N.B. The school year for pupils and teachers will be reduced by 1 school day to 189/378 sessions (because of the Queen's Diamond Jubilee in 2012)
 INSET/ Non-contact days for teachers: Teachers may be required to be available for work on an additional 5 days, with the additional days specified by individual schools as non-contact days. Schools may also require teachers to work additional hours before or after school sessions, as an alternative to full non-contact days, provided that any teacher is not required to work in aggregate more than 1,258 hours during this school year. Schools may therefore choose to require teachers to make up the full equivalent of the 5 non-contact days wholly through additional hours, or use a mixture of additional hours and non-contact days.
