Governance within Kent County Council

2. Attached as an Appendix 2 is a diagram illustrating the governance arrangements for Children’s Social Care Improvement. There is top level ownership of the Improvement Plan within the Council, as follows:

- a. The Leader will receive quarterly reports from the Chair of the Improvement Board and will meet regularly with the Cabinet Member for Specialist Children’s Services and the Interim Managing Director of Children, Families and Education
- b. The Cabinet Member for Specialist Children’s Services and Group Managing Director will have a key leadership role within the Improvement Board
- c. Progress on the Improvement Plan will be monitored by Cabinet and the Vulnerable Children’s Policy Overview & Scrutiny Committee. The Vulnerable Children’s Policy Overview & Scrutiny Committee will set up a **Children’s Services Improvement Panel** to offer support and challenge and to provide the detailed monitoring of progress
- d. The Children’s Services Improvement Panel will be cross party (based on proportionately) and comprise eight Members, chaired by the Cabinet Member for Specialist Children’s Services. It will replace the CSS Improvement and Development Steering Group (a Member and Officer working group) and the Children’s Champion Board. It will meet after the Vulnerable Children’s Policy Overview and Scrutiny Committee and will receive detailed progress reports on the Improvement Plan and up to date management and performance data. The meeting will not be webcast, however papers will be published.
- e. The Children’s Services Improvement Panel will be supported by two key groups:
 - (i) **The Corporate Parenting Panel (CPP):** This Panel will be responsible for ensuring the best possible social, emotional, health and educational outcomes for all looked after children. Alongside all its other duties, it will be responsible for listening to the experiences of Looked after Children and feeding this into the Children’s Services Improvement Panel. The Panel will be chaired by Mrs Ann Allen (Chairman of the Children’s Champion Board and Vulnerable Children and Partnerships POSC), and will have a cross party Membership. It will also include two foster carers and two representatives from the Children in Care Council. The CPP will also act as

the governing body of the Virtual School for Looked after Children.

- (ii) **Staff Advisory Group:** this will be the forum in which front-line staff, including managers, will be able to report directly to Members their experience of the improvement plan. Members of the group will include the Cabinet Member for Specialist Children's Services and Deputy Cabinet Member, social workers, principal social workers and team leaders who are responsible for delivering front-line Children's Specialist services. The group will feed back views about the extent to which the improvement actions being taken is impacting on their day to day responsibilities and they will make suggestions about any further action required. They will also assist Elected Members in understanding the support they can provide to front-line workers. . In addition the Cabinet Member for Specialist Children's Services will engage with a series of meetings with front line staff

Both the Corporate Parenting Panel and Staff Advisory Group will be held privately, in order to allow staff and carers the freedom to discuss their views. This operates to great effect in Education, where the Members' Monitoring Group supports the identification of performance trends that feed through to Policy Overview and Scrutiny.
