Note 7

Applicants should provide a summary of the case for registration here and enclose a separate full statement and all other evidence including any witness statements in support of the application.

This information is not needed if a landowner is applying to register the land as a green under section 15(8).

7. Justification for application to register the land as a Town or Village Green

This application concerns an extended grassed area of unregistered land which has been a feature of this part of Dumpton Park Drive since houses began to be built here in the 1970s. Many people who moved in when the houses were built are still resident.

It has become a focal point of the locality and is used for many different purposes. Primarily, residents with dogs tend to use it as a stopping point and an area for the exercise of their pets. It is also used as a safe playground area for grandchildren of residents, and for those residents of an active disposition, it is used for games such as croquet, boule/pétanque etc.

It is also a communal area for an active community of neighbours who have gathered for barbecues, picnics etc.

We feel as a community that we would like to protect this piece of land as a social asset for the future..

Note 8

Use a separate sheet if necessary. This information is not needed if a landowner is applying to register the land as a green under section 15(8).
