Subject Matter / Title of Decision

School Term Dates for 2022-23

Decision:

As Cabinet Member for Education and Skills, I agree to: the School Term dates for 2022-23.

Reason(s) for decision:

- 1.1 KCC is responsible for setting term dates for community and voluntary controlled schools, while governing bodies of foundation and voluntary aided schools are responsible for setting their own term dates. Academies and free schools also have the freedom to decide their dates and length of terms.
- 1.2 In previous years the Local Government Association (LGA) has coordinated the preparation of a draft standard school year. However, the LGA has decided to stop coordinating the development of these draft models, because only around 40% of areas are now following the standard school year, as more academies and free schools determine the term dates for their schools.
- 1.3 Over a school year, pupils are required to attend for 190 days/380 sessions. In total, teachers may be required to be available for work on up to 195 days, with the additional days specified by individual schools as non-contact days. Schools may also require teachers to work additional hours before or after school sessions, as an alternative to full non-contact days, provided that any teacher is not required to work in aggregate more than 1,265 hours during a school year. Schools may therefore choose to require teachers to make up the full equivalent of the 5 non-contact days wholly through additional hours, or use a mixture of additional hours and non-contact days.
- 1.4 In determining the proposed future school term dates, KCC carried out a full consultation on the proposed dates.

2. Consultation

2.1 KCC consulted on the proposed term dates for the academic years 2022-23 from 15 April to 26 May 2021. The consultation was circulated to all schools via the e-bulletin and with other key stakeholders such as governors (including parent groups), the Diocesan bodies, trade unions and neighbouring local authorities. The general public was also encouraged to participate. Below is a link to the consultation and equality impact assessment:

2.2 The consultation documents were downloaded 5,505 times and received 215 responses.

2.3 The majority of respondents, 160 out of 215, supported the proposed term dates for 2022-23,

3. Equalities Assessment

3.1 The EqIA has been reviewed again following the consultation and no updates were required

4. Financial Implications

4.1 There are no direct cost implications arising from the decision on the school calendar. However, if individual foundation, voluntary aided schools, academies or free schools determine a different pattern of term dates, they may incur additional costs in relation to home to school transport, as the authority passes any additional costs on to the schools concerned.

Cabinet Committee recommendations and other consultation:

This decision was considered at the meeting of the Children’s, Young People and Education Cabinet Committee on 30th June 2021.
