Aims and Objectives

The current Highways Tree Works Contract is due to end on 31 Sept 2024. The council is required to retender the contract under OJEU regulations due to the total value of works over the contract period. This contract ensures that Kent County Council highway assets are maintained in a safe condition.

Continuity of term tree works provision for the highway tree asset. Professional tree works are required to meet 'Duty of Care' to highway users and comply with the Highways Act 1980.

It contributes to KCC's strategic objectives through:

- Fewer people killed or seriously injured on Kent's roads
- Everyone can choose to travel safely, efficiently and pleasantly to employment, education, social and cultural opportunities
- Customer satisfaction by providing 'the right services in the right way for the right people'
- Maximising lifespan and minimising lifecycle costs of the highway and its assets and improving maintainability by embedding asset management principles into everything we do

• Cost effective statutory and discretionary services by commissioning well and being commercially astute.
