Dear David,

Agreed that we will only appoint one Member as a trustee.

It might not be possible for you to meet the trustee before they are appointed, because it is a decision of one of our Committees and sometimes, we don't know which Member might be nominated before the actual meeting. However, we will bear your request in mind.
 Regards

Peter

Dear Peter

Thanks for your interest. I think that one member Trustee would be appropriate and useful.

I would obviously like to meet any prospective Trustee before they are appointed, and I hope that this can be arranged in due course.

For information, the next meeting of Trustees is at 1.00 for 1.30 pm on October 13th in Bearsted Methodist Church Hall.

Regards

David Wilson
 Chairman, Red Hill Trust

Dear David,

Your e-mail to Jill Johnson has been passed to me for attention. Part of my role is to coordinate the process for appointing elected Members to various Committees, regional bodies and outside organisations, including trusts, charities and public/voluntary

organisations. I have discussed your request with the Chairman of the Selection and Member Services Committee, which is the Committee of the Council that agrees all of these appointments. Her view was that there would be mutual benefit if KCC appointed one or perhaps two elected Member trustees to the Red Hill Trust and I will arrange for this to be discussed formally at the next meeting of the Committee, which will take place in the early autumn. In the meantime, I intend to ask the Leaders of the three political groups represented on the County Council to advise me if any of their Members wish to be nominated to serve on the Trust.

Either my colleague Andy Tait or I will be in touch in due course. Regards

Peter

Dear Sir/Madam

I am the Chair of the Red Hill Trust which, as you will see from the attachment, used to operate a boarding school for maladjusted boys at Charlton Court at East Sutton. Indeed, after the original school closed, the premises were leased to Kent for use as a PRU throughout the 1990s. When this arrangement ceased, the premises were sold and we are now a grant-making trust for organisations who support children with emotional and behavioural disorders.

Grants have been made to various organisations in Kent, both under the aegis of KCC (Challenger PRU and Goldwyn School) and outside (Heart of Kent Hospice, Royal London School for the Blind at Sevenoaks, the Dandelion Trust at Loose). Many other organisations in the south-east have also benefited.

We are now looking to recruit new trustees, following retirements. Would you be so kind as to circulate the attachment to anyone who might be interested, or perhaps find a display site for it? There is a historic precedent for Kent to be represented on the Trustees, as when Red Hill operated as a school, Kent Education Committee had the right to nominate two Trustees, one of whom, Dorothy Fox, was Chair in the 1970s.

many thanks

David Wilson
