Subject: Work Programme 2023

Classification: Unrestricted

Past and Future Pathway of Paper: Standard agenda item

Summary: This report gives details of the proposed work programme for the Health Reform and Public Health Cabinet Committee.

Recommendation: The Health Reform and Public Health Cabinet Committee is asked to consider and agree its Work Programme for 2023.

1. Introduction

- 1.1 The proposed work programme, appended to the report, has been compiled from items in the Future Executive Decision List and from actions identified during the meetings and at agenda setting meetings, in accordance with the Constitution.
- 1.2 Whilst the chairman, in consultation with the cabinet members, is responsible for the programme's fine tuning, this item gives all members of this cabinet committee the opportunity to suggest amendments and additional agenda items where appropriate.

2. Work Programme

- 2.1 The proposed work programme has been compiled from items in the Future Executive Decision List and from actions arising and from topics, within the remit of the functions of this cabinet committee, identified at the agenda setting meetings. Agenda setting meetings are held 6 weeks before a cabinet committee meeting, in accordance with the constitution.
- 2.2 The cabinet committee is requested to consider and note the items within the proposed Work Programme, set out in appendix A to this report, and to suggest any additional topics to be considered at future meetings, where appropriate.
- 2.3 The schedule of commissioning activity which falls within the remit of this cabinet committee will be included in the work programme and considered at future agenda setting meetings to support more effective forward agenda planning and allow members to have oversight of significant service delivery decisions in advance.
- 2.4 When selecting future items, the cabinet committee should consider the contents of performance monitoring reports. Any 'for information' items will be

sent to members of the cabinet committee separately to the agenda and will not be discussed at the cabinet committee meetings.

3. Conclusion

- 3.1 It is vital for the cabinet committee process that the committee takes ownership of its work programme to deliver informed and considered decisions. A regular report will be submitted to each meeting of the cabinet committee to give updates of requested topics and to seek suggestions for future items to be considered. This does not preclude members making requests to the chairman or the Democratic Services Officer between meetings, for consideration.
