

Appendix 1: Schedule 8 (1) (Additional Goods, Services or Works) of the Procurement Act 2023

Additional goods, services or works

8(1)A modification is a permitted modification if—

- a) the modification provides for the supply of goods, services or works in addition to the goods, services or works already provided for in the contract,*
- b) using a different supplier would result in the supply of goods, services or works that are different from, or incompatible with, those already provided for in the contract,*
- c) the contracting authority considers that the difference or incompatibility would result in—*
 - i. disproportionate technical difficulties in operation or maintenance or other significant inconvenience, and*
 - ii. the substantial duplication of costs for the authority, and*
- d) the modification would not increase the estimated value of the contract by more than 50 per cent.*
