Aims and Objectives

The LA delegates all funding for repairs and maintenance to schools through the schools' budget. The LA has a duty to ensure that schools are maintaining buildings and fixtures in line with best practice, and ensuring health and safety requirements are met. The LA undertakes condition surveys to support these efforts.

The LA, with agreement from the Schools' Funding Forum, set the following limits to assigning initial responsibility for meeting the costs of repairs and maintenance.

Primary Schools (including Infant and Junior Schools): £7,500

Secondary Schools: £20,000

Special schools and Pupil Referral Units:£7,500

Even though the Scheme for Financing Schools sets out the financial requirements for all Kent maintained schools, these specific rates only apply to Community, Voluntary Controlled and Foundation Schools, as Voluntary Aided Schools would be covered by the DfE's School Capital Allocation for more significant maintenance work.

The financial limits set out above were set well in excess of 10 years ago and have not been increased in line with inflation. Neither do they align with the capital threshold for local authorities, which is £10k. The

fact the thresholds have not been reviewed in such a long time serves to reduce the funding available to the LA to address both emergency works and planned maintenance works, as inflation has devalued these compared to today's market prices.

It is proposed that the financial limits be adjusted to reflect a significant inflationary increase, but moderated to round figures and also to recognise different sizes of schools. It is acknowledged that, with no changes to the rates for so many years, such increases will place additional pressure on school budgets, particularly for smaller schools.

It is proposed that the thresholds increase as follows:

l	Primary Under 2FE	Currently £7,500	Proposed £10,000	Increase of £2,500
	Primary 2FE and above	Currently £7,500	Proposed £12,500	Increase of £5,000
	Secondary under 6 FE	Currently £20,000	Proposed £25,000	Increase of £5,000
	Secondary 6FE and above	Currently £20,000	Proposed £30,000	Increase of £10,000
	Junior under 420 pupils	Currently £7,500	Proposed £10,000	Increase of £2,500
	Junior 420 pupils and above	Currently £7,500	Proposed £12,500	Increase of £5,000
	Infant	Currently £7,500	Proposed £10,000	Increase of £2,500
	All Through school	Currently £27,500	Proposed £30,000	Increase of £2,500
	Special	Currently £7,500	Proposed £10,000	Increase of £2,500
l	Pupil Referral Unit	Currently £7,500	Proposed £10,000	Increase of £2,500
