# PACT

Partners and Community Together

## Key Principles

- *PACT should identify 3 top community priorities at a local level at every meeting.*
- *PACT is about problem solving at a local level.*
- *PACT is about delivering community engagement.*
- *PACT is about collaborating with partners to address low level localised community issues.*

**Kent  
Police**

# PACT Priorities.

## Boughton PACT Meeting 13<sup>th</sup> May

**Priorities for your neighbourhood**  
**The following priorities have been identified by your community.**

**Action will be taken by the agency responsible for dealing with the problem.**

- Anti-social behaviour happening after 10pm across Boughton.
- Investigate the provision of a youth worker for the local young people.
- Tackle speeding from the bottom of Dunkirk Hill through the village.
