Introduction / Background

Each year, the Local Authority is required to determine admission arrangements for Community and Voluntary controlled schools it must include:

- The over-subscription criteria / arrangements for entry to those schools for whom the Local Authority is the admission authority (Community and Voluntary Controlled schools).
- The Published Admission Number for those schools
- Relevant Consultation areas

Following consultation with admission authorities, neighbouring LAs, Dioceses, parent groups and relevant parents, KCC Cabinet determined the following arrangements.

Linked Infant and Junior Schools

For the purposes of Admissions from September 2012:

St Crispin's Infant School is linked to St Saviour's Junior School;

St Stephen's Infant School is linked to St Stephen's Junior School;

A sibling link will now be valid if a sibling is attending either the linked infant or junior school at the time of entry.

Oversubscription Criteria for Community and Voluntary Controlled Infant Junior and Primary Schools

The over-subscription criteria for all Community and Voluntary Controlled primary schools are:

- **Children in Local Authority Care** – a child under the age of 18 years for whom the local authority provides accommodation by agreement with their parents/carers (Section 22 of the Children Act 1989) or who is the subject of a care order under Part IV of the Act.
- **Attendance at a linked school** – where admission links have been established between the infant and junior school concerned, children attending the infant school are given priority for admission to the junior school.

Appendix C

- **Current Family Association** - a brother or sister in the same school at the time of entry where the family continue to live at the same address as when the sibling was admitted – or – if they have moved – live within 2 miles of the school, or have moved to a property that is nearer to the school than the previous property as defined by the ‘Nearness’ criterion’ (below). Linked infant and junior schools are considered to be the same school for this criterion. In this context brother or sister means children who live as brother and sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters, foster brothers or sisters.

If siblings from multiple births (twins, triplets, etc) apply for a school and the school would reach its Published Admission Number (PAN) after admitting one or more, but before admitting all of those siblings, the LA will offer a place to each of the siblings, even if doing so takes the school above its PAN. If the admissions are to Year R, and so result in a breach of class size legislation, the additional pupil(s) will be treated as “excepted” for a period of one year, as with excepted pupils as defined in the School Admissions Code.

- **Health and Special Access Reasons** – Medical, health, social and special access reasons will be applied in accordance with the school’s legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents’/guardians’ physical or mental health or social needs mean that they have a demonstrable and significant need to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the particular school.
- **Nearness of children’s homes to school** - we use the distance between the child’s permanent home address and the school, measured in a straight line using Ordnance Survey address point data. Distances are measured from a defined point within the child’s home to a defined point within the school as specified by Ordnance Survey. The same address point on the school site is used for everybody. When we apply the distance criterion for an oversubscribed Community or Voluntary Controlled school, these straight line measurements are used to determine how close each applicant’s address is to the school.
- Where new build housing development requires a new school or the significant enlargement of an existing school the ‘Nearness’ criterion will allow for a catchment area (defined by a map) to be created for the relevant school. This will be included in the Statutory Public Notice and admissions determination and will be valid for a period not exceeding three rounds of admissions.

The over-subscription criteria for **Eastchurch CE Primary School** on the Isle of Sheppey are:

- **Children in Local Authority Care** – a child under the age of 18 years for whom the local authority provides accommodation by agreement with their parents/carers

(Section 22 of the Children Act 1989) or who is the subject of a care order under Part IV of the Act.

- **Current Family Association** - a brother or sister in the same school at the time of entry where the family continue to live at the same address as when the sibling was admitted – or – if they have moved – live within 2 miles of the school, or have moved to a property that is nearer to the school than the previous property as defined by the 'Nearness' criterion' (below). In this context brother or sister means children who live as brother and sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters, foster brothers or sisters.

If siblings from multiple births (twins, triplets, etc) apply for a school and the school would reach its Published Admission Number (PAN) after admitting one or more, but before admitting all of those siblings, the LA will offer a place to each of the siblings, even if doing so takes the school above its PAN. If the admissions are to Year R, and so result in a breach of class size legislation, the additional pupil(s) will be treated as "excepted" for a period of one year, as with excepted pupils as defined in the School Admissions Code.

- **Health and Special Access Reasons** – Medical, health, social and special access reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents'/guardians', physical or mental health or social needs means that they have a demonstrable and significant need to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the particular school.
- **Nearness of children's homes to a point equidistant between the Eastchurch site and the Warden Bay site of Eastchurch CE Primary School** - we use the distance between the child's permanent home address and the equidistant point between the Eastchurch site and the Warden Bay site of Eastchurch CE Primary School. This is measured in a straight line using Ordnance Survey address point data. Distances are measured from a defined point within the child's home to a defined point equidistant between the two school sites as specified by Ordnance Survey. The same coordinate for the equidistant point is used for everybody. These straight line measurements are used to determine how close each applicant's address is to the equidistant point and children will be ranked in order of shortest distance first.

Oversubscription Criteria for Community and Voluntary Controlled Secondary Schools

Following the Schools Adjudicator's decision in 2007 that Dover Grammar School for Boys will continue to use a dual testing arrangement to determine eligibility for admission (the "Dover test" as well as Kent's PESE), provision was made for the same arrangements to apply to the Dover Grammar School for Girls at the time – consequently in 2012 Dover Grammar School for Girls will continue to include in its oversubscription criteria that: "Entry is through the Kent age 11 assessment procedure or the Dover test."

Oversubscription criteria for Community and Voluntary controlled secondary schools will be applied in the following order:

- **Children in Local Authority Care** – a child under the age of 18 years for whom the local authority provides accommodation by agreement with their parents/carers (Section 22 of the Children Act 1989) or who is the subject of a care order under Part IV of the Act.
- **Current Family Association** - a brother or sister attending the school when the child starts. In this context brother or sister means children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

If siblings from multiple births (twins, triplets, etc) apply for a school and the school would reach its Published Admission Number (PAN) after admitting one or more, but before admitting all of those siblings, the LA will offer a place to each of the siblings, even if doing so takes the school above its PAN.

- **Health and Special Access Reasons** - Medical / Health and Special Access Reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents'/guardians', physical or mental health or social need means there is a demonstrable and significant need for their child to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the particular school.
- **Children resident within the same scheme of education as the school** – Kent has both comprehensive and selective areas of education. Priority is given to pupils resident in the same scheme of education as the school as defined in the 'Admission to Secondary School in Kent Booklet'. The distance is measured between the child's permanent address and the school in a straight line using Ordnance Survey address point data. Distances are measured from a central point within the child's home to a similarly defined point within the school as specified by Ordnance Survey, with those living closest having priority. The school uses measurements provided by the LA and further information on how distances are calculated, including what is defined as

permanent or main residence, is available in the “Admission to Secondary School in Kent” booklet provided by the LA.

- **Children not resident within the same scheme of education as the school** – The distance is measured between the child’s permanent address and the school in a straight line using Ordnance Survey address point data. Distances are measured from a central point within the child’s home to a similarly defined point within the school as specified by Ordnance Survey with those living closest having priority. The school uses measurements provided by the LA and further information on how distances are calculated, including what is defined as permanent or main residence, is available in the “Admission to Secondary School in Kent” booklet provided by the LA.

Oversubscription criteria for Astor College for the Arts will be applied in the following priority order:

- **Children in Local Authority Care** – a child under the age of 18 years for whom the local authority provides accommodation by agreement with their parents/carers (Section 22 of the Children Act 1989) or who is the subject of a care order under Part IV of the Act.
- **Current Family Association** - a brother or sister attending the school when the child starts. In this context brother or sister means children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

- **Health and Special Access Reasons** - Medical / Health and Special Access Reasons will be applied in accordance with the school’s legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents’/guardians’, physical or mental health or social need means there is a demonstrable and significant need for their child to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the particular school.

The school uses measurements provided by the LA and further information on how distances are calculated, including what is defined as permanent or main residence, is available in the “Admission to Secondary School in Kent” booklet provided by the LA.
- Up to 10% of places will be admitted on ability in the visual arts. Please note that children applying for these places will need to spend a session at the college working on a set of creative tasks which will be assessed on merit.

Oversubscription criteria for Towers School will be applied in the following priority order:

- **Children in Local Authority Care** – a child under the age of 18 years for whom the local authority provides accommodation by agreement with their parents/carers (Section 22 of the Children Act 1989) or who is the subject of a care order under Part IV of the Act.

- **Children resident within the same scheme of education as the school.** – Kent has both comprehensive and selective areas of education. Priority is given to pupils resident in the same scheme of education as the school as defined in the ‘Admission to Secondary School in Kent’ booklet. Applicants within this category will be prioritised as follows:
 - i. **Children who live nearer to Towers School than any other maintained non selective secondary school or academy** – Children will be ranked according to the distance from their home to the Towers with those living

closest being ranked highest. The distance is measured between the child's permanent address and the school in a straight line using Ordnance Survey address point data. Distances are measured from a central point within the child's home to a similarly defined point within the school as specified by Ordnance Survey.

- ii. **Children who live nearer to any other maintained non selective secondary school or academy than Towers School** – Children for whom Towers is not their nearest non selective secondary school or academy will be ranked according to the distance from their home to Towers with those living closest being ranked highest. The distance is measured between the child's permanent address and the school in a straight line using Ordnance Survey address point data. Distances are measured from a central point within the child's home to a similarly defined point within the school as specified by Ordnance Survey.
- **Children not resident within the same scheme of education as the school –:**

Proposed Statutory Consultation Area for Kent Primary Infant and Junior schools

The LA is required to define “relevant areas” within which the admissions authorities of all maintained schools must conduct their annual statutory consultation. The relevant statutory consultation areas are those included within a 3 mile radius of the primary, infant or junior school concerned. However because the consultation is distributed across all Kent Admissions Authorities via the Kent County Council Website, admission authorities and parents outside the relevant areas are also able to view arrangements. If respondents are located outside of the 3 mile radius of the Primary school in question the LA and schools may or may not choose to have regard to the comments.

Appendix C (6)

Proposed Statutory Consultation Area for Kent Secondary schools

Proposed Statutory Consultation Area

The LA is required to define “relevant areas” within which the admissions authorities of all maintained schools must conduct their statutory consultation. Admission authorities for all maintained secondary schools within the relevant area must consult the admission authorities for all maintained primary, middle and secondary schools in the area. An academy must consult in the way that other admission authorities do, but cannot alter its admission arrangements without the approval of the Secretary of State. Consultations must take place at least every three years and in any year that changes are proposed.

The relevant statutory consultation areas continue to be the designated districts and adjoining parishes detailed overleaf:
