16. Development Plan 2024-25 and 2025-26

(Item 4)

1. Mrs Smith-Orr introduced both Plans and advised that the 2024/25 Plan had been updated to show the progress that had been made. She asked SACRE members to let her know if there were any further updates to be added.
2. During consideration of the item the following points were raised:
 - The Plans were live documents and were subject to regular updates during the year.

- A core purpose of the SACRE was to monitor, advise and support schools in conducting their duty to provide RE daily. It was important that the Plan reflected the purpose of the SACRE.
- The Law required collective worship to be broadly Christian in nature. Collective worship has evolved to teach children about moral values, that were often shared between different beliefs, and included teaching about non-faith beliefs such as Humanism.
- Schools could apply to the SACRE if they did not wish to teach a broadly Christian syllabus; however, there have been no applications for at least the last 10 years.
- Consideration could be given to offering a newsletter that schools could sign-up to. The newsletter could be issued three times a year and include information about collective worship, upcoming training events, the WIRE Awards and any other information that the SACRE wished to circulate to schools.

3. RESOLVED to note the 2024/25 Development Plan and the 2025/26 Development Plan.

Secondary Schools Virtual Meeting

1. A virtual meeting for secondary school teachers had taken place towards the end of term, however, there were only four attendees. Another session would be held in the Summer of 2026.

Interfaith Week

2. Interfaith week would run from 9 to 16 November and there were lots of events planned around the Country. The Faith and Belief Forum lead on organising the week and they had resources available for schools to use.

The Curriculum Review

3. The final report had just been published. It detailed that RE would become part of the National Curriculum through a two-stage approach that would lead to

implementation in 2028. It was expected that SACRE's would be asked for feedback and comments at some point during the process.

Planning for the afternoon of the Away Day 30 June 2026

4. There would be a training event for school co-ordinators following the scheduled SACRE meeting. The date had been reserved with the Salvation Army (Maidstone) and volunteers were asked to get in touch with Mrs Smith-Orr if they wished to assist in planning for the afternoon.
5. RESOLVED to note the update.

19. Budget Update

(Item 7)

1. Mrs Smith-Orr introduced the budget. She suggested that it would be good to raise any purchase orders needed for the June 2026 Away Day during the 2025 year to ensure the funding was available. She added that venue hire was free, however there would likely be a cost for guest speakers and refreshments.
2. RESOLVED to note the budget update.

20. Update on Local Network Groups

(Item 8)

1. Mr Shepherd advised that his Local Network Group continued to be going well, they had a strong core of members who were from a mixture of Canterbury Diocese schools and non-Christan faith schools.
2. During consideration of the item the following points were raised:
 - The Groups were good for sharing ideas and support. There were currently two active Groups within Kent, and it would be good to have more.
 - The Group meetings took place in person and virtually.
 - Mrs Smith-Orr worked with the Group organisers to offer support and attended the meetings when possible.
 - Thanks were offered to Mr Shepherd for his work organising his Group. He would be stepping back from the role but hoped that the Group meetings would continue.
3. RESOLVED to note the update on Local Network Groups.

21. The WIRE Awards

(Item 9)

1. The Chair shared that he and Mr Paul had recently had the pleasure of presenting the WIRE Award to Ditton Infant School.

23. The Kent Agreed Syllabus - Sept 2027

(Item 11)

1. Mrs Smith-Orr introduced the item.
2. During consideration of the item the following points were considered:
 - The current Kent Syllabus was initially agreed in 2017 and extended for a further 5 years in 2022. By 2027 the Kent agreed syllabus would be 10 years old and it would be normal practice to adopt a new five-year syllabus after this time.
 - Potentially there could be a national syllabus in place during 2028 and Local Government Re-organisation was planned to be implemented in 2028 which was expected to replace the County Council with one or more unitary authorities.
 - Mrs Smith-Orr offered to contact RE Today to try and lock in a price for a 1 year extension of the existing syllabus from September 2027.
3. RESOLVED that, in light of the uncertainty arising from the changes planned for Local Government in Kent and the National Curriculum during 2028, the use of the existing Kent Syllabus be extended for an additional year, from September 2027-2028,
