Introduction / Background

Each year, the Local Authority is required to draw up, consult on and determine:

- Co-ordinated admissions arrangements (schemes) for all schools in the Local Authority area for entry at the normal time of admission (Year R for infant and primary schools, Year 3 for junior schools and Year 7 for secondary schools) and also for all year groups throughout the academic year (In-Year Admissions)
 - The over-subscription criteria / arrangements for entry to those schools for whom the Local Authority is the admission authority (Community and Voluntary Controlled schools).

Section 1 – Details of the Co-ordinated Scheme for Entry to Year R and Transfer from Infant School to Junior School (Year 2-3)

This section details the Co-ordinated Scheme for Entry to Year R and Transfer from Infant School to Junior School (Year 2-3) in September 2011.

Year R applications are for children born between 1 September 2006 and 31 August 2007.

Year 3 applications are for children born between 1 September 2003 and 31 August 2004.

The Key Scheme dates are:

The LA/schools re-allocate any places that have become available to those who have asked to go on the waiting lists for each school	After Tuesday 3 May 2011

In addition this scheme allows for:

- Supplementary Information Forms (SIFs) to be returned directly to schools to assist in the ranking of applicants against the schools over-subscription criteria.
- Confirms that after 3 May 2011, the LA/schools consider applicants through the normal waiting list / In-Year procedures.

The LA expects that all schools and Admissions Authorities engaged in the sharing of admissions data will manage personal information in accordance with the Data Protection principles.

1.

Kent resident parents will have the opportunity to apply for their child's school place either online at www.kent.gov.uk/ola or by using a standard paper form known as the Reception Common Application Form (RCAF) and Junior Common Application Form (JCAF).

The LA cannot accept multiple applications for the same child. A parent must use either of the above methods, but not both.

2.

The RCAF will be used for the purpose of admitting pupils into Year R (the first year of primary education) and the JCAF for Year 3 of junior schools. Online applications cover both of the above.

3.

The online application or RCAF/JCAF will be used by parents as a means of expressing between 1 and 3 preferences for their child to be admitted to a school within the LA area (including Voluntary Aided (VA) and Foundation schools).

4.

Online applications, RCAFs/JCAFs and supporting publications will:

- (a) Invite parents to express up to three preferences in priority order. Preferences can be expressed for Kent and non-Kent schools. Parents **must** complete the application for their home Local Authority (e.g. Kent residents complete Kent applications, Medway residents complete Medway applications, etc)
- (b) Invite parents to give reasons for each preference, including details of any siblings that will still be on roll at the preferred school at the time of the applicant child's admission.
- (c) Explain that parents will receive the offer of one school place only and that:
 - (i) a place will be offered at the highest available ranked preference for which they are eligible,
 - (ii) if a place cannot be offered at a school named on the form, a place will be offered at an alternative school.
- (d) Specify the closing date for applications and where paper RCAFs/JCAFs must be returned to, in accordance with paragraph 9.

5.

The LA will appropriate arrangements to ensure:

- (a) That the online admissions website is readily accessible to all who wish to apply using this method. To this end it is not mandatory for an applicant to have an e-mail address to apply, therefore parents can use, library and/or internet café facilities or through organised school.
- (b) The paper RCAF/JCAF are readily available on request from the LA, Kent maintained primary, infant and junior schools and is also available on the Kent County Council website to print, complete and return.
- (c) A composite prospectus of all Kent maintained primary, infant and junior schools and written explanation of the co-ordinated admissions scheme is readily available on request from the LA, Kent maintained primary, infant and junior schools and is also available on the Kent County Council website to read/print.

6.

Only preferences expressed on a submitted online application (via www.kent.gov.uk/ola) or on a paper RCAF/JCAF are valid applications. Completion of a schools' Supplementary Information Form only does not constitute a valid application.

7.

A Foundation or Voluntary Aided school can ask parents, who wish to express it as a preference on their online application or RCAF/JCAF, to provide additional information on a Supplementary Information Form (SIF) only where the additional information is required for the governing body to apply its over-subscription criteria to the application. Where a SIF is required it must be requested direct from the school or via the LA's website and must be returned to the school by the closing date for applications as defined within the LA co-ordinated admissions scheme. All schools that use SIFs must include the proposed form in their consultation document with other admissions authorities, including the LA, and in their published admission arrangements. Where a school fails clearly to define its over-subscription criteria in its determined arrangements, the criteria definitions as laid out by the LA must be adopted.

8.

Where a school receives a supplementary information form it will not be regarded as a valid application unless the parent has also completed an online application or paper RCAF/JCAF for their home Local Authority, and the school is named on said application.

9.

Completed applications must be submitted online and paper RCAF/JCAF returned to the LA or any Kent Primary School by **15 January 2011**.

10.

The LA will act as a clearing house for the allocation of places.

The LA will only make any decision about the offer or refusal of a place in response to any preference expressed on the online application or RCAF/JCAF where:

- (a) it is acting in its separate capacity as an admission authority;
- (b) an applicant is eligible for a place at more than one school;

- (c) an applicant is not eligible for a place at any school that the parent has named.

The LA will allocate places in accordance with paragraph 14.

11.

By 9 February 2011 – The LA will advise all Kent primary, infant and junior schools of the number of preferences expressed for them. Where there are preferences expressed for non-Kent schools, or where a non-Kent resident has expressed a preference for a Kent school, the LA will have also completed any data exchange with other LAs by this date.

12.

By 11 February 2011 – The LA will advise all Kent primary, infant and junior schools of the full details of all valid applications for their schools to enable them to apply their over-subscription criteria. Only children who appear on the LA list can be considered for places on the relevant offer day.

13.

By 11 March 2011 – All Kent primary, infant and junior schools **must** return completed lists, ranked in priority order in accordance with their over-subscription criteria, to the LA for consideration in the allocation process.

14.

By 16 March 2011 - The LA will match this ranked list against the ranked list of the other schools named on the form and:

- Where the child is eligible for a place at only one of the named schools, that school will be offered.
- Where the child is eligible for a place at two or more of the named schools, they will be allocated a place at whichever of these is the highest ranked preference.
- Where the child is not eligible for a place at any of the named schools, the child will be allocated a place at the nearest appropriate school with a vacancy.

By this date Kent LA will have completed any data exchange with other LAs to cover situations where a resident in Kent LA's area has named a school outside Kent, or a parent living outside Kent LA has named a Kent school.

15.

By 25 March 2011 - The LA will inform schools of the pupils to be offered places at their school.

16.

On offer day, **31 March 2011** – The LA will:

(a) send an offer e-mail after 4pm to those parents who have applied online and provided an e-mail address.

(b) send ALL Parents decision letters. The letter will give the following information:

- The name of the school at which a place is offered.

- The reasons why the child is not being offered a place at any school named on the RCAF/JCAF as a higher preference than the school offered.
- Information about the right of appeal against the decisions to refuse places at other named schools.
- Information on how to request a place on a waiting list for schools originally named as a preference, if they want their child to be considered for any places that might become available.

Schools will send out their welcome letters no earlier than 6 April 2011.

17.

By 21 April 2011 – parents must inform the LA whether they wish to accept or refuse the place offered on offer day. Acceptance/refusals must be made in writing or via e-mail (an e-mail address will be provided in the offer letter).

18.

By 3 May 2011 – The LA/schools will re-allocate any places that have become available since offer day, giving priority to applicants who originally named it as preference on the online applications or RCAF/JCAF and have requested to be placed on the waiting list, according to the individual schools' over-subscription criteria.

19.

Waiting Lists - Parents may ask for their child's name to be kept on a waiting list should places become available after 3 May 2011. Applicants will be ranked in the same order as the published oversubscription criteria. Waiting lists will be held by the relevant admissions authority at least until the first day of the Spring Term 2012.

Late Applications

20.

The closing date for applications in the normal admissions round (as above) is 15 January 2011.

As far as reasonably practicable, applications for places in the normal admissions round that are received late for a good reason will be accepted, provided they are received by the LA **before Friday 28 January 2011**.

Please note – late applications cannot be made online. Late applicants must complete a paper RCAF/JCAF and return it direct to the LA.

21.

Applications received after 28 January 2011 will not be considered for places on 31 March 2011, but will be included in the re-allocation of places on 3 May 2011 as defined above.

Details of these applications will be forwarded to each school expressed as a preference for them to apply their over-subscription criteria.

Section 2 – Details of the Co-ordinated Scheme for Primary In-Year Admissions

In-Year Common Application Form.

1.

There will be a standard form, known as the **In-Year Common Application Form (IYCAF)**, which residents of the LA area must complete to apply for school places in any year group outside of the normal admissions round. Enquiries can also be made via e-mail (kent.admissions@kent.gov.uk).

The LA will take all reasonable steps to ensure that all relevant information is available upon request to any parents who require said information.

Parents will be able to obtain Information about the process and IYCAFs from the LA's Admissions and Transport Office or from any local Kent school.

2.

The IYCAF will be used for the purpose of admitting pupils into the year group applied for in the specified year, and any successive year in which this scheme is still in force

3.

The IYCAF must be used as a means of expressing one or more preferences for the purposes of section 86 of the School Standards and Framework Act 1998, by parents resident in the LA area wishing to express a preference for their child:

(a) to be admitted to a school within the LA area (including VA and Foundation schools and Academies)

(b) to be admitted to a school located in another LA's area (including VA, foundation schools and Academies)

4.

The IYCAF will:

(a) invite the parent to express school preferences including, where relevant, any schools outside the LA's area, and to rank each school according to their order of preference.

For admission to Year R – Year 6 parents can express **up to three** preferences

(b) invite parents to give their reasons for each preference and give details of any siblings that may be attending any one of the preferred schools.

(c) explain that the parent will receive no more than one offer of a school place and that:

(i) a place will be offered at the highest nominated school for which they are eligible for a place; and

(ii) if a place cannot be offered at a nominated school, a place will be offered at an alternative school.

(d) specify where it must be returned to.

5.

The LA will make appropriate arrangements to ensure:

- that the IYCAF is available in paper form on request from the LA and from all maintained primary and secondary schools and Academies in the LA area; and
- that the IYCAF is accompanied by a written explanation of the In-Year admissions process.

6.

IYCAF's must be returned to the LA as soon as possible to enable the Admissions and Transport Office to process them expeditiously.

Supplementary Information Forms (SIF's)

7.

All preferences expressed on an IYCAF are valid applications. A school can ask parents who wish to nominate it, or have nominated it, on the IYCAF, to provide additional information on a Supplementary Information Form only where the additional information is required for the governing body to apply its over-subscription criteria to the application. Where a supplementary information form is required it must be requested from the school or the LA and returned to the school. All schools that use supplementary information forms must include the proposed form in their consultation with other admission authorities, including the LA, and in their published admission arrangements. Where a school fails clearly to define its oversubscription criteria in its determined arrangements, the criteria definitions as laid out by the Local Authority must be adopted.

8.

A supplementary information form is not a valid application by itself: this can be made only on the IYCAF or if the child is resident in another area, the home LA's Common Application Form must be used.

When supplementary forms are received the school must verify with the LA before consideration and ranking of applicants that a IYCAF or neighbouring LA's Common Application Form has been completed by the parent and, if not, contact the parent and ask them to complete one. In these circumstances, the school should also send the LA a copy of the supplementary information form if so requested.

Under the requirements of the scheme, parents will not be under any obligation to complete any part of an individual school's supplementary information form where this is not strictly required for the governing body to apply its over-subscription criteria.

9.

a)

Children with Statements of Special Educational Need (SEN) –

Pupils with a Statement of Special Educational Need do not apply to the LA for a school place through the In Year Admissions processes.

Any application received by the LA for a child with a Statement of Special Educational Need will be referred directly to the SEN & R team who must have regard to Schedule 27 of the Education Act 1996*"where the LA must name the maintained school that is preferred by parents providing that:*

** the school is suitable for the child's age, ability and aptitude and the special educational needs set out in part 2 of the statement*

** the child's attendance is not incompatible with the efficient education of other children in the school, and*

** the placement is an efficient use of the LEA's resources"*

Where a pupil is resident in another Local Authority, the home Authority must again comply with Schedule 27 of the Education Act 1996 which states:

"A local education authority shall, before specifying the name of any maintained school in a statement, consult the governing body of the school, and if the school is maintained by another local education authority, that authority."

Kent would therefore expect other Authorities when looking for Kent school places for statemented pupils to contact the SEN & R team in addition to the relevant school.

b)

Children in Local Authority Care (LAC)

Where an in-year application is received from the corporate parent of a child in Local Authority Care, Kent Admissions team will expect that in line with Statutory Guidance *, arrangements for appropriate education will have been made as part of the overall care planning, unless the placement has been made in an emergency. When applications are made for young people in the care of other Local Authorities, Kent as receiving authority, will confirm an offer of a school place with the placing authority. Where the placement has been made in an emergency, and this is not the case, Kent, as the receiving authority will refer the matter to a school identified by the placing authority, to establish if an offer of a place can be provided, where appropriate treating the child as an 'Excepted Pupil'. If the school is full and such a provision is not considered appropriate, the LA will advise the home authority of alternative education provision that may be in the better interest of the child.

Where Kent is the corporate parent of the child in question, an appropriately appointed social worker, will liaise in the first instance with Admissions Placement Officers and in some cases other professionals, in order to agree the school or setting that would best meet the individual needs of the child (most appropriate provision for the child). The LA will then allocate a place where it is the admission authority for the school or contact the school directly and seek a place where it is not. Where a school refuses to admit the child the LA as corporate parent, will take a view in discussion with the Admissions Section as to whether to direct the school in question or consider if other education provision may be in the better interest of the child.

* Statutory Guidance on the duty of local authorities to promote the educational achievement of looked after children under section 52 of the Children Act 2004 (S35.1-37)

c)

Exceptional provision is made for the families of UK Service Personnel, Crown Servants and British Council employees, as required by the School Admissions Code. A confirmed address, or, in the absence of this, a Unit or “quartering area” address, will be accepted as the home address from which home-school distance will be calculated. This must be confirmed by a letter from the Commanding Officer or the Foreign Office.

10.

Children who are not successful in gaining any place they want will be allocated an available place at the nearest school of an appropriate type to their given address, and will have the same access to a waiting list / rights to appeal as other applicants.

Determining Offers in Response to the IYCAF

11.

The LA will act as a clearing house for the allocation of places by the relevant admission authorities in response to IYCAFs received. The LA will only make any decision with respect to the offer or refusal of a place in response to any preference expressed on the IYCAF where:

- (a) it is acting in its separate capacity as an admission authority, or
- (b) an applicant is eligible for a place at more than one school, or
- (c) an applicant is not eligible for a place at any school that the parent has nominated.

The LA will allocate places in accordance with the provisions set out in paragraph 21.

12.

Within 5 school days from receipt of a completed IYCAF, the LA will notify the admission authority for each of the schools named all relevant details from the IYCAF.

13.

Within 5 school days from receipt of the above (point 12), the admission authority for each school will consider the application, apply the school’s oversubscription criteria (if appropriate) and provide the LA with a decision whether or not they are able to offer a place at their school. If they are unable to offer a place at their school, they must inform the LA of the applicants position on the waiting list (including under which criterion) based on the school’s over-subscription criteria.

14.

Within 3 school days from receipt of the above (point 14), the LA will match the information provided by the admission authority and:

- where the child is eligible for a place at only one of the nominated schools, will allocate a place at that school to the child;
- where the child is eligible for a place at two or more of the nominated schools,

will allocate a place to the child at whichever of these is the highest ranked preference;

- where the child is not eligible for a place at any of the nominated schools, will allocate a place to the child at the nearest appropriate school in the LA area with a vacancy.

15.

Where the parents of a Kent pupil have applied to a school outside Kent, the LA will have regard to information received from the relevant LA to ensure that Kent LA offers the parents a place at the highest ranked preference for which the child is eligible for a place.

16.

Where the LA receives notice from another LA (“the home authority”) that the parents of a child from outside Kent have applied to a Kent school, the LA will forward the application to the relevant school, or, where the LA is the admission authority for the school, determine whether the child will be offered a place at the school. The LA will notify the home authority of the determination so that the home authority can make an offer of the highest ranked school.

17.

The LA will provide the relevant school with a copy of the offer letter sent to the parents and will inform other LAs of places that can be offered to their residents in its schools.

Offers

18.

The LA will notify applicants resident in the LA area by letter that they are being offered a place at the allocated school. The letter will give the following information:

- the name of the school at which a place is offered;
- the reasons why the child is not being offered a place at each of the other schools nominated on the IYCAF;
- information about the statutory right of appeal against the decisions to refuse places at the other nominated schools;
- how to apply for a place on the waiting list for any school named on the IYCAF.
- contact details for the school and LA and for the admission authorities of Foundation, VA schools and Academies where they were not offered a place, so that they can lodge an appeal with the governing body.

The letter will notify parents that they need to respond to accept or refuse the offer. It will not inform parents of places still available at other schools.

19.

Parents who reside in other LAs, but who have applied for a Kent school or schools, will be notified of whether or not they are being offered a place at a Kent school by their own LA.

20.

Kent pupils who have not been offered a place at any of the schools nominated on their IYCAF will be offered a place by Kent LA at the nearest appropriate school in the LA area with a place available, following consultation with individual schools. If no school in the local area has places available, the application may be referred to a local panel under the In Year Fair Access Protocol.

21.

Schools will send their welcome letters only after advice from the LA that the place has been accepted.

Acceptance/Refusal of Places

22.

Parents will be advised, in their offer, letter that they must accept/refuse the school place offer in writing with the LA within 10 days of the date of the offer letter. If the LA has not obtained a response within the specified time, it **must** remind the parent of the need to respond within a further seven days and point out that the place may be withdrawn if no response is received. Only after having exhausted all reasonable enquiries may it be assumed that a place is not required.

23.

The LA will notify all schools of places accepted/refused by e-mail/letter as soon as possible after receipt of the acceptance/refusal.

Waiting Lists

24.

The admission authority for each oversubscribed school will keep a waiting list. This will include details of all applicants who have named the school on the IYCAF but could not be offered a place and have asked to be placed on a waiting list.

25.

Waiting lists will be maintained in order of priority, in accordance with the school's oversubscription criteria. Schools will advise the LA of who are to be offered places as vacancies arise. If a school has reached its Published Admission Number it may not admit applicants other than through the Independent Appeal process, the In Year Fair Access Protocol or where special arrangements relating to children in Local Authority care apply. To maintain the database, and to make any relevant offer of a place, admission authorities will advise the LA when a place becomes available so that the LA can offer the place to the pupil highest on the waiting list. Waiting lists will be maintained until at least the start of the Spring term in the admission year. Parents with children who are refused admission must be offered a right of appeal (even if their child's name has been put on the waiting list) and must be given a contact in the LA to ensure that no pupil is left without an offer of a school place.

Appeals

26.

All parents have the statutory right to appeal against any decision refusing them a school place, regardless of where they ranked the school on a IYCAF.

27.

Where a school has places available, and parents have lodged an appeal against the refusal of a place, they must inform the LA who is to be offered a place without the need for the appeal to be heard, provided there are no other applicants at that time on the school's waiting list who rank higher through the application of the school's over-subscription criteria.

28.

The LA will record details of any pupils who apply for casual admission, and ensure that they are placed in a school without undue delay, where necessary employing the "In Year Fair Access Protocol"

Section 3 – Glossary of Terms

Term	Definition
LA	A Local Authority
The LA	Kent County Council
The LA area	The area in respect of which Kent County Council is the Local Authority
Primary Education	Has the same meaning as in section 2(1) of the Education Act 1996
Primary School	Has the same meaning as in section 5(1) of the Education Act 1996
School	A Community, Foundation, Voluntary Aided or Voluntary Controlled school and Academy (but not a special school) which is maintained by the LA
Foundation school	Such of the schools as are Foundation schools
VA schools	Such of the schools as are Voluntary Aided schools

VC schools	Such of the schools as are Voluntary Controlled schools
Admission authority	In relation to a Community or VC school means the LA and, in relation to a Foundation or VA school, means the governing body of that school.

29. The scheme shall apply to every maintained secondary school and Academy in the LA area (except special schools), which are required to comply with its terms, and it shall take effect from the point of formal KCC Cabinet Determination.

30. In any years subsequent to 2011, any or all of the dates specified in this scheme (including those set out in Section 1) may be changed to take account of any bank holidays and weekends that may fall on the specified dates.

2. Proposed Over-subscription Criteria

The over-subscription criteria for all Community and Voluntary Controlled primary schools are:

- **Children in Local Authority Care** – a child under the age of 18 years for whom the local authority provides accommodation by agreement with their parents/carers (Section 22 of the Children Act 1989) or who is the subject of a care order under Part IV of the Act.
- **Attendance at a linked school** – where admission links have been established between the infant and junior school concerned, children attending the infant school are given priority for admission to the junior school. In the same way, children with a sibling in the junior school are given priority for admission to the infant school.
- **Current Family Association** - a brother or sister in the same school at the time of entry where the family continue to live at the same address as when the sibling was admitted – or – if they have moved – live within 2 miles of the school, or have moved to a property that is nearer to the school than the previous property as defined by the 'Nearness' criterion' (below). Linked infant and junior schools are considered to be the same school for this criterion. In this context brother or sister means children who live as brother and sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters, foster brothers or sisters.

If siblings from multiple births (twins, triplets, etc) apply for a school and the school would reach its Published Admission Number (PAN) after admitting one or more, but before admitting all of those siblings, the LA will offer a place to each of the siblings, even if doing so takes the school above its PAN. If the admissions are to Year R, and so result in a breach of class size legislation, the additional pupil(s) will be treated as "excepted" for a period of one year, in line with the School Admission Code.

- **Denominational preference (for Voluntary Controlled Church schools only)** – if a parent has applied for their child to be admitted to a Church of England or Methodist controlled school on denominational grounds by ticking the box on the application form, preference will be given to these over those who have not. Evidence of church membership or attendance is not required.
- **Health and Special Access Reasons** - Medical, health, social and special access reasons will be applied in accordance with the school's legal obligations, in particular those under the Disability Discrimination Act 1995. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents'/guardians', physical or mental health or social needs means that they have a demonstrable and significant need to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the particular school.

- **Nearness of children's homes to school** - we use the distance between the child's permanent home address and the school, measured in a straight line using Ordnance Survey address point data. Distances are measured from a defined point within the child's home to a defined point within the school as specified by Ordnance Survey. The same address point on the school site is used for everybody. When we apply the distance criterion for an oversubscribed Community or Voluntary Controlled school, these straight line measurements are used to determine how close each applicant's address is to the school.
- Where new build housing development requires a new school or the significant enlargement of an existing school the 'Nearness' criterion will allow for a catchment area (defined by a map) to be created for the relevant school. This will be included in the Statutory Public Notice and admissions determination and will be valid for a period not exceeding three rounds of admissions.

Appendix B (3) Consultation Area

3. Proposed Statutory Consultation Area

The LA is required to define "relevant areas" within which the admissions authorities of all maintained schools must conduct their annual statutory consultation. The relevant statutory consultation areas are those included within a 3 mile radius of the primary school. However because the consultation is distributed across all Kent Admissions authorities via Kent Trust Web schools outside of the relevant areas are also able to view arrangements.

Please note – The above schools are the community and voluntary controlled schools for which the LA is responsible for setting the Published Admission Number. All other Primary Schools in Kent are own admission authority schools. The governing body for those schools set the admission number and admissions arrangements, and these are consulted upon separately by the individual schools.
