

What will the County Council do when it receives my petition?

An acknowledgement will be sent to the petition organiser within 5 working days of receiving the petition. It will let them know what we plan to do with the petition and when they can expect to hear from us again. It will also be published on our website.

If we can do what your petition asks for, the acknowledgement may confirm that we have already taken the action requested and the petition will be closed. If the petition has enough signatures to trigger a County Council debate, or a senior officer giving evidence, then the acknowledgment will confirm this and tell you when and where the meeting will take place. If the petition needs more investigation, we will tell you the steps we plan to take.

If the petition applies to a [planning application](#), is a statutory petition (for example requesting a referendum on having an elected mayor), or on a matter where there is already an existing right of appeal, such as council tax banding and non-domestic rates, other procedures apply.

To ensure that people know what we are doing in response to the petitions we receive the details of all the petitions submitted to us will be published on our website, except in cases where this would be inappropriate. Whenever possible we will also publish all correspondence relating to the petition (all personal details will be removed). When you sign an e-petition you can elect to receive this information by email. We will not send you anything which is not relevant to the e-petition you have signed, unless you choose to receive other emails from us.
