NOTES TO THE ABBREVIATED ACCOUNTS  
FOR THE YEAR ENDED 31 MARCH 2012

1 ACCOUNTING POLICIES

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

**Turnover**

Turnover represents the net value of services provided, excluding value added tax. Any unmatched surplus revenue at the end of the year is carried forward within creditors.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life

Plant and machinery etc - 33% on cost

**Deferred tax**

The charge for taxation is based on the results for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. In accordance with Financial Reporting Standard 19, provision is made for deferred tax in respect of all timing differences that have originated but not reversed by the balance sheet date. Deferred tax assets are only recognised when it is more likely than not that the deferred tax asset will be recovered. Deferred tax is measured using rates of tax that have been enacted or substantially enacted by the balance sheet date. Deferred tax balances are not discounted.

**Grants receivable**

Revenue grants received are matched against the expenditure to which they relate.

Grants received in respect of capital expenditure are credited to the deferred income account and are released to the profit and loss account by equal instalments over the expected useful lives of the assets.

Any unmatched surplus revenue grants at the end of the period are carried forward in creditors.
