---

Summary: As requested by the Chairman and Spokespeople of the Scrutiny Committee the Committee is asked to discuss and note the Provisional Revenue and Budget Outturn Report 2021-22.

---

## **1. Introduction**

- a) The attached report was presented to Cabinet on 23 June 2022 and sets out the provisional revenue and capital outturn position for 2021-22 including the financial information related to the impact of responding to the Covid 19 pandemic.
- b) The Chairman and Spokespeople considered that Scrutiny has a key role to play when considering the Executive's draft budget proposals in January but it was vital to ensure regular finance monitoring reports were submitted to Scrutiny Committee to allow the Committee to consider the budget throughout the year.
- c) Scrutiny Committee has a role in financial monitoring and can add value by reviewing draft financial plans to challenge the forecasts, affordability, risks, clarity and feasibility of what is proposed. In particular, how any financial plans will affect other important corporate or service plans.
- d) To ensure this task does not place any additional burden the Scrutiny Committee will follow the budget reporting cycle of the Cabinet and receive finance reports twice a year in addition to the draft budget proposals in January.
