\*\* Risk rating to be reviewed after local government finance settlement is confirmed.

NB: Current & Target risk ratings: The 'current' risk rating refers to the current level of risk taking into account any mitigating controls already in place. The 'target residual' rating represents what is deemed to be a realistic level of risk to be achieved once any additional actions have been put in place. On some occasions the aim will be to contain risk at current level.

<b>Risk ID</b>	<b>CRR0001</b>	<b>Risk Title</b>	<b>Safeguarding – protecting vulnerable children</b>			
<b>Source / Cause of risk</b>	<b>Risk Event</b>	<b>Consequence</b>	<b>Risk Owner</b>	<b>Current Likelihood</b>	<b>Current Impact</b>	
The Council must fulfil its statutory obligations to effectively safeguard vulnerable children in a complex and challenging environment e.g., the challenge of recruiting and retaining suitably experienced and qualified permanent staff.	Failure to fulfil statutory safeguarding obligations. Failure to meet the requirements of the “Prevent Duty” placed on Local Authorities.	Incident of serious harm or death of a vulnerable child. Serious impact on vulnerable people. Impact on ability to recruit the quality of staff critical to service delivery.	Matt Dunkley Corporate Director Children, Young People and Education (CYPE)	Likely (4)	Major (5)	
In addition, the Government’s “Prevent Duty” requires the Local Authority to act to prevent people from being drawn into terrorism, with a focus on the need to safeguard children at risk of radicalisation.	Safeguarding risks are not identified to / by KCC in a timely fashion. Spike(s) in demand impact on robustness of controls	Serious operational and financial consequences. Attract possible intervention from a national regulator for failure to discharge corporate and executive responsibilities.	<b>Responsible Cabinet Member(s):</b> Sue Chandler, Integrated Children’s Services  Shellina Prendergast Education and Skills  Mike Hill (Lead Member for PREVENT)	<b>Target Residual Likelihood</b> Possible (3)	<b>Target Residual Impact</b> Major (5)	
‘Lockdown’ restrictions due to Covid-19 meant that children and families were at home for long periods of time, with significantly reduced numbers of children in schools. This has introduced uncertain impacts for children’s mental health and resilience and the potential for latent demand to build. We are starting to see more complex demand arising, with later referrals.

<p>The Covid-19 pandemic is impacting on the economy in Kent &amp; Medway and the impacts could be disproportionate across the county (e.g. in coastal areas).</p> <p>To gain an understanding of the implications, an impact assessment has been conducted, which has led to the preparation and launch of an 18-month local economic renewal and resilience plan, which aims to act as a stimulus for improvement.</p> <p>The Council actively seeks to secure the resources/funding necessary to provide the infrastructure required to support growth, which often need to be bid for in very tight timescales and are increasingly subject to the drive to deliver economic impact, housing and employment outputs.</p> <p>EU structural funds are set to be replaced by UK funds, with further detail awaited.</p> <p>At a local level there is often a significant gap between the overall costs of the infrastructure required and the Council's ability to secure sufficient funds through</p>	<p>The inability to secure sufficient funding, including contributions from development, to deliver the infrastructure necessary to support growth may require gap funding in order for KCC to fulfil its statutory duties.</p> <p>Deferral of developer contributions and / or elongated planning consents leads to delayed or compromised infrastructure.</p>	<p>Key opportunities for growth missed.</p> <p>The Council finds it increasingly difficult to fund services across Kent and fully mitigate the overall impact of housing growth on KCC services and, therefore communities.</p> <p>Kent becomes a less attractive location for inward investment and business.</p> <p>Our ability to deliver an enabling infrastructure becomes constrained.</p> <p>Reputational risk associated with delayed delivery of infrastructure required</p> <p>Additional revenue costs incurred due to infrastructure delays e.g. Home to school transport</p>	<p>Simon Jones, Corporate Director Growth, Environment and Transport (GET)</p> <p><b>Responsible Cabinet Member(s):</b> On behalf of Cabinet</p> <p>Derek Murphy Economic Development</p> <p>David Brazier Highways &amp; Transport</p>	<p>V. Risk ID	CRR0009	Risk Title	Future financial and operating environment for Local Government			
<p><b>Source / Cause of risk</b></p> <p>The Government Spending Review in October 2021 has set out the 3-year picture for local government, to be followed by the local government finance settlement in December 2021. This provides some welcome medium-term certainty, although there are still areas of uncertainty in the operating environment relating to impacts of upcoming Government reforms e.g., social care, as well as the level and complexity of demand and growth pressures facing services across the council.</p> <p>The uncertainty also applies to services funded via ring-fenced specific grants. Of particular concern is the special educational needs and disability (SEND) provision funded by the Dedicated Schools Grant (DSG). The high needs block of DSG has not kept pace with the substantial increase in demand for SEND (see CRR0044) resulting in deficit accruing on DSG spending.</p>	<p><b>Risk Event</b></p> <p>Levels of spending and growth pressures across services outstrip the Council's core spending power, threatening the financial sustainability of KCC, its partners and service providers.</p> <p>In order to set a balanced budget, the council is likely to have to continue to make significant year on year savings. Quality of KCC commissioned / delivered services suffers as financial situation continues to worsen.</p> <p>Continued delays and uncertainty surrounding Fair Funding and Business Rate retention reviews impacts on KCC's medium term financial planning.</p>	<p><b>Consequence</b></p> <p>Unsustainable financial situation, ultimately resulting in s114 notice.</p> <p>Failure to delivery statutory obligations and duties or achieve social value.</p> <p>Potential for partner or provider failure – including sufficiency gaps in provision.</p> <p>Reduction in resident satisfaction and reputational damage.</p> <p>Increased and unplanned pressure on resources.</p> <p>Decline in performance.</p> <p>Legal challenge resulting in reputational damage to the Council.</p> <p>Impact on Council Tax.</p>	<p><b>Risk Owner (s)</b></p> <p>On behalf of CMT:</p> <p>Zena Cooke, Corporate Director Finance (Section 151 Officer)</p> <p><b>Responsible Cabinet Member(s):</b></p> <p>All Cabinet Members</p>	<p><b>Current Likelihood</b></p> <p>V. The continuation of a challenging financial and operating environment for Local Government (see risk CRR0009) will require difficult policy decisions to be made in a timely manner, which requires continued effective governance and decision making as well as robust internal control mechanisms. Examples from other local authorities has shown the impact that ineffective decision making can have on financial resilience.
