We have just had the complete roof tiles stripped and replaced with new, at a cost of over £23,000.
We can only make a very minimal contribution to the roof insulation as our funds are depleted, but this project should make a large financial benefit to the Scout Group by reducing our energy bill and lowering our CO2 output.

Section Three: About your project

In this section, we want to know what your project is (i.e. what you want the grant funding for), and how that project will benefit the local community and support Kent County Council's objectives.

9. 'Our focus is on improving lives by ensuring that every pound spent in Kent is delivering better outcomes for Kent's residents, communities and businesses' (Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Vision 2015-20).

Please explain how your project meets one or more of the following outcomes from KCC's strategic statement:

Strategic Outcome One: Children and young people in Kent get their best start in life

Increasing resilience and providing strong and safe environments to successfully raise children and young people	<input type="checkbox"/>	Keeping vulnerable families out of crisis and more children and young people out of care	<input type="checkbox"/>	Helping to close the attainment gap between disadvantaged young people and their peers	<input type="checkbox"/>
Helping to ensure all children, irrespective of their background are ready for school at 5	<input type="checkbox"/>	Helping children and young people have better physical and mental health	<input checked="" type="checkbox"/>	Helping children and young people to be engaged, thrive and achieve their potential through academic and vocational education	<input checked="" type="checkbox"/>
Supporting young people's ambitions with choices and access to work, education and training opportunities	<input type="checkbox"/>				

Strategic Outcome Two: Kent communities feel the benefits of economic growth by being in-work, healthy and enjoying a good quality of life

Improving physical and mental health by supporting people to take more responsibility for their own health and wellbeing	<input type="checkbox"/>	Supporting Kent business growth by having access to a well skilled local workforce with improved transport, broadband and necessary infrastructure	<input type="checkbox"/>	Benefitting Kent's communities from economic growth and lower levels of deprivation	<input type="checkbox"/>
Helping Kent's residents to enjoy a good quality of life, and more people benefit from greater social, cultural and sporting opportunities	<input checked="" type="checkbox"/>	Helping to protect and enhance Kent's physical and natural environments so they can be enjoyed by residents	<input type="checkbox"/>	Supporting well planned housing growth so Kent residents can live in the home of their choice	<input type="checkbox"/>

Strategic Outcome Three: Older and vulnerable residents are safe and supported with choices to live independently

Supporting social inclusion of older and vulnerable Kent residents	<input type="checkbox"/>	Helping more people to receive quality care at home, avoiding unnecessary admissions to hospital and care homes	<input type="checkbox"/>	Enabling health and social care systems to work together to deliver better community services	<input checked="" type="checkbox"/>
Helping residents to have a greater choice and control over the health and social care services they receive	<input checked="" type="checkbox"/>				

10. Please tell us about the need for this project and how it will benefit residents in the area that you are applying.

Make sure you fully explain the need for your project and provide evidence to back this up. Describe the problems / issues you have identified and explain how your project addresses them. Please also illustrate the Social Value of your project.

We have our own HQ building in Long Rock Swalecliffe (CT5 2NH) which is used for Scouting activities during most evenings of the week. This involves the various Scouting Sections, comprising of

2 x Beaver Colonies (6 to 8 year olds),

2 x Cub Packs (8 to 10 years old)

1 x Scouts (11 to 16 years old)

1 x Explorer scouts for young adults

as well as Sections from Rainbows and Brownie Guides also hire the building. (they are not part of our Group)

During the day (approx 6 hrs) the building is hired to the NHS to support their Rehabilitation programme for both Cardiac and Pulmonary care.

From the above comments you will see the building is put to good use for the community but it takes quite a lot of energy to heat, it is single story and currently has minimal roof insulation. Our tiled roof has recently been totally renewed at our cost of approx £23,000. This money was raised by voluntary contributions and the roof is now safe and waterproof. We were unable to fund the roof insulation due to limited funds we had available especially now due to Covid 19 restrictions as the Scout Group has been unable to meet, or hold any fund raising events such as Jumble sales and Christmas fund raising events. We believe this insulation project to be well worth while and will benefit the local community, as we shall be able to reduce our heating bills by reducing our energy consumption, and lowering our CO2 output, thus helping making the planet a greener place.

As a secondary project we need to upgrade the LED lighting in the building. Currently this consists of LED tubes which fail after a period of time and light becomes gradually dimmer. We wish to replace these tubes with LED strips which will make the hall look much brighter and keep the running costs down. The light units are good so all that need replacing are the LED strips.

Our third project is to fund a new Portable Projector Screen, so we are able to project images and information to the young people while we are giving them "Scouting" training. It will also be used to give information to the parents and volunteer helpers in any presentations we make. Our current screen has seen better days and is extremely wobbly and unsafe.

11. When will the project start? State month and year. We do not offer retrospective funding without exceptional prior agreement	2021 as soon as funds are available
12. Will your project be completed within six months from receipt of your grant? If No, please explain why below	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>

Section Four: The cost of your project

In this section, we want to know how much grant funding you want and how it will be used.

13. What is the total cost of your project?		£3000.00
14. What is the total amount of grant funding you are seeking from KCC Members in this application?		£3000.00
