Aims and Objectives

Kent County Council is seeking to commission a contract for transfer services, which includes the receipt, bulking and haulage of 40,000 tonnes of waste collected at kerbside by Folkestone & Hythe.

As the Waste Disposal Authority (WDA), the provision of such waste processing services is a statutory obligation under the Environmental Protection Act (1990).

Aims and Objectives:

No later than the 1st January 2028, Kent County Council will:

- Provide a transfer service by contracting with a Provider to manage waste streams collected at kerbside

Beneficiaries:

This EQIA supports the commission and its intended beneficiaries, being Folkestone & Hythe District council as the Waste Collection Authority (WCA), and ultimately the residents of Folkestone & Hythe.

As the WDA, KCC is responsible for ensuring that all waste collected in Kent is disposed of correctly, in the most financially efficient way. The disposal of this waste is a back-office procedure, with all customer-facing elements of this process the responsibility of the WCA.

Outcome of Analysis - No impact, either positively or negatively, on protected characteristics for residents - no change.
