BIOGRAPHY FOR INTERVIEWEE ATTENDING SELECT COMMITTEE SESSION

Name: Louise Wessen

Currently I am working within the KCC as a Project Support Assistant within Priority Connect. This is only a 3 month contract. My responsibilities for this role include uploading information onto the Excel database, dealing with enquiries and liaising with redeployes, recruitment and managers. Previously I have worked as a waitress in a number of different restaurants and my most recent post was working for Goldsmiths where I had to provide exceptional customer care and sell products to clients.
