

EQIA Submission Draft Working Template

If required, this template is for use prior to completing your EQIA Submission in the EQIA App. You can use it to understand what information is needed beforehand to complete an EQIA submission online, and also as a way to collaborate with others who may be involved with the EQIA.

Note: You can upload this into the App when complete if it contains more detailed information than the App asks for and you wish to retain this detail.

Section A		
1. Name of Activity (EQIA Title):	Family Hub Key Decision	No #23/00015
2. Directorate	Children, Young People and Education	
3. Responsible Service/Division	Integrated Children's Services	
Accountability and Responsibility		
4. Officer completing EQIA Note: This should be the name of the officer who will be submitting the EQIA onto the App.		Jess Morley
5. Head of Service Note: This should be the He be approving your submitted.		Hema Birdi
6. Director of Service Note: This should be the responsible director.	name of your	Stuart Collins
The type of Activity		

The type of Activity you are undertaking

7. What type of activity are you undertaking?

Tick if Yes	Activity Type
Yes	Service Change – operational changes in the way we deliver the service to people.
	Service Redesign – restructure, new operating model or changes to ways of working
Yes	Project/Programme – includes limited delivery of change activity, including partnership projects,
res	external funding projects and capital projects.
Yes	Commissioning/Procurement – means commissioning activity which requires commercial judgement.
Yes	Strategy /Policy – includes review, refresh or creating a new document
	Other – Please add details of any other activity type here.

8. Aims and Objectives and Equality Recommendations — Note: You will be asked to give a brief description of the aims and objectives of your activity in this section of the App, along with the Equality recommendations. You may use this section to also add any context you feel may be required.

Section B – Evidence

Note: For questions 9, 10 & 11 at least one of these must be a 'Yes'. You can continuing working on the EQIA in the App. but you will not be able to submit it for approval without this information.

ripp) but you till hot be usic to submit it for approval	without this injerination.
9. Do you have data related to the protected	Yes
groups of the people impacted by this activity?	
Answer: Yes/No	

10. Is it possible to get the data in a timely and cost effective way? Answer: Yes/No	Yes
11. Is there national evidence/data that you can	Yes
use?	
Answer: Yes/No	
12. Have you consulted with Stakeholders?	No
Answer: Yes/No	This is part of the phased approach to the programme
Stakeholders are those who have a stake or interest	development.
in your project which could be residents, service users, staff, members, statutory and other	
organisations, VCSE partners etc.	
13. Who have you involved, consulted and engage	_ d with?
•	details of those you have already involved, consulted and engaged
with or who you intend to do so with in the future.	If the answer to question 12 is 'No', please explain why.
14. Has there been a previous equality analysis	No, this is a new funding stream direct from DfE
(EQIA) in the last 3 years? Answer: Yes/No	ito, this is a new randing stream affect from Biz
15. Do you have evidence/data that can help you	Yes
understand the potential impact of your activity? Answer: Yes/No	
Allswel. Tesylvo	
Uploading Evidence/Data/related information	16,632 live births for 2021 (ONS)
into the App Note: At this point, you will be asked to upload the	 Kent Health Visiting Service - 01 April 2021 – 31 March 2022. Antenatal visits due – 14417
evidence/ data and related information that you	 Total number of mandated health and wellbeing review
feel should sit alongside the EQIA that can help	carried out 71,827.
understand the potential impact of your activity.	
Please ensure that you have this information to	Source: Powerbi Open Access Scorecard as at 06/04/23
upload as the Equality analysis cannot be sent for approval without this.	 (excludes Commissioned establishments) In the last 12 months number of distinct clients who
upprovar without this.	attended at least one session (reach) or client/family
	intervention excluding focus support: 33,921.
	In the last 12 months number of client and family Focus
	Support interventions 16,438
	Source: Powerbi Early Help Commissioned Scorecard as at
	06/04/23
	 In the last 12 months number children reached aged 0-
	7
	Seashells: 1,912
	Millmead: 1,215
Section C – Impact	
16. Who may be impacted by the activity? <i>Select of</i>	ll that apply.
	idents/Communities/Citizens Yes
	wer: Yes/No

	ff/Volunteers	No	
	swer: Yes/No		
		ve impacts for all or and reding? Answer: Ye	y of the protected groups as a result S/No
	Please give details of		
		•	services, with health visiting and midwifery services for children 0-19
	~	ncluding co-production	•
Ne	gative Impacts a	nd Mitigating Ac	ions
			ough positive and negative impacts for people affected by your
act	ivity. Please use the E	Evidence you have ref	erred to in Section B and explain the data as part of your answer.
