| The Council is under a legal duty to set a balanced and sustainable budget and maintain adequate reserves such that it can deliver its statutory responsibilities and priorities. The most significant savings requirements are in adult social care. Urgent action is required to ensure revenue spending is at a sustainable level, both within the current financial year 2025-26 and over the medium term (see CRR0009) to safeguard the council's financial resilience and viability. | The level of reserves as % of revenue and sustainability of reserves based on recent levels of drawdown put the council at the top of the lower quartile of county councils. | High | 20 | • Finance and performance monitoring progress reports will be considered at Cabinet meetings. | Dave Shipton | Control | | Medium |

Providers struggle to compete with other sectors such as retail.</p> <p>There are particular challenges in Kent in home care. Overseas workers have created some additional capacity but changes in social care visa rules excluding families has reduced applications from overseas care workers. The social care visa route also attracted operators seeking to exploit that rather than support the sector. | There has been a significant increase in the number of children receiving Special Educational Needs and Disability support and the Council’s Dedicated Schools Grant (DSG) budget is overspending on the High Needs Block. Continued funding of the deficit on the DSG reserve by net surplus balances in other reserves is unsustainable, and a continuance of the situation would negatively impact the financial resilience of the Council. Consequently, meeting the needs of children and young people with SEND within available resources is becoming ever more challenging and the ability to forecast costs in future years is difficult. | In the event Kent County Council fails to adequately address the Dedicated Schools Grant deficit, including failing to meet the terms of the Safety Valve agreement, there would be: Major Financial Risk: Inability to manage within budget and reduce accumulated deficit on Dedicated Schools Grant reserve would result in adverse impact on the financial resilience of Kent County Council. | High | | • KCC has entered into a “Safety Valve” agreement with the Department for Education (DfE), enabling Kent County Council (KCC) to receive funding over a 5-year period to substantially fund the accumulated deficit on the Dedicated Schools Grant (DSG) High Needs Block (HNB). | In recent years, large numbers of unaccompanied children have arrived in the UK and claimed asylum. Because almost all of these children enter the UK in Kent, KCC is the local authority responsible for accommodating and looking after them in the first instance, in addition to those who already live in its area. In July 2023 the High Court ruled that KCC must accommodate and look after all UAS children arriving into the County, pending transfer to other local authorities under the National Transfer Scheme. This has resulted in KCC being required to expand their social work and reception centre services to meet this ruling as it presents | Impacts on vulnerable children (both UAS children and potential knock-on impacts for Kent looked after children).
