**Aims and Objectives**

The Young Persons Drug and Alcohol Service contract is due to end on 31 December 2022. Commissioners have undertaken a formal contract review of the service to determine whether KCC should extend the contract (as per the contract clause) or go through a new procurement exercise. Key findings from the contract review support extending the contract until March 2024.

The Young Persons Drug and Alcohol Service contract, as delivered by Addaction, which later rebranded as We Are With You (With You), commenced on 1st January 2018. The contract is due to end on 31st December 2022 (5 years in total) with an option to extend by 2 years. The intention is to extend the contract by 15 months to align all Kent drug and alcohol contracts to end in March 2024. This will give the Council maximum flexibility and opportunity to re-commission in a way that will effectively supports Kent residents in the future. Commissioners plan to procure all the contracts as one exercise which will allow for economies of scale and shared engagement with all the market.

The analysis of the proposal to extend the Young Persons Drug and Alcohol contract services considers that no change in the Young Persons Drug and Alcohol service is the most appropriate option.

The evidence presented here suggests that there is no potential for discrimination and that this option is an

appropriate measure to advance equality and create stability for vulnerable service users.

This EQIA will be updated further as part of the recommissioning process to continually assess and consider the options and whether no change remains the most appropriate for the new service specification.

**Details of Positive Impacts**

Extending the contract and maintaining service delivery with the current provider will offer service users, staff, stakeholders and the general public with stability. This will mean that services will remain accessible to all those with protected characteristics and not create any confusion, ensuring a level of consistency in service delivery for vulnerable young people and their families in Kent.

The Coronavirus (COVID-19) outbreak also supports the option of an extension to the contract as is recognised that the coronavirus pandemic has disproportionately affected vulnerable young people. Therefore, maintaining consistent access to treatment services for vulnerable young people remains incredibly important.

The intention is to extend the contract by 15 months to align all Kent drug and alcohol contracts to end in March 2024. This will give the Council maximum flexibility and opportunity to re-commission in a way that will effectively supports Kent residents in the future. Commissioners plan to procure all the contracts as one exercise which will allow for economies of scale and shared engagement with all the market.

The decision to extend and align all the Kent drug and alcohol contracts will create an opportunity to engage effectively and efficiently with all those impacted by the services as we will dedicate resource to co-production and engaging with key stakeholders, with a particular focus on those with protected characteristics.
