As Cabinet Member for Adult Social Care and Public Health, I agree to:

Make a Direction to prohibit the event under Regulation 5 of the Health Protection (Coronavirus, Restrictions) (England) (No.3) Regulations 2020 (or any replacement or amended version of these regulations which may be valid and appropriate while this Direction remains in effect).

This Direction came into force on 11/12/2020 and further details of the Direction are listed in Appendix 1 of this Record of Decision.

- I delegate authority to the Corporate Director of Growth, Environment and Transport to undertake the review of this direction, required under s2 of the Regulations and the related authority to, subject to consultation with the Cabinet Member for Adult Social Care and Public Health and the Director of Public Health, to revoke this Direction as appropriate and to issue the relevant notices (including notification to all those consulted as part of this Key Decision). This review shall take place a minimum of once every 7 days while the Direction remains in effect, in accordance with s2(2)(a) of the Regulations.
- I also delegate authority to the Corporate Director of Growth, Environment and Transport, in consultation with the Corporate Director of Finance, the Monitoring Officer and Cabinet Member for Adult Social and Public Health, to take necessary actions, including but not limited to entering into contracts or other legal agreements, as required to implement and enforce this decision.

In making this decision, I confirm that the conditions set out for the making of such a Direction in regulation 2 of the Health Protection (Coronavirus, Restrictions) (England) (No.3) Regulations 2020 have been met and that this direction is necessary and proportionate. I can also confirm that I have read and considered the KCC Urgent Decision Local Lockdown Guidance.

Reasons for decision:

The decision is required for the implementation of a necessary public health response, as permitted under the Health Protection (Coronavirus, Restrictions) (England) (No.3) Regulations 2020.

Taking into account advice from the Director of Public Health, and referring to relevant data and risk

assessments, the conditions for making a Direction to give effect to 'local lockdown' arrangements are met and necessitate a Key Decision.

The detailed rationale for this decision is set out in the associated Decision Report which references advice from the Director of Public Health.

Background:

Provisions for appealing this direction to a magistrates' court or making representations to the Secretary of State are contained within the relevant regulations and outlined in the Direction.

Reason for Urgency:

It is necessary to implement the restrictions outlined in the Direction immediately due to the events being held from 11th December 2020

Therefore it is not possible follow the normal decision timeframes as required under the KCC and legal governance arrangements, requiring it to be progressed under the urgent decision provisions as set out in the Constitution and the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.

The Direction comes into effect immediately when issued, notice of the intention to seek a direction having already been issued; and

Will cease to be in effect on 14/12/2020 unless revoked earlier as a result of the mechanism set out in the Decision and may only be extended beyond this time and date by the issuance of a new Direction.
