

KENT COUNTY COUNCIL – RECORD OF DECISION

DECISION TAKEN BY:

Brian Collins, Deputy Leader

DECISION NO:

25/00060

For publication**Key decision: YES**

Key decision criteria: The decision will result in savings or expenditure which is significant having regard to the budget for the service or function (currently defined by the Council as in excess of £1,000,000)

Title: Freehold disposal of Land to the South of Pratling Street, Aylesford**Proposed decision:**

The Deputy Leader to agree to:

1. the disposal of Land at Pratling Street, Aylesford; and
2. to delegate authority to The Director of Infrastructure, in consultation with the Deputy Leader, to finalise the terms of the disposal and execution of all necessary or desirable documentation required to implement the above.

Reason(s) for decision:

The property is surplus to the Council's operational requirements and due to its projected value, a key decision is now required as set out in Kent County Council's Constitution.

The sale of the property will result in a capital receipt which will be reinvested back into the Council's Capital Programme.

Cabinet Committee recommendations and other consultation:

The proposed decision was discussed by the Policy and Resources Cabinet Committee on 10 September 2025, where the proposed decision was ENDORSED.

In line with the Property Management Protocol, the views of the Local Member have been sought and reported to the Cabinet Member taking the decision - no views or comments have been received.

Any alternatives considered and rejected:

Other options considered were to:

- Reuse the site - KCC has no operational requirement for the site.
- Continue to hold the site subject to the existing license agreement in case of a future requirement.
- Disposal of the asset. *This is the recommended option.*

As the property is not required for the Council's operational purposes, the only alternative option would be to continue to hold the site, however, this would leave the Council exposed to ongoing costs and costs of securing the site against unauthorised access and potential claims for injuries arising from trespassing. Given that this approach does not align with the Council's investment strategy and a disposal provides an opportunity to reinvest capital in agreed priorities as set out in the Council's Capital Programme, it is proposed to proceed with the disposal of the site.

The Council has an overarching duty under Section 123 of the Local Government Act 1972 to secure not less than best consideration in respect of property disposals. It also has a fiduciary duty to the residents of Kent.

Whilst under contract, a decision not to perform under its terms would be possible, however this would have legal and cost implications. The recommendation therefore will be to perform under the contractual agreement for the sale of the property unless it expires in the meantime.

Any interest declared when the decision was taken and any dispensation granted by the Proper Officer: None
