**Inspection of Safeguarding and Looked After Children Services (8
December 2010)**

Cabinet portfolio: Mrs J Whittle

Synopsis: This report to Cabinet summarised the outcome of the Ofsted Inspection of Safeguarding and Looked After Children Services in Kent

Reason for call-in: Members wanted more information on the Inspection of Safeguarding and Looked After Children Services, including why the risk of the judgement had not been identified earlier.

Recommendations and responses:

3. Welcome the assurances given by the Leader of the Council, the Cabinet Member for Children, Families and Education and the Managing Director, Children Families and Education that the points made during the discussion at Cabinet Scrutiny Committee will be included as part of the recovery plan. These are as follows:

- a. that a review of the governance arrangements relating to safeguarding would be carried out, including the future role of the Policy Overview and Scrutiny Committees and the Children's Champion Board.
- b. that the current reward policy for front line social workers be reviewed, to ensure the right staff are recruited and retained within the authority.
- c. that a rota between working within Safeguarding and with Looked After Children be considered, to reduce staff 'burn-out'
- d. that concerns around the caseload and training levels of staff are examined
- e. that the previous culture of silence from social workers is examined to ascertain why it had become ingrained within the organisation, and to avoid this happening again
- f. that the use of the Integrated Children's System is reviewed to ensure it is fit for purpose and being used as effectively as possible
- g. that the Council work more closely with the Courts to help reduce the amount of experienced social workers' time depleted through lengthy proceedings
- h. to explore ways in which Members can be involved in Serious Case Reviews, if necessary with bespoke Member training for this purpose
- i. that all Members who serve on the relevant Overview and Scrutiny bodies should be strongly encouraged to be more robust and challenging in performing their role to hold decision-makers to account for their actions,

including being better prepared with searching questions prior to the meeting, and that opportunities for specific training on scrutiny questioning techniques should be taken up.

- j. that the need for a ‘triage’ system be highlighted, in order to effectively prioritise referrals**

Responses a to j (apart from action i which is an action for the party whips) are being considered for inclusion in the recovery plan. An updated recovery plan will be circulated to the Cabinet Scrutiny Committee on 19th January.
