Aims and Objectives

The EqIA concerns the Local Transport Plan and its ambition and policy outcomes and objectives. The EqIA has been prepared to accompany adoption and publication of the plan. The EqIA has been assembled following consultation on a draft plan and EqIA during 2024, following consideration of feedback on the plan and EqIA.

Our assessment concludes that the ambition and policies in the Local Transport Plan are expected to have a positive impact. This is to be expected as the ambition and policies are intended to improve transport in a wide range of ways across the transport mix, which should be beneficial for a wide range of users.
