Aims and Objectives

KCC has a mobile refurbishment/replacement programme as part of the modernisation programme. The condition of each mobile building on a maintained school site has been assessed. From the assessment, the refurbishment or replacement of each modular building has been prioritised.

Two mobile blocks at Dover Grammar School for Girls have been identified as needing replacement in the next 12 months.

A feasibility process has been completed to RIBA stage 3 which has identified the most cost effective solution to replace the buildings whilst ensuring they will meet the needs of the pupils in terms of both curriculum provision and accessibility.
