prepare and publish by 31 May each year an annual transport policy statement specifying the arrangements for the provision of transport, or otherwise that the authority considers necessary, to make to facilitate the attendance of all persons of sixth form age receiving education or training.</p> <p>Key Yes</p>
Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.
<p>Title: 20/00018 - Post 16 Transport Policy 2020-21</p> <p>The Decision needed: Proposed Decision:</p> <p>The Cabinet Member for Education and Skills proposes to agree the Post 16</p>

Background Information:

There is a legal requirement for post 16 learners to stay in education, training or work-based learning until they reach 18 years of age, and as young adults there is an expectation they will contribute to the cost of their travel in most circumstances. Whilst there is no statutory duty to provide transport for Post 16 Learners there is a duty to consider applications for assistance with transport and to enable access to education. There are no planned changes to the Post 16 Transport Policy Statement or this commitment for the 2020/21 academic year. KCCs primary method of meeting its obligation in regard to Post 16 Transport will be through the continued subsidy of the 16+ Travel Saver pass.

The post 16 Transport policy for Kent County Council enables access to education for Kent Learners. To assist Kent's young adults in accessing their education in schools, colleges and through apprenticeships or work-based training provision.

Kent County Council has provided students with the opportunity to apply for a Kent 16+ Travel Saver pass which is subsidised by the Authority and can be purchased through their learning provider. The 16+ Travel Saver pass gives unlimited access to the public bus network and learning providers can choose to further subsidise this charge to their students or trainees if they wish in cases of financial hardship.

With the participation age raised to 18 years, the 16+ Travel Saver pass will widen the opportunity for Kent's young adults to access the education provision of their choice at a subsidised cost. This may be at schools, academies, colleges or in the workplace through an apprenticeship or other work-based training provision. Support for accessing education is not prescribed and Kent use the 16+ Travel Saver pass to meet its duty to enable users' access to education.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Education and Skills

Date:

Not before March 2020

Reason if Key Decision

Post 16 Transport Policy has an overall positive impact for learners with protected characteristics, with little to no negative effects. The document and consultation information can be found via this link:

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

The consultation runs from 10 February 2020 to 29 March 2020 which can be found at www.kent.gov.uk/post16transport

The final decision will be presented to the CYPE Cabinet Committee prior to the decision being taken by the Cabinet Member for Education and Skills.

Members have been informed of the consultation via the Member bulletin and are welcome to submit a response.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

Whilst KCC is not directly funded to support any transport requirements for learners over the age of 16, KCC has made significant financial commitments to Post 16 Transport. The LA commits in excess of £5 million on Post 16 Transport and draws an income of less than £2 million. Numbers fluctuate from year to year, but the total subsidy remains well in excess of £3 million per annum. On average, KCC subsidises just under 70% of the overall cost of Post 16 Transport to ensure learners can access their schools and colleges.

20/00019 - Dartford Youth Centre

The Decision needed:

Proposed decision:

The Deputy Leader and Cabinet Member for Finance, Corporate and Traded Services proposes to:

- Agree to sublease the Dartford Youth Centre to Europa Weightlifting Club for a period of 30 years; and
- Agree to delegate authority to the Director of Infrastructure to take relevant actions, including but not limited to, entering into necessary contracts as required to implement this decision.

Background:

Kent County Council (KCC) has a long ground lease interest in a site known at Dartford Youth Centre (DYC). The land is located in the Temple Hill area of Dartford. The land upon which DYC is built; is owned by Dartford Borough Council (DBC) who is landlord to the County Council.

The centre requires complete refurbishment to bring it into reasonable repair. Most of the property has been occupied by a private gym operator who wishes to take a long lease of the entire property. The present operator wishes to take a long lease to enable it raise funds for refurbishment.

Title:

20/00021 - Proposal to expand Mayfield Grammar School, Pelham Road, Gravesend, Kent DA11 0JE by increasing the Published Admission Number (PAN) from 180 places to 210 places for Year 7 entry in September 2021

The Decision needed:

Background Information:

Kent County Council (KCC) as the Local Authority has a statutory duty to ensure sufficient school places are available. The County Council’s Commissioning Plan for Education Provision in Kent 2020-24 is a five-year rolling plan which is updated annually. It sets out our future plans as Strategic Commissioner of Education Provision across all types and phases of education in Kent. A copy of the plan can be found using this link: <http://www.kent.gov.uk/about-the-council/strategies-and-policies/education-skills-and-employment-policies/education-provision>.

Forecasts indicate a growing demand for Year 7 places in Gravesham from the start of the 2020-21 academic year. The Gravesham and Longfield Selective Planning Group is forecast to have a deficit of 62 places (2FE) for the 2021-22 intake and increases again to 99 places (3.3FE) by 2023/24.

As part of the measures being taken to address the capacity issues illustrated above, KCC is proposing that Mayfield Grammar School increase their PAN to 210 for 2021.

To expand Mayfield Grammar School, KCC are proposing the removal of the old wooden block and building a new block at the school, together with other infill and enhancement work to social spaces. This work would be completed before the September 2021 intake. This build would enable the school to offer 210 Year 7 places for September 2021.

Title:

20/00022 - Supported Lodgings for Young People Leaving Care

The Decision needed:

Background Information:

KCC currently has a two-year contract plus two-year extension with Catch 22 for the delivery of Supported Accommodation in a Family Environment (SAIFE) – officially known as Supported Lodgings provision. This contract is due to expire on 31st May 2020, having utilised the two-year extension.

The service provides 16-21-year-old young people who are in care or who are care leavers (aged 21-25 if in further education) with accommodation and support. This is delivered through a family setting, known as a "Host", who provides guidance and support to the young person, with the aim of supporting them to independence. The current provider Catch 22 is contracted to recruit, train, manage and support the Hosts including any Staying Put arrangements, when a young person in Foster Care wishes to remain in situ after their 18th birthday under Kent County Councils Staying Put Policy. The Foster Carer will convert to a Host and will be managed by Catch 22. Young People placed in this accommodation have their own room in the Hosts family home and will be given support by the adult(s) in the home.

There are three levels of support (Standard, Complex and Intensive) which are based on the number of hours required each week to support the Young People.

The annual contract value is £335,976 for management costs and approximately £1.9 million for support costs/rent, which varies each year as this figure is based on demand. Young people are expected to claim eligible benefits including universal credit and housing benefit to contribute towards the costs of the provision.

Reference No: KCC have a duty, under Section 22 of the Children Act 1989, to safeguard and promote the welfare of each child we look after. Section 11 of the Children's Act 2004 places a duty on a range of organisations and agencies to ensure their functions, and any services that they contract out to others, are discharged having regard to the need to safeguard and promote the welfare of children. Section 17 Children Act 1989 places a duty on Local Authorities to assess whether a young carer in their area needs support and what those needs.

Key Yes

Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.

Title:
20/00017 - Recommissioning of Early Help Services

The Decision needed:

Background:

The vision of Early Help and Preventative Services is that every child and young person and their family, who need Early Help services, will receive them in a timely and responsive way, so that they are safeguarded, their educational, social and emotional needs are met, and they achieve good outcomes.

In November 2016, KCC commissioned several Early Help and Preventative Services to complement and support the development of the internal provided Early Help Services. These services include:

- The Family Support Service – a service to provide early support for families experiencing difficult challenges.
- The NEET Service – offers support to those young people who have been either NEET in excess of 6 weeks or whom have experienced multiple periods of NEET.
- The Young Carers Service – a bespoke service that offers support to young people who have a caring responsibility within their family unit.

Since commissioning these service, KCC's Children, Young People and Education Directorate has undergone a transformation programme integrating internal services to develop the new Integrated Children's Service. This has included the enhancement of the adolescent offer, investment in training and development, new practice models and the development of a single 'front door' for all referrals.

Recommissioning the Early Help services will ensure alignment with the new service arrangements. The existing contractual levers have been utilised to extend all three services until 30th September 2020, allowing the recommissioning to take place alongside the work currently being undertaken to refocus the Early Help element of the Children and Young Person's Mental Health Service into alternative evidence-based services/interventions.

Proposed decision:

1. Recommission a range of Early Help and Preventative Services in line with changes to KCCs Integrated Children's Services and the Local Transformation Plan for Children and Young People's Mental Health Services. Affected Services are:
 - The Family Support Service
 - The NEET Service
 - The Young Carers Service
2. Delegate authority to the Corporate Director for Children, Young People and Education, or other nominated officer to undertake the necessary actions to implement the decision.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Integrated Children's Services

Title:

20/00001 - Proposal to open satellite provision of the Beacon Folkestone at the former Walmer Science College and increase the designated number from 380 places to 620 places

The Decision needed:

Background Information:

Across Kent, the number of pupils with an EHCP has increased significantly. Figure 1 shows that, as of January 2015, there were 7,374 pupils aged between 0-25 years of age with an EHCP, by January 2019 the number had increased to 11,763, an increase of 60%. There have been significant increases across all need types but particularly for Autism Spectrum Disorder, Social, Emotional and Mental Health Needs, Speech,

Language & Communication Needs and Moderate Learning Difficulties. The increase in the number of pupils with an ECHP is having an impact on the need for places within our special schools and the SRPs within mainstream schools. This is being particularly felt within our schools designated as PSCN, such as The Beacon Folkestone, which provide for pupils that have more than one need type.

Access to a maintained special school place in Dover is limited by the fact that the two special schools in the District, The Elms and Portal House, both cater for pupils with Social, Emotional and Mental Health Needs (SEMH). There is no special school designated to cater for PSCN; Dover and Dartford being the only 2 of the 12 districts in Kent not to have such a facility. Instead, Dover has two specialist resourced provisions (SRPs) designated for pupils with PSCN at Whitfield Aspen Primary School and at Dover Christ Church Academy. To support the increasing need for specialist places for pupils with PSCN within the District, particularly in the primary sector, the designated number of places available at Whitfield Aspen Primary School has grown from 58 in 2014 to 112 in 2019. However, this is clearly still not sufficient, as at January 2020 there were 128 pupils on roll in the SRP. The designated number at Dover Christ Church Academy is 40 and presently there are 54 pupils on roll. As pupils leave the primary sector there are insufficient local specialist places and pupils have to travel out of the District to receive appropriate support. This has become an increasing issue as larger primary school rolls enter the secondary sector. Opening a satellite of the Beacon at the Walmer site will go some way to ensuring there is sufficient specialist provision for pupils with PSCN within Dover district.

The pressure for PSCN places has not been limited to one need type. We have particular pressures for provision which will support needs of pupils with combined Autistic Spectrum Disorder (ASD) and Severe Learning Difficulties (SLD) or Moderate Learning Difficulties (MLD). The buildings at the former Walmer Science College would be more suited to these need types.

The need to add additional ASD provision has been highlighted. In June 2019 the plan to add ASD provision via the commissioning of a new 168 place ASD provision within the former Walmer Science College building was brought to the attention of the Children's, Young People and Education Cabinet Committee.

This was incorporated in a report which outlined how Officers proposed to allocate the additional £4,600,000 funding from the Government's Special Provision Capital Fund to increase specialist ASD provision across the County.

The proposal:

We are proposing to open a 168-place satellite of The Beacon Folkestone at Walmer Science College, formally a mainstream secondary school which was vacated in August 2018. We plan to refurbish the buildings in phases, with the aim that the initial provision is open in September 2020.

Initial, high level feasibilities have shown that the site and present facilities at former Walmer Science College could be swiftly reinstated to provide the facilities needed for the satellite of The Beacon Folkestone. In particular, the buildings would be more suited to pupils with ASD and a combination of SLD/MLD.

We are planning to deliver the satellite in phases. Phase one would see complete refurbishment of the Compass Centre, to provide an Early Years and Key Stage One block with outdoor play space, and further enabling works such as: a drop off and pick up area, car parking for staff, visitors and taxis/minibuses and the removal of the ROSLA building. The addition of the enabling works at this point will increase the capital outlay required during the first phase, reducing it in further phases.

Appendix 2

Responsible Cabinet Member - Leader of the Council

Reference No: Invicta Law have provided advice that KCC's Constitution requires Transport for the South East to be listed in Section 19, Partnerships.

Key Yes

Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.

Title:

20/00010 - Transport for South East (TfSE) - Proposal to Govt

The Decision needed:

Proposed decision

As Leader of the Council, in accordance with Section 19.2 of the Council's Constitution, I agree to:

1. Consent to Transport for the South East's Proposal to Government for powers in addition to the general powers of a Sub-national Transport Body and endorse the Transport Strategy for the South East as part of this proposal.
2. Participate in, and cooperate with, Transport for the South East in accordance with the powers requested from Government and those powers operating concurrently with Kent County Council as Highway Authority and Local Transport Authority.

And delegate authority to the Corporate Director of Growth, Environment and Transport, in consultation with the Leader and Monitoring Officer, to enter into relevant legal agreements and take other appropriate actions as necessary to implement the decision.

Background

The Cities and Local Government Devolution Act 2016 amended the Local Transport Act 2008 to allow the creation of Sub-national Transport Bodies (STBs). There are now several shadow STBs in England, with Transport for the North becoming the only statutory STB in April 2018.

The South East 7 (SE7 – Kent, Medway, Surrey, West Sussex, East Sussex, Hampshire, Brighton and Hove) councils proposed the establishment of an STB for the South East. From this, Transport for the South East (TfSE) emerged, which is now a partnership of 16 Local Transport Authorities and five Local Enterprise Partnerships. In addition to the SE7, TfSE includes Southampton, Portsmouth, Isle of Wight, and the Berkshire unitary authorities represented by the Berkshire Local Transport Body (West Berkshire, Wokingham, Windsor and Maidenhead, Bracknell Forest, Reading, Slough).

TfSE has sought to formalise its role as the South East's voice for strategic transport issues by becoming a statutory body. To do this, TfSE has worked with its members to develop a Proposal to Government. This draft proposal was consulted on from May to July 2019. KCC provided a response to the consultation, supporting the powers TfSE proposed. Some of these were supported only conditionally provided that the principle of subsidiarity is applied (i.e. powers are used at the most local level). This was in relation to highways and transport functions that constituent members already hold but TfSE wants to enact concurrently.

Transport for the South East have since revised their Proposal to Government taking account of the comments they received in the consultation. The revised Proposal includes the application of the principle of subsidiarity.

TfSE has also consulted on its draft Transport Strategy for the South East (October 2019 – January 2020). KCC responded positively to this consultation to support the overall aims and aspirations of TfSE. The development of a Transport Strategy is one of the central functions of a STB, and the Department for Transport awarded TfSE funding (in addition to funding from the constituent authorities) to produce one. The Transport Strategy for the South East is being revised now that the public consultation has closed.

TfSE plan to submit the revised Proposal to Government and the Transport Strategy for the South East to the Department for Transport concurrently. This is to present a unified vision for the region alongside the request for powers to achieve it, with the consent of constituent bodies.

Strategic Statement

Transport for the South East is emerging as an important advocate of improved transport in the region, and its own aims closely match the objectives of the Strategic Statement. The vision for the Transport Strategy for the South East is:

By 2050, the South East of England will be a leading global region for net-zero carbon, sustainable economic growth where integrated transport, digital and energy networks have delivered a step-change in connectivity and environmental quality.

A high-quality, reliable, safe and accessible transport network will offer seamless door-to-door journeys enabling our businesses to compete and trade more effectively in the global marketplace and giving our residents and visitors the highest quality of life.

Thus, TfSE is fundamentally focused on improving lives, sustainable economic growth, and supporting all people to make informed transport decisions and have a range of transport choices so that they can benefit from improved quality of life. Consequently, TfSE has the potential to positively contribute towards all of the supporting outcomes identified in the Strategic Statement.

Options

Kent County Council is one of the founding bodies of Transport for the South East. As such, the only other option would be to decline to endorse the Proposal to Government and rescind support for TfSE. This would restrict KCC's opportunities to progress transport schemes for investment and isolate the county from wider regional discussions about transport in the future. It could potentially see the Council's influence in lobbying for schemes on the Strategic Road Network and railway network diluted because KCC would be a small area alone, hence not in alignment with the move to regional prioritisation that the Government has promoted to date.

Consultees

Consultation

Transport for the South East published a draft Proposal to Government for consultation in May 2019, with the consultation ending in July 2019.

Transport for the South East have revised their Proposal to Government after review of the consultation responses received. The final Proposal to Government will be presented to Cabinet Committee in advance of this decision being taken.

Cabinet Committee engagement

The KCC proposed response to the Transport for the South East draft Proposal to Government was taken to Environment and Transport Cabinet Committee on 16th July 2019. At that meeting it was resolved that the proposed response would be noted. This proposed response supported the powers requested by Transport for the South East, and conditionally supported the powers that would be shared with KCC provided that the principle of subsidiarity applies – i.e. that decisions on the use of these powers are made at the most local level by constituent authorities.

The KCC proposed response to Transport for the South East's *Transport Strategy for the South East* will be taken to Environment and Transport Cabinet Committee on 31 March 2020.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

As a constituent authority, KCC contributes £58,000 per year to fund the development of TfSE. This has been matched by £1 million of Department for Transport funding in 2018/19 and a further £500,000 in 2019/20.

<p>Title: 20/00007 - Proposal to permanently increase the capacity at Pilgrims Way Primary School, Pilgrims Way Canterbury CT1 1XU</p> <p>The Decision needed: Background –</p> <p>The Kent Commissioning Plan for Education 2019-2023 identifies a need for additional places in the Canterbury City Planning Area from 2021 this is due to pressures from new housing developments in Canterbury City and specifically the private development on the former Howe Barracks Site. This development will produce a total of 500 new homes. In addition to this, the refurbishment of former army houses by Redbridge Council is resulting in 38 new families moving in from November 2019. To mitigate the need for places, it is proposed that Pilgrims Way will expand by 0.5 forms of entry (FE) to become a 2FE Primary school. Pilgrims Way is the nearest primary school to these developments and was named for any developer contributions linked to the development of private housing on the former barracks site. Canterbury City Council Local Plan identifies 16,000 new homes over the plan period to 2031. 8,737 are planned for the Canterbury area, with 6,533 in the Canterbury City Primary planning area where Pilgrims Way Primary School is located. Pilgrims' Way Primary School was registered as a new school on 1st May 2018 and is part of the Veritas Academy Trust. They are awaiting their first Ofsted inspection. Currently Pilgrims Way has 261 on the school roll with 31 on the nursery roll totalling 292 (May school census 2019)</p> <p>Proposed decision –</p> <p>To expand Pilgrims Way Primary School by increasing the Published Admissions Number (PAN) from 45 places to 60 places from September 2021.</p>

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

A public consultation was held between 4 October 2019 and 22 November 2019 and the feedback from this will be included in CYPE Cabinet Committee report. During this period a pre planning consultation event was held at the school on Monday 18 November 2019.

The report to the CYPE CC to approve the proposal will be presented at the 10 January 2019 cabinet committee meeting.

The local member has been informed of the proposal and their views have been sought during the public consultation period. Their view will be included in the CYPE Cabinet Committee report.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

The feasibility estimates the costs for this proposal to be £1.9m and the CYPE Cabinet Committee report will update costs as the concept designs are prepared and surveys completed for the planning application. Up to £2,500 is provided for each newly provided learning space for ICT equipment from the Capital budget. Totalling £10,000 for this project. £81,473.63 in developer contributions has been collected by Canterbury City Council towards the 0.5FE expansion of Pilgrims Way Primary School. A further £843,560 is expected but not received and £4,986 has been requested but not agreed. A total of £930,019.63 is therefore expected from developer contributions towards the expansion. As per KCC policy a total of £6,000 per new learning space will be provided to the school from the DSG revenue budget. For this proposal, costs will be £24,000.

Title:

20/00009 - Proposal to expand Tunbridge Wells Grammar School for Boys, by increasing the Published Admission Number (PAN) from 210 places to 300 places from September 2021

The Decision needed:

Background:

Kent County Council (KCC) as the local authority has a statutory duty to ensure sufficient school places are available. The County Council's Commissioning Plan for Education Provision in Kent 2019-23 is a five-year rolling plan which is updated annually. It sets out our future plans as Strategic Commissioner of Education Provision across all types and phases of education in Kent.

It is forecast that there will be significant short and medium-term pressure for additional Year 7 places in the West Kent Selective Planning Group which indicates that additional capacity will be needed for 2019/20 and in later years. The planning group includes all Grammar schools in the districts of Sevenoaks, Tonbridge and Tonbridge Wells.

In 2012, Kent County Council agreed to identify and pursue options to increase Grammar provision in that area.

Therefore, KCC has asked Tunbridge Wells Grammar School for Boys to provide additional places for local children by expanding the school onto a satellite in Sevenoaks district.

Proposed Decision:

Proposal to expand Tunbridge Wells Grammar School for Boys, by increasing the Published Admission Number (PAN) from 210 places to 300 places, facilitated by the establishment of a satellite of the school on the Wildernesse site in Sevenoaks, from September 2021.

<p>Title: 19/00096 - KCC's Civil Society Strategy</p>

The Decision needed:

The Civil Society strategy (working title) will replace KCC's existing VCS policy and set out the future relationship with civil society and the 'social sector', voluntary, community and social enterprise sector (VCSE), as a core part of that. The strategy will also set out the objectives and intentions for KCC's future offer of support to the VCSE. How this will be delivered will be set out in a subsequent action plan, which will include the financial implications and commitments.

The strategy will include the grant framework for the council, which was developed in 2015 and has been updated based on feedback from the past 4 years of operation. This is intended to create consistency and clarity in the way we award grants to the VCSE across the Council.

The strategy will also replace the Kent Partners Compact, which was last revised in 2012 and will set out the principles of how we will engage and work with the VCSE in the future.

This will be a supporting strategy to the new Strategic Statement for the Council, to be agreed in early 2020 and will support a number of key objectives.

Reference No: A legal agreement will need to be drawn up between KCC and Essex County Council to effect the transfer of Growing Places Fund monies to KCC.

A legal agreement will need to be drawn up between KCC and the borrower to transfer the Growing Places Fund monies to the borrower. The loan agreement would incur a charge being taken against the assets of the borrower.

KCC would maintain responsibility for monitoring repayments from the successful borrower.

Key Yes

Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.

Title:

19/00095 - Discovery Park: Growing Places Fund

The Decision needed:

Proposed Decision:

- *Kent County Council be the administration and funding decision authority for the £5.3m allocation from SELEP's Growing Places Fund;*
- *KCC draws down capital funds of £5.3m from the Growing Places Fund;*

- *KCC makes available loan finance of up to £5.3m from the Growing Places Fund to support works at Discovery Park to build a spine road and associated infrastructure to enable the building of 500 new residential homes;*
- *Authority be delegated to the Director of Economic Development to take appropriate actions, including but not limited to, entering into legal agreements as necessary to implement this decision.*

Provided that:

1. *Kent County Council is able to agree a satisfactory loan agreement from Essex County Council as the accountable body for SELEP's Growing Places Fund; and*
2. *The receipt of a satisfactory application for loan finance for the works at Discovery Park subject to the rules of the Growing places Fund and the findings of an independent financial appraisal.*

Background:

KCC shall invite applications for loan finance of up to £5.3m for infrastructure at Discovery Park. This £5.3m will be obtained from the Growing Places Fund (GPF), which is administered by the South East Local Enterprise Partnership (SELEP). Applications will then be appraised and considered through the same process as that which is currently used to determine applications for loans from the Kent and Medway Business Fund (KMBF). This means that any application will be required to submit a full business plan, be subject to independent appraisal and be considered by the KMBF Investment Advisory board before a decision is made by KCC. The owners of the Discovery Park site are aware of this proposed process and we anticipate that an application will be forthcoming when the process is launched. In parallel with this process, KCC shall seek to enter into a loan agreement with Essex County Council (the Accountable Body for GPF). These terms have been discussed with Essex County Council and have received an in-principle agreement. However, they will need to be formalised when an agreement to lend to a borrower have been reached.

Options (it is a legal requirement (2012 Executive Arrangements regulations) to outline other options considered)

The alternative would be for Kent County Council not to act as an agent for SELEP for the £5.3m Growing Places Fund loan. There is no evidence that this would be a more effective way of achieving the outcome of securing investment in Discovery Park, and there is a risk if the funding allocation is returned to SELEP that it is no longer ring-fenced for investment in Discovery Park or the wider Kent area.

Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.

Title:
19/00083 - Proposal to Expand Gravesend Grammar School from 174 places to 210 places in September 2021

The Decision needed:
Background:

Kent County Council’s Commissioning Plan for Education Provision in Kent 2019-23 is a five-year rolling plan which is updated annually. It sets out the future plans as Strategic Commissioner of Education Provision across all types and phases of education in Kent. A copy of the plan can be viewed from this link: <http://www.kent.gov.uk/about-the-council/strategies-and-policies/education-skills-and-employment-policies/education-provision>

KCC forecasts indicate a growing demand for Year 7 places in Gravesend from the start of the 2019-20 academic year. The Gravesend and Longfield Selective Planning Group is forecast to have a deficit of 36 Year 7 places (1FE) from 2019-20 that increases to a deficit of 62 places (2FE) for the 2021-22 intake and increases again to 99 places (3.3FE) by 2023/24.

Gravesend Grammar School has a Published Admission Number of 174, but has in the past, offered extra places through appeals.

KCC proposed an expansion of the school to take the PAN to 210 (7FE). The school currently has a permanent infrastructure that can accommodate a PAN of 150. There is a temporary two storey block on site that offers additional accommodation, facilitating the extra 24 places. To expand Gravesend Grammar School, KCC are proposing the removal of the temporary block and building a new block at the school, together with other infill and enhancement work to social spaces. This work would be completed before the September 2021 intake. This build would enable the school to offer 210 Year 7 places for September 2021.

Proposed decision:

The Cabinet Member for Education and Skills proposes to expand Gravesend Grammar School, Church Walk, Gravesend, Kent, DA12 2PR increasing the Published Admission Number (PAN) from 174 places to 210 places from September 2021.

Consultees

A Public Consultation ran from 30th September 2019 to 1st November 2019, with a drop-in event for stakeholders to raise issues and concerns on 15th October 2019. The consultation included the community and other stakeholders, including the following groups:

- **All schools in the Gravesham Borough**
- **Elected Members (Kent County Council, Gravesham Borough Council)**
- **Parish and Town Councils**
- **Local MPs**
- **Dioceses of Rochester and Southwark**
- **Church Groups**
- **Residents Groups**
- **Children’s Centres, Community and Voluntary Groups, Youth Groups**

This matter will be discussed at the Children’s, Young People and Education Cabinet Committee on 15th November 2019 – Ian Watts will be in attendance.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

A feasibility study has been carried out which estimates the cost of delivery being between £7.0m and £7.5m, wholly funded by the CYPE Basic Need Capital Budget. In line with the agreement of Cabinet Committee on 7 May 2019, the capital figure reported here is a budget estimate for information only. Subject to Members support for the proposal to progress, these estimates will be refined as detailed design work is undertaken and the scheme progresses through the planning process. Following receipt of planning permission, the refined cost estimate will be presented to Infrastructure Commissioning Board and the Cabinet Member for Children, Young People and Education for a key decision to be made. If Members support the progression of this proposal capital will be spent developing the design. This expenditure will be below the level requiring a key decision and within that delegated to officers.

Title:

19/00064 - Kent County Council and Kent Community Health NHS Foundation Trust collaborative partnership - delivery and transformation of Public Health services

The Decision needed:

Proposed Decision:

To agree the extension of collaborative partnership arrangement with Kent Community Health NHS Foundation Trust (KCHFT) until at least March 2025 and ongoing delivery of Public Health services through this approach. Public Health services included within the current arrangement are listed below:

- Health Visiting
- School Health Services
- Sexual Health Services
- Lifestyle Services and NHS Health Checks
- Oral Health Services
- Postural Stability Services

Background:

Kent County Council took the decision to enter into an innovative partnership with Kent Community Health Foundation Trust (KCHFT) in September 2017, with the aim to maximise the opportunity to improve the health of Kent residents, deliver common objectives and accelerate delivery of the Sustainability Transformation Plan (STP), known as the Sustainability Transformation Partnership. This arrangement was also designed to offer the flexibility to align to new local care arrangements.

This decision recognised that KCHFT was integral to the delivery of the STP and recognised that both KCC and KCHFT faced significant challenges which could be better managed through a joint open and transparent approach. The original decision put procurement in “abeyance” until at least March 2020 and a further decision is required on how best to deliver these services in the future. Legal advice taken at this time confirmed that the approach was permitted within the Procurement Regulations.

The Kent and Medway Sustainability and Transformation structures are more advanced than in 2017 and local leaders are working to deliver the local plan, Case for Change. This includes a series of commitments which have been supported by KCHFT. Kent and Medway STP is developing a five-year plan in response to the national LTP and is required to become an Integrated Care System (ICS) in the coming months. Services and health

providers will need to align to these changes and work with commissioners to determine how they can best integrate and support acceleration of local care.

Kent continues to face a series of significant demographic pressures alongside budget constraints and pressures, e.g. long-term clarity on national NHS pay and uncertainty on future funding arrangements for the Public Health grant.

Consultees

This item was discussed by the Health Reform and Public Health Cabinet Committee on 24 September and the proposed decision endorsed. The minute of the discussion is as follows:

19/00064 - Delivery and Transformation of Public Health Services. (Item. 8)

The Chairman advised the committee that, as this and the exempt report later in the agenda (item 12) contained much detailed information, he was minded to take both reports together in a closed session at the end of the meeting. It was important that Members have the opportunity of a full understanding of the issues before being able to comment on them and consider the recommendations, and to do this they would need to be able to have a frank discussion and explore all of the available information. This could only be done effectively in a closed session.

EXEMPT ITEM (open access to minutes)

19/00064 - Delivery and Transformation of Public Health Services.

(Item. 12)

Mrs V Tovey, Public Health Senior Commissioning Manager, was in attendance for this item.

1. Mrs Tovey introduced the reports for agenda items 8 and 12 and responded to questions of detail from the committee, including the recruitment and training of new nurses and retention and re-training of experienced nurses to take on new roles, for example, as health visitors and school nurses, to offer a new career pathway. The Care Quality Commission's recent rating of Kent Community Health NHS Foundation Trust (KCHFT) as 'outstanding' would help to retain and attract new staff. Other questions included clarity of the conditions that were required to be met for the County Council and KCHFT to enter into this agreement. Mrs Tovey confirmed that the conditions were set out in section 12(7) of the Procurement Regulations and also referenced within the exempt report. Mrs Tovey informed the committee that independent legal advice confirmed the arrangement met these criteria for the delivery of public health services and advised that this would be subject to review during the five years to ensure the conditions continued to be met.

2. It was RESOLVED that:-

- a) the context, risk and assurance associated with the proposed procurement approach for public health services be noted; and
- b) the decision proposed to be taken by the Cabinet Member for Adult Social Care and Public Health, to authorise the County Council to extend the collaborative arrangement with Kent Community Health NHS Foundation Trust, for the services listed in the report, until March 2025, be endorsed.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

The spend of Public Health services across the 5 years will be in the region of £187,109,535. However, values will be subject to annual review and will fluctuate based on demand and any external investment e.g. through Health partners.

Additional income through Health Partners enables delivery of HIV treatment services and targeted work for NHS Health Checks as set out as part of the STP.

The estimated value for 2019/20 is £37,421,907 with anticipated income of £860K from NHS England and the Kent and Medway STP. Services included are Health Visiting, School Nursing, Postural Stability, Sexual Health, Lifestyle services, including Smoking, and NHS Health Checks and Oral health. A number of services are open-access and, as such, actual spend will be dependent on demand.

NOT BEFORE 30 JULY 2019 BY CABINET MEMBER

Responsible Cabinet Member - Cabinet Member for Community and Regulatory Services

Reference No: Kent County Council (KCC) does not have a legal duty to provide sites in Kent for the Gypsy and Traveller community. This is a statutory duty placed upon the district and borough councils to discharge as part of their local plans. All local councils are required to produce an up-to-date Local Plan for their area, to guide the spatial development of the borough.

Key Yes

Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.

Title:

19/00052 - Gypsy and Traveller Pitch Allocation Policy

The Decision needed:

Proposed Decision:

To revise and update Kent County Council's (KCC) Gypsy and Traveller Service Allocations Policy for managed sites.

Background:

This review work is part of ongoing, council-wide activity to update and improve our processes, policies and practices.

The priorities for the Gypsy and Traveller service are to:

- Improve current service efficiency whilst also planning for future demographic pressures within the Gypsy and Traveller community through better planning and countywide coordination on the provision of good quality sites.
- Manage the growing financial challenge by ensuring that pitch allocations are made in a clear and transparent manner and that rent affordability is confirmed prior to pitches being allocated.
- Improve licensee vetting, licence agreements and enforcement policies to ensure our sites' residents understand accepted levels of behaviour, including requirements for rent payments, both prior to being allocated a

pitch and for the duration of their tenancy.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Community and Regulatory Services

Date:

Not before July 2019

Reason if Key Decision

Gypsies and Travellers are protected groups under the Equality Act 2010. EQIA's have been completed to ensure impacts of policy changes have been considered and mitigations factored in where appropriate.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

The proposed decision will be discussed at the Environment and Transport Cabinet Committee on 16 July 2019.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

The new Pitch Allocation policy will seek to redress historic issues around rent affordability and ongoing rent collection by setting out clear guidelines to all prospective tenants of the required rent arrangements and the subsequent enforcement action that will be taken if rent payments are not recovered in line with requirements.

Increased, consistent vetting of tenants will ensure that affordability of pitches is checked prior to licences to occupy being issued.

Recovery of 100% of rent costs for all tenants is critical to enable the ongoing quality, sustainable management of the sites in the future.

Title:

19/00031 - Increase in the designated number at The Elms School, Dover

The Decision needed:

Background:

The Elms School is a good school designated for 96 pupils with behaviour and learning needs. Currently the school has 130 pupils on roll. This number is expected to increase to 158 from September 2019. It is necessary therefore, to regularise this situation and increase the designated number of the school via a statutory process.

Legislation requires that statutory proposals are undertaken where the number of pupils on roll of a special school exceeds its designated number by more than 10%. Therefore, we are proposing to increase the designated number to 158, to regularise the current position and to increase the number of places available.

Proposed decision:

Increase the designated number of The Elms School, Dover from 96 to 158 places

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Children, Young People and Education

Date:

<p>Responsible Cabinet Member - Cabinet Member for Children, Young People and Education</p> <p>Reference No: KCC will accept the contractual responsibilities for the construction contracts to deliver the new school.</p> <p>Key No</p>
Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.
<p>Title: 19/00037 - New St Andrew's Primary Free School Contract Approval</p> <p>The Decision needed: Background:</p> <p>In July 2016 the Department for Education approved a Wave 11 bid proposed by the Tenax Trust to establish the St Andrew’s Primary Free School at Paddock Wood, Tunbridge Wells. The proposed new school will have the capacity for 420 pupils (2 FE) from reception to year 6. The bid also</p>

included an estimated 60 nursery places. The Education and Skills Funding Agency (ESFA) is responsible for funding the delivery of the new school.

The ESFA has appointed KCC to act as the Local Delivery Agent (Responsible Body), with Gen2 acting as KCC's Agent. As the Responsible Body, KCC will commit to procuring and delivering the scheme and will be the contracting authority for the purpose of the scheme. As the Responsible Body KCC is also responsible for compliance with all relevant statutory obligations and is required to secure any statutory approvals required to deliver the scheme.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Children, Young People and Education

Date:

Not before May 2019

Reason if Key Decision

Tenax Trust and the Department for Education will have considered the equality impacts of opening a new school as part of their decision making. In respect of this proposed decision, to agree KCC can enter into a contract to deliver the school building, there are no known equalities implications.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

The matter does not need to be considered by the Infrastructure Commissioning Board as the proposal is outside of the terms of reference.

Consultation on the proposal to open a new school would be a matter for Tenax Trust and the DfE.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

The ESFA has allocated funding for the build costs of the school (circa £8.35 million) and this will be secured within a Development Agreement prior to KCC entering any Construction Contract. There will be no capital funding requirements from KCC in relation to the scheme and therefore no impact on the County Council's MTFP.

Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.

Title:

19/00028 - Expansion of Palmarsh Primary School

The Decision needed:

Background Information:

In January 2017 permission was agreed to release £2,200,000 from the Education and Young People's Services Capital budget to enable Palmarsh Primary School to expand to 1FE. It was understood that this would be the first phase of a gradual expansion to 2FE.

The first phase of the expansion would provide 3 new classrooms, a new entrance off Jubilee Close, offices and car parking with further classrooms being added in later phases.

Planning permission for the first phase of the expansion has been achieved. However, in order to secure the said planning permission significant adaptations needed to be made increasing the capital costs to £2,600,000.

Options:

Consideration has been given as to how we can scale back the first phase of the expansion plans, ensuring there is: is sufficient high quality classroom space for the school to expand to 1FE; provision of a new entrance off Jubilee Close; increased car parking and the completion of agreed s278 works.

Sufficient classroom space could be achieved via the removal of an old mobile classroom and replacing this with a new two classroom mobile unit. The new offices and permanent classrooms could be delivered in a later phases as an when there is a need for second FE of provision. The total costs for the mobile classrooms, new entrance off Jubilee Close, car parking and s278 works would be in the region of £700,000.

A variation to the present planning permission will be required if this was to proceed.

Proposed decision:

The Cabinet Member for Children, Young People and Education is asked to release £625,000 of the £2,200,000 already agreed from the Children, Young People and Education Capital budget to expand Palmarsh Primary School to 1FE.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Children, Young People and Education

Date:

Not before April 2019

Reason if Key Decision

The Equality Impact Assessment is in place. The variation in plans will not impact on the judgements in the EqIA.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

This matter will be considered by the Infrastructure Commissioning Board on 30 April 2019 or 24 May 2019.

A consultation on expanding to 1FE was undertaken in 2016, as there is no change to this decision further consultation is not required.

The report will be submitted to the Children's, Young People and Education Cabinet Committee meeting on 28 March 2019.

The view of the local member will be sought prior to the Cabinet Committee meeting.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

£1,200,000 has been secured in developer contributions of which £887,000 has been paid so far. The estimated costs for the mobile classrooms, new entrance, carparking and s278 works would be in the region of £700,000. The School will put the £75,000 towards this from their capital funding with the rest coming from the Children, Young People and Education Capital budget. The School will receive increased funding through the Delegated Budget. The rising roles will be protected in line with KCC Growth Funding Policy. Revenue

funding will also be allocated to enable the School to resource one of the classrooms. At present that is at a value of £6,000.

DEFERRED

<p>Responsible Cabinet Member - Cabinet Member for Corporate & Democratic Services</p> <p>Reference No:</p> <p>Key Yes</p>
<p>Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.</p>
<p>Title: Sandwich Highways Depot</p>

The Decision needed:

Update 09/03/2015:

DEFERRED: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value is secured; surveys are being carried out with a view to marketing the site in the future dependent on the outcome of those surveys.

Latest Update:

19/05/2014: Decision due date changed from 23/12/2013 to 'Not before' 01/11/2014.

REASON: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value for the site is secured. Options appraisal work is underway and this work is expected to take approx. 6 months, therefore an expected decision date is set for November.

To seek approval to proceed with the disposal of the above site to raise a capital receipt which will be allocated to support the capital programme.

To seek approval to identify and progress with the acquisition of a new site for the service.

The Director of Property and Infrastructure Support will be authorised to finalise terms for both the disposal and acquisition of a new site.

This decision is needed to enable a modern highway service operation to be provided in the East Kent Area that is both reactive and responsive to changing demands. It directly supports 3 of the Bold Steps for Kent.

- Firstly it helps deliver the “Kent Environment Strategy” by the provision of new environmentally friendly facilities (e.g. grey water) via the construction technique with the eventual adaptation of new work practices within the new depot.
- Secondly it builds relations with key business sectors across Kent as the supply chain involved in such a project provides work to businesses of all sizes.
- Thirdly by the better siting and provision of facilities for the new depot it ensures that the most robust and effective public protection arrangements are in place for road management including bad weather response.

The impact of the decision is that full assessment of the potential disposal of the site can be explored within the market place to ensure that best value principles are adhered to. In tandem a full search and feasibility study will be undertaken to identify a new location for the alternative highways depot which satisfies the above objectives.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Corporate & Democratic Services

Date:

Reason if Key Decision

Reason if this decision has been delayed/withdrawn from a previous plan
Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors
<p>Consultees</p> <p>The matter was considered by the Property Sub Committee of the Policy and resources Cabinet Committee at its meeting on 27th February 2013. The proposed decision was endorsed by the Committee.</p> <p>The report to committee was exempt from publication and consideration of it took place in private.</p> <p>Public minutes can be viewed by clicking on the link below:</p> <p>https://democracy.kent.gov.uk/documents/g5176/Printed%20minutes%2027th-Feb-2013%2014.00%20Property%20Sub-Committee.pdf?T=1</p>

Responsible Cabinet Member -
Reference No: 12/020231
Key No
Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.
<p>Title: Eden Centre Lease</p> <p>The Decision needed: LATEST UPDATE: 19/05/2014 - Decision due date changed from 01/03/2014 to 01/01/2015. REASON: The decision remains at the earliest stages of investigation and options appraisal. A further review will take place in January 2015 when a decision pathway will be identified and the proposed decision updated further.</p> <p>-----</p> <p>To seek agreement to the principle of granting a long lease to a charitable community interest company or similar vehicle, of The Eden Centre, Four Elms Road, Edenbridge.</p>

The proposal directly links to Bold Steps for Kent, putting the citizen in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen's Advice Bureau and House (West Kent Action), to support Kent's more vulnerable citizens.

The impact of the decision will be that KCC will have less control of the management and operation of the centre as they would become the responsibility of a third party.

Risks identified are:

- Reliance on the professionalism of the trustees to deliver a successful facility, agreeing with all partners a financial model for the charitable vehicle
- Reputational damage to KCC if the charitable vehicle were to fail
- Obtaining buy in from all community groups in occupation to form trust
- Untried and untested model
- Level of income generation from the centre which could go to the charitable vehicle is currently unknown as a new facility
- Continued KCC ownership of a non-core asset
- Officers may be unable to get agreement from stakeholders, charitable vehicle does not prove financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).

Who is taking the Decision

Date:

Reason if Key Decision

Not a key decision

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

The Eden Church, Citizen's Advice Bureau, House (West Kent Action), Edenbridge Library and FSC as partners in the centre. It is expected that representatives from all of these occupier groups will be represented by the charitable vehicle trustees, along with Sevenoaks District Council and Edenbridge Town Council.
