

KENT COUNTY COUNCIL - RECORD OF DECISION

DECISION TAKEN BY

Graham Gibbens

DECISION NO.

10/01515

If decision is likely to disclose exempt information please specify the relevant paragraph(s) of Part 1 of Schedule 12A of the Local Government Act 1972

Subject:

OUTCOME ON THE FORMAL CONSULTATION ON THE CLOSURE OF SAMPSON COURT REGISTERED CARE CENTRE, DEAL

Decision:

As Cabinet Member for Adult Social Services I APPROVE that Sampson Court should close by December 2011.

This decision is taken on the basis that there will be no closure before alternative services are in place.

Any Interest Declared when the Decision was Taken

None

Reason(s) for decision, including alternatives considered and any additional information

The main drivers are that:

- a) More people are living longer and living with long term conditions including dementia. People rightly expect more choice in care
- b) High quality care is a continuing priority. Dignity in care is crucial and more people want care at home
- c) Residential care should be in high quality buildings. Some KCC buildings have reached the end of their useful life and don't meet expectations or standards for new builds
- d) Good quality care can be commissioned for less money. The private and voluntary sector is set up to care for more people.

The considerations and options considered included:

- a) The range of alternative local services for older people
- b) The opportunity for developments with partners in the local area
- c) The condition of the building and likely capital expenditure required to maintain services
- d) The appropriateness of the design of the buildings for the services delivered and required
- e) The need to release money that is tied in to services that could be used to deliver equivalent services to more people.

I am assured that both assessments and intensive support will be offered to all services users and their families to plan and provide alternative services and that the range of services needed will be available.

I would like officers to pursue the development of extra care housing in Deal either on the Sampson Court site or elsewhere in the town and would like officers to liaise with Dover District Council to pursue this.

Any alternative proposal for the use of the site following the closure of Sampson Court, including Social Enterprise, could be considered.
