Aims and Objectives

Kent County Council, is a Licensed Service Provider for the delivery of National Driver Offender Retraining Scheme Courses, KCC has provided these services to the Kent Police Driver Diversionary Partnership since 2008. These services have been formalised through an agreement between Kent Police and The Kent County Council.

The primary focus of the service is to re-educate low end driving offenders in order to reduce road casualties, through delivery of National Driver Offender Retraining Scheme Courses.

KCC provide the booking system for clients, the trainers, the venues and the course material to the high standard as required by the governing body National Driver Offender Retraining Scheme in order to continue to be Licenced Service Provider

Kent Police wish to retain KCC's services for the continued delivery of this driver offender training. It is proposed that these services are provided by KCC for a further five years to commence on the 01 April 2023. This activity supports KCC's Vision Zero road safety strategy.

No major change - no potential for discrimination and all opportunities to promote equality have been taken.

Kent Police identify prospective offenders for training. KCC will tailor the delivery of the training should a specific requirement be highlighted.

Section B – Evidence

Do you have data related to the protected groups of the people impacted by this activity?

Yes

It is possible to get the data in a timely and cost effective way?

No

Is there national evidence/data that you can use?

Nο

Have you consulted with stakeholders?

Yes

Who have you involved, consulted and engaged with?

Kent Police

Has there been a previous Equality Analysis (EQIA) in the last 3 years?

Yes

Do you have evidence that can help you understand the potential impact of your activity?

Yes

Section C – Impact

Who may be impacted by the activity?

Service Users/clients

Service users/clients

Staff

No

Residents/Communities/Citizens

Nο

Are there any positive impacts for all or any of the protected groups as a result of the activity that you are doing?

No
