Subject: **Future Items for Policy Overview and Scrutiny Committees (POSC's) and Health Overview and Scrutiny Committee (HOSC)**

Summary: Attached to this report are the future items lists for the POSC's and HOSC for Members information and consideration.

(1) This paper gives the Scrutiny Board the opportunity to look at the future items list for all of the POSC's and HOSC and to consider whether there are cross cutting issues and if so how they could most affectively be considered.

(2) Attached as appendix 1 is a list of standard items for all POSC's. The specific future agenda items lists for the individual POSC are set out in Appendix 2 and the work programme for the HOSC is attached as Appendix 3.

(3) Mrs Allen had previously referred to the following issues for the Vulnerable Children and Partnerships POSC:-

- Health visitors
- Children and Adolescent Mental Health Services

which overlapped with some of the other areas of activity in the scrutiny suite.

Recommendation that the Scrutiny consider there are any cross cutting issues and if so determine how these should be dealt with.
